NOTHING IN THIS ELECTRONIC TRANSMISSION CONSTITUTES AN OFFER OF SECURITIES FOR SALE IN ANY JURISDICTION WHERE IT IS UNLAWFUL TO DO SO. THE SECURITIES HAVE NOT BEEN, AND WILL NOT BE, REGISTERED UNDER THE SECURITIES ACT, THE SECURITIES LAWS OF ANY STATE OF THE U.S. OR ANY OTHER JURISDICTION AND THE SECURITIES MAY NOT BE OFFERED OR SOLD WITHIN THE U.S. OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT (“**REGULATION S**”)), EXCEPT PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND APPLICABLE LAWS OF OTHER JURISDICTIONS.

THIS OFFERING CIRCULAR HAS BEEN PREPARED ON THE BASIS THAT ANY OFFER OF THE NOTES IN ANY MEMBER STATE OF THE EEA WILL BE MADE PURSUANT TO AN EXEMPTION UNDER REGULATION (EU) 2017/1129 (THE “**PROSPECTUS REGULATION**”) FROM THE REQUIREMENT TO PUBLISH A PROSPECTUS FOR OFFERS OF NOTES (AS DEFINED IN THIS OFFERING CIRCULAR). This Offering Circular is being sent at your request and, by accepting the e-mail and accessing this Offering Circular, you shall be deemed to have represented to us that (1) you and any customers you represent are either (a) QIBs who are also Qualified Purchasers or (b) non-U.S. persons and that the electronic mail address that you gave us and to which this Offering Circular has been delivered is not located in the U.S., its territories and possessions, any state of the U.S. or the District of Columbia (where “possessions” include Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and the Northern Mariana Islands) (and if you are resident in a Member State or the U.K., you are a qualified investor and not a retail investor (as defined below)) and (2) that you consent to delivery of such Offering Circular by electronic transmission.

You are reminded that this Offering Circular has been delivered to you on the basis that you are a person into whose possession this Offering Circular may be lawfully delivered in accordance with the laws of the jurisdiction in which you are located and you may not, nor are you authorized to, deliver this Offering Circular to any other person.

The materials relating to the offering do not constitute, and may not be used in connection with, an offer or solicitation in any place where offers or solicitations are not permitted by law. If a jurisdiction requires that the offering be made by a licensed broker or dealer and the initial purchasers identified in the Offering Circular (the “**Initial Purchasers**”) or any affiliate of the Initial Purchasers is a licensed broker or dealer in that jurisdiction, the offering shall be deemed to be made by the Initial Purchasers or such affiliate on behalf of VZ Vendor Financing II B.V. (the “**Issuer**”) in such jurisdiction.

This Offering Circular has been sent to you in an electronic form. You are reminded that documents transmitted via this medium may be altered or changed during the process of transmission and, consequently, none of the Initial Purchasers, any person who controls an Initial Purchaser, the Issuer, VodafoneZiggo Group B.V. (“**VodafoneZiggo**”), VodafoneZiggo Group Holding B.V., Liberty Global Europe Holding II B.V., Liberty Global plc, Vodafone Group plc, Vodafone International or any person who controls them or any of their subsidiaries, nor any director, officer, employer, employee or agent of theirs, or affiliate of any such person, accepts any liability or responsibility whatsoever in respect of any difference between the Offering Circular distributed to you in electronic format and the hard copy version available to you on request from the Initial Purchasers.

You are reminded that the attached Offering Circular has been delivered to you on the basis that you are a person into whose possession this Offering Circular may be lawfully delivered in accordance with the laws of the jurisdiction in which you are located, and you may not, nor are you authorized to, deliver this Offering Circular to any other person. You will not transmit the attached Offering Circular (or any copy of it or part thereof) or disclose, whether orally or in writing, any of its contents to any other person except with the consent of the Initial Purchasers.

Restrictions: Any securities to be issued will not be registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold within the U.S. or to U.S. persons except to persons that are both (i) Qualified Institutional Buyers and also (ii) Qualified Purchasers.

The securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA or the U.K. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive 2016/97/EC (as amended, “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIPs Regulation**”) for offering or selling the securities or otherwise making them available to retail investors in the EEA or the U.K. has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or the U.K. may be unlawful under the PRIPs Regulation. References to Regulations or Directives include, in relation to the U.K., those Regulations or Directives as they form part of U.K. domestic law by virtue of the European Union (Withdrawal) Act 2018 or have been implemented in U.K. domestic law, as appropriate.

Solely for the purposes of the product approval process of each manufacturer, the target market assessment in respect of the Notes described in this Offering Circular has led to the conclusion that: (i) the target market for such Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of such Notes to eligible counterparties and professional clients are appropriate. The target market and distribution channel(s) may vary in relation to sales outside the EEA in light of local regulatory regimes in force in the relevant jurisdiction. Any person subsequently offering, selling or recommending such Notes (a “distributor”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of such Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

This communication is directed solely at persons who (i) are outside the U.K., (ii) are investment professionals, as such term is defined in Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the “**Financial Promotion Order**”), (iii) are persons falling within Article

49(2)(a) to (d) of the Financial Promotion Order or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services Markets Act 2000 (“**FSMA**”)) in connection with the issue or sale of any securities may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as “relevant persons”). This Offering Circular must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this Offering Circular relates is available only to relevant persons and will be engaged in only with relevant persons. Any person who is not a relevant person should not act or rely on this Offering Circular or any of its contents.

SUBJECT TO COMPLETION, DATED 7 DECEMBER 2020

CONFIDENTIAL
PRELIMINARY OFFERING CIRCULAR

NOT FOR GENERAL CIRCULATION
IN THE UNITED STATES OR TO U.S. PERSONS

€600,000,000 % Vendor Financing Notes due 2029
issued by
VZ Vendor Financing II B.V.
in accordance with the VodafoneZiggo Green Bond Framework (as defined herein)

VZ Vendor Financing II B.V., a company incorporated under the laws of the Netherlands with registered number 80895573 (the “**Issuer**”), is offering an aggregate principal amount of €600,000,000 % vendor financing notes due 2029 (the “**Notes**”) on or about 18 December 2020 (the “**Issue Date**”). The Notes will bear interest at the rate per annum equal to % as described herein. The Notes will mature on 15 January 2029 (the “**Maturity Date**”). Interest on the Notes will be payable semi-annually in arrears on 15 April and 15 October of each year, commencing on 15 April 2021, subject to adjustment for non-business days (each, an “**Interest Payment Date**”).

In accordance with the VodafoneZiggo Green Framework (as defined herein), VodafoneZiggo intends to use an amount equal to the net proceeds of the Notes to finance and/or refinance new and/or existing Eligible Green Projects (as defined herein) and to pay fees and expenses in relation thereto. Accordingly, on 4 December 2020, Sustainalytics certified that the VodafoneZiggo Green Framework aligns with the 2018 Green Bond Principles (as defined herein). See “*Risk Factors --Risks Relating to the Notes --The Notes may not be a suitable investment for all investors seeking exposure to “green” assets and “Risk Factors --Risks Relating to the Notes --Investors may have limited remedies if we fail to allocate an amount equal to the net proceeds from the offering of the Notes to finance and/or refinance new and/or existing Eligible Green Projects or to satisfy related reporting requirements and other undertakings*”.

On or following the Issue Date, the net proceeds of the issuance of the Notes plus any upfront payments payable by VZ Financing I B.V. (the “**New VFZ Facilities Borrower**”) under the New VFZ Facilities Agreement (as defined herein), will be used by the Issuer to finance the purchase of VFZ Accounts Receivable (as defined herein) pursuant to the Framework Assignment Agreement (including the Block Transfer) (each as defined herein). It is expected that the Issuer will complete the Block Transfer by 31 December 2020 and further purchases of VFZ Accounts Receivable or loans to the New VFZ Facilities Borrower pursuant to the New VFZ Facility Agreement by 31 March 2021. To the extent that there are not sufficient VFZ Accounts Receivable available for purchase on the first Value Date (as defined herein) falling on or after the Issue Date, the Issuer will advance any excess proceeds from the issuance of the Notes to the New VFZ Facilities Borrower, as the borrower under the New VFZ Facilities Agreement, as Excess Cash Loans (as defined herein) under the Excess Cash Facility (as defined herein) pursuant to the New VFZ Facilities Agreement. On the Issue Date, the Issuer will also fund the Subscription Proceeds (as defined herein) under the Issue Date Facility (as defined herein) to the New VFZ Facilities Borrower, pursuant to the New VFZ Facilities Agreement.

The Notes will be subject to tax redemption and illegality redemption. Additionally, the Notes may be redeemed at any time prior to 18 December 2023, at a price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to the redemption date and a “make-whole” premium as further described in Condition 6(d) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Make-Whole Redemption Event*”). The Notes may also be redeemed at any time on or after 18 December 2023, at the redemption prices described in Condition 6(e) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Redemption Event on or after 18 December 2023*”), plus accrued and unpaid interest to the redemption date. Each of the foregoing redemptions are subject to the relevant provisions of Condition 6 (“*Redemption, Purchase and Cancellation; Approved Exchange Offer*”) under “*Terms and Conditions of the Notes*”.

Following a Change of Control as defined under the New VFZ Facilities Agreement, the New VFZ Facilities Borrower will be required to offer to prepay the New VFZ Facilities Loans (as defined herein). Following receipt of such prepayment offer, the Issuer will launch a consent solicitation to set (i) the Maturity Date of the Notes as the New Maturity Date (as defined herein) and (ii) the redemption price of the Notes on the New Maturity Date at 101% of the principal amount of the Notes (“**Accelerated Redemption Price**”), plus accrued and unpaid interest to the New Maturity Date, in accordance with the relevant provisions of Condition 6 (“*Redemption, Purchase and Cancellation; Approved Exchange Offer*”). If holders of more than 50% of the aggregate principal amount of Notes consent to the foregoing requests, the Issuer will inform the New VFZ Facilities Borrower that it accepts the prepayment offer, and the New VFZ Facilities Borrower will prepay the New VFZ Facilities Loans at par, plus accrued and unpaid interest thereon, together with a payment equal to 1% of the principal amount of the Excess Cash Loans and Interest Facility Loans so prepaid. Following such prepayment, the Issuer will redeem all of the Notes on the New Maturity Date at the Accelerated Redemption Price, plus accrued and unpaid interest to the New Maturity Date. Additionally, the Notes may be redeemed prior to the Maturity Date in connection with an Approved Exchange Offer (as defined herein). See Conditions 6(j) and 6(k) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Approved Exchange Offer*”).

The Issuer is dependent upon payments it receives in respect of the Assigned Receivables (as defined herein) and under the Framework Assignment Agreement, the New VFZ Facilities Agreement, the Expenses Agreement (as defined herein) and the related agreements to make payments on the Notes. The Issuer will apply payments it receives in respect of the Assigned Receivables, the Framework Assignment Agreement, the New VFZ Facilities Agreement, the Expenses Agreement and such related agreements, including in respect of principal and interest, to make payments on the Notes in accordance with Condition 7 (“*Payments*”). Payment of principal and interest will be limited to the amount of funds available from time to time for that purpose in accordance with the terms of the Trust Deed (as defined herein).

The Notes will be limited recourse and senior obligations of the Issuer. The Notes will be secured by the security granted over the following (collectively, the “**Notes Collateral**”): (i) the Issuer’s rights, title, benefit and interest in, to and under the Assigned Receivables; (ii) the Issuer’s rights under all contracts, agreements, deeds and documents to which it is or may become a party or in respect of which it has or may have any right, title, benefit or interest (including, without limitation, the New VFZ Facilities Agreement, the Expenses Agreement, the Framework Assignment Agreement and the Issue Date Arrangements Agreement (as defined herein)); (iii) the Issuer Transaction Accounts (as defined herein), and all amounts at any time standing to the credit thereto; and (iv) all other present and future property, assets and undertakings of the Issuer, in favour of BNY Mellon Corporate Trustee Services Limited (the “**Security Trustee**”) for the benefit of the Secured Parties (as defined herein) pursuant to the Notes Security Documents (as defined herein). None of VodafoneZiggo nor any of its subsidiaries will guarantee or provide any security or any other credit support to the Issuer with respect to its obligations under the Notes. Other than under the limited circumstances described herein, Noteholders (as defined herein) will not have a direct claim on the cash flow or assets of VodafoneZiggo or any of its subsidiaries, and neither VodafoneZiggo nor any of its subsidiaries has any obligation, contingent or otherwise, to pay amounts due under the Notes, or to make funds available to the Issuer for those payments, other than the obligations of (i) the Obligor (as defined herein) to make payments to the Issuer in respect of the Assigned Receivables, (ii) the Obligor to make payments to the Issuer in respect of the New VFZ Facilities Agreement or (iii) VZ Financing I B.V. to make payments to the Issuer under the Expenses Agreement, and in each case of (i) to (iii) above, any agreements related thereto to which they are party.

Subject to certain conditions, the Issuer will be entitled, at its option and without the consent of the Noteholders, to issue further Notes (the “**Further Notes**”) having the same terms and conditions (except as to issue date and initial interest paid in respect of their first interest period) as, and being fungible with, the Notes. The expression “**Notes**” shall in this Offering Circular, unless the context otherwise requires, include the Notes as well as any “**Further Notes**”.

This Offering Circular does not constitute a prospectus for the purpose of Regulation (EU) 2017/1129 (as amended) (the “**Prospectus Regulation**”). The Issuer is not offering the Notes in any jurisdiction in circumstances that would require a prospectus to be prepared pursuant to the Prospectus Regulation.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “**Securities Act**”), or the securities laws of any other jurisdiction. The Notes are being offered only (i) in offshore transactions to non-U.S. persons outside the United States, who are not retail investors in the EEA, in reliance on Regulation S under the Securities Act (“**Regulation S**”) and (ii) in the United States to, or for the account or benefit of, persons that are (x) qualified institutional buyers (“**QIBs**”) in accordance with Rule 144A under the Securities Act (“**Rule 144A**”) and also (y) Qualified Purchasers (within the meaning of Section 2(a)(51) of, and Rules 2a51-1, 2a51-2 and 2a51-3 under, the U.S. Investment Company Act of 1940, as amended (the “**Investment Company Act**”). Prospective purchasers are hereby notified that resales of the Notes may be made in reliance on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A. Each purchaser of a Note will make (or in the case of a resale) be deemed to make certain acknowledgments, representations, warranties and certifications. The Issuer will likely be a “covered fund” as defined in Section 13 of the Bank Holding Company Act of 1956, as amended, together with the rules, regulations and published guidance thereunder, as amended (the “**Volcker Rule**”), and the Notes may constitute an “ownership interest” in a “covered fund” within the meaning of the Volcker Rule. See “*Risk Factors—Risks Relating to Regulatory Initiatives—Volcker Rule*”. For a description of certain restrictions on transfer, see “*Plan of Distribution*” and “*Transfer Restrictions*”.

The Notes are expected to be delivered to investors in book-entry form through Euroclear Bank S.A./N.V. as operator of the Euroclear System (“**Euroclear**”) and Clearstream Banking, S.A. (“**Clearstream**”), on or about the Issue Date.

BofA Securities Europe SA, Crédit Agricole Corporate and Investment Bank, Citigroup Global Markets Limited, Coöperatieve Rabobank U.A., Deutsche Bank AG, London Branch, ING Bank N.V., London Branch, MUFG Securities (Europe) N.V., and RBC Europe Limited have agreed to subscribe to the Notes as initial purchasers and are collectively referred to herein as the “**Initial Purchasers**”. It is expected that delivery of the Notes to investors will be made in book-entry form through Euroclear and Clearstream on or about the Issue Date.

There is currently no public market for the Notes. Application will be made for the Notes to be listed on the Official List of Euronext Dublin and to be admitted for trading on the Global Exchange Market thereof, which is not a regulated market (pursuant to the provisions of Directive 2014/65/EU). There is no assurance that the Notes will be listed on the Official List of Euronext Dublin and admitted for trading on the Global Exchange Market thereof.

Particular attention is drawn to the Section of this Offering Circular entitled “*Risk Factors*” and “*Risk Factors*” in the 2019 Annual Report (as defined in this Offering Circular) incorporated by reference herein.

Neither the Issuer nor VodafoneZiggo has authorized any dealer, salesperson or other person to give any information or represent anything to you other than the information contained in this Offering Circular (including information incorporated by reference herein). You must not rely on unauthorized information or representations.

This Offering Circular does not offer to sell or solicit offers to buy any of the securities in any jurisdiction where it is unlawful, where the person making the offer is not qualified to do so, or to any person who cannot legally be offered the securities.

The information contained in this Offering Circular is current only as of the date on the cover page, and may change after that date, and the information incorporated by reference into this Offering Circular is current only as of the date of such incorporated document, and may change after that date. For any time after the cover date of this Offering Circular, VodafoneZiggo does not represent that its affairs are the same as described in this Offering Circular or that the information in this Offering Circular is correct, nor does VodafoneZiggo imply those things by delivering this Offering Circular or selling securities to you. For any time after the date of any incorporated document, neither the Issuer nor VodafoneZiggo represents that its affairs are the same as described therein or in any incorporated document or that the information in such incorporated document is correct, nor do the Issuer or VodafoneZiggo imply those things by delivering this Offering Circular or selling securities to you. VodafoneZiggo will not guarantee or provide any credit support to the Issuer with respect to its obligations under the Notes.

The Issuer and the Initial Purchasers are offering to sell the Notes only in places where offers and sales are permitted. If a jurisdiction requires that the offering be made by a licensed broker or dealer and the Initial Purchasers or any affiliate of the Initial Purchasers is a licensed broker or dealer in that jurisdiction, the offering shall be deemed to be made by the Initial Purchasers or such affiliate on behalf of the Issuer in such jurisdiction.

The Issuer, VodafoneZiggo and the Initial Purchasers make no assurances as to (i) whether the Notes offered hereby will meet investor criteria and expectations regarding environmental impact and sustainability performance for any investors, (ii) whether the net proceeds will be used for the Eligible Green Projects (as defined herein), (iii) the characteristics of the Eligible Green Projects, including their environmental and sustainability criteria or (iv) the suitability of the Second-Party Opinion (as defined herein) or the Notes to fulfil such environmental and sustainability criteria. The Initial Purchasers have not undertaken, nor are responsible for, any assessment of the Eligible Green Projects, any verification of whether the Eligible Green Projects meet the eligibility criteria of the VodafoneZiggo Green Bond Framework (as defined herein) or any monitoring of the use of proceeds. The Second-Party Opinion is not incorporated into and does not form part of this Offering Circular. See *“Risk Factors—Risks Relating to the Notes—The Notes may not be a suitable investment for all investors seeking exposure to “green” assets”* and *“Risk Factors—Risks Relating to the Notes—Investors may have limited remedies if we fail to allocate an amount equal to the net proceeds from the offering of the Notes to finance and/or refinance new and/or existing Eligible Green Projects or to satisfy related reporting requirements and other undertakings”*.

The Issuer is offering the Notes in reliance on exemptions from the registration requirements of the U.S. Securities Act. These exemptions apply to offers and sales of securities that do not involve a public offering. The Notes have not been registered with, recommended by or approved by the U.S. Securities and Exchange Commission (the “SEC”) or any other securities commission or regulatory authority, nor has the SEC or any such securities commission or authority passed upon the accuracy or adequacy of this Offering Circular. Any representation to the contrary is a criminal offense in the United States.

This Offering Circular is a confidential document that is being provided for informational use solely in connection with consideration of a purchase of the Notes (i) to U.S. investors that the Issuer reasonably believes to be both (x) Qualified Institutional Buyers as defined in Rule 144A under the Securities Act, and also (y) Qualified Purchasers within the meaning of Section 2(a)(51) of, and Rules 2a51-1, 2a51-2 and 2a51-3 under, the Investment Company Act, and (ii) to non-U.S. persons in offshore transactions complying with Rule 903 or Rule 904 of Regulation S under the Securities Act. Its use for any other purpose is not authorized. This Offering Circular may not be copied or reproduced in whole or in part nor may it be distributed or any of its contents be disclosed to anyone other than the Qualified Institutional Buyers and Qualified Purchasers described in (i) above or to persons considering a purchase of the Notes in offshore transactions described in (ii) above.

This Offering Circular is for distribution only to persons who (i) are investment professionals, as such term is defined in Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the “**Financial Promotion Order**”), (ii) are persons falling within Article 49(2)(a) to (d) (“high net

worth companies, unincorporated associations, etc.”) of the Financial Promotion Order, (iii) are outside the U.K. or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000 (“**FSMA**”)) in connection with the issue or sale of any Notes may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as “**relevant persons**”). This Offering Circular is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this Offering Circular relates is available only to relevant persons and will be engaged in only with relevant persons.

This Offering Circular has been prepared on the basis that any offer of the Notes in any Member State of the EEA or the U.K. will be made pursuant to an exemption under Regulation (EU) 2017/1129 (the “**Prospectus Regulation**”) from the requirement to publish a prospectus for offers of the Notes. This Offering Circular is not a prospectus for the purposes of the Prospectus Regulation. Accordingly, any person making or intending to make any offer within the EEA or the U.K. of the Notes should only do so in circumstances in which no obligation arises for the Issuer or any of the Initial Purchasers to produce a prospectus for such offer. Neither the Issuer nor the Initial Purchasers have authorized, nor do they authorize, the making of any offer of the Notes through any financial intermediary, other than offers made by the Initial Purchasers which constitute the final placement of the Notes contemplated in this Offering Circular.

Solely for the purposes of the product approval process of each manufacturer, the target market assessment in respect of the Notes described in this Offering Circular has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “**MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. The target market and distribution channel(s) may vary in relation to sales outside the EEA and the U.K. in light of local regulatory regimes in force in the relevant jurisdiction. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of such Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

The Notes are subject to restrictions on transferability and resale and may not be transferred or resold except as permitted under the Securities Act and all other applicable securities laws. See “*Plan of Distribution*” and “*Transfer Restrictions*”. By purchasing any Notes, you will be deemed to have made certain acknowledgments, representations and agreements as described in those sections of this Offering Circular. You may be required to bear the financial risks of investing in the Notes for an indefinite period of time.

The Issuer and VodafoneZiggo have prepared this Offering Circular solely for use in connection with this offering and for applying to Euronext Dublin for the Notes to be listed on its Official List and for trading on its Global Exchange Market. You may not distribute this Offering Circular or make copies of it without the Issuer’s and VodafoneZiggo’s prior written consent other than to people you have retained to advise you in connection with this offering.

You are not to construe the contents of this Offering Circular (including the information incorporated by reference herein) as investment, legal, tax or other advice. You should consult your own counsel, accountant and other advisers as to legal, tax, business, financial, regulatory and related aspects of a purchase of the Notes. You are responsible for making your own examination of VodafoneZiggo and your own assessment of the merits and risks of investing in the Notes. None of the Issuer, VodafoneZiggo or the Initial Purchasers is making any representation to you regarding the legality of an investment in the Notes by you.

The information contained in this Offering Circular (including the information incorporated by reference herein) has been furnished by the Issuer and VodafoneZiggo and other sources the Issuer and VodafoneZiggo believe to be reliable. No representation or warranty, express or implied, is made by the Initial Purchasers or any of their affiliates as to the accuracy, adequacy or completeness of any of the information set out in this Offering Circular or incorporated by reference herein, and nothing contained in this Offering Circular or incorporated by reference herein is or shall be relied upon as a promise or representation by the Initial Purchasers, whether as to the past or the future. This Offering Circular (including the information incorporated by reference herein) contains summaries, believed to be accurate, of some of the terms of specified documents, but reference is made to the actual documents, copies of which will be made available by the Issuer and VodafoneZiggo upon request, for the complete information contained in those documents. Copies of such documents and other information relating to the issuance of the Notes will also be available for inspection at the registered office of the Issuer and the specified offices of the paying agent, and may be provided by email to any requesting Noteholder, subject to

The Issuer accepts responsibility for the information contained in this Offering Circular (except in relation to the information in respect of VodafoneZiggo, each of its subsidiaries and affiliates, and industry, statistical and market-related data included herein, for which VodafoneZiggo takes sole responsibility). See "*Plan of Distribution*" and "*Transfer Restrictions*".

This Offering Circular does not constitute an offer to sell or an invitation to subscribe for or purchase any of the Notes in any jurisdiction in which such offer or invitation is not authorized or to any person to whom it is unlawful to make such an offer or invitation. You must comply with all laws that apply to you in any place in which you buy, offer or sell any Notes or possess this Offering Circular. You must also obtain any consents or approvals that you need in order to purchase any Notes. HOWEVER, THERE IS NO ASSURANCE THAT THE STABILIZING MANAGER (OR PERSONS ACTING ON BEHALF OF THE STABILIZING MANAGER) WILL UNDERTAKE STABILIZATION ACTION. ANY STABILIZATION ACTION MAY BEGIN ON OR AFTER THE DATE ON WHICH ADEQUATE PUBLIC DISCLOSURE OF THE FINAL TERMS OF THE OFFER OF THE NOTES IS MADE AND, IF BEGUN, MAY BE ENDED AT ANY TIME, BUT IT MUST END NO LATER THAN THE EARLIER OF 30 DAYS AFTER THE ISSUE DATE OF THE NOTES AND 60 DAYS AFTER THE DATE OF THE ALLOTMENT OF THE NOTES.

NOTICE TO U.S. INVESTORS

Each purchaser of Notes will be deemed to have made the representations, warranties and acknowledgments that are described in this Offering Circular under “*Transfer Restrictions*”. The Notes have not been and will not be registered under the Securities Act or the securities laws of any state of the United States and are subject to certain restrictions on transfer and resale. Prospective purchasers are hereby notified that the seller of any new Note may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A. For a description of certain further restrictions on resale or transfer of the Notes, see “*Transfer Restrictions*”. The Notes may not be offered to the public within any jurisdiction. By accepting delivery of this Offering Circular, you agree not to offer, sell, resell, transfer or deliver, directly or indirectly, any new Note to the public.

CERTAIN VOLCKER RULE CONSIDERATIONS

The Issuer relies on an analysis that it does not come within the definition of “investment company” under the U.S. Investment Company Act because of the exclusion provided under Section 3(c)(7) thereunder. Consequently, the Issuer will likely be a “covered fund” for purposes of Section 13 of the Bank Holding Company Act, as amended, together with the rules, regulations and published guidance promulgated thereunder, as amended (the “**Volcker Rule**”). See “*Risk Factors—Risks Relating to Regulatory Initiatives—Volcker Rule*” and “*Transfer Restrictions*”.

PROHIBITION OF OFFERS TO EEA OR U.K. RETAIL INVESTORS

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA or the U.K. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (the “**IDD**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or the U.K. has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or the U.K. may be unlawful under the PRIIPs Regulation. This Offering Circular has been prepared on the basis that any offer of Notes in any Member State of the EEA or the U.K. will be made pursuant to an exemption under the Prospectus Regulation from the requirement to publish a prospectus for offers of Notes. This Offering Circular is not a prospectus for the purposes of the Prospectus Regulation. References to Regulations or Directives include, in relation to the U.K., those Regulations or Directives as they form part of U.K. domestic law by virtue of the European Union (Withdrawal) Act 2018 or have been implemented in U.K. domestic law, as appropriate.

PROFESSIONAL INVESTORS AND ECPS ONLY TARGET MARKET

Solely for the purposes of the product approval process of each manufacturer, the target market assessment in respect of the Notes described in this Offering Circular has led to the conclusion that: (i) the target market for such Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of such Notes to eligible counterparties and professional clients are appropriate. The target market and distribution channel(s) may vary in relation to sales outside the EEA and the U.K. in light of local regulatory regimes in force in the relevant jurisdiction. Any person subsequently offering, selling or recommending such Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of such Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

NOTICE TO EEA AND U.K. INVESTORS

In relation to each member state of the EEA (each, a “**Member State**”) and the U.K., each Initial Purchaser has represented and agreed that it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Offering Circular to the public in that Member State and the U.K. other than:

- (a) to any legal entity which is a qualified investor as defined in the Prospectus Regulation;
- (b) to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation), as permitted under the Prospectus Regulation, subject to obtaining the prior consent of the relevant Initial Purchaser or Initial Purchasers nominated by the Issuer for any such offer; or
- (c) in any other circumstances falling within Article 1(4) of the Prospectus Regulation; provided that no such offer of the Notes shall require the publication by the Issuer or any Initial Purchaser of a prospectus pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation. Accordingly, any person making or intending to make any offer within the EEA or the U.K. of the Notes should only do so in circumstances in which no obligation arises for the Issuer or the Initial Purchasers to publish a prospectus, pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation, in each case, in relation to such offer. Neither the Issuer nor the Initial Purchasers have authorized, nor do the Issuer or any Initial Purchaser authorize, the making of any offer of Notes through any financial intermediary, other than offers made by the Initial Purchasers, which constitute the final placement of the Notes contemplated in this Offering Circular.

For the purposes of this provision, the expression an “offer of notes to the public” in relation to any Notes in any Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes and the expression “Prospectus Regulation” means Regulation (EU) 2017/1129 and includes any relevant implementing measure in any Member State or the U.K.

Each subscriber for or purchaser of the Notes in the offering located within a Member State or the U.K. will be deemed to have represented, acknowledged and agreed that it is a “qualified investor” within the meaning of the Prospectus Regulation. The Issuer, the Initial Purchasers and their affiliates, and others will rely upon the trust and accuracy of the foregoing representation, acknowledgement and agreement. Notwithstanding the above, a person who is not a qualified investor and who has notified the Initial Purchasers of such fact in writing may, with the consent of the Initial Purchasers, be permitted to subscribe for or purchase the Notes in the offering.

PRESENTATION OF FINANCIAL AND OTHER INFORMATION

The Issuer's Financial Information

As of the date of this Offering Circular, no financial statements of the Issuer are available. Financial statements will be published by the Issuer on an annual basis beginning with the year ending 31 December 2021 (on an extended basis), and the Issuer will not prepare interim financial statements. As VodafoneZiggo has no controlling financial interest in the Issuer and no ability to control the Issuer, and therefore VodafoneZiggo will not consolidate the Issuer.

VodafoneZiggo's Financial Information

This Offering Circular and the information incorporated by reference include historical financial data from the 30 September 2020 Condensed Consolidated Financial Statements contained in the 2020 Quarterly Report and from the 31 December 2019 Consolidated Financial Statements contained in the 2019 Annual Report. Unless otherwise indicated, the historical consolidated financial information presented herein of VodafoneZiggo and its subsidiaries has been prepared in compliance with accounting principles generally accepted in the United States (“U.S. GAAP”).

The historical consolidated results of VodafoneZiggo are not necessarily indicative of the consolidated results that may be expected for any future period.

VodafoneZiggo's consolidated financial results are reported in euro. Unless otherwise indicated, convenience translations into euro have been calculated at the 30 September 2020 market rate.

Other Financial Measures

In this Offering Circular and the information incorporated by reference herein, we (as defined below) present Adjusted EBITDA (previously referred to as “**Operating Cash Flow**”), which is not required by, or presented in accordance with, U.S. GAAP. Adjusted EBITDA is the primary measure used by our management and our Supervisory Board to evaluate the operating performance of our businesses. Adjusted EBITDA is also a key factor that is used by our management and Supervisory Board to evaluate the effectiveness of our management for purposes of annual and other incentive compensation plans. As we use the term, “**Adjusted EBITDA**” is defined as operating income before depreciation and amortization, share-based compensation, provisions and provision releases related to significant litigation and impairment, restructuring and other operating items. Other operating items include (a) gains and losses on the disposition of long-lived assets, (b) third-party costs directly associated with successful and unsuccessful acquisitions and dispositions, including legal, advisory and due diligence fees, as applicable, and (c) other acquisition-related items, such as gains and losses on the settlement of contingent consideration. Our internal decision makers believe Adjusted EBITDA is a meaningful measure because it represents a transparent view of our recurring operating performance that is unaffected by our capital structure and allows management to (1) readily view operating trends, (2) perform analytical comparisons and benchmarking between entities and (3) identify strategies to improve operating performance. We believe our Adjusted EBITDA measure is useful to investors because it is one of the bases for comparing our performance with the performance of other companies in the same or similar industries, although our measure may not be directly comparable to similar measures used by other companies. Adjusted EBITDA should be viewed as a measure of operating performance that is a supplement to, and not a substitute for operating income (loss) net earnings, cash flow from operating activities and other U.S. GAAP measures of income or cash flows. We provide a reconciliation of net loss to Adjusted EBITDA in this Offering Circular. See “*Summary Financial and Operating Data of VodafoneZiggo*”.

Subscriber Data

Each subscriber is counted as a revenue generating unit (“**RGU**”) for each broadband communication service subscribed. Thus, a subscriber who receives digital cable television, broadband internet and fixed-line telephony services from us (regardless of their number of telephony access lines) would be counted as three RGUs. Mobile subscribers are counted based on the number of subscriber identification module (“**SIM**”) cards in service. The subscriber data included in this Offering Circular, including penetration rates and average monthly subscription revenue earned per average RGU or mobile subscriber, as applicable (“**ARPU**”), are determined by management, are not part of VodafoneZiggo's financial statements and have not been audited or otherwise reviewed by an outside independent auditor, consultant or expert or by any of the Initial Purchasers.

Third-Party Information

The information provided in this Offering Circular and incorporated by reference herein on the market environment, market developments, growth rates, market trends and on the competitive situation in the markets and segments in which we operate are based (to the extent not otherwise indicated) on third-party data, statistical information and reports as well as our own internal estimates.

Neither we nor the Initial Purchasers nor their affiliates have verified the figures, market data or other information on which third parties have based their studies nor have such third parties verified the external sources on which such estimates are based. Therefore neither we nor the Initial Purchasers nor their affiliates guarantee, nor do we nor the Initial Purchasers nor their affiliates assume responsibility for the accuracy of the information from third-party studies presented in this Offering Circular and incorporated by reference herein or for the accuracy of the information on which such estimates are based.

This Offering Circular and the information incorporated by reference herein also contain estimates of market data and information derived therefrom which cannot be gathered from publications by market research institutions or any other independent sources. Such information is based on our internal estimates. In many cases there is no publicly available information on such market data, for example from industry associations, public authorities or other organizations and institutions. We believe that these internal estimates of market data and information derived therefrom are helpful in order to give investors a better understanding of the industry in which we operate as well as our position within this industry. Although we believe that our internal market observations are reliable, our estimates are not reviewed or verified by any external sources. We assume no responsibility for the accuracy of our estimates and the information derived therefrom. These may deviate from estimates made by our competitors or future statistics provided by market research institutes or other independent sources. We cannot assure you that our estimates or the assumptions are accurate or correctly reflect the state and development of, or our position in, the industry.

Where, in any forward-looking statement, we express an expectation or belief as to future results or events, such expectation or belief is expressed in good faith and believed to have a reasonable basis, but there can be no assurance that the expectation or belief will result or be achieved or accomplished.

VodafoneZiggo's Strategy and Management Focus

Following the formation of the VodafoneZiggo JV, we are adding value to our customers through each and every connection related to our video, broadband internet, fixed-line telephony and mobile services. We enable our customers to connect with their loved ones and build new meaningful relationships and enjoy fantastic content and entertainment in familiar and refreshing ways thereby creating more satisfying experiences for our customers.

The formation of the VodafoneZiggo JV, of which we are a wholly-owned subsidiary, created a national, fully converged organization in the Netherlands and, as such, we believe we are able to better serve our customers and compete with our key competitors. As a converged company, we are able to create growth opportunities, including quad-play, and cross-selling and upselling opportunities. We are improving customer satisfaction and loyalty to our company and the services we provide. Furthermore, we are leveraging the knowledge and expertise of our ultimate parent companies, Liberty Global and Vodafone, and have made good progress in integrating and operating as one converged company.

From a strategic perspective, we are building broadband communications and mobile business that has strong prospects for future growth.

We strive to achieve organic revenue and customer growth in our operations by developing and marketing bundled entertainment and information and communications services, and extending and upgrading the quality of our networks where appropriate. With specific bundling of communication with relevant cloud services in workplace and IOT, we support our B2B customers transition to the cloud. While we seek to obtain new customers, we also seek to maximize the average revenue we receive from each household by increasing the penetration of our digital cable, broadband internet, fixed-line telephony and mobile services with existing customers through product bundling and upselling.

The Issuer

The Issuer, VZ Vendor Financing II B.V., was incorporated as a limited liability company under Dutch law (*besloten vennootschap met beperkte aansprakelijkheid*) on 13 November 2020, having its official seat in Amsterdam, the Netherlands and registered with the Dutch commercial register under number 80895573. The registered office of the Issuer is at Herikerbergweg 238, Luna ArenA, 1101CM Amsterdam, the Netherlands. The Issuer does not have an authorized share capital. The Issuer has issued 100 ordinary shares of €1 each (the “**Existing Shares**”) and will issue a number of ordinary shares equal to the Minimum Issuer Capitalization Amount (the “**Issue Date Shares**”, together with the Existing Shares, the “**Shares**”), if any, in connection with the offering of the Notes, which are and will be, respectively, fully paid up and held by the Foundation.

The Issuer has, and will have, no material assets other than the Assigned Receivables held from time to time, the balances standing to the credit of the Issuer Transaction Accounts and the benefit of the Transaction Documents to which the Issuer is or may become a party or in respect of which it has or may have any right, title, benefit or interest (including the New VFZ Facilities Agreement, the Expenses Agreement, the Issue Date Arrangements Agreement and the Framework Assignment Agreement), such fees (as agreed) payable to it in connection with the issue of the Notes and the sum of €100 representing the proceeds of its issued and paid up ordinary share capital which is held in the Issuer Transaction Accounts. The Issuer is dependent upon payments it receives in respect of the Assigned Receivables and under the Framework Assignment Agreement, the New VFZ Facilities Agreement, the Expenses Agreement and the related agreements to make payments on the Notes.

None of VodafoneZiggo or its respective subsidiaries have any controlling financial interest in the Issuer, and accordingly, the Issuer will not be consolidated into VodafoneZiggo’s consolidated financial statements.

Recent Developments of VodafoneZiggo

Refinancing Transactions

Pursuant to a private placement, Ziggo B.V. issued an additional \$91.0 million aggregate principal amount of 4.875% senior secured notes due 2030 on 30 November 2020 (the “**Further 2030 Senior Secured Notes**”) on substantially similar terms to the outstanding 2030 Senior Secured Notes. See “*Description of Other Indebtedness of VodafoneZiggo—Notes—2030 Senior Secured Notes*” for further details.

The net proceeds from the offering of the Further 2030 Senior Secured Notes were used to (i) to fund the 10% redemption of the aggregate principal amount of the 2027 Senior Secured Euro Notes issued pursuant to the indenture governing the 2027 Senior Secured Euro Notes, at a redemption price equal to 103% of the principal amount thereof, plus Additional Amounts (as defined in the indenture governing the 2027 Senior Secured Notes), if any, plus accrued and unpaid interest to (but excluding) the date of redemption (the “**2027 Euro Senior Secured Notes Redemption**”) and (ii) for general corporate purposes, including loans, distributions or other payments to VodafoneZiggo and its direct or indirect parent companies.

The offering of the Further 2030 Senior Secured Notes together with the 2027 Euro Senior Secured Notes Redemption are herein referred to as the “**Refinancing Transactions**”.

Potential Financing Transactions

VodafoneZiggo continually evaluates different financing alternatives and may decide to enter into new credit facilities, access the debt capital markets, incur other indebtedness or enter into liability management transactions from time to time, including following the pricing of this offering and prior to, or within a short time period following, the Issue Date of the Notes (the “**Potential Financing Transactions**”). The cash proceeds of any Potential Financing Transactions may be used for the redemption, refinancing, repayment or prepayment of existing indebtedness of any member of the group, the payment of any fees and expenses in connection therewith or the other transaction related thereto, general corporate purposes and/or distributions or other payments to VodafoneZiggo and its direct or indirect parent companies. The incurrence of indebtedness under any such Potential Financing Transactions would be incurred in compliance with the applicable covenants under the Existing Credit Facility and the Existing Indentures. After giving effect to any such incurrence in compliance with the applicable covenants, including in connection with permitted refinancing debt, permitted acquisition debt or other exceptions to the restriction on our ability to incur indebtedness, the ratio of as adjusted total

covenant senior net debt to annualized EBITDA and the ratio of as adjusted total covenant net debt to annualized EBITDA could increase above the ratio of as adjusted total covenant senior net debt to annualized EBITDA and the ratio of as adjusted total covenant net debt to annualized EBITDA, respectively, as of 30 September 2020 (each as shown under the heading “*Summary Financial and Operating Data of VodafoneZiggo—Certain As Adjusted Covenant Information*”), and such increase could be material. Any Potential Financing Transaction will be made at VodafoneZiggo’s election or the election of its relevant subsidiaries, and, if such debt is in the form of securities, such debt would be offered and sold pursuant to, and on the terms described in, a separate Offering Circular or liability management document. See “*Risk Factors—Risks Relating to Our Financial Profile—We may incur additional indebtedness prior to, or within a short time period following, the Issue Date of the Notes, which indebtedness could increase our leverage and may have terms that are more or less favourable than the terms of the Notes and our other existing indebtedness*”.

Overview of the Structure of the Offering of the Notes

As part of the Transactions, the Issuer intends to issue €600,000,000 aggregate principal amount of the Notes. As more fully described below, the proceeds from the offering of the Notes will be used to purchase eligible payment obligations and accounts receivable relating thereto owing by VodafoneZiggo and certain of its subsidiaries, to make certain loans available to the New VFZ Facilities Borrower and for the other purposes described herein. Defined terms used but not defined herein have the meaning ascribed to them in the “*Definitions*” section.

In the course of their business, VodafoneZiggo and its subsidiaries purchase goods and/or services from suppliers pursuant to the terms of various supply contracts, and those suppliers issue invoices requiring the relevant Buyer Entity (as defined below) to make payment for the purchase of such goods and/or services on the terms specified in the applicable invoice and supply contract. Each invoice evidences an amount payable by a Buyer Entity to a Supplier (as defined below) as a result of an existing business relationship and includes all rights attaching thereto under the relevant contract to which such invoice relates (as further described in “*Description of the Receivables*” included elsewhere in this Offering Circular, each, a “**Receivable**” and collectively, the “**Receivables**”). From time to time, a Buyer Entity, or the Buyer Parent and/or Liberty Global Capital Limited (“**LGC**”) on its behalf, may upload an Electronic Data File containing details of Receivables payable to a Supplier (as defined in Condition 1 (*Definitions and Principles of Construction*)) on to the SCF Platform (as defined below) (an “**Upload**”). The designation of such uploaded Receivables as “approved” by a Buyer Entity will give rise to such Receivable being an, “**Approved Platform Receivable**”. As further described below, immediately upon payment by the Platform Provider to the relevant Suppliers of the Net Amount specified in the Electronic Data File (i) an SCF Transfer will occur in respect of such Approved Platform Receivables and (ii) such payment will immediately give rise to new independent and primary obligations of each Obligor (as defined below), jointly and severally, to make or cause payment to be made to the Relevant Recipient on the Confirmed Payment Date (as defined below) in respect of such Approved Platform Receivable (a “**Payment Obligation**”). Each Electronic Data File will, among other things, specify the Net Amount payable to the relevant Supplier in respect of Approved Platform Receivables, the date such Net Amount should be paid (the “**Net Amount Payment Date**”) and the date on which such Payment Obligation (which arises following an SCF Transfer) and the related Approved Platform Receivable will be paid (which date will be a date up to 360 days from the original invoice date, a “**Confirmed Payment Date**”).

Pursuant to the Framework Assignment Agreement (as defined below), the Platform Provider may subsequently offer to sell and assign (including pursuant to the Block Transfer) to the Issuer, on a non-recourse basis, eligible Payment Obligations and the related Receivables (solely to the extent that such Receivables have been acquired by the Platform Provider) (collectively and as further described and defined below, the “**VFZ Accounts Receivable**”).

On or about the Issue Date, the Issuer will use the net proceeds from the offering of the Notes *plus* any upfront payment payable by the New VFZ Facilities Borrower under the New VFZ Facilities Agreement (as defined below) to finance the purchase of eligible VFZ Accounts Receivable pursuant to the terms and conditions of the Framework Assignment Agreement. To the extent that such proceeds from the offering of the Notes exceed the amount of VFZ Accounts Receivable available for purchase by the Issuer on the first Value Date (as defined below) falling on or after the Issue Date, the Issuer will advance any such excess proceeds to the New VFZ Facilities Borrower as a revolving loan under the New VFZ Facilities Agreement (an “**Excess Cash Loan**”, and collectively with other loans advanced under the Excess Cash Facility (as defined below) from time to time, the “**Excess Cash Loans**”).

Following the Issue Date, as VFZ Accounts Receivable purchased by the Issuer (the “**Assigned Receivables**”) are settled on the Confirmed Payment Date, the Platform Provider (acting as collection agent for the Issuer under the Framework Assignment Agreement) will receive an amount (a “**Collected Amount**”) from the relevant Obligor equal to the Outstanding Amount (as defined below) relating to such Assigned Receivables. The Issuer will use the Collected Amount, *less* the portion of such Collected Amount comprising Premium (as defined below) (each such difference, a “**Collected Principal Amount**”), to purchase (through the Platform Provider) new VFZ Accounts Receivable, to the extent available for purchase, or to advance such funds to the New VFZ Facilities Borrower as additional Excess Cash Loans. Excess Cash Loans will bear a rate of interest of %.

The rate of interest on the Excess Cash Loans, together with the interest earned on the Issue Date Facility Loans (as defined below) under the Issue Date Facility (as defined below), is intended to provide the Issuer with the same rate of return in respect of the Committed Principal Proceeds (as defined below) not invested in VFZ Accounts Receivable (including any Retained Collected Amount (as defined below)) as Noteholders will receive in respect of the Notes. Interest on the Excess Cash Loans and the Issue Date Facility Loans will be computed on the basis of a 360-day year comprising twelve 30-day months. From time to time, as further VFZ Accounts Receivable become available for purchase through the SCF Platform, the Issuer will, directly or indirectly, fund such purchases with Collected Principal Amounts and any Purchase Price Return Amounts (as defined below) which are expected to be credited to the Issuer on the relevant Value Date (as defined below) (such amounts, collectively, “**Interim Platform Amounts**”), and to the extent such purchases cannot be fully funded by Interim Platform Amounts, by demanding from the New VFZ Facilities Borrower, on a weekly basis, repayment of a principal amount of Excess Cash Loans then outstanding equal to such shortfall.

The primary sources of payment of interest on the Notes will be:

1. the premium earned by the Issuer on Assigned Receivables (the “**Premium**”), being an amount equal to the difference between (i) the Outstanding Amounts (as further defined and described below under “*Purchases and Collections of VFZ Accounts Receivable—The Framework Assignment Agreement*”) collected upon maturity thereof, less (ii) the Purchase Price Amounts (as further defined and described below under “*Purchases and Collections of VFZ Accounts Receivable—The Framework Assignment Agreement*”) at which such Assigned Receivables are purchased by the Issuer; and
2. the interest earned by the Issuer on Excess Cash Loans and any Issue Date Facility Loans made to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement (the “**VFZ Facilities Interest**”).

Additionally, the Issuer may, from time to time, receive interest paid by the Platform Provider on (i) Retained Collected Amounts (being Collected Amounts which have not been paid to the Issuer towards satisfaction of the relevant Outstanding Amount and not been used to purchase further VFZ Accounts Receivable) (such interest, the “**Retained Collected Amount Interest**”, and collectively with the Excess Requested Purchase Price Interest (as defined below), the “**Retained Amount Interest**”) and (ii) Excess Requested Purchase Price Amounts (as defined below), being funds transferred to the Platform Provider which have not been applied towards the purchase of new VFZ Accounts Receivables on the relevant Value Date (such interest, the “**Excess Requested Purchase Price Interest**” collectively with the Unutilised Collected Amounts (as defined below), the “**Purchase Price Return Amounts**”). The Retained Amount Interest will be calculated in accordance with the Framework Assignment Agreement (as described below) and the Agency and Account Bank Agreement (as described elsewhere in this Offering Circular), and will be deemed to accrue on the basis of a 360-day year comprised of twelve 30-day months.

The Premium, the VFZ Facilities Interest and the Retained Amount Interest are, collectively, the “**Interest Proceeds**”. To the extent the Interest Proceeds earned during an interest payment period are insufficient to fund scheduled payments of interest on the Notes, the deficiency will be made up by the New VFZ Facilities Borrower via a Shortfall Payment (as defined below) to be paid to the Issuer.

The primary sources of repayment of principal on the Notes, on the Maturity Date or at early redemption of the Notes in accordance with the Conditions, will be:

1. the Collected Principal Amounts repaid in respect of Assigned Receivables at their respective maturities; and
2. repayments of Excess Cash Loans and (with respect to repayment of principal on the Maturity Date of the Notes or at early redemption of the Notes in accordance with the Conditions) Issue Date Facility Loans.

Additionally, the Issuer may, from time to time, receive repayments from the Platform Provider of Purchase Price Return Amounts (if any), which will be applied towards repayment of principal on the Notes on the Maturity Date or at early redemption of the Notes in accordance with the Conditions.

Whether in respect of settlement of Assigned Receivables, repayment of loans advanced under the New VFZ Facilities Agreement or funding of any Shortfall Payment, among other payment obligations, the Issuer will ultimately be reliant on funds from the New VFZ Facilities Borrower and certain of its subsidiaries to make payments due under the Notes.

In connection with the Transactions, the Issuer will enter into the following agreements, among others:

1. the Framework Assignment Agreement, pursuant to which the Issuer will periodically use any Excess Cash to purchase available VFZ Accounts Receivable. References to “**Excess Cash**” are to uninvested funds in an amount equal to (i) the Committed Principal Proceeds, *minus* (ii) the Requested Purchase Price Amounts (as defined below) paid by the Issuer (taking into account any Interim Platform Amount) for any Assigned Receivables outstanding as of the relevant determination date;
2. the New VFZ Facilities Agreement, pursuant to which the Issuer will (i) make loans (each, an “**Interest Facility Loan**” and collectively, the “**Interest Facility Loans**”) to the New VFZ Facilities Borrower under the Interest Facility (as defined below), (ii) to the extent that VFZ Accounts Receivable are not available for purchase through the SCF Platform, use Excess Cash to make Excess Cash Loans to the New VFZ Facilities Borrower under the Excess Cash Facility, (iii) make any Issue Date Facility Loans to the New VFZ Facilities Borrower under the Issue Date Facility, and (iv) make certain payments to the New VFZ Facilities Borrower (including any Excess Arrangement Payment (as defined below)), and pursuant to which the New VFZ Facilities Borrower will make certain payments to the Issuer (including any Shortfall Payment);
3. the Expenses Agreement, pursuant to which the Issuer will be entitled to (i) receive reimbursement from the New VFZ Facilities Borrower in respect of certain fees and expenses of the Issuer, including certain fees and expenses in relation to the issuance of the Notes, and (ii) receive certain payments from the New VFZ Facilities Borrower in respect of amounts that may become due and payable in respect of the Notes, including certain fees and expenses in relation to the issuance of the Notes, certain tax liabilities of the Issuer, any Additional Amounts (as defined in “*Terms and Conditions of the Notes*”), any premiums on redemption of the Notes, and any interest on overdue amounts under the Notes; and
4. the Agency and Account Bank Agreement, pursuant to which The Bank of New York Mellon, London Branch as administrator will agree, among other things, to provide certain portfolio administration and calculation services to and/or on behalf of the Issuer.

The terms of the Expenses Agreement, the New VFZ Facilities Agreement (including the Interest Facility, the Excess Cash Facility and the Issue Date Facility thereunder), the Agency and Account Bank Agreement, the Framework Assignment Agreement and the APMSA (as defined below) are more fully described below under “*New VFZ Facilities*”, “*Purchases and Collections of VFZ Accounts Receivable—The Framework Assignment Agreement*”, “*Accounts Payable Management Services Agreement*”, and “*Summary of Principal Documents*” found elsewhere in this Offering Circular.

Issuer Transaction Accounts

As part of the Transactions, the Issuer will establish and maintain three dedicated transaction accounts:

1. an “**Issuer Collection Account**”, through which the Issuer will, among other things, receive payments of Collected Amounts on Assigned Receivables, other payments (if any) from the Platform Provider pursuant to the Framework Assignment Agreement, and payments of amounts under the New VFZ Facilities Agreement (with any such payments and amounts so received being immediately credited to the Interest Proceeds Account or the Principal Proceeds Account, as applicable);
2. an “**Interest Proceeds Account**”, through which the Issuer will, among other things, finance the payment of interest on the Notes; and
3. a “**Principal Proceeds Account**” (together with the Issuer Collection Account and the Interest Proceeds Account, the “**Issuer Transaction Accounts**”), through which the Issuer will, among other things, finance its periodic purchases of VFZ Accounts Receivable available through the SCF Platform and the ultimate repayment of principal on the Notes.

The Interest Proceeds Account

Subsequent to the Issue Date, and from time to time, the Issuer will deposit into the Interest Proceeds Account:

1. upon maturity and repayment of each Assigned Receivable, an amount equal to the Premium earned by the Issuer upon collection (collectively, the “**Collected Premium Amounts**”);
2. any Retained Amount Interest paid by the Platform Provider;
3. any VFZ Facilities Interest;
4. the proceeds from the repayment of any Interest Facility Loan; and
5. any Shortfall Payment paid by the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement.

Subsequent to the Issue Date and from time to time, the Issuer will use the funds available in the Interest Proceeds Account:

1. to fund the payment of interest on the Notes on each scheduled Interest Payment Date or otherwise upon redemption of the Notes;
2. to make Interest Facility Loans to the New VFZ Facilities Borrower on a daily basis; and
3. to fund payment of any Excess Arrangement Payment (as defined below), when due and payable, to the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement.

The Principal Proceeds Account

From time to time, the Issuer will have an amount available for the purchase of VFZ Accounts Receivable equal to the amount representing the net proceeds of the Notes offered hereby, *plus* the net proceeds of the issuance of any Further Notes *plus*, in each case, any upfront payments payable by the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement in connection therewith (the “**Committed Principal Proceeds**”). On the Issue Date, the Committed Principal Proceeds will equal €600.0 million. On or about the Issue Date, the Issuer will (i) firstly, deposit into the Principal Proceeds Account an amount of the Committed Principal Proceeds equal to the amount required for the purchase of VFZ Accounts Receivable by the Issuer on the first Value Date falling on or after the Issue Date (a “**Requested Purchase Price Amount**”) (or will direct that payment be made directly for such purchase for its account by the Common Depositary), and (ii) secondly, use any remaining Committed Principal Proceeds to fund an initial Excess Cash Loan to the New VFZ Facilities Borrower under the Excess Cash Facility pursuant to the New VFZ Facilities Agreement. Subsequent to the Issue Date, and from time to time, the Issuer will deposit into the Principal Proceeds Account:

1. upon the maturity and repayment of each Assigned Receivable, an amount equal to the Collected Principal Amount on such Assigned Receivable which has been returned to the Issuer upon the ultimate collection of such Assigned Receivable pursuant to the terms of the Framework Assignment Agreement;
2. any Purchase Price Return Amount paid by the Platform Provider to the Issuer pursuant to the terms of the Framework Assignment Agreement; and
3. the principal amount of any Excess Cash Loans or (with respect to the final repayment date) Issue Date Facility Loans repaid by the New VFZ Facilities Borrower.

Subsequent to the Issue Date and from time to time, the Issuer will use the funds available in the Principal Proceeds Account:

1. to purchase available VFZ Accounts Receivable through the SCF Platform;
2. to make Excess Cash Loans to the New VFZ Facilities Borrower on a daily basis, and
3. upon the maturity of the Notes, to repay amounts outstanding under the Notes.

Purchases and Collections of VFZ Accounts Receivable—The Framework Assignment Agreement

On or about the Issue Date, the Issuer, as purchaser, will enter into the Framework Assignment Agreement (as defined in Condition 1 (*Definitions and Principles of Construction*)) with, among others, the Platform Provider, VodafoneZiggo as the parent (the “**Buyer Parent**”) and The Bank of New York Mellon, London

Branch as administrator. Under the Framework Assignment Agreement, from time to time commencing on the Issue Date, the Issuer may purchase and have assigned to it on a non-recourse basis, up to the total amount of Committed Principal Proceeds, and the Platform Provider may sell and assign (including pursuant to the Block Transfer) on a non-recourse basis, eligible VFZ Accounts Receivable that have been transferred to or acquired by the Platform Provider following an SCF Transfer. For purposes of this overview, “**VFZ Account Receivable**” means a Payment Obligation and the Receivable in respect of which such Payment Obligation has arisen, solely to the extent that such Receivable has been acquired by the Platform Provider.

Each VFZ Account Receivable to be purchased by the Issuer must meet, and the Buyer Parent will represent and warrant (on behalf of itself and as agent for the Buyer Entities) on the date of each sale and assignment of any VFZ Account Receivable from the Platform Provider to the Issuer (each such date, an “**Assignment Date**”) in accordance with the Framework Assignment Agreement, that such VFZ Account Receivable meets, the following eligibility criteria: that such VFZ Account Receivable (i) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is owed by the Obligors on a joint and several basis; (ii) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is governed by English law; (iii) is denominated in euros; (iv) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is the legal, valid and binding obligation of each Obligor; (v) is capable of being freely and validly transferred in the manner provided by the Framework Assignment Agreement, so that on purchase the Issuer will receive good title; (vi) is due and payable in full without any right of set-off, counterclaim or deduction in favour of the Buyer Entities; and (vii) has a maturity date that is no later than two Business Days prior to the Maturity Date of the Notes. For a further description of the VFZ Accounts Receivable, see “*Description of the Receivables*” included elsewhere in this Offering Circular. Additionally, immediately prior to each Assignment Date, the Platform Provider will represent and warrant that it is entitled to assign the relevant Payment Obligation pursuant to the terms of the Framework Assignment Agreement, and that it has not assigned, transferred or otherwise disposed of, or created any encumbrance or security interest over, such Payment Obligation. Furthermore, the Platform Provider will undertake that it will not, without the consent of the Issuer, take any action that would adversely affect a Payment Obligation or the Issuer’s interest(s) therein (as further described in “*Summary of Principal Documents—Framework Assignment Agreement*” included elsewhere in this Offering Circular).

Each Payment Obligation will be the joint and several obligation of the New VFZ Facilities Borrower and each of the New VFZ Facilities Obligors (as defined below). On the Issue Date, the eligible Obligors will be VodafoneZiggo and VZ Financing II B.V. (each, a “**New VFZ Facilities Obligor**” and collectively, the “**New VFZ Facilities Obligors**”, and together with the New VFZ Facilities Borrower, the “**Obligors**”).

Purchases of VFZ Accounts Receivable with Requested Purchase Price Amounts

On or following the Issue Date (as further described in “*Capitalization of VodafoneZiggo*” included elsewhere in this Offering Circular), the Platform Provider is expected to sell and assign (including pursuant to the Block Transfer) to the Issuer VFZ Accounts Receivable for a Requested Purchase Price Amount of €600.0 million, which the Issuer will fund with all or a portion of the Committed Principal Proceeds. See “*Use of Proceeds*”. It is expected that the Issuer will complete the Block Transfer by 31 December 2020 and further purchases of VFZ Accounts Receivable or loans to the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement by 31 March 2021. In connection with such sale and assignment, the Platform Provider will deliver to the Issuer:

1. an assignment framework note (substantially in the form attached to the Framework Assignment Agreement, an “**Assignment Framework Note**”) to be accepted and agreed to by the Issuer, pursuant to which the Issuer will agree, among other things, to purchase Payment Obligations (and the Receivables related thereto, solely to the extent that such Receivables have been acquired by the Platform Provider), in whole but not in part, at the relevant Purchase Price Amounts in an aggregate amount equal to a limit (in respect of purchased Payment Obligations which have not been settled) specified therein (the “**Purchase Limit**”); and
2. one or more notices related to such Assignment Framework Note (substantially in the form attached to the Framework Assignment Agreement, each an “**Assignment Notice**”) instructing the Issuer to pay to the Platform Provider, as consideration for the sale and assignment of the relevant VFZ Accounts Receivable, a requested amount (a “**Requested Purchase Price Amount**”) on the date falling five

Business Days following receipt by the Issuer of such Assignment Notice (or, in respect of the Assignment Notice in relation to the Block Transfer, on the day of receipt of such Assignment Notice) (a “**Value Date**”).

As used herein, a “**Purchase Price Amount**” means, in relation to any VFZ Account Receivable, an amount equal to the Outstanding Amount (as defined below) of such VFZ Account Receivable *less* the Applied Discount (as defined in the context of the Framework Assignment Agreement) (as defined below) calculated as at the relevant Assignment Date. “**Outstanding Amount**” means, with respect to a Payment Obligation, an amount equal to (i) the gross amount of the Approved Platform Receivable in respect of which the Payment Obligation arose, *less* (ii) the sum of all Credit Notes (as defined below under “*Accounts Payable Management Services Agreement*”) allocated to the Approved Platform Receivable in respect of which that Payment Obligation arose pursuant to the terms of the APMSA, *plus* (iii) the Applied Discount (as defined below in the context of the APMSA). “**Applied Discount**” refers (i) in the context of the APMSA, to the discount amount that the Platform Provider will deduct from the Certified Amount (as defined below under “*Accounts Payable Management Services Agreement*”) in case of a transfer of the Payment Obligation prior to the Confirmed Payment Date pursuant to the terms of the APMSA and (ii) in the context of the Framework Assignment Agreement, to the discount amount that the Platform Provider will deduct from the Certified Amount in the case of a transfer of the Payment Obligation prior to the Confirmed Payment Date pursuant to the terms of the APMSA, *less* the processing fee due to the Platform Provider and LGC specified in the APMSA (which will initially be 0.20% per annum) (the “**Platform Provider Processing Fee**”).

From time to time following the Issue Date, the Platform Provider may, at its discretion (but not more than once per week prior to the service of a notice of termination (as further described below)), serve further Assignment Notices (which may also be Primary Assignment Notices (as defined and further described below under “—*Collections on Assigned Receivables and Further Purchases of VFZ Accounts Receivable with Collected Principal Amounts*”)) to the Issuer pursuant to the relevant Assignment Framework Note.

Following the receipt of an Assignment Notice, so long as no Non-Compliance Event (as defined below) has occurred and is continuing, the Issuer will pay, on the relevant Value Date, the relevant Requested Purchase Price Amount (which may be adjusted as further described below) to the Platform Provider, which shall have the effect of the Platform Provider immediately (or, in respect of a Block Transfer that will occur on the day immediately following the Issue Date, only on the day immediately following such Value Date) selling and assigning, without further action on the part of any person or entity, all of its rights, title and interest in and to the relevant Payment Obligations (and the Receivables related thereto, solely to the extent that such Receivables have been acquired by the Platform Provider) at the relevant Purchase Price Amounts to the Issuer pursuant to the relevant Assignment Framework Note (an “**Assignment**”). The Requested Purchase Price Amount (and the corresponding VFZ Accounts Receivable) will be adjusted if the aggregate of all Requested Purchase Price Amounts, together with (without double counting) the aggregate of all Purchase Price Amounts in respect of outstanding Assigned Receivables would be higher than the relevant Purchase Limit specified in that Assignment Framework Note. In such event, the Issuer must notify the Platform Provider within two Business Days of receipt of the relevant Assignment Notice (i) of such circumstance and (ii) that the Requested Purchase Price Amount will (A) be reduced to equal the amount which would cause the aggregate Requested Purchase Price Amount, together with (without double counting) the aggregate of all Purchase Price Amounts in respect of outstanding Assigned Receivables to equal such Purchase Limit and/or (B) cancelled to the extent necessary such that the relevant assignment is for the whole, and not part, of the VFZ Accounts Receivable.

The Issuer will not be obliged to pay a Requested Purchase Price Amount specified in an Assignment Notice if any of the following events (each, a “**Non-Compliance Event**”) have occurred and is continuing (provided that the Issuer notifies the Platform Provider, within two Business Days of the receipt of such Assignment Notice, that one or more Non-Compliance Events have occurred and of the Issuer’s intention not to comply with such Assignment Notice): (i) if the Framework Assignment Agreement or relevant Assignment Framework Note has been terminated prior to the date of such Assignment Notice; (ii) if the terms and conditions of such Assignment Notice materially deviate from the terms and conditions of the Framework Assignment Agreement or the relevant Assignment Framework Note; (iii) if an Obligor Event of Default (as defined below) is continuing in respect of any Obligor; and/or (iv) if a specified insolvency event occurs in respect of the Platform Provider which directly results in the Platform Provider not continuing its business as contemplated under the Framework Assignment Agreement. If, following the receipt of a Requested Purchase Price Amount on a Value Date, the Platform Provider has acquired (or determines that it will on such Value Date acquire) insufficient VFZ Accounts

Receivable to apply the whole of the Requested Purchase Price Amount received on such Value Date, the Platform Provider will either (i) serve, on such Value Date, one or more notices (substantially in the form set out in the Framework Assignment Agreement, each, a **“Purchase Price Return Notice”**) to the Issuer and, on the Business Day following the date of such Purchase Price Return Notice (a **“Settlement Date”**), pay to the Issuer Collection Account, the excess Requested Purchase Price Amount not applied towards the purchase of VFZ Accounts Receivable (such excess, the **“Excess Requested Purchase Price Amount”**); or (ii) retain such Excess Requested Purchase Price Amount for a period of up to four Business Days following such Value Date (an **“Excess Retention Period”**, and the final day thereof (which, at the Platform Provider’s discretion, may occur prior to the fourth Business Day following such Value Date), the **“Excess Retention Period End Date”**) to be applied towards the purchase of any VFZ Accounts Receivable arising during such Excess Retention Period. If the Platform Provider chooses to retain such Excess Requested Purchase Price Amount, it further agrees that (i) if the Platform Provider acquires any VFZ Accounts Receivable during such Excess Retention Period, it will sell and assign such VFZ Accounts Receivables to the Issuer (and the Platform Provider will be deemed to have served an Assignment Notice in respect of such Assigned Receivables); and (ii) on the Business Day prior to the Excess Retention Period End Date, the Platform Provider will serve a Purchase Price Return Notice in respect of any remaining Excess Requested Purchase Price Amount to the Issuer, and subsequently pay such remaining Excess Requested Purchase Price Amount to the Issuer Collection Account on such Excess Retention Period End Date, together with all Excess Requested Purchase Price Interest (as defined below) due in respect thereof. **“Excess Requested Purchase Price Interest”** shall accrue daily at the Funding Rate (as defined below), calculated on any Excess Requested Purchase Price Amount retained by the Platform Provider (and not applied towards the purchase of VFZ Accounts Receivable), from (and including) the first day of the relevant Excess Retention Period to (and including) the relevant Excess Retention Period End Date, or such later date on which the Issuer receives such Excess Requested Purchase Price Amount together with all interest due in respect thereof. As used herein, **“Funding Rate”** means a rate equal to the Margin (as defined below) (less the Platform Provider Processing Fee) over 1-month EURIBOR (or any other applicable reference rate selected by the Platform Provider and VodafoneZiggo) (a **“Reference Rate”**); *provided that* if the relevant Reference Rate is less than zero, such Reference Rate shall be deemed to be zero.

Collections on Assigned Receivables and Further Purchases of VFZ Accounts Receivable with Collected Principal Amounts

Prior to the service of an Obligor Enforcement Notification (as defined and further described below), the Platform Provider will act as collection agent for the Issuer in respect of any Collected Amounts received or recovered relating to Assigned Receivables, in accordance with the Accounts Payable Management Services Agreement. Except in circumstances where certain Collected Principal Amounts are applied towards the purchase of new VFZ Accounts Receivable (as further described below), the Platform Provider will apply any Collected Amount, within one Business Day of receipt or recovery thereof (such scheduled date of application, a **“Collected Amount Forwarding Date”**), in or towards the repayment to the Issuer of an amount equal to the Outstanding Amount of the relevant Assigned Receivables (to the extent that such Assigned Receivables remain outstanding and has not been settled or otherwise paid to the Issuer).

From time to time, the Platform Provider may serve an Assignment Notice (a **“Primary Assignment Notice”**) which states that any Collected Principal Amounts in respect of Assigned Receivables relating to such Primary Assignment Notice are to be treated as further payments of Requested Purchase Price Amounts. So long as (i) no Non-Compliance Event has occurred and is continuing (and in respect of which the Issuer has notified the Platform Provider that the purchase mechanics described in this paragraph will not apply) or (ii) no notice of termination has been served (as further described below), then (a) the Platform Provider will be deemed to have served an Assignment Notice on exactly the same terms as the Primary Assignment Notice, except for the Requested Purchase Price Amount (which will be equal to the Collected Principal Amount that would otherwise be due and payable to the Issuer) (such notice, the **“New Assignment Notice”**); and (b) the Platform Provider’s obligation to pay such Collected Principal Amount to the Issuer will be set off against the Issuer’s obligation to pay the Requested Purchase Price Amount under the New Assignment Notice. For the avoidance of doubt, the purchase mechanics described in this paragraph will not affect the Platform Provider’s obligation to pay to the Issuer any Premium on the relevant Collected Amount Forwarding Date. If, three Business Days following the service of a New Assignment Notice, the Platform Provider still holds any Collected Amounts which have not been utilised for the purchase of new VFZ Accounts Receivable (such amounts, **“Unutilised Collected Amounts”**), the Platform Provider will immediately serve a Purchase Price Return Notice to the Issuer in respect of such Unutilised Collected Amounts, and will pay such Unutilised Collected Amounts to the Issuer Collection

Account on the relevant Settlement Date. The Platform Provider will pay the Issuer interest on any “**Retained Collected Amounts**” (being any Collected Amount which has not been paid to the Issuer towards satisfaction of the relevant Outstanding Amount and not been used to purchase further VFZ Accounts Receivable as described above). Interest on Retained Collected Amounts shall accrue daily at the Funding Rate, calculated from (and including) the relevant scheduled Collected Amount Forwarding Date to (and including) the relevant Settlement Date or such later date on which the Issuer receives the Retained Collected Amount, together with all interest due in respect thereof, as the case may be (the “**Retained Collected Amount Interest**”), and will be paid to the Issuer Collection Account on the relevant Settlement Date or such later date, as applicable.

Obligor Events of Default and Obligor Enforcement Notification

The Issuer may not serve (or cause or permit to be served) a notice to the Obligor informing them of an Assignment (an “**Obligor Enforcement Notification**”) prior to the occurrence of (i) a failure by any Obligor to pay any Payment Obligation in full to the Platform Provider on the date such payment was due (taking into account any applicable grace period under the APMSA), (ii) a specified insolvency event in respect of any Obligor, (iii) a breach of the representations and warranties of the Buyer Parent with respect to the eligibility of the VFZ Accounts Receivable, which is not capable of remedy (or if such breach is capable of remedy, is not remedied within five Business Days of notice) (each such event in (i) to (iii), an “**Obligor Event of Default**”), or (iv) a specified insolvency event in respect of the Platform Provider. See “*Risk Factors—Risks relating to the Receivables and the SCF Platform—The transfer of VFZ Accounts Receivable under the Framework Assignment Agreement takes place only under equity until an Obligor Enforcement Notification is given to the Obligor*”. Following the occurrence of any of the foregoing events, the Issuer may serve or direct the Platform Provider to serve an Obligor Enforcement Notification (*provided that* the Platform Provider may, but is not obliged to, serve an Obligor Enforcement Notification at any time as it sees fit and pursuant to the circumstances described in the paragraph below).

As soon as reasonably practicable after the occurrence of an Obligor Event of Default, the Platform Provider will, among other things, (i) provide the Issuer with notice of such Obligor Event of Default and the details thereof, as well as regular status updates with respect to the affected Assigned Receivables; (ii) turn over to the Issuer any Purchase Price Return Amount in accordance with the terms of the Framework Assignment Agreement; and (iii) in consultation with the Issuer and the Buyer Parent (provided such consultation is permitted by the terms of the Framework Assignment Agreement), take (or refrain from taking) any steps that the Platform Provider sees fit to recover all amounts payable, as well as default interest and other costs and expenses, each as permitted under the APMSA. Following service of an Obligor Enforcement Notification, the Platform Provider will cease to act as the Issuer’s collection agent in respect of the relevant Assigned Receivables. For a further description of the provisions relating to Obligor Events of Default and Obligor Enforcement Notification, see “*Summary of Principal Documents—Framework Assignment Agreement*” included elsewhere in this Offering Circular.

Assignment and Termination

The Issuer may assign or transfer its rights under the Framework Assignment Agreement and the Assignment Framework Notes (including its rights to Assigned Receivables), without the consent of the other parties only in certain specified circumstances and in accordance with the procedures set forth in the Framework Assignment Agreement, as further described under “*Summary of Principal Documents—Framework Assignment Agreement*” included elsewhere in this Offering Circular. Similarly, the Platform Provider may assign or transfer its rights under the Framework Assignment Agreement only with the prior written consent of the other parties and in such specified circumstances; *provided, however*, that the Platform Provider may assign or transfer any of its rights in Assigned Receivables to an affiliate without the consent of any other party, and may also assign or transfer any of its rights or obligations under the Framework Assignment Agreement, as the provider and administrator of the SCF Platform, to an affiliate with the prior written consent of the Issuer (which shall not be unreasonably withheld or delayed).

The Framework Assignment Agreement and/or any Assignment Framework Note issued thereunder may be terminated by the Issuer or the Platform Provider upon 10 Business Days’ prior notice to the other parties thereto; *provided that* with respect to a termination by the Platform Provider, the effective date of the termination shall not be earlier than the effective date of termination of the APMSA (as further described below), see “*Risk Factors—The Framework Assignment Agreement may be terminated without the consent of the Issuer or the*

Noteholders". Additionally, the Platform Provider and/or the Issuer may terminate the Framework Assignment Agreement and/or any Assignment Framework Note with immediate effect upon the occurrence of certain events, including a breach of material obligations of the Buyer Parent (subject to a 30 days grace period), a material breach of the representation and warranties of the Buyer Parent (subject to a 30 days grace period), or if a specified insolvency event has occurred in respect of the Buyer Parent. For a further description of termination events, see "*Summary of Principal Documents—Framework Assignment Agreement*" included elsewhere in this Offering Circular.

The terms of the Accounts Payable Management Services Agreement are more fully described below under "*Accounts Payable Management Services Agreement*".

New VFZ Facilities

On any Business Day which is not a Value Date, and on any Value Date (in this case, to the extent that there are any Committed Principal Proceeds that cannot be invested in VFZ Accounts Receivable due to a shortage of VFZ Accounts Receivable available for purchase through the SCF Platform), the Issuer will utilize any Excess Cash to make interest-bearing Excess Cash Loans to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement, as further described below. This use of Excess Cash, together with the interest earned on the Issue Date Facility Loans, will provide the Issuer with the same rate of return in respect of the Committed Principal Proceeds not invested in VFZ Accounts Receivable (including any Retained Collected Amounts) as Noteholders will receive in respect of the Notes, instead of leaving the same funds (represented by the Excess Cash) uninvested in the Principal Proceeds Account pending their application for the purchase of VFZ Accounts Receivable. In addition, since the Issuer was formed solely for the purpose of facilitating the Transactions and issuing the Notes, and is not expected to engage in any business activities other than those related to its formation and the Transactions (including the offering of the Notes and the funding of loans under the New VFZ Facilities Agreement), the Issuer intends to lend any Interest Proceeds that it collects from time to time to the New VFZ Facilities Borrower, in the form of non-interest bearing Interest Facility Loans under the New VFZ Facilities Agreement, as further described below. The Issuer will also fund interest-bearing Issue Date Facility Loans under the Issue Date Facility, as further described below. Proceeds of any loans made by the Issuer to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement may be used by the New VFZ Facilities Borrower for general corporate purposes.

On the Issue Date, the Issuer, as lender, will enter into a senior unsecured facilities agreement (the "**New VFZ Facilities Agreement**") with the New VFZ Facilities Borrower, as borrower, the New VFZ Facilities Obligors, as guarantors, and The Bank of New York Mellon, London Branch as administrator for the Issuer (together with any successor thereto approved or appointed by the Issuer, the "**Administrator**"), pursuant to which the Issuer will make available to the New VFZ Facilities Borrower revolving and term credit facilities, consisting of the Interest Facility, the Excess Cash Facility and the Issue Date Facility, as described below.

Interest Facility

The New VFZ Facilities Agreement will provide for a revolving credit facility (the "**Interest Facility**") under which the Issuer will from time to time fund non-interest-bearing Interest Facility Loans to the New VFZ Facilities Borrower.

Following the Issue Date, on any Business Day, if the Interest Proceeds deposited in the Interest Proceeds Account are greater than zero (and on any Business Day prior to an Interest Payment Date, greater than the amount required to fund the interest payment for such Interest Payment Date), the Issuer will apply such Interest Proceeds (or excess Interest Proceeds) to fund a new Interest Facility Loan to the New VFZ Facilities Borrower.

Excess Cash Facility

The New VFZ Facilities Agreement will also provide for a revolving credit facility (the "**Excess Cash Facility**"), in an aggregate principal amount up to the Committed Principal Proceeds, under which the Issuer will from time to time fund Excess Cash Loans to the New VFZ Facilities Borrower. Interest on Excess Cash Loans will be payable semi-annually in arrears on the earlier of (i) each 15 April and 15 October, commencing 15 April 2021 (each, an "**Excess Cash Interest Period Date**") and (ii) upon repayment of a Weekly Excess Cash Repayment Amount (as defined below). Interest will accrue from the funding date of any Excess Cash Loan at a

rate of % per annum, and will be computed on the basis of a 360-day year comprised of twelve 30-day months. Payment of interest in respect of any interest period ending on any Excess Cash Interest Period Date will occur no less than one Business Day prior to such Excess Cash Interest Period Date.

On or following the Issue Date, the Issuer will use the Committed Principal Proceeds, firstly, to purchase available VFZ Accounts Receivable pursuant to the Framework Assignment Agreement (including pursuant to the Block Transfer) and, secondly, to fund an initial Excess Cash Loan. It is expected that the Issuer will complete the Block Transfer by 31 December 2020 and further purchases of VFZ Accounts Receivable or loans to the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement by 31 March 2021.

Following the Issue Date, as the Platform Provider (on a weekly basis) serves or is deemed to serve an Assignment Notice to the Issuer instructing the Issuer to pay a Requested Purchase Price Amount (as may be adjusted or off set pursuant to the terms of the Framework Assignment Agreement) as consideration for the sale and assignment of the relevant VFZ Accounts Receivable on the relevant Value Date, the Issuer will, upon not less than five Business Days' prior notice, demand repayment by the New VFZ Facilities Borrower of such portion of principal of any outstanding Excess Cash Loans as is equal to (i) such Requested Purchase Price Amount to be paid for VFZ Accounts Receivable that the Issuer expects to purchase on such Value Date, *less* (ii) any Interim Platform Amounts credited on such Value Date (such amount demanded, a "**Weekly Excess Cash Repayment Amount**"). The New VFZ Facilities Borrower will be obligated to pay into the Issuer Collection Account (for immediate onwards crediting to the Principal Proceeds Account) the Weekly Excess Cash Repayment Amount on the fifth Business Day following receipt of such notice. The interest accrued on such Weekly Excess Cash Repayment Amount will not be repaid but will, on that date, be deemed loaned to the New VFZ Facilities Borrower under a new Interest Facility Loan. On the relevant Value Date, the Issuer will apply the Weekly Excess Cash Repayment Amount so received, together with any Interim Platform Amounts credited on the same day, towards its purchase of VFZ Accounts Receivable.

On any Business Day (other than the date on which the Notes are redeemed or repaid, in whole or in part (or on which corresponding payment by the New VFZ Facilities Borrower is required to be made to the Issuer in relation to any such redemption or repayment)), if the balance of funds deposited into the Principal Proceeds Account is greater than zero, the Issuer will apply such funds, firstly, towards the purchase of available VFZ Accounts Receivable in accordance with the Framework Assignment Agreement (if such Business Day is also a Value Date) and, secondly, to fund an Excess Cash Loan to the New VFZ Facilities Borrower.

Issue Date Facility

The New VFZ Facilities Agreement will further provide for a term loan facility (the "**Issue Date Facility**" and, together with the Interest Facility and the Excess Cash Facility, the "**New VFZ Facilities**"), under which the Issuer will fund interest-bearing loans to the New VFZ Facilities Borrower (the "**Issue Date Facility Loans**") on the Issue Date and from time to time, thereafter, as applicable. Interest on the Issue Date Facility Loans will be payable semi-annually in arrears on each 15 April and 15 October (each, an "**Issue Date Facility Interest Period Date**"), commencing 15 April 2021. Interest will accrue from the funding date of the relevant Issue Date Facility Loan at a rate of % per annum, and will be computed on the basis of a 360-day year comprising twelve 30-day months. Payment of interest in respect of any interest period ending on any Issue Date Facility Interest Period Date will occur no less than one Business Day prior to such Issue Date Facility Interest Period Date.

On or prior to the Issue Date, the New VFZ Facilities Borrower, the Issuer and Stichting Trade Finance II (in its capacity as the sole shareholder of the Issuer, the "**Foundation**") will enter into an agreement pursuant to which the New VFZ Facilities Borrower will agree to pay the Foundation an amount representing the Subscription Proceeds and the Subscriber Profit in return for the Foundation procuring that the Issuer enters into certain Transaction Documents. Such payment will be conditional on the Foundation subscribing for an amount of the Issuer's ordinary shares equal to the Minimum Issuer Capitalization Amount (the "**Issue Date Shares**"), which the Issuer will allot and issue to the Foundation. The Issuer will lend the Subscription Proceeds from the Issue Date Shares, if any, to the New VFZ Facilities Borrower as an Issue Date Facility Loan under the Issue Date Facility. In practice, the process will be almost cashless, as nearly all of the payment by the New VFZ Facilities Borrower to the Foundation will ultimately be loaned back to the New VFZ Facilities Borrower as an Issue Date Facility Loan. Principal and accrued interest (if applicable) on the New VFZ Facilities will become due and payable in full on the earlier of (i) the Maturity Date of the Notes or (ii) the date of early redemption of the Notes in accordance with the Conditions.

The New VFZ Facilities Agreement will also provide for certain payments to the Issuer by the New VFZ Facilities Borrower and certain payments to the New VFZ Facilities Borrower by the Issuer. On the Issue Date, pursuant to the New VFZ Facilities Agreement, the New VFZ Facilities Borrower will pay to the Issuer an upfront payment in an amount equal to any underwriting fees, commissions and/ or certain expenses incurred or paid by the Issuer in relation to the issuance of the Notes (if any). In addition, the New VFZ Facilities Agreement will provide for the periodic payment of Shortfall Payments or Excess Arrangement Payments, as described below under “—*Payment of Interest on the Notes.*”

Payment of Interest on the Notes

Interest on the Notes will be payable semi-annually in arrears on each 15 April and 15 October (each, an “**Interest Payment Date**”), commencing in the case of the Notes offered hereby, 15 April 2021. Interest on the Notes will accrue from the Issue Date at a rate of % per annum, and will be computed on the basis of a 360-day year comprising of twelve 30-day months. Pursuant to the terms of the New VFZ Facilities Agreement and the Expenses Agreement, and in consideration of the Issuer providing the New VFZ Facilities to the New VFZ Facilities Borrower, the New VFZ Facilities Borrower will make certain payments to the Issuer to the extent necessary to enable the Issuer to make interest payments when due under the Notes. The Issuer will fund the payment of scheduled interest on the Notes on each Interest Payment Date from the Interest Proceeds Account as follows:

1. firstly, to the extent that there are amounts in the Interest Proceeds Account on the Business Day prior to such Interest Payment Date, the Issuer will utilize such amounts, towards the payment of scheduled interest on the Notes;
2. secondly, the Issuer will demand, upon no less than six Business Days’ notice prior to such Interest Payment Date, that the New VFZ Facilities Borrower prepay Interest Facility Loans under the Interest Facility (and the New VFZ Facilities Borrower will repay such Interest Facility Loans on or prior to the fifth Business Day following receipt of such demand), in a principal amount equal to the lesser of:
 - a. an amount equal to the interest due and payable on the Notes on such Interest Payment Date *less* any amounts in the Interest Proceeds Account referred to in paragraph (1) above; and
 - b. the total amount of Interest Facility Loans outstanding on the Business Day prior to such Interest Payment Date.

The Issuer will deposit the proceeds of any Interest Facility Loans so prepaid into the Interest Proceeds Account;

3. thirdly, on or prior to the Business Day immediately preceding each Interest Payment Date (other than the Maturity Date of the Notes or at early redemption of the Notes in accordance with the Conditions), the New VFZ Facilities Borrower will make a payment to the Issuer (each, as calculated in accordance with the Agency and Account Bank Agreement, a “**Term Shortfall Payment**”) in an amount equal to the positive difference, if any, between (i) the amount of interest due on the Notes on such Interest Payment Date, *less* (ii) the sum of (x) the amount of any Interest Facility Loans to be repaid pursuant to paragraph (2) above and (y) amounts in the Interest Proceeds Account referred to in paragraph (1) above.

By contrast to the Term Shortfall Payment, to the extent that on any Interest Payment Date (other than the Maturity Date of the Notes or at early redemption of the Notes in accordance with the Conditions) there is any balance on the Interest Facility Loans not repaid by the New VFZ Facilities Borrower to the Issuer pursuant to paragraph (2) above, the Issuer will make a payment to the New VFZ Facilities Borrower (each, as calculated in accordance with the Agency and Account Bank Agreement, a “**Term Excess Arrangement Payment**”) in an amount equal to such balance of the Interest Facility Loans outstanding on such Interest Payment Date. Any Term Excess Arrangement Payment will be paid as a rebate of previously paid interest and/or fees (including for the avoidance of doubt any Term Shortfall Payment) (or to the extent that the Term Excess Arrangement Payment amount exceeds the amount of interest and fees previously paid under the New VFZ Facilities Agreement, shall constitute an advance rebate of interest and/or fees (including for the avoidance of doubt any Term Shortfall Payment) to be paid under the New VFZ Facilities Agreement) (on a cashless basis, by offsetting such Term Excess Arrangement Payment against the amounts due by the New VFZ Facilities Borrower under the Interest Facility Loans);

4. fourthly, on or prior to the Business Day immediately preceding the final Interest Payment Date (being the Maturity Date of the Notes or at early redemption of the Notes in accordance with the Conditions), the New VFZ Facilities Borrower will make a payment to the Issuer (as calculated in accordance with the Agency and Account Bank Agreement, a “**Maturity Shortfall Payment**” and, together with the Term Shortfall Payments, the “**Shortfall Payments**” and each a “**Shortfall Payment**”) in an amount equal to the positive difference, if any, between (i) the aggregate principal amount of the Notes to be repaid together with the amount of interest due on the Notes on such final Interest Payment Date, *less* (ii) the sum of:
- a. all Collected Amounts on all Assigned Receivables to be repaid or prepaid to the Issuer on or prior to two Business Days prior to the final Interest Payment Date;
 - b. any other amounts (including any accrued interest) due to be paid by the Platform Provider to the Issuer pursuant to the Framework Assignment Agreement on or prior to two Business Days prior to the final Interest Payment Date;
 - c. the principal amount of and interest due on all of the New VFZ Facilities Loans to be paid to the Issuer on maturity of the New VFZ Facilities Loans; and
 - d. all other amounts standing to the credit of each of the Lender Interest Proceeds Account and the Lender Principal Proceeds Account in the Issuer Transaction Accounts (to the extent not included in any of the above).

By contrast to the Maturity Shortfall Payment, to the extent that any calculation in this paragraph (4) results in a negative value, the Issuer will pay or transfer to the New VFZ Facilities Borrower (as calculated in accordance with the Agency and Account Bank Agreement, a “**Maturity Excess Payment**” and, together with the Term Excess Arrangement Payments, the “**Excess Arrangement Payments**” and each an “**Excess Arrangement Payment**”) (as a rebate of previously paid interest and/or fees (including for the avoidance of doubt any Term Shortfall Payment)) in an amount which would return such negative value to zero; *provided, however*, that such payment will only be made after all amounts due and payable to Noteholders under the Notes have been settled.

Approved Exchange Offer

In order to extend the availability of the committed financing for the purchase of VFZ Accounts Receivable represented by the Committed Principal Proceeds beyond the Maturity Date of the Notes, the New VFZ Facilities Borrower may, at any time, enter into an exchange offer and payables financing plan agreement (a “**Plan Agreement**”) with a new entity (a “**New Issuer**”). Pursuant to any such Plan Agreement, the New Issuer will procure from the New VFZ Facilities Borrower a commitment to cancel amounts of the New VFZ Facilities as set forth below, and will enter into agreements with the New VFZ Facilities Borrower, VodafoneZiggo, the Platform Provider, the Notes Trustee and other relevant counterparties providing for the New Issuer’s purchase of VFZ Accounts Receivable on terms and conditions substantially similar to the Transaction Documents.

Promptly after entering into the Plan Agreement, the New Issuer will launch an exchange offer (the “**Approved Exchange Offer**”) designed to allow Noteholders to exchange up to a specified principal amount of

Notes for a principal amount of new notes (the “**New Notes**”) to be set out in the Approved Exchange Offer. Upon consummation of the Approved Exchange Offer, subject to the terms of the Trust Deed:

- (i) The New Issuer will issue a specified amount of New Notes to the Noteholders validly tendered into the Approved Exchange Offer and not withdrawn. If, upon the expiration of the Approved Exchange Offer, Noteholders have validly tendered more Notes than the New Issuer is able to accept pursuant to the Approved Exchange Offer, the New Issuer will accept for exchange Notes validly tendered and not withdrawn on a pro rata basis, based on the proportion that the aggregate principal amount of Notes to be accepted bears to the aggregate principal amount of Notes validly tendered and not withdrawn; and
- (ii) The Issuer will purchase from the New Issuer any Notes accepted by the New Issuer pursuant to the Approved Exchange Offer and will cancel such purchased Notes. As consideration for such purchase, the Issuer will simultaneously pay, assign and transfer to the New Issuer:
 - (A) Assigned Receivables such that (a) minus (b) is equal to or less than (c) plus (d); where (a) is the Committed Principal Proceeds multiplied by the Relevant Percentage, where “**Relevant**

Percentage” means the proportion that the aggregate principal amount of Notes accepted into the Approved Exchange Offer bears to the aggregate principal amount of Notes outstanding as of the date of consummation of the Approved Exchange Offer (the **“Determination Date”**), (b) is the aggregate historical Purchase Price Amount of such Assigned Receivables assigned to the New Issuer pursuant to this clause (A), (c) is the balance of Excess Cash Loans outstanding on the Determination Date, and (d) is any Interim Platform Amounts to be credited to the Issuer on the Determination Date. The Assigned Receivables to be assigned to the New Issuer pursuant to this clause (A) will be selected by an independent financial, banking, accounting or other similar advisor designated by VodafoneZiggo, the Issuer or the Administrator with a mandate to maximise the aggregate Purchase Price Amount of the transferred Assigned Receivables whilst ensuring that they have the shortest maturities possible. Assigned Receivables will only be assigned and transferred to the New Issuer pursuant to this clause (A) in whole, and not in part;

- (B) The cash proceeds from the repayment of Interest Facility Loans (to be demanded by the Issuer or the Administrator) in an amount equal to (a) minus (b); where (a) is the accrued and unpaid Premium that remained outstanding on the Assigned Receivables assigned pursuant to clause (A) above as of the immediately preceding Interest Payment Date, and (b) is any accrued and unpaid Retained Amount Interest that remained outstanding as of the Determination Date in respect of the **“Retained Amounts”** (being collectively, Retained Collected Amounts and/or Excess Requested Purchase Price Amounts) (as determined in accordance with the Agency and Account Bank Agreement described elsewhere in this Offering Circular) to be transferred to the New Issuer pursuant to clause (D) below, as applicable;
- (C) The cash proceeds from the repayment of Excess Cash Loans (to be demanded by the Issuer or the Administrator) in an amount equal to (a) minus (b) minus (c), where (a) is the Committed Principal Proceeds multiplied by the Relevant Percentage, (b) is the aggregate Purchase Price Amounts of Assigned Receivables assigned to the New Issuer pursuant to clause (A) above, and (c) is any Interim Platform Amounts to be credited to the Issuer on the Determination Date;
- (D) The cash proceeds from the payment by the Platform Provider to the Issuer on the Determination Date of any Retained Amounts and any other Interim Platform Amounts; and
- (E) An **“Accrued Facility Interest and Shortfall Amount”** equal to (a) minus (b) minus (c) minus (d) minus (e), where (a) is the aggregate principal amount of Notes tendered into the Approved Exchange Offer, (b) is the aggregate Purchase Price Amounts of the Assigned Receivables assigned pursuant to clause (A) above plus accrued and unpaid Premium thereon through the Determination Date, (c) is the amount of cash proceeds set out in clause (B) above, (d) is the amount of cash proceeds set out in clause (C) above and (e) is the amount of cash proceeds set out in clause (D) above. The Issuer will demand repayment of Excess Cash Loans in an amount equal to any Accrued Facility Interest and Shortfall Amount in order to make such payment.

Accounts Payable Management Services Agreement

VFZ Accounts Receivable purchased by the Issuer pursuant to the Framework Assignment Agreement are uploaded by a Buyer Entity (or the Buyer Parent and/or LGC on its behalf) to the SCF Platform (as defined in Condition 1 (*Definitions and Principles of Construction*)) managed by the Platform Provider to facilitate receivables financing provided by the Platform Provider and other participating funding providers, including the Issuer. The SCF Platform is made available to VodafoneZiggo and certain of its subsidiaries, and is administered under the terms of the Accounts Payable Management Services Agreement.

On 23 February 2015, the Platform Provider and VodafoneZiggo, among others, entered into the Accounts Payable Management Services Agreement (as defined in Condition 1 (*Definitions and Principles of Construction*)). Under the terms of the APMSA, the Obligor, together with certain other subsidiaries of VodafoneZiggo that may accede to the APMSA from time to time as further described below (collectively, the **“Buyer Entities”** and each a **“Buyer Entity”**) may upload Electronic Data Files containing details of Receivables on to the SCF Platform to enable the purchase (or deemed purchase) by, or transfer (or deemed transfer) to, the Platform Provider of such Receivables from the relevant Supplier. On the Issue Date, the eligible Buyer Entities will be Ziggo B.V., Ziggo Services B.V. and Vodafone Libertel B.V. (collectively, the **“Non-Obligor Buyer Subsidiaries”** and each a **“Non-Obligor Buyer Subsidiary”**, together with VZ Financing I B.V. and VZ Financing II B.V. (collectively, the **“Obligor Subsidiaries”**), the **“Buyer Subsidiaries”** and each

a “**Buyer Subsidiary**”), the Obligor Subsidiaries, and the Buyer Parent. Additional Buyer Subsidiaries may accede to the APMSA by entering into an accession letter (substantially in form set out in the APMSA) with the Platform Provider and the Buyer Parent, and an existing Buyer Subsidiary may cease to be a “Buyer Entity” for the purposes of the APMSA if the Platform Provider or Buyer Parent provides written notice to such effect. Additional Obligor Subsidiaries may become party to the APMSA either by acceding as a “Designated Buyer Subsidiary” (provided they are specified as such in the relevant accession letter) or, with respect to an existing Non-Obligor Buyer Subsidiary, if such Non-Obligor Buyer Subsidiary is specified in writing by the Buyer Parent to be a “Designated Buyer Subsidiary” for purposes of the APMSA. Pursuant to the Agency and Account Bank Agreement, the Buyer Parent will undertake to the Issuer that the Buyer Parent may notify the Platform Provider of a resignation of an Obligor Subsidiary only if all Outstanding Amounts owed by such Obligor Subsidiary (as principal obligor) in respect of its Assigned Receivables have been settled in accordance with the APMSA on or prior to the date of its resignation, and the Buyer Parent will agree to promptly provide written notification of the same to the Issuer (or the Administrator on its behalf).

From time to time, a Buyer Entity, or the Buyer Parent and/or Liberty Global Capital Limited (“LGC”) on its behalf may execute an Upload and designate such uploaded Receivables as “approved”. Immediately upon payment by the Platform Provider to the relevant Suppliers of the Net Amount specified in the Electronic Data File (i) an SCF Transfer will occur in respect of such Approved Platform Receivables and (ii) such payment will immediately give rise to new Payment Obligations, being independent and primary obligations of each Obligor, jointly and severally, (on the basis described in the sections entitled “*Description of the Receivables*” and “*Summary of Principal Documents—Accounts Payable Management Services Agreement*” included elsewhere in this Offering Circular) to make or cause payment to be made of the Certified Amount (as defined below) to the relevant recipient on the Confirmed Payment Date in respect of such approved Platform Receivable. Eligible Receivables (as further described in “*Summary of Principal Documents—Accounts Payable Management Services Agreement*” included elsewhere in this Offering Circular) may include those with a Confirmed Payment Date of up to 360 days from the issuance date of the relevant invoice. In respect of SCF of Receivables a margin of 2.20% per annum (the “**Initial Margin**”, as may be amended from time to time by any applicable Margin Amendments, the “**Margin**”) calculated on the basis of the relevant Outstanding Amounts (which includes the Platform Provider Processing Fee) over the Reference Rate, applies to such Receivables. The Margin applies from the date of the relevant SCF Transfer until the Confirmed Payment Date in respect of such Payment Obligation (and the Receivable related thereto, solely to the extent that such Receivable has been acquired by the Platform Provider). The Reference Rate (being, in this case, EURIBOR with a floor of zero) is determined by the remaining tenor between the date of an SCF Transfer and the Confirmed Payment Date (i.e. between 1 and 30 days, 1 month base rate will apply; between 31 and 60 days, 2 months base rate will apply). The Reference Rate plus the Margin are used to calculate the Applied Discount that the Platform Provider will deduct from the Certified Amount in the case of transfer by the Platform Provider of the VFZ Account Receivable prior to the Confirmed Payment Date, and accordingly is used in the calculation of the Purchase Price Amount for each VFZ

Account Receivable. The Margin under the APMSA may not be amended without the written consent of the Issuer, and pursuant to the terms of the other Transaction Documents, the Issuer will agree to provide its written consent to any amendment of the Margin (without being required to seek the consent of the Noteholders) so long as the obligations of the New VFZ Facilities Borrower in favour of the Issuer under Clause 11.2 (“*Facility Fees*”) of the New VFZ Facilities Agreement remain in full force and effect.

Pursuant to the APMSA, the Buyer Parent and, as applicable, each Obligor Subsidiary appoints the Platform Provider as paying agent with respect to the settlement of any VFZ Account Receivable. Settlement requires the Buyer Parent (or, at its option, an Obligor Subsidiary) to make an electronic transfer of the Certified Amount (as defined below) to the Platform Provider’s designated bank account on the Confirmed Payment Date, and the Platform Provider will, in turn, transfer such Certified Amount (or part thereof as received by the Platform Provider) to the relevant recipient (which shall be the Issuer in respect of Assigned Receivables) on the same Confirmed Payment Date. As used herein, “**Certified Amount**” means, with respect to a Payment Obligation, the Outstanding Amount of such Payment Obligation on the “**Certified Amount Fixed Date**”, being the date the relevant Electronic Data File is uploaded in respect of such Payment. Failure by any Obligor to pay all or any part of the Certified Amount by the Confirmed Payment Date will cause default interest to accrue on the unpaid sum at a rate of 1-month EURIBOR (or any other applicable reference rate selected by the Platform Provider and the New VFZ Facilities Borrower) *plus* 7% per annum, until the Certified Amount has been discharged in full.

Prior to an SCF Transfer in respect of an Approved Platform Receivable, if an Obligor wishes to reduce the amount of any Approved Platform Receivable for any reason (including as a result of any lien, right of set-off,

defence, claim, counterclaim, or other certain adverse claim), it may post the amount to be deducted from such Approved Platform Receivable (each, a “**Credit Note**”) as an entry in an Electronic Data File and such Credit Note will be allocated to such Approved Platform Receivable (and shall reduce the corresponding Payment Obligation that will arise following an SCF Transfer. No Credit Notes may be allocated to an Approved Platform Receivable (and the corresponding Payment Obligation following an SCF Transfer in respect of such Approved Platform Receivable. Additionally, each Buyer Entity agrees to be responsible for the accuracy of all information submitted by it in respect of VFZ Accounts Receivable and the Buyer Parent agrees to comply with certain reporting requirements set out in the APMSA.

Under the APMSA, each Obligor represents, warrants and covenants to the Platform Provider at the date of (a) an Upload, (b) any SCF Transfer resulting in any Payment Obligation arising and the transfer or acquisition of the Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) and (c) transfer via the SCF Platform and/or as permitted by the APMSA (in each case, including each applicable Assignment Date), as applicable, among other things: (i) that the Approved Platform Receivable meets certain criteria under the APMSA, including (but not limited to) having a Confirmed Payment Date of no more than 360 days from the issuance date of the relevant invoice and being denominated in an agreed currency; (ii) that the Approved Platform Receivable is not subject to any mortgage, charge, pledge, lien, other encumbrance or (to the best of the relevant Obligor’s knowledge) other personal right or right in rem of any third party and has, to the best of the relevant Buyer Entity’s knowledge, not been transferred or transferred in advance; (iii) that each Payment Obligation and the Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) is free of any adverse claims, including any lien, right of set-off, netting, abatement, reduction, claim, defence or counterclaim; (iv) that each Payment Obligation and Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) can be validly transferred in accordance with the terms of the APMSA; and (v) that each Payment Obligation will be settled by an Obligor by the payment of the relevant Certified Amount on the relevant Confirmed Payment Date without withholding, deduction or set-off.

The APMSA also provides that the following occurrences, among others, constitute events of default, whereupon the Platform Provider shall have the right (but not the obligation) to suspend or terminate the provision of accounts payable management services and prohibit the creation of any further Payment Obligations (each, an “**APMSA Event of Default**”): (i) breach by any Buyer Entity of any obligation or certain representations, warranties or covenants in the APMSA which has not been remedied, if it can be remedied, for a period of ten days (which grace period shall not apply if such breach relates to a financial interest of an amount in excess of €5.0 million); (ii) non-payment of any amount due under the APMSA, including all or any part of any Certified Amount (subject to a grace period of one Business Day in the case of principal, and three Business Days in the case of any other amount); (iii) if any Buyer Entity is unable, deemed unable, or admits inability to pay its debts as they fall due; and (iv) any corporate action, legal proceedings or other procedure is taken in relation to the suspension of payments, winding-up, or dissolution of any Buyer Entity, or any composition, compromise, assignment or arrangement with any creditor of any Buyer Entity, or the appointment of a liquidator, receiver, or other similar officer in respect of any Buyer Entity.

The Buyer Parent has also agreed to provide certain indemnities to the Platform Provider under the APMSA, including (but not limited to) indemnities against any losses directly suffered for or on account of tax, reasonable losses incurred as a direct result of any APMSA Event of Default or failure by any Buyer Entity to pay any amount due under the APMSA, and any costs, expenses, claims or losses incurred as a result of the incorrect calculation by any Buyer Entity of the amount of any Receivable uploaded in an Electronic Data File.

Subject to the consent of the Buyer’s Parent (which will not be unreasonably withheld), the Platform Provider may assign, transfer or deal in any other manner with any VFZ Account Receivable that has been transferred to it, and/or all of its rights against any Buyer Entity or under the APMSA, in part or in whole, to any third party; *provided, however*, that the Platform Provider may transfer any of its rights in VFZ Accounts Receivable to any of its affiliates without the consent of the Obligors’ Parent if the Platform Provider promptly (and in any event, within three Business Days of such transfer) provides written notice to the Obligors’ Parent of such transfer. No Buyer Entity may so assign or transfer its respective rights and obligations under the APMSA without the written consent of the Platform Provider, and such consent shall not be unreasonably withheld or delayed. In addition, LGC may transfer its rights and obligations under the APMSA upon ten business days’ written notice to the Platform Provider.

Each of the Platform Provider, LGC and the Buyer Parent may unilaterally terminate the APMSA upon notice to the other party, if such other party breaches a material provision of the APMSA and fails to cure such breach within 10 days following written notice from the other party requiring them to remedy such breach. The Platform Provider may also terminate the APMSA: (i) for any reason upon 12 months' prior written notice to the Buyer Parent and LGC; and (ii) immediately, upon written notice, if it becomes unlawful for the Platform Provider in any applicable jurisdiction to perform any of its obligations thereunder. The Buyer Parent or LGC may terminate the APMSA for any reason upon 20 Business Days' prior written notice to the Platform Provider. Following termination of the APMSA, the Buyer Entities will no longer be permitted to use the SCF Platform. All rights, duties and obligations of the parties to the APMSA with respect to the Payment Obligations posted to the SCF Platform prior to the effective date of any termination or expiration shall survive the termination or expiration of the APMSA.

SCF Platform Addition

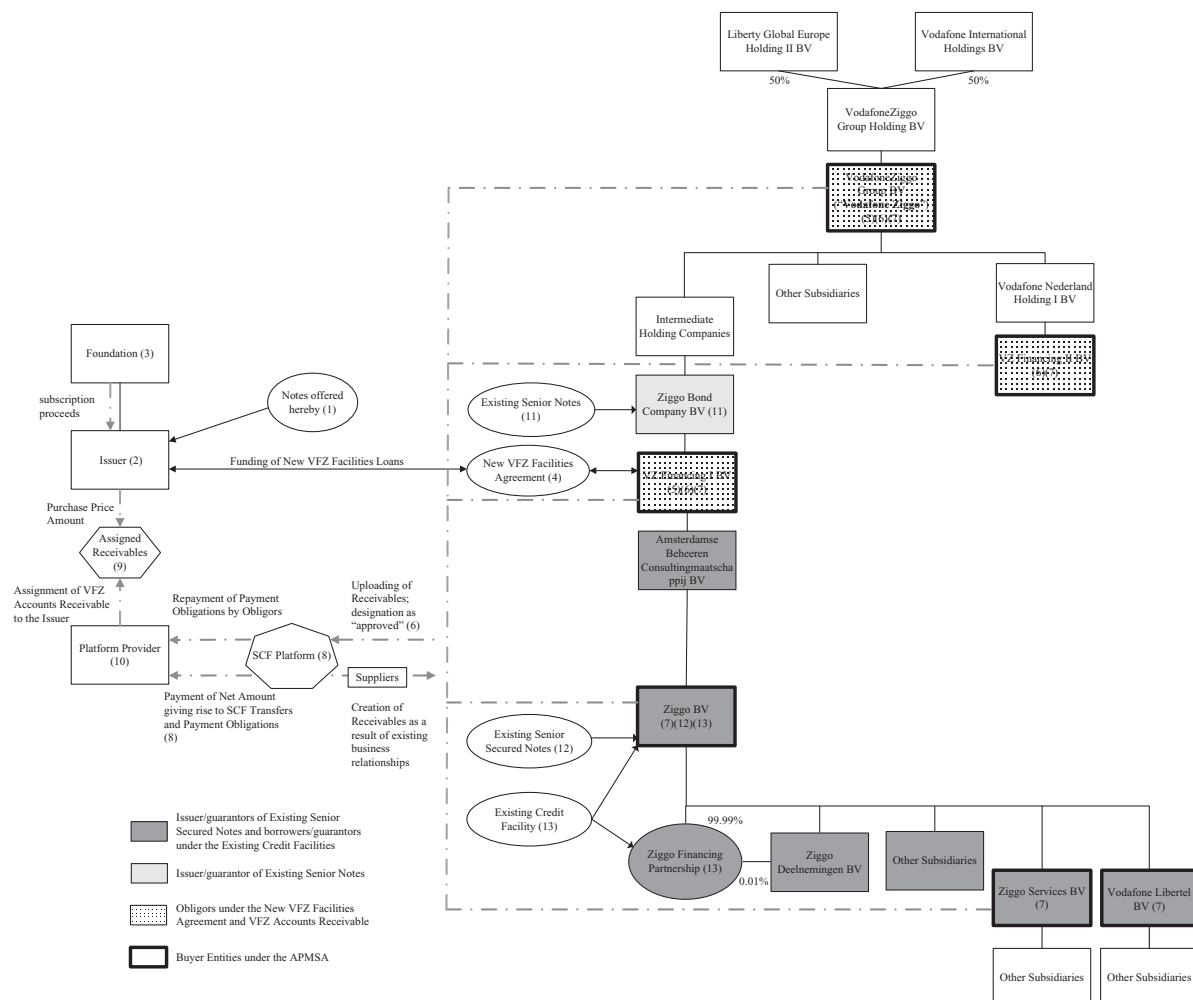

At any time, VodafoneZiggo and the Buyer Subsidiaries may, at their option, elect to participate in an additional system established and administered by another Platform Provider (an “**SCF Platform Addition**”). In connection with any SCF Platform Addition, VodafoneZiggo and the Buyer Subsidiaries may enter into additional accounts payable management services agreements (or equivalent) and the Issuer may (and upon request by VodafoneZiggo, shall) enter into one or more additional receivables assignment agreements (or equivalent), pursuant to which the Issuer will purchase eligible VFZ Accounts Receivable from such additional Platform Provider. The consent of Noteholders will not be required for VodafoneZiggo, the Buyer Subsidiaries and the Issuer to give effect to any SCF Platform Addition (including the modification of any Transaction Documents to implement such SCF Platform Addition), and the Administrator will enter into any SCF Platform Addition Documentation (as defined elsewhere in this Offering Circular) if the Administrator receives written confirmation from VodafoneZiggo (with a copy to the Notes Trustee) that, in VodafoneZiggo's determination, the entry into such SCF Platform Addition Documentation is reasonably required to implement such SCF Platform Addition and does not materially and adversely affect the interests of Noteholders.

2019 Vendor Financing Notes Redemption

In connection with the issuance of the Notes offered hereby, the New VFZ Facilities Borrower expects to repay all of the 2019 VFZ Financing Facilities and all of the 2019 Vendor Financing Notes will be redeemed by the 2019 VFN Issuer (the “**2019 VFN Redemption**”). The 2019 VFN Redemption will include a block sale and assignment by the 2019 VFN Issuer of any VFZ Accounts Receivable purchased and held by the 2019 VFN Issuer (the “**Block VFZ Accounts Receivable**”) prior to such 2019 VFN Redemption to the Platform Provider. The Platform Provider is expected to sell and assign the Block VFZ Accounts Receivable (which are expected to be in an amount not less than €600.0 million) to the Issuer under the Framework Assignment Agreement on or shortly following the Issue Date (the “**Block Transfer**”).

SUMMARY CORPORATE AND FINANCING STRUCTURE

The following chart sets forth certain aspects of the corporate and financing structure of VodafoneZiggo after giving effect to the Transactions.

- (1) The Notes will be limited recourse and senior obligations of the Issuer. The Notes will be secured by the Notes Collateral. Other than under the limited circumstances described in the Offering Circular, Noteholders will not have a direct claim on the cash flow or assets of VodafoneZiggo and its subsidiaries, and VodafoneZiggo and its subsidiaries will have no obligation, contingent or otherwise, to pay amounts due under the Notes, or to make funds available to the Issuer for those payments, other than the obligations of (i) the Obligors to make payments to the Issuer in respect of the Assigned Receivables, (ii) the Obligors to make payments to the Issuer in respect of the New VFZ Facilities Agreement, or (iii) VZ Financing I B.V. to make payments to the Issuer under the Expenses Agreement, and in each case of (i) to (iii) above, any agreements related thereto to which they are party. On or following the Issue Date, the net proceeds of the issuance of the Notes plus any upfront payments payable by the New VFZ Facilities Borrower under the New VFZ Facilities Agreement, will be used by the Issuer to finance the purchase of VFZ Accounts Receivable (including the Block Transfer) pursuant to the Framework Assignment Agreement. It is expected that the Issuer will complete the Block Transfer by 31 December 2020 and further purchases of VFZ Accounts Receivable or loans to the New VFZ Facilities Borrower pursuant to the New VFZ Facilities by 31 March 2021. To the extent that there are not sufficient VFZ Accounts Receivable available for purchase on the first Value Date falling on or after the Issue Date, the Issuer will advance any excess proceeds from the issuance of the Notes to the New VFZ Facilities Borrower as Excess Cash Loans under the Excess Cash Facility pursuant to the New VFZ Facilities Agreement. On the Issue Date, the Issuer will also fund an Issue Date Facility Loan, in a principal amount equal to the Subscription Proceeds under the Issue Date Facility to the New VFZ Facilities Borrower, pursuant to the New VFZ Facilities Agreement.
- (2) Legal title to the Shares in the Issuer is held by the Foundation. See “Description of the Issuer”.

- (3) The New VFZ Facilities Borrower, the Issuer and the Foundation will enter into the Issue Date Arrangements Agreement pursuant to which the New VFZ Facilities Borrower will agree to pay the Foundation an amount representing the Subscription Proceeds and Subscriber Profit in return for the Foundation procuring that the Issuer enters into certain Transaction Documents in connection with the offering of the Notes. Such payment will be conditional on the Foundation subscribing for the Issue Date Shares, which the Issuer will allot and issue to the Foundation on the Issue Date. The Issuer will lend the Subscription Proceeds from the Issue Date Shares to the New VFZ Facilities Borrower as an Issue Date Facility Loan under the Issue Date Facility. In practice, the process will be almost cashless, as nearly all of the payment by the New VFZ Facilities Borrower to the Foundation will ultimately be lent back to the New VFZ Facilities Borrower as an Issue Date Facility Loan.
- (4) The New VFZ Facilities made available pursuant to the New VFZ Facilities Agreement include the Excess Cash Facility, the Interest Facility and the Issue Date Facility. The New VFZ Facilities Agreement also provides certain Shortfall Payments to the Issuer by the New VFZ Facilities Borrower, and certain Excess Arrangement Payments to the New VFZ Facilities Borrower by the Issuer. Additionally, on the Issue Date, pursuant to the Expenses Agreement and the New VFZ Facilities Agreement, the New VFZ Facilities Borrower will pay to the Issuer an upfront payment in an amount equal to any underwriting fees, commissions and/or certain expenses incurred by the Issuer in relation to the issuance of the Notes. See *“Summary of Principal Documents—New VFZ Facilities Agreement”*.
- (5) VZ Financing I B.V. (the **“New VFZ Facilities Borrower”**) is the borrower under the New VFZ Facilities Agreement and an Obligor under the SCF Platform. VodafoneZiggo (a **“New VFZ Facilities Guarantor”**) is a guarantor under the New VFZ Facilities Agreement and an Obligor under the SCF Platform. See *“Risk Factors—Risks Relating to the Notes—The right of the Issuer to receive payments from the Obligors in respect of the Assigned Receivables and under the Framework Assignment Agreement, the New VFZ Facilities Agreement, the Expenses Agreement and the related agreements, as applicable, is effectively subordinated to the rights of existing and future secured creditors of such Obligors”*. Each of VZ Financing I B.V. and VodafoneZiggo have entered into the APMSA (pursuant to which each of the New VFZ Facilities Borrower and VodafoneZiggo will provide a joint and several payment undertaking (as further described in *“Summary of Principal Documents—Accounts Payable Management Services Agreement”*)), and VodafoneZiggo will, on the Issue Date, also enter into the Framework Assignment Agreement to provide certain representations and warranties on behalf of the Obligors to the Issuer (as further described in *“Summary of Principal Documents—Framework Assignment Agreement”*).
- (6) The Obligors are guarantors under the New VFZ Facilities Agreement.
- (7) Under the terms of the APMSA, the Buyer Entities (or the Buyer Parent and/or LGC on its behalf) may upload Electronic Data Files containing details of Receivables payable to a Supplier on to the SCF Platform to enable the purchase by the Platform Provider of such Receivables (and the Parent Payment Obligations arising in respect thereof) from the relevant Supplier. On the Issue Date, the Buyer Entities will include VodafoneZiggo, VZ Financing I B.V., VZ Financing II B.V., Ziggo B.V. and Ziggo Services B.V. The Obligors (on a consolidated basis) represent 64.9% of the consolidated assets as of 30 September 2020 and 0.0% of the consolidated revenue of the VodafoneZiggo Group for the nine months ended 30 September 2020. Additional Buyer Subsidiaries may accede to the APMSA by entering into an accession letter (substantially in form set out in the APMSA) with the Platform Provider and the Buyer Parent, and an existing Buyer Subsidiary may cease to be a “Buyer Entity” for the purposes of the APMSA if the Platform Provider or Buyer Parent provides written notice to such effect and subject to the terms of the Agency and Account Bank Agreement. See *“Summary of Principal Documents—Accounts Payable Management Services Agreement”*.
- (8) The SCF Platform is the system pursuant to which the Buyer Entities (or the Buyer Parent and/or LGC on its behalf) may upload Receivables. The SCF Platform is managed by the Platform Provider and is administered under the terms of the APMSA to facilitate vendor financing provided by the Platform Provider and other participating funding providers, including the Issuer. Pursuant to the APMSA, the uploading of an Electronic Data File containing details of a Receivable payable to a Supplier on to the SCF Platform, and the designation of such uploaded Receivable as “approved” by an Obligor, will initially give rise to such Receivable being an Approved Platform Receivable. Upon payment by the Platform Providers to the relevant Supplier of the Net Amount specified in the Electronic Data File (i) an SCF Transfer will occur in respect of such Approved Platform Receivable and (ii) such payment will immediately give rise to new independent and primary obligations of each Obligor, jointly and severally, to make cause payment to be made to the Relevant Recipient on the Confirmed Payment Date in respect of such Approved Platform

Receivable. See “*Description of the Receivables—Uploading of Receivables onto the SCF Platform and Purchase by the Platform Provider: the Accounts Payable Management Services Agreement*”.

- (9) Under the Framework Assignment Agreement, from time to time commencing on the Issue Date, the Issuer may purchase and have assigned to it on a non-recourse basis, up to the total amount of Committed Principal Proceeds and the Platform Provider may sell and assign on a non-recourse basis, eligible VFZ Accounts Receivable that are made available by Suppliers and uploaded by the Buyer Entities to the SCF Platform (including the Block Transfer). Each VFZ Account Receivable is a Payment Obligation which has been acquired by the Platform Provider (and the Receivable in respect of which such Payment Obligation has arisen, solely to the extent that such Receivable has been acquired by the Platform Provider). See “*Description of the Receivables—Assignment of the VFZ Accounts Receivable by the Platform Provider to the Issuer: the Framework Assignment Agreement*”.
- (10) Prior to the service of an Obligor Enforcement Notification, the Platform Provider will act as collection agent for the Issuer in respect of any Collected Amounts received or recovered relating to Assigned Receivables. Pursuant to the APMSA, the Platform Provider also acts as paying agent for the Obligors with respect to the settlement of any VFZ Account Receivable.

Revenue	€2,975.8	€2,904.1
Adjusted EBITDA (a)	€1,417.4	€1,318.6

Property and equipment additions	€ 610.2	€ 605.6
Property and equipment additions as a % of revenue	20.5%	20.9%

- (a) Adjusted EBITDA, previously referred to as Operating Cash Flow, is the primary measure used by our management to evaluate the operating performance of our businesses. Adjusted EBITDA is also a key factor that is used by our management and our Supervisory Board to evaluate the effectiveness of our management for purposes of annual and other incentive compensation plans. As we use the term, Adjusted EBITDA is defined as operating income before depreciation and amortization, share-based compensation, provisions and provision releases related to significant litigation and impairment, restructuring and other operating items. Other operating items include (i) gains and losses on the disposition of long-lived assets, (ii) third-party costs directly associated with successful and unsuccessful acquisitions and dispositions, including legal, advisory and due diligence fees, as applicable, and (iii) other acquisition-related items, such as gains and losses on the settlement of contingent consideration. Our management believes Adjusted EBITDA is a meaningful measure because it represents a transparent view of our recurring operating performance that is unaffected by our capital structure and allows management to (1) readily view operating trends, (2) perform analytical comparisons and benchmarking between entities and (3) identify strategies to improve operating performance. We believe our Adjusted EBITDA measure is useful to investors because it is one of the bases for comparing our performance with the performance of other companies in the same or similar industries, although our measure may not be directly comparable to similar measures used by other companies. Adjusted EBITDA should be viewed as a measure of operating performance that is a supplement to, and not a substitute for, operating income, net earnings or loss, cash flow from operating activities and other U.S. GAAP measures of income or cash flows. A reconciliation of net loss to Adjusted EBITDA is as follows:

- (b) Adjusted EBITDA Margin is defined as Adjusted EBITDA as percentage of revenue.

Certain As Adjusted Covenant Information:	
Annualized EBITDA ⁽¹⁾	€2,012
As adjusted total covenant senior net debt ⁽²⁾	€7,008
As adjusted total covenant net debt ⁽²⁾	€8,901
Ratio of as adjusted total covenant senior net debt to annualized EBITDA ⁽¹⁾⁽²⁾	3.48x
Ratio of as adjusted total covenant net debt to annualized EBITDA ⁽¹⁾⁽²⁾	4.42x

- (1) Annualized EBITDA is calculated by multiplying “Consolidated EBITDA” (as defined in the New VFZ Facilities Agreement contained in “Annex A” beginning on page A-1 of this Offering Circular) for the six months ended 30 September 2020 (€1,006 million) by two. The definition of “Consolidated EBITDA” differs from the definition of “Consolidated EBITDA” and “EBITDA” under certain of the indentures governing the Existing Notes and certain equivalent definitions and ratios in the Existing Credit Facility.
- (2) As adjusted total covenant senior net debt and as adjusted total covenant net debt are calculated in accordance with the “Consolidated Net Leverage Ratio” (as defined in the New VFZ Facilities Agreement

in “Annex A” beginning on page A-1 of this Offering Circular) and are adjusted to give effect to the anticipated Interest Facility Loan under the Interest Facility on or shortly following the Issue Date. As adjusted total covenant senior net debt and as adjusted total covenant net debt presented here differ from the calculation of “Indebtedness” under the “Consolidated Leverage Ratio” and “Leverage Ratio”, as applicable, under certain of the indentures governing the Existing Notes and certain equivalent definitions and ratios in the Existing Credit Facility. The amounts shown, which, if applicable, take into account currency swaps but do not include premiums or discounts, differ from the debt figures that are reported under “Capitalization” in this Offering Circular. After giving effect to any incurrence of indebtedness in connection with a Potential Financing Transaction in compliance with the applicable covenants, including in connection with permitted refinancing debt, permitted acquisition debt or other exceptions to the restriction on our ability to incur indebtedness, the ratio of as adjusted total covenant senior net debt to annualized EBITDA and the ratio of as adjusted total covenant net debt to annualized EBITDA could increase above the ratio of as adjusted total covenant senior net debt to annualized EBITDA and the ratio of as adjusted total covenant net debt to annualized EBITDA, respectively, as of 30 September 2020 (each as shown above), and such increase could be material. See “*Risk Factors—Risks Relating to Our Financial Profile—We may incur additional indebtedness prior to, or within a short time period following, the Issue Date of the Notes, which indebtedness could increase our leverage and may have terms that are more or less favourable than the terms of the Notes and our other existing indebtedness.*”

See Condition 6(d) (*“Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Make-Whole Redemption Event”*).

Early Redemption Event on or after

18 December 2023 Subject to certain conditions, the Issuer will, in the event that all or any portion of amounts lent to the New VFZ Facilities Borrower under the Excess Cash Facility are repaid to the Issuer at any time on or after 18 December 2023 pursuant to Clause 7.2(d) (*“Voluntary Prepayment”*) of the New VFZ Facilities Agreement (the **“Early Partial Redemption Event”**), will redeem an aggregate principal amount of the Notes equal to the principal amount of the Excess Cash Facility prepaid in such Early Partial Redemption Event at the redemption prices described in Condition 6(e) (*“Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Redemption Event on or after 18 December 2023”*), together with interest and other amounts (including any Additional Amounts), if any, accrued to the applicable redemption date. See Condition 6(e) (*“Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Redemption Event on or after 18 December 2023”*).

Subject to certain conditions (including, among other things, that any and all remaining Assigned Receivables are repaid by the Obligor, or assigned or agreed to be assigned by the Issuer to another person, prior to the date of redemption and that all amounts lent to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement are repaid to the Issuer prior to the date of redemption), the Issuer will, in the event that, at any time on or after 18 December 2023, all amounts lent to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement are prepaid by the New VFZ Facilities Borrower pursuant to Clause 7.2(b) (*“Voluntary Prepayment”*) of the New VFZ Facilities Agreement, redeem the Notes in whole, but not in part, at the redemption prices described in Condition 6(e) (*“Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Redemption Event on or after 18 December 2023”*),

together with interest and other amounts (including any Additional Amounts), if any, accrued to the applicable redemption date. See Condition 6(e) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Redemption Event on or after 18 December 2023*”).

Early Redemption: Tax Event Subject to certain conditions (including, among other things, that any and all remaining Assigned Receivables are repaid by the Obligors, or assigned or agreed to be assigned by the Issuer to another person, prior to the date of redemption and that all amounts lent to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement are repaid to the Issuer prior to the date of redemption pursuant to Clause 7.2(a) (“*Voluntary Prepayment*”)), the Issuer will, upon giving notice to the New VFZ Facilities Borrower that a Tax Event (as defined in Condition 1 (“*Definitions and Principles of Construction—General Interpretation*”)) which cannot be cured has occurred or will occur, redeem the Notes in whole, but not in part, at their principal amount, together with interest and other amounts (including Additional Amounts), if any, accrued to the applicable redemption date. See Condition 6(b) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Redemption: Tax Event*”).

Early Redemption: Illegality Subject to certain conditions (including, among other things, that any and all remaining Assigned Receivables are repaid by the Obligors, or assigned or agreed to be assigned by the Issuer to another person, prior to the date of redemption and that all amounts lent to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement are repaid to the Issuer prior to the date of redemption), the Issuer will redeem the Notes in whole, but not in part, at any time, upon giving prior notice, if it becomes unlawful in any applicable jurisdiction for the Issuer to be a lender or to perform any of its obligations under the New VFZ Facilities Agreement. If the Issuer exercises such redemption right, it must pay to Noteholders a price equal to the principal amount of the Notes plus interest and other amounts (including Additional Amounts), if any, accrued to the applicable redemption date. See Condition 6(c) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Redemption: Illegality*”).

Accelerated Maturity Event Following a Change of Control (as defined under the New VFZ Facilities Agreement), the New VFZ Facilities Borrower will be required to offer to prepay the New VFZ Facilities Loans. Following receipt of such prepayment offer, the Issuer will launch a consent solicitation to set (i) the Maturity Date of the Notes as the New Maturity Date (as defined in Condition 1 (“*Definitions and Principles of Construction—General Interpretation*”)) and (ii) the redemption price of the Notes on the New Maturity Date at 101% of the principal amount of the Notes (“*Accelerated Redemption Price*”), plus accrued and unpaid interest to the New Maturity Date, in accordance with Condition 6(f) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Accelerated Maturity Event*”) and Additional Amounts, if any. If holders of more than 50% of the aggregate principal amount of Notes consent to the foregoing requests, the Issuer will inform the New VFZ Facilities Borrower that it accepts the prepayment offer, and the New VFZ Facilities Borrower will prepay the New VFZ Facility Loans at par, plus accrued and unpaid interest thereon, together with a payment equal to 1% of the principal amount

of the Excess Cash Loans and Interest Facility Loans so prepaid. Following such prepayment, the Issuer will redeem all of the Notes on the New Maturity Date at the Accelerated Redemption Price, plus accrued and unpaid interest to the New Maturity Date and Additional Amounts, if any. See Conditions 6(f), 6(g) and 6(h) (*“Redemption, Purchase and Cancellation; Approved Exchange Offer—Accelerated Maturity Event”*).

Approved Exchange Offer In order to extend the availability of the committed financing for the purchase of VFZ Accounts Receivable represented by the Committed Principal Proceeds (as defined in *“General Description of VodafoneZiggo’s Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes”*) beyond the Maturity Date of the Notes, VodafoneZiggo and the New VFZ Facilities Borrower may, at any time, enter into an exchange offer and vendor financing plan agreement (a *“Plan Agreement”*) with a new entity (a *“New Issuer”*). Pursuant to any such Plan Agreement, the New Issuer will procure from the New VFZ Facilities Borrower a commitment to cancel amounts of the New VFZ Facilities, and will enter into agreements with VodafoneZiggo, the New VFZ Facilities Borrower, the Platform Provider, the Notes Trustee and other relevant counterparties providing for the New Issuer’s purchase of VFZ Accounts Receivable on terms and conditions substantially similar to the Transaction Documents.

Promptly after entering into the Plan Agreement, the New Issuer will launch an exchange offer (the *“Approved Exchange Offer”*) designed to allow Noteholders to exchange up to a specified principal amount of Notes for a principal amount of New Notes to be set out in the Approved Exchange Offer. The aggregate principal amount of New Notes to be issued, the selection of Assigned Receivables to be assigned by the Issuer to the New Issuer, the aggregate principal amount of Interest Facility Loans and Excess Cash Loans to be prepaid by the New VFZ Facilities Borrower, and the Accrued Facility Interest and Shortfall Amount (as defined elsewhere in this Offering Circular) to be paid by the Issuer to the New Issuer, each in connection with the Approved Exchange Offer, will be determined as described in Conditions 6(j) and 6(k) (*“Redemption, Purchase and Cancellation; Approved Exchange Offer—Approved Exchange Offer”*). Additionally, the consummation of the Approved Exchange Offer will be subject to the Conditions.

Initial Maturity Date 15 January 2029.

Notes Collateral The Notes will be secured by: (i) a first fixed charge over the Issuer’s rights, title, benefit and interest in, to and under the Assigned Receivables; (ii) an assignment by way of security over the Issuer’s rights under all contracts, agreements, deeds and documents to which it is or may become a party or in respect of which it has or may have any right, title, benefit or interest (including, without limitation, the New VFZ Facilities Agreement, the Expenses Agreement, the Framework Assignment Agreement, and the Issue Date Arrangements Agreement); (iii) a first fixed charge over the Issuer’s rights to all amounts at any time standing to the credit of the Issuer Transaction Accounts; and (iv) a first floating charge over all of the present and future property, assets and undertakings of the Issuer not subject to the fixed charges or assignments by way of security described above.

Limited Recourse The Notes will be the limited recourse obligations of the Issuer. None of VodafoneZiggo nor any of its subsidiaries will guarantee or provide

any security or any other credit support to the Issuer with respect to its obligations under the Notes. Other than in the limited circumstances described herein, Noteholders will not have a direct claim on the cash flow or assets of VodafoneZiggo or any of its subsidiaries, and neither VodafoneZiggo nor any of its subsidiaries has any obligation, contingent or otherwise, to pay amounts due under the Notes, or to make funds available to the Issuer for those payments, other than the obligations of (i) the Obligor to make payments to the Issuer in respect of the Assigned Receivables, (ii) the Obligor to make payments to the Issuer in respect of the New VFZ Facilities Agreement, or (iii) VF Financing I B.V. to make payments to the Issuer under the Expenses Agreement and, in each case of (i) to (iii) above, any agreements related thereto to which such Obligor is party.

Listing and Admission to Trading Application will be made for the Notes to be listed on the Official List of Euronext Dublin and to be admitted for trading on the Global Exchange Market thereof, which is not a regulated market (pursuant to the provisions of Directive 2014/65/EU (as amended, “**MI FID II**”)). Application will be made to Euronext Dublin for this Offering Circular to be approved as listing particulars. Such approval relates only to the Notes which are to be admitted to trading on the Global Exchange Market. It is anticipated that listing will take place as soon as practicable after the Issue Date. There can be no assurance that such listing will be granted. Notwithstanding the foregoing, the Issuer may, at its sole option at any time, without the consent of the Noteholders or the Notes Trustee, delist the Notes from any stock exchange, for the purposes of moving the listing of the Notes to The International Stock Exchange. See “*Listing and General Information*”.

RISK FACTORS

An investment in the Notes involves risks. Before purchasing the Notes, you should consider carefully the specific risk factors set forth below, as well as the other information contained in this Offering Circular, as well as the other information contained in, or incorporated by reference into, this Offering Circular. If any of the events described below, individually or in combination, were to occur, this could have a material adverse impact on the Issuer's and VodafoneZiggo's business, prospects, results of operations and financial condition and could therefore have a negative effect on the trading price of the Notes and the ability of VodafoneZiggo and/or the Obligor Subsidiaries, as applicable, to pay all or part of any amounts payable in respect of the Assigned Receivables, the New VFZ Facilities Agreement or the Expenses Agreement, and in turn, would have an adverse effect on the Issuer's ability to make payments on the Notes. Although the risk factors described below and elsewhere in this document are the risks considered to be the most material, there may be other unknown or unpredictable economic, business, competitive, regulatory or other factors that also could have material adverse effects on the Issuer's or VodafoneZiggo's results of operations, financial condition, business or operations in the future. In addition, past financial performance of VodafoneZiggo may not be a reliable indicator of future performance and historical trends should not be used to anticipate results or trends in future periods.

This Offering Circular also contains forward-looking statements that involve risks and uncertainties. Actual results may differ materially from those anticipated in these forward-looking statements as a result of various factors, including the risks described below and elsewhere in this Offering Circular.

Prospective purchasers of the Notes should ensure that they understand the nature of such Notes and the extent of their exposure to risk, that they have sufficient knowledge, experience and access to professional advisers to make their own legal, tax, regulatory, accounting and financial evaluation of the merits and risks of investment in such Notes and that they consider the suitability of such Notes as an investment in light of their own circumstances and financial condition and that of any accounts for which they are acting.

In this section, unless the context otherwise requires, the terms "we", "our", "our company", and "us" refer to VodafoneZiggo Group B.V. and its consolidated subsidiaries. In addition, in this section only, ARPU includes similar metric used by Vodafone Netherlands (Active Customer ARPU) and RGUs includes mobile customers.

General Risks

It is intended that the Issuer will invest in VFZ Accounts Receivable and in the New VFZ Facilities Loans and other financial assets with certain risk characteristics as described below. There can be no assurance that the Issuer's investments will be successful, that its investment objectives will be achieved, that the Noteholders will receive the full amounts payable by the Issuer under the Notes or that they will receive any return on their investment in the Notes. Prospective investors are advised to review this entire Offering Circular carefully and should consider, among other things, the risk factors set out in this section before deciding whether to invest in the Notes. None of the Initial Purchasers or the Notes Trustee undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Offering Circular nor to advise any investor or potential investor in the Notes of any information coming to the attention of the Initial Purchasers or the Notes Trustee which is not included in this Offering Circular.

The effects of the COVID-19 outbreak could adversely impact our business and results of operations

The outbreak and continuing exponential spread of COVID-19, which first surfaced in Wuhan, China in December 2019 and was declared a "pandemic" by the World Health Organization in March 2020, may lead to a significant number of adverse effects, both external and internal, on our business and results of operations. With respect to external impacts, the COVID-19 outbreak has resulted in a substantial continued curtailment of the global economy, including global travel, tourism, and business activities. As part of intensifying global efforts to contain the spread of COVID-19, the Netherlands has imposed travel restrictions to and from affected areas, with a significant number of airport closures, flight cancellations and suspensions, and port closures.

The extent of the impact of the outbreak on VodafoneZiggo's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, the impact on VodafoneZiggo's customers and VodafoneZiggo's sales cycles, the impact on VodafoneZiggo's employees and the effect on VodafoneZiggo's vendors, all of which are uncertain and cannot be predicted. If, among other

factors, the adverse impacts stemming from the COVID-19 outbreak, competition, economic, regulatory or other factors, including macro-economic and demographic trends, were to cause its results of operations or cash flows to be worse than anticipated, VodafoneZiggo could conclude in future periods that impairment charges are required in order to reduce the carrying values of goodwill or other long-lived assets. Any such impairment charges could be significant. Additionally, VodafoneZiggo's ability to execute on cost-cutting measures and organizational change initiatives may impact its financial performance and results of operations, including less-than-anticipated cost savings. For instance, in the event demand for its products or services is significantly reduced as a result of the COVID-19 pandemic and related economic impacts, VodafoneZiggo may need to assess different corporate actions, organizational change initiatives, and cost-cutting measures, including reducing its workforce, reducing its operating and capital costs, or closing one or more of its retail stores, offices or facilities, and these actions could cause VodafoneZiggo to incur costs and expose us to other risks and inefficiencies. Additionally, in the event VodafoneZiggo's business experiences a subsequent recovery, there can be no assurance that it would be able to rehire its workforce or recommence operations at such facilities on commercially advantageous terms, if at all.

Business and regulatory risks for special purpose vehicles of the Issuer's nature

Legal, tax and regulatory changes could occur over the course of the life of the Notes that may adversely affect the Issuer. The regulatory environment for special purpose vehicles of the nature of the Issuer is evolving, and changes in regulation may adversely affect the value of investments held by the Issuer and the ability of the Issuer to obtain the leverage it might otherwise obtain or to pursue its investment and trading strategies. In addition, the securities and derivatives markets are subject to comprehensive statutes, regulations and margin requirements.

Certain regulators and self-regulatory organizations and exchanges are authorized to take extraordinary actions in the event of market emergencies. The regulation of transactions of a type similar to the Transactions, derivatives transactions and vehicles that engage in such transactions is an evolving area of law and is subject to modification by government and judicial action. The effect of any future regulatory change on the Issuer could be substantial and adverse.

Euro and Eurozone risk

The deterioration of the sovereign debt of several countries, together with the risk of contagion to other, more stable, countries, has raised a number of uncertainties regarding the stability and overall standing of the European Economic and Monetary Union and may result in changes to the composition of the Eurozone.

As a result of the credit crisis in Europe, the European Commission created the European Financial Stability Facility (the "EFSF") and the European Financial Stability Mechanism (the "EFSM") to provide funding to Eurozone countries in financial difficulties that seek such support. In March 2011, the European Council agreed on the need for Eurozone countries to establish a permanent stability mechanism, the European Stability Mechanism (the "ESM"), to assume the role of the EFSF and the EFSM in providing external financial assistance to Eurozone countries from 1 July 2013 onward.

Despite these measures, concerns persist regarding the growing risk that other Eurozone countries could be subject to an increase in borrowing costs and could face an economic crisis similar to that of Cyprus, Greece, Ireland, Italy, Portugal and Spain, together with the U.K.'s departure from the E.U. as of 31 January 2020, and the risk that further countries could leave the E.U. and/or the Eurozone (either voluntarily or involuntarily), and that the impact of these events on Europe and the global financial system could be severe, which in turn could have a negative impact on VodafoneZiggo and the Notes Collateral (including, without limitation, the Assigned Receivables). For a description of the risks associated with the United Kingdom's vote to leave the E.U., see "*The U.K.'s departure from the E.U. could have a material adverse effect on our business, financial condition, results of operations or liquidity*".

Furthermore, concerns that the Eurozone sovereign debt crisis could worsen may lead to the reintroduction of national currencies in one or more Eurozone countries or, in more extreme circumstances, the possible dissolution of the Euro entirely. The departure or risk of departure from the Euro by one or more Eurozone countries and/or the abandonment of the Euro as a currency could have major negative effects on the Issuer, the Notes Collateral (including the risks of currency losses arising out of redenomination and related haircuts on any affected areas), VodafoneZiggo and the Notes. Should the Euro dissolve entirely, the legal and contractual consequences for holders of Euro-denominated obligations would be determined by laws in effect at such time.

These potential developments, or market perceptions concerning these and related issues, could adversely affect the value of the Notes. It is difficult to predict the final outcome of the Eurozone crisis. Investors should carefully consider how changes to the Eurozone may affect their investment in the Notes.

Risks Relating to Regulatory Initiatives

Regulatory initiatives

In Europe, the U.S. and elsewhere there is increased political and regulatory scrutiny of banks, financial institutions and the asset-backed securities industry. This has resulted in a raft of measures for increased regulation which are currently at various stages of implementation and which may have an adverse impact on the regulatory capital charge to certain investors in securitization exposures and/or the incentives for certain investors to hold asset-backed securities, and may thereby affect the liquidity of such securities. Investors in the Notes are responsible for analysing their own regulatory position and none of VodafoneZiggo, the Issuer, the Initial Purchasers, the Administrator, the Obligor, the Security Trustee or the Notes Trustee nor any of their affiliates makes any representation to any prospective investor or purchaser of the Notes regarding the impact of such regulation on the prospective investor or purchaser of the Notes or the regulatory capital treatment of their investment in the Notes in each case, on the Issue Date or at any time in the future.

This uncertainty is further compounded by the numerous regulatory efforts underway in Europe, the U.S. and globally. Certain of these efforts overlap. In addition, even where these regulatory efforts overlap, they generally have not been undertaken on a coordinated basis. Areas where divergence between regulation exists or has begun to develop (whether with respect to scope, interpretation, timing, approach or otherwise) includes trading, clearing and reporting requirements for derivatives transactions, higher capital and margin requirements relating to uncleared derivatives transactions, and capital and liquidity requirements that may result in mandatory “ring-fencing” of capital or liquidity in certain jurisdictions, among others. Investors should be aware that those risks are material and that the Issuer and, consequently, an investment in the Notes could be materially and adversely affected thereby.

No representation is made as to the proper characterisation of the Notes for legal investment, financial institution regulatory, financial reporting or other purposes, as to the ability of particular investors to purchase the Notes under applicable legal investment or other restrictions or as to the consequences of an investment in the Notes for such purposes or under such restrictions. Certain regulatory or legislative provisions applicable to certain investors may have the effect of limiting or restricting their ability to hold or acquire the Notes, which in turn may adversely affect the ability of investors in the Notes who are not subject to those provisions to resell their Notes in the secondary market.

Basel III

The regulatory capital and liquidity regime applicable to member countries of the Basel Committee on Banking Supervision (“BCBS”) (commonly referred to as “**Basel III**”) provides for a substantial strengthening of prudential rules compared to the previous regulatory regime, and includes requirements intended to reinforce capital standards (with heightened requirements for global systemically important banks), revisions to the securitization framework, the establishment of a leverage ratio “backstop” for financial institutions and certain minimum liquidity standards (referred to as the Liquidity Coverage Ratio (“**LCR**”) and the Net Stable Funding Ratio (“**NSFR**”). BCBS member countries agreed to implement Basel III from 1 January 2013, subject to transitional and phase-in arrangements for certain requirements (e.g. the LCR requirements refer to implementation from the start of 2015, with full implementation by January 2019, and the NSFR requirements refer to implementation from January 2018). The final rules, and the timetable for the full implementation of the Basel III framework in each jurisdiction, as well as the treatment of asset-backed securities (e.g. as LCR eligible assets or not), may be subject to some level of national variation. It should also be noted that changes to regulatory capital requirements for insurance and reinsurance undertakings are also being introduced, through initiatives such as the Solvency II framework in Europe.

Prospective investors should therefore make themselves aware of the prudential requirements described above (and any corresponding implementing rules of their regulator), where applicable to them, in addition to any other applicable regulatory requirements with respect to their investment in the Notes. The matters described above and any further changes to the regulation or regulatory treatment of the Notes for some or all investors may negatively impact the regulatory position of individual investors and, in addition, have a negative impact on the price and liquidity of the Notes in the secondary market.

U.S. risk retention requirements

On 21 October 2014, the final rules implementing the credit risk retention requirements of Section 941 of the Dodd–Frank Act (as defined herein) (the “**U.S. Risk Retention Rules**”) were issued. The U.S. Risk Retention Rules generally require the sponsor of a securitization to retain not less than five per cent. of the credit risk of the assets collateralizing the Issuer’s asset-backed securities (“**ABS**”). The U.S. Risk Retention Rules with respect to ABS collateralized by residential mortgages became effective on 24 December 2015, and the U.S. Risk Retention Rules with respect to all other classes of ABS became effective on 24 December 2016 (the “**U.S. Risk Retention Effective Date**”).

When applicable, the U.S. Risk Retention Rules generally require the “sponsor” of a “securitization transaction” to retain at least five per cent of the “credit risk” of “securitized assets”, as such terms are defined for purposes of that statute, and generally prohibit a securitizer from directly or indirectly eliminating or reducing its credit exposure by hedging or otherwise transferring the credit risk that the securitizer is required to retain. In order to qualify as a “sponsor” under the U.S. Risk Retention Rules, a person must organize and initiate the offering of ABS, by transferring assets, directly or indirectly, to the issuing entity. The Issuer and VodafoneZiggo do not believe that VodafoneZiggo or any other Person involved in the offering of the Notes can be considered a “sponsor” as defined under the U.S. Risk Retention Rules, with respect to the Offering and therefore do not believe that the retention obligations thereunder apply to the Offering. No person involved in the offering of the Notes intends to hold interests that would qualify as risk retention under the U.S. Risk Retention Rules, and investors will therefore not receive the potential benefit of an alignment of interests created through risk retention interests.

There is limited regulatory guidance as to the application of the U.S. Risk Retention Rules, particular with respect to transactions like the Offering. Accordingly, there can be no assurance that the U.S. federal agencies that administer the U.S. Risk Retention Rules would agree with the conclusion of the Issuer and VodafoneZiggo as to the inapplicability of such rules to the Transaction. Should the U.S. Risk Retention Rules be found applicable to the Transactions, the performance, liquidity and market value of the Notes may be adversely affected. Furthermore, no assurance can be given as to whether the U.S. Risk Retention Rules would have any future material adverse effect on the business, financial condition or prospects of the Issuer or on the market value or liquidity of the Notes. None of the Initial Purchasers, the Administrator, the Obligors, the Security Trustee, or the Notes Trustee nor any of their affiliates, nor (except to the extent, and subject to the qualifications set forth, in this paragraph and the immediately preceding paragraph), VodafoneZiggo or the Issuer, makes any representation regarding applicability of the U.S. Risk Retention Rules to the Transactions.

Alternative Investment Fund Managers Directive

Alternative Investment Fund Managers Directive EU Directive 2011/61/EU on Alternative Investment Fund Managers (“**AIFMD**”) regulates alternative investment fund managers (“**AIFMs**”) and provides that an alternative investment fund (“**AIF**”) within the scope of AIFMD must have a designated AIFM responsible for ensuring compliance with AIFMD. The Dutch regulator takes the view in the frequently asked questions on the AIFMD as published on its website that an entity will not qualify as an AIF if it raises capital in the form of debt capital only, provided such capital does not have any legal or economic characteristics which are typical for equity capital.

AIFMD provides that it shall not apply to “securitisation special purpose entities” (the “**SSPE Exemption**”), which are defined by reference to securitisation within the meaning of Article 1(2) of Regulation (EC) No 24/2009 of the European Central Bank of 19 December 2008 (the “**Original FVC Regulation**”). The European Securities and Markets Authority (“**ESMA**”) has not yet given any formal guidance on the application of the SSPE Exemption or whether a vehicle such as the Issuer would fall within it.

If the Issuer were to constitute an AIF (because, for example, the Dutch court would determine that the capital raised must be considered equity capital or because of a change in the guidance from the ESMA) and did not fall within the SSPE Exemption then it would be necessary for the Issuer to appoint an AIFM which would be subject to AIFMD and would need to be appropriately regulated. The AIFM would be subject to certain duties and responsibilities in respect of the management of the Issuer’s investments, which could result in significant additional costs and expenses being incurred which may be reimbursable by the Issuer and which may materially adversely affect the Issuer’s ability to carry on its business, which may in turn negatively affect the amounts payable to Noteholders.

U.S. Dodd-Frank Act

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the “**Dodd-Frank Act**”) was signed into law on 21 July 2010. The Dodd-Frank Act represents a comprehensive change to financial regulation in the United States, and affects virtually every area of the capital markets. Implementation of the Dodd-Frank Act requires many lengthy rulemaking processes resulting in a multitude of new regulations applicable to entities which transact business in the U.S. or with U.S. persons outside the U.S. While many regulations implementing various provisions of the Dodd-Frank Act have been finalised and adopted, some implementing regulations currently exist only in draft form and are subject to comment and revision, and still other implementing regulations have not yet been proposed. It is therefore difficult to predict whether and to what extent the business of the Issuer will be affected by the Dodd-Frank Act as implementing regulations are finalised over time and come into effect.

The SEC had also proposed changes to Regulation AB under the U.S. Securities Act (“**Regulation AB**”) which would have had the potential to impose new disclosure requirements on offerings of asset-backed securities pursuant to Rule 144A or pursuant to other SEC regulatory exemptions from registration. On 27 August 2014, the SEC adopted final rules amending Regulation AB that did not implement these proposals; however the SEC has indicated that it is continuing to consider amendments that were proposed with respect to Regulation AB but not adopted, and that further amendments may be forthcoming in the future. Such amendments, if adopted, could have restricted the use of this Offering Circular or require the publication of a new Offering Circular in connection with the issuance and sale of any additional Notes or any refinancing thereof and impose ongoing reporting and other compliance obligations.

As such, investors should consult their own independent advisers and make their own assessment about the potential risks posed by the Dodd-Frank Act and the rules to be promulgated thereunder in making any investment decision in respect of the Notes.

Volcker Rule

Section 13 of the U.S. Bank Holding Company Act of 1956, as amended, together with the rules, regulations and published guidance promulgated thereunder, as amended (known as the “**Volcker Rule**”) generally prohibits “banking entities” from, among other things, acquiring or retaining an “ownership interest” in, or sponsoring or having certain relationships with, a “covered fund”, subject to certain exclusions from the definition of “covered fund” or exemptions from the Volcker Rule’s covered fund-related prohibitions. For purposes of the Volcker Rule, a “banking entity” is defined to include (i) any U.S. insured depository institution (as defined in section 3 of the Federal Deposit Insurance Act (12 U.S.C. § 1813), subject to certain exclusions; (ii) any company that controls a U.S. insured depository institution; (iii) any company that is treated as a bank holding company for purposes of section 8 of the International Banking Act (i.e., a foreign bank that maintains a branch, agency or commercial lending company subsidiary in the U.S.); and (iv) any affiliate or subsidiary of any entity described in clauses (i), (ii) or (iii).

The definition of “covered fund” under the Volcker Rule includes, in part, any issuer that would be an investment company under the Investment Company Act but for exclusions provided under Section 3(c)(1) or Section 3(c)(7) thereunder. Because the Issuer will rely on the exclusion under Section 3(c)(7) of the Investment Company Act, it will likely be considered a “covered fund” for purposes of the Volcker Rule, unless it fits within an applicable exclusion from the definition of “covered fund”. In the event the Issuer is considered a “covered fund”, “banking entities” that are subject to the Volcker Rule may be prohibited from, among other things, acquiring or retaining an “ownership interest” in the Issuer, unless such “banking entity” is able to rely on an applicable exclusion or exemption under the Volcker Rule.

“Ownership interest” is defined under the Volcker Rule as “any equity, partnership, or other similar interest.” The Notes are not equity or partnership interests. The phrase “other similar interests” is further defined under the Volcker Rule as an interest that:

- (A) Has the right to participate in the selection or removal of a general partner, managing member, member of the board of directors or trustees, investment manager, investment advisor, or commodity trading advisor of the covered fund (excluding the rights of a creditor to exercise remedies upon the occurrence of an event of default or an acceleration event and the right to participate in the removal of an investment manager for “cause” (as defined therein) or participate in the selection of a replacement manager upon an investment manager’s resignation or removal);

- (B) Has the right under the terms of the interest to receive a share of the income, gains or profits of the covered fund;
- (C) Has the right to receive the underlying assets of the covered fund after all other interests have been redeemed and/or paid in full (excluding the rights of a creditor to exercise remedies upon the occurrence of an event of default or an acceleration event);
- (D) Has the right to receive all or a portion of excess spread (the positive difference, if any, between the aggregate interest payments received from the underlying assets of the covered fund and the aggregate interest paid to the holders of other outstanding interests);
- (E) Provides under the terms of the interest that the amounts payable by the covered fund with respect to the interest could be reduced based on losses arising from the underlying assets of the covered fund, such as allocation of losses, write-downs or charge-offs of the outstanding principal balance, or reductions in the amount of interest due and payable on the interest;
- (F) Receives income on a pass-through basis from the covered fund, or has a rate of return that is determined by reference to the performance of the underlying assets of the covered fund; or
- (G) Any synthetic right to have, receive, or be allocated any of the rights in Clauses (A) through (F) above.

On the Issue Date, pursuant to and in accordance with the Trust Deed, the Notes Trustee will be appointed to act as a creditor representative of the Noteholders and the Security Trustee will be appointed to act as security trustee for the Secured Parties (which will include the Noteholders). Subject to and in accordance with the terms of the Trust Deed and the Conditions, prior to the delivery or deemed delivery of a Note Acceleration Notice (following the occurrence of an Issuer Event of Default which is continuing) and/or an Enforcement Notice, as applicable, the Issuer may continue to exercise its rights under the Transaction Documents (including with respect to its assets comprising the Notes Collateral) and no Noteholder will be entitled to take (or to instruct the Notes Trustee and/or the Security Trustee, as applicable, to take) any proceedings or other actions directly against the Issuer, including to (i) take any corporate action or other steps or legal proceedings for the winding-up, dissolution or reorganisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, sequestrator, examiner or similar officer of the Issuer or of its revenues and assets; or (ii) take any steps for the purpose of obtaining payment of any amounts payable to it under the Notes or any Transaction Document, and no Noteholder shall take any steps to recover any debts whatsoever owing to it by the Issuer. See “*Terms and Conditions of the Notes*” and “*Summary of Principal Documents—Trust Deed*” included elsewhere in this Offering Circular. These rights of the Noteholders to enforce the rights and remedies granted for the benefit of the Noteholders under the Transaction Documents are the types of rights that are excluded from the rights that are included in the definition of “other similar interests”.

The Noteholders have no rights under the Transaction Documents to participate in the selection or removal of any of the types of partners, members or managers of the Issuer described in Clause (A) above. The management of the Issuer will be governed by the terms of an issuer management agreement between the Issuer and TMF Management B.V., an independent managing director not controlled by the Noteholders (the “**Managing Director**”, which term shall include any successor or substitute managing directors of the Issuer in accordance with the terms of the Issuer Management Agreement), pursuant to which the Managing Director agrees to perform various management functions on behalf of the Issuer. The Foundation will hold all the authorized, issued and fully paid up share capital of the Issuer. The Foundation is the only person with the right to subscribe for any share capital of the Issuer, and it has the ability to elect directors of the Issuer and may be able to take certain other actions permitted to be taken by shareholders under the articles of association of the Issuer. The Noteholders have no rights to participate in the selection or removal of the Foundation. See “*Description of the Issuer*” included elsewhere in this Offering Circular. Pursuant to the Agency and Account Bank Agreement, the Issuer will appoint The Bank of New York Mellon, London Branch to act as its portfolio administrator, administrative agent and calculation agent under the Transaction Documents (the “**Administrator**”), it being agreed that the Administrator (and each other Agent under the Agency and Account Bank Agreement) will act solely as agent for the Issuer and will not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders.

The Noteholders have no rights under the Transaction Documents to receive a share of the income, gains or profits of the Issuer as described in Clause (B) above, and have no rights to receive the underlying assets of the Issuer after all other interests have been redeemed and/or paid in full (excluding the rights of a creditor to exercise remedies upon the occurrence of an event of default or an acceleration event) as described in Clause (C) above. The Issuer is a special purpose vehicle which, so long as any of the Notes are outstanding, will be

subject to the restrictions set out in the Trust Deed and the Conditions. The Issuer will not have any subsidiaries and, save in respect of the proceeds of the Issuer's issued share capital held by the Foundation as contemplated by the Transaction Documents (which do not comprise any part of the Notes Collateral), the Issuer will not be able to accumulate any surpluses. The only assets of the Issuer available to meet claims of the Noteholders and the other Secured Parties are the assets comprising the Notes Collateral, which (as described above) cannot be enforced prior to an Enforcement Notice in accordance with the Trust Deed and the Conditions. See "*Description of the Issuer*" included elsewhere in this Offering Circular.

The Noteholders have no rights to receive any excess spread (the positive difference, if any, between the aggregate interest payments received from the underlying assets of Issuer and the aggregate interest paid to the Noteholders) as described in Clause (D) above. The New VFZ Facilities Agreement will provide that the Issuer will pay or transfer any Term Excess Arrangement Payment and any Maturity Excess Payment (in each case calculated in accordance with the Agency and Account Bank Agreement) to the New VFZ Facilities Borrower, as a rebate of previously paid interest under the New VFZ Facilities Agreement. See "*General Description of VodafoneZiggo's Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes*", "*Summary of Principal Documents—Agency and Account Bank Agreement*", "*Summary of Principal Documents—New VFZ Facilities Agreement*" and "*Annex A: New VFZ Facilities Agreement*" included elsewhere in this Offering Circular.

On the Issue Date, the Issuer will issue €600,000,000 aggregate principal amount of Notes, which will bear interest at a fixed rate per annum equal to %, as further described elsewhere in this Offering Circular. While the Issuer, as a special purpose vehicle, is wholly dependent on the payments it will receive in respect of the Assigned Receivables and under the Framework Assignment Agreement, the New VFZ Facilities Agreement and the Expenses Agreement, and a failure by any of the Obligor to provide such funding (or by the Platform Provider in certain limited circumstances to make payments due to the Issuer under the Framework Assignment Agreement) may, in practice, negatively impact the ability of the Issuer to meet its obligations under the Transaction Documents (including the Notes), there are no contractual terms of the Notes under the Trust Deed or the Conditions which provide that the amounts payable by the Issuer (whether as principal or interest) with respect to the Notes will be reduced based on losses arising from the underlying assets of the Issuer as described in Clause (E) above. Furthermore, as the Notes bear interest at a fixed rate, the rate of interest on the Notes is not determined by reference to the performance of the underlying assets of the Issuer as described in Clause (F) above. In addition, the Issuer expects that the Noteholders will not receive income on a pass-through basis from the Issuer as described in Clause (F) above, as the Issuer expects that the Noteholders will hold the Notes as debt and not as equity for U.S. federal income tax purposes. See "*Risk Factors—Risks Relating to the Notes—The Issuer is an unaffiliated special purpose financing company which will depend on payments in respect of the Assigned Receivables and under the Framework Assignment Agreement, the New VFZ Facilities Agreement and the Expenses Agreement to provide it with funds to meet its obligations under the Notes*", the "*Terms and Conditions of the Notes*" and the "*Summary of Principal Documents—Trust Deed*" included elsewhere in this Offering Circular. The Issuer will not be entitled to make any modifications to the terms of the Notes which would have the effect of reducing or cancelling the amount of principal payable in respect of the Notes or altering the rate of interest applicable in respect of the Notes (each of which would constitute a Basic Terms Modification), without the approval of the Noteholders by Extraordinary Resolution (in respect of a Basic Terms Modification), in accordance with the Trust Deed and the Conditions. See "*Risk Factors—Risks Relating to the Notes—Amendments, waivers, Noteholder resolutions and instructions*" and "*Terms and Conditions of the Notes*" included elsewhere in this Offering Circular.

The Trust Deed and Conditions relating to the Notes do not confer upon the Noteholders any synthetic rights to have, receive or be allocated any of the rights in Clauses (A) through (F) above.

Effective as of 1 October 2020, the Volcker Rule was amended to exclude from the definition of "ownership interest" any "senior loan or senior debt interest" that has the following characteristics:

- (1) Under the terms of the interest the holders of such interest do not have the right to receive a share of the income, gains, or profits of the covered fund, but are entitled to receive only:
 - (i) Interest at a stated interest rate, as well as commitment fees or other fees, which are not determined by reference to the performance of the underlying assets of the covered fund; and
 - (ii) Repayment of a fixed principal amount, on or before a maturity date, in a contractually determined manner (which may include prepayment premiums intended solely to reflect, and compensate holders of the interest for, forgone income resulting from an early prepayment);

(2) The entitlement to payments under the terms of the interest are absolute and could not be reduced based on losses arising from the underlying assets of the covered fund, such as allocation of losses, write-downs or charge-offs of the outstanding principal balance, or reductions in the amount of interest due and payable on the interest; and

(3) The holders of the interest are not entitled to receive the underlying assets of the covered fund after all other interests have been redeemed or paid in full (excluding the rights of a creditor to exercise remedies upon the occurrence of an event of default or an acceleration event).

For the reasons discussed above, it is possible that the Notes could be characterized as senior debt interests having the characteristics described in clauses (1) through (3) above. However, given the recent nature of the amendment to the Volcker Rule described above and the fact that there is limited regulatory guidance as to the application of such amendment to transactions like the Offering, there can be no assurance as to whether the U.S. federal regulators that administer the Volcker Rule would view the Notes as being excluded from the scope of the definition of “ownership interests”.

Before making an investment in the Notes, each potential investor in the Notes should consult with its own counsel and make its own determination as to whether it is subject to the Volcker Rule, whether the Notes constitute “ownership interests”, whether any exclusion or exemption under the Volcker Rule might be applicable to an investment in the Notes by such investor, whether its investment in the Notes would be restricted or prohibited under the Volcker Rule, and the potential impact of the Volcker Rule on its investment, any liquidity in connection therewith and on its portfolio generally. See “*Transfer Restrictions—Investor Representations*” in this Offering Circular. None of VodafoneZiggo, the Issuer, the Initial Purchasers, the Administrator, the Obligors, the Security Trustee or the Notes Trustee nor any of their respective affiliates makes any representation to any prospective investor or purchaser of the Notes regarding the treatment of the Issuer or the Notes under the Volcker Rule or to the impact of the Volcker Rule on such investor’s investment in the Notes on the Issue Date or at any time in the future.

The Volcker Rule and any similar measures introduced in another relevant jurisdiction may impact the price and liquidity of the Notes in the secondary market or restrict prospective investors’ ability to hold the Notes. Each purchaser is responsible for analysing its own regulatory position under the Volcker Rule and any similar measures.

Anti-money laundering, corruption, bribery, economic sanctions and similar laws may require certain actions or disclosures

Many jurisdictions have adopted wide-ranging anti-money laundering, economic and trade sanctions, and anti-corruption and anti-bribery laws, and regulations (collectively, the “**AML Requirements**”). Any of the Issuer, the Initial Purchasers, the Administrator, the Buyer Parent, the Security Trustee or the Notes Trustee could be requested or required to obtain certain assurances from prospective investors intending to purchase Notes and to retain such information or to disclose information pertaining to them to governmental, regulatory or other authorities or to financial intermediaries or engage in due diligence or take other related actions in the future. It is expected that the Issuer, the Initial Purchasers, the Administrator, the Buyer Parent, the Security Trustee and the Notes Trustee will comply with AML Requirements to which they are or may become subject and to interpret such AML Requirements broadly in favour of disclosure. Failure to honour any request by the Issuer, the Initial Purchasers, the Administrator, the Buyer Parent, the Security Trustee or the Notes Trustee to provide requested information or take such other actions as may be necessary or advisable for the Issuer, the Initial Purchasers, the Administrator, the Buyer Parent, the Security Trustee or the Notes Trustee to comply with any AML Requirements, related legal process or appropriate requests (whether formal or informal) may result in, among other things, a forced sale to another investor of such investor’s Notes. In addition, it is expected that each of the Issuer, the Initial Purchasers, the Administrator, the Buyer Parent, the Security Trustee and the Notes Trustee intends to comply with applicable AML requirements, including those of the United States and other countries, and will disclose any information required or requested by authorities in connection therewith.

Evolution of international fiscal and taxation policy and OECD Action Plan on Base Erosion and Profit Shifting

Fiscal and taxation policy and practice is constantly evolving and recently the pace of change has increased due to a number of developments. In particular a number of changes of law and practice are occurring as a result of the Organisation for Economic Co-operation and Development’s (“**OECD**”) Base Erosion and Profit Shifting project (“**BEPS**”).

At a meeting in Paris on 29 May 2013, the OECD Council adopted a declaration on base erosion and profit shifting using the OECD's Committee on Fiscal Affairs to develop an action plan to address BEPS in a comprehensive manner.

In July 2013, the OECD published its Action Plan on BEPS, which proposed fifteen actions intended to counter international tax base erosion and profit shifting. Subsequently, on 5 October 2015 the OECD published final reports, analyses and sets of recommendations for all of the fifteen actions it identified as part of its Action Plan, which G20 finance ministers then endorsed during a meeting on 8 October 2015 in Lima, Peru and which G20 leaders then endorsed during their annual summit on 15-16 November 2015 in Antalya, (the "**Final Report**").

Investors should note that certain action points may be implemented in domestic laws of the Netherlands and other jurisdictions in a manner which may affect the tax position of the Issuer.

Furthermore, the Multilateral Instrument ("**MLI**"), which has been developed by the OECD as part of Action 15, was designed to streamline the implementation of the certain treaty-related measures developed in some of the action points in existing bilateral tax treaties between countries. The MLI will supplement or has supplemented certain tax treaties of countries that are a party to the MLI, including the Netherlands, by adding new treaty provisions or by modifying or replacing existing treaty provisions. MLI parties have flexibility to opt-in or opt-out of these provisions, except for certain mandatory minimum standards. The MLI only applies to tax treaties that are or will be explicitly listed by both contracting states. Some of the relevant treaty-related action points are detailed below.

Action 6

Action 6 is intended to prevent the granting of treaty benefits in inappropriate circumstances.

The MLI provides for tax treaties to include a "principal purpose test" ("**PPT**"), which would deny a treaty benefit where it is reasonable to conclude, having regard to all relevant facts and circumstances for this purpose, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in those circumstances would be in accordance with the object and purpose of the relevant provisions of the treaty. A change in the application of tax treaties as a result of the implementation and application of the PPT may affect the Issuer's tax position.

Action 7

The focus of Action 7 was to develop changes to the treaty definition of a permanent establishment and the scope of the exemption for an "agent of independent status" to prevent the artificial avoidance of having a permanent establishment in a particular jurisdiction. The Final Report on Action 7 sets out the changes that will be made to the definition of a "permanent establishment" in Article 5 of the OECD Model Convention and the OECD Model Commentary. Among other recommendations, the Final Report on Action 7 recommended two specific changes to the OECD Model Convention: (i) the expansion of the circumstances in which a "permanent establishment" is created to include the negotiation of contracts where certain conditions are satisfied; and (ii) narrowing the exemption for agents of independent status where contracts are concluded by an "independent agent" and that agent is connected to the foreign enterprise on behalf of which it is acting.

A change in the application of tax treaties as a result of the implementation and application of the changes envisaged in Action 7 may affect the Issuer's tax position and, though unlikely, could, inter alia, result in the Issuer being treated as having a taxable permanent establishment outside the Netherlands under a tax treaty entered into by the Netherlands. It is noted, though, that the Netherlands has temporarily opted out of the MLI provision that implements the recommendations described above, at least until there is either sufficient clarity on profit allocation to agency permanent establishments or there is an effective dispute resolution mechanism in place with sufficient other MLI parties. Under the applicable entry into effect rules of the MLI, a withdrawal of the Dutch reservation (i.e., opting into the relevant MLI provision), would be effective at the earliest for fiscal years beginning on or after 1 January 2022.

E.U. Anti-Tax Avoidance Directive

As part of its anti-tax avoidance package, and to provide a framework for a harmonised implementation of a number of the BEPS conclusions across the EU, the EU Council adopted Council Directive (EU) 2016/1164 (the "**Anti-Tax Avoidance Directive**") on 12 July 2016.

The EU Council adopted Council Directive (EU) 2017/952 (the “**Anti-Tax Avoidance Directive 2**”) on 29 May 2017, amending the Anti-Tax Avoidance Directive, to provide for minimum standards for counteracting hybrid mismatches involving EU member states and third countries.

EU member states had until 31 December 2018 to implement the Anti-Tax Avoidance Directive (subject to derogations for EU member states which have equivalent measures in their domestic law) and had until 31 December 2019 to implement the Anti-Tax Avoidance Directive 2 (except for measures relating to reverse hybrid mismatches, which must be implemented by 31 December 2021).

The Directives contain various measures that could, depending on their implementation in the Netherlands, potentially result in certain payments made by the Issuer ceasing to be fully deductible. This could increase the Issuer’s liability to tax and reduce the amounts available for payments on the Notes. There are two measures of particular relevance.

First, the Anti-Tax Avoidance Directive provides for an “interest limitation rule” which restricts the deductible borrowing costs of an entity to the higher of (a) €3,000,000 or (b) 30% of its earnings before interest, tax, depreciation and amortization. This includes, among others, interest expenses in relation to money loan agreements or agreements (economically) comparable thereto, other financing costs and foreign exchange losses. However, the deduction limitation only applies to the net borrowing costs of an entity (being the amount by which its borrowing costs exceed its taxable interest revenues and other economically equivalent taxable revenues). In the Netherlands, this rule was implemented more strictly than prescribed in the Anti-Tax Avoidance Directive 1 by opting for a €1,000,000 threshold instead of €3,000,000. Net borrowing costs that cannot be deducted in a certain year may in principle be carried forward.

The restriction on deductibility would only be in respect of the amount by which the borrowing costs exceed “taxable interest revenues and other equivalent taxable revenues”. The Issuer will generally fund interest payments it makes under the Notes from interest payments to which it is entitled under the New VFZ Facilities Agreement, Shortfall Payments it receives under the New VFZ Facilities Agreement and the premiums earned on the Assigned Receivables, such that the Issuer may pay limited or no net borrowing costs. Accordingly the restriction may have limited relevance to the Issuer.

Secondly, the Anti-Tax Avoidance Directive (as amended by the Anti-Tax Avoidance Directive 2) provides for hybrid mismatch rules. These rules apply in the Netherlands as of 1 January 2020 and are designed to neutralise, *inter alia*, arrangements where amounts are deductible from the income of one entity but are not taxable for another, or the same amounts are deductible for two entities. These rules could potentially apply if and to the extent that the interest paid under the Notes is deducted from taxable income in the Netherlands are not brought into account as taxable income by the relevant Noteholder, either because of the tax classification of the Notes, or the payments made under them, by the Noteholder’s jurisdiction of establishment or because of the tax classification of the Noteholder itself; and (ii) the mismatch arises between associated enterprises or under a structured arrangement. A Noteholder is generally not expected to be an associated enterprise. Even if a Noteholder is an associated enterprise, unless there is a hybrid mismatch, the measures should not impact payments on the Notes.

For the purposes of the hybrid rules, a structured arrangement is one involving a mismatch outcome where the mismatch outcome is priced into the terms of the arrangement or the arrangement was designed to produce a mismatch outcome. Based on the available guidance, it is not expected that the transaction can be considered a structured arrangement. Nonetheless, given the limited guidance from the Dutch tax authorities on how they approach structured arrangements, this cannot be fully excluded.

Risks Relating to the Notes

The Issuer is an unaffiliated special purpose financing company which will depend on payments in respect of the Assigned Receivables and under the Framework Assignment Agreement, the New VFZ Facilities Agreement and the Expenses Agreement to provide it with funds to meet its obligations under the Notes

The Issuer has been formed as a special purpose financing company for the primary purpose of facilitating the offering of the Notes. The Issuer has no material business operations, no direct subsidiaries and no employees and, upon completion of the offering of the Notes, its only material assets will be the Assigned Receivables, the New VFZ Facilities Loans and rights (including its right to receive any Shortfall Payments) under the New VFZ Facilities Agreement and its rights under certain transaction documents (including the Expenses Agreement, the

Issue Date Arrangements Agreement and the Framework Assignment Agreement). Furthermore, the Trust Deed governing the Notes prohibits the Issuer from engaging in any activities other than certain limited activities permitted under Condition 4 (“*Covenants*”). As such, the Issuer is wholly dependent on the payments it will receive in respect of the Assigned Receivables and under the Framework Assignment Agreement, the New VFZ Facilities Agreement and the Expenses Agreement as and when required to fund certain costs, expenses and liabilities of the Issuer and any payments of interest or principal on the Notes and, if applicable, any premiums on any redemption pursuant to the Trust Deed and the payment of any Additional Amounts required to be paid under the Notes. A failure by the New VFZ Facilities Borrower and/or any other Obligor to provide such funding, and by the Platform Provider in certain limited circumstances to make payments due to the Issuer, may negatively impact the ability of the Issuer to meet its obligations under the Transaction Documents or otherwise to third parties which may, in turn, whether directly or indirectly, negatively impact the ability of the Issuer to meet its obligations under the Notes.

The right of the Issuer to receive payments from the Obligors in respect of the Assigned Receivables and under the Framework Assignment Agreement, the New VFZ Facilities Agreement, the Expenses Agreement and the related agreements, as applicable, is effectively subordinated to the rights of existing and future secured creditors of such Obligors.

The Issuer is dependent upon payments it receives from the Obligors in respect of the Assigned Receivables and under the Framework Assignment Agreement, the New VFZ Facilities Agreement, the Expenses Agreement and the related agreements, as applicable, to make payments on the Notes, but its claims against the Obligors pursuant to the Assigned Receivables and such agreements will be effectively subordinated to any future secured indebtedness of the Obligors (including such Obligors’ obligations under the Existing VFZ Facilities and the Existing Senior Secured Notes), to the extent of the value of the assets and property securing such indebtedness.

Therefore, in the event of any distribution of the Obligors’ assets or payment in any foreclosure, dissolution, winding-up, liquidation, reorganization or other bankruptcy, secured creditors of the Obligors will be paid first from the assets securing their claims, and the Issuer, as an unsecured creditor of the Obligors, will participate in any residual distribution, ratably with all holders of the Obligors’ other unsecured indebtedness that is deemed to be of the same ranking, only to the extent that the Obligors’ secured indebtedness has been repaid in full from those assets. We cannot assure you that, following realization of their security by the Obligors’ secured creditors, there will be sufficient assets in any such distribution, foreclosure, dissolution, winding-up, liquidation or other bankruptcy proceeding to pay amounts due to the Issuer in respect of the Assigned Receivables or under the Framework Assignment Agreement, the New VFZ Facilities Agreement, the Expenses Agreement and the related agreements.

Limited recourse obligations

The Notes are limited recourse obligations of the Issuer and, in an enforcement scenario, are payable solely from amounts received in respect of the Notes Collateral securing the Notes. Payments on the Notes both prior to and following enforcement of the security over the Notes Collateral are subordinated to the prior payment of certain fees and expenses of, or payable by, the Issuer. See Condition 3 (“*Status, Priority and Security*”). None of VodafoneZiggo or its subsidiaries, the Administrator, the Noteholders, the Initial Purchasers, the Obligors, the Security Trustee, the Notes Trustee or any other Agent or any affiliates of any of the foregoing or the Issuer’s affiliates or any other person or entity (other than the Issuer) will be obliged to make payments on the Notes.

Consequently, Noteholders must rely solely on distributions on the Notes Collateral securing the Notes for the payment of principal, discount, interest and premium, if any, thereon. There can be no assurance that the distributions on the Notes Collateral securing the Notes will be sufficient to make payments on the Notes after making payments on required amounts to other creditors ranking senior to or *pari passu* with the Notes pursuant to the Priorities of Payment. If distributions on the Notes Collateral are insufficient to make payments on the Notes, no other assets (and, in particular, no assets of the Administrator, the Noteholders, the Initial Purchasers, the Obligors, the Security Trustee, the Notes Trustee, any other Agent or any affiliates of any of the foregoing) will be available for payment of the deficiency and following realization of the Notes Collateral and the application of the proceeds thereof in accordance with the Priorities of Payment, the obligations of the Issuer to pay such deficiency shall be extinguished. Such shortfall will be borne (as amongst the Noteholders) in accordance with the Priorities of Payment.

Furthermore, none of VodafoneZiggo nor any of its subsidiaries will guarantee or provide any credit support to the Issuer with respect to its obligations under the Notes. Other than under the limited circumstances described

herein, Noteholders will not have a direct claim on the cash flow or assets of VodafoneZiggo or any of its subsidiaries, and neither VodafoneZiggo nor any of its subsidiaries has any obligation, contingent or otherwise, to pay amounts due under the Notes, or to make funds available to the Issuer for those payments, other than the obligations of (i) the Obligor to make payments to the Issuer in respect of the Assigned Receivables, (ii) the Obligor to make payments to the Issuer in respect of the New VFZ Facilities Agreement or (iii) VZ Financing I B.V. to make payments to the Issuer under the Expenses Agreement, and in each case of (i) to (iii) above, the agreements related thereto to which it is party.

Additionally, except for the specific interests of the Issuer in respect of the Assigned Receivables (including as under the Framework Assignment Agreement), as under the New VFZ Facilities Agreement, the Expenses Agreement and the Issue Date Arrangements Agreement, or as otherwise expressly provided in the terms of the Trust Deed, no proprietary or other direct interest in the Issuer's rights under or in respect of the New VFZ Facilities Agreement, the Expenses Agreement or the Issue Date Arrangements Agreement exists for the benefit of the Noteholders. Further, subject to the terms of the Trust Deed, no Noteholder can enforce any provision of the New VFZ Facilities Agreement (or any other item of Notes Collateral) or have direct recourse to the New VFZ Facilities Borrower (or any other subsidiary of VodafoneZiggo) except through an action by the Security Trustee pursuant to the rights granted to the Security Trustee under the Trust Deed. Under the Trust Deed, the Security Trustee shall not be required to take proceedings to enforce payment under the New VFZ Facilities Agreement (or any other item of Notes Collateral) unless it has been indemnified and/or secured to its satisfaction. In addition, neither the Issuer, the Notes Trustee nor the Security Trustee is required to monitor the New VFZ Facilities Borrower's (or any other Obligor's) financial performance.

In addition, at any time while the Notes are outstanding, none of the Noteholders, the Security Trustee nor any other Secured Party (nor any other person acting on behalf of any of them) shall be entitled at any time to institute against the Issuer, or join in any institution against the Issuer of, any bankruptcy, reorganization, arrangement, insolvency, examinership, winding up or liquidation proceedings or other proceedings under any applicable bankruptcy or similar law in connection with any obligations of the Issuer relating to the Notes, the Trust Deed or otherwise owed to the Noteholders, save for lodging a claim in the liquidation of the Issuer which is initiated by another party (which is not an affiliate of such party) or taking proceedings to obtain a declaration as to the obligations of the Issuer.

The Notes may be redeemed prior to the Maturity Date

The Notes may be redeemed prior to the Maturity Date, subject to the satisfaction of certain conditions (as described in the relevant provisions of Condition 6 (*"Redemption, Purchase and Cancellation; Approved Exchange Offer"*) and *"Summary of the Notes"*). In the event of an early redemption or in connection with an Approved Exchange Offer, the Noteholders will be repaid prior to the Maturity Date.

Upon voluntary prepayment of all or any portion of amounts of the New VFZ Facilities Loans by the New VFZ Facilities Borrower, as described in *"Summary of the Notes—Early Redemption: Tax Event"*, *"Summary of the Notes—Early Make-Whole Redemption Event"*, *"Summary of the Notes—Early Redemption Event on or after 18 December 2023"*, and Condition 6 (*"Redemption, Purchase and Cancellation; Approved Exchange Offer"*), and at the redemption prices described in the foregoing sections and Conditions, the Issuer will redeem an aggregate principal amount of the Notes. The Issuer will also redeem the Notes at their principal amount together with interest and other amounts (if any) accrued to the redemption date, if at any time it becomes unlawful in any applicable jurisdiction for the Issuer to be a lender or to perform any of its obligations under the New VFZ Facilities Agreement, as described in *"Summary of the Notes—Early Redemption: Illegality"* and the relevant provisions of Condition 6 (*"Redemption, Purchase and Cancellation; Approved Exchange Offer"*).

Additionally, following a Change of Control (as defined under the New VFZ Facilities Agreement), the New VFZ Facilities Borrower will be required to offer to prepay the New VFZ Facilities Loans (as defined herein). Following receipt of such prepayment offer, the Issuer will launch a consent solicitation to set (i) the Maturity Date of the Notes as the New Maturity Date (as defined herein) and (ii) the redemption price of the Notes on the New Maturity Date at 101% of the principal amount of the Notes (**"Accelerated Redemption Price"**), plus accrued and unpaid interest to the New Maturity Date, in accordance with the relevant provisions of Condition 6 (*"Redemption, Purchase and Cancellation; Approved Exchange Offer"*). If holders of more than 50% of the aggregate principal amount of Notes (voting as one class) consent to the foregoing requests (**"Accelerated Maturity Event"**), the Issuer will inform the New VFZ Facilities Borrower that it accepts the prepayment offer, and the New VFZ Facilities Borrower will prepay the New VFZ Facilities Loans at par, plus accrued and unpaid interest thereon, together with a payment equal to 1% of the principal amount of the Excess

Cash Loans and Interest Facility Loans so prepaid. Following such prepayment, the Issuer will redeem all of the Notes on the New Maturity Date at the Accelerated Redemption Price, plus accrued and unpaid interest to the New Maturity Date. The Change of Control offer under the New VFZ Facilities Agreement differs from the change of control offer required under the indentures of each tranche of the Existing Senior Secured Notes and the Existing Senior Notes, whereby we will be required to offer to repurchase all outstanding notes at a price equal to 101% of their principal amount thereof, plus accrued and unpaid interest and additional amounts, if any, to the date of repurchase.

Further, the Notes may be redeemed prior to the Maturity Date in connection with an Approved Exchange Offer (as defined herein). See Conditions 6(j) and 6(k) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Approved Exchange Offer*”).

The New VFZ Facilities Borrower may not have the ability to raise funds necessary to finance required prepayments of the New VFZ Facilities in the event of a change of control thereunder

Upon the occurrence of a Change of Control (as defined in the New VFZ Facilities Agreement), the New VFZ Facilities Borrower is required to offer to prepay the New VFZ Facilities Loans. If, following an Accelerated Maturity Event under the Notes, the Issuer accepts the prepayment offer, the New VFZ Facilities Borrower will be required to prepay the New VFZ Facilities (including all the New VFZ Facilities Loans) and to make a payment equal to 1% of the Excess Cash Loans and Interest Facility Loans so prepaid. The ability of the New VFZ Facilities Borrower to prepay the New VFZ Facilities Loans upon such accepted prepayment offer would be limited by its access to funds at the time of the prepayment and the terms of its other debt agreements, which agreements could restrict or prohibit such a prepayment. Upon a Change of Control, the New VFZ Facilities Borrower may be required to immediately repay the outstanding principal, any accrued interest on and any other amounts owed by it under one or more of its other bank facilities. The source of funds for these repayments would be its available cash or cash generated from other sources. However, there can be no assurance that the New VFZ Facilities Borrower will have sufficient funds available upon a Change of Control to make these repayments. If the New VFZ Facilities Borrower is not able to make the required prepayment of the New VFZ Facilities (including the New VFZ Facilities Loans), the Issuer will not be able to redeem the Notes at the New Maturity Date.

Notes Collateral

The Notes will be secured by: (i) a first fixed charge over the Issuer’s rights, title, benefit and interest in, to and under the Assigned Receivables; (ii) an assignment by way of security over the Issuer’s rights under all contracts, agreements, deeds and documents to which it is or may become a party or in respect of which it has or may have any right, title, benefit or interest (including, without limitation, the New VFZ Facilities Agreement, the Expenses Agreement, the Framework Assignment Agreement and the Issue Date Arrangements Agreement); (iii) a first fixed charge over the Issuer’s rights to all amounts at any time standing to the credit of the Issuer Transaction Accounts; and (iv) a first floating charge over all of the present and future property, assets and undertakings of the Issuer not subject to the fixed charges or assignments by way of security described above.

Although the security constituted by the Notes Security Documents over the Notes Collateral held from time to time, including the security over the Issuer Transaction Accounts, is expressed to take effect as a fixed charge, it may (as a result of, among other things, the substitutions of Assigned Receivables contemplated by the Framework Assignment Agreement and the payments to be made from the Issuer Transaction Accounts in accordance with the Conditions and the Trust Deed) take effect as a floating charge which, in particular, would rank after a subsequently created fixed charge. However, the Issuer has covenanted in the Trust Deed and the Conditions not to create any such subsequent security interests (other than those permitted under the Trust Deed) without the consent of the Notes Trustee.

Your rights in the Notes Collateral may be adversely affected by the failure to perfect security interests in Notes Collateral

Applicable law requires that a security interest in certain assets can only be properly perfected and its priority retained through certain actions undertaken by the secured party. Neither the Security Trustee nor the Notes Trustee has any obligation to take steps to perfect any security interest in the Notes Collateral. The liens in the Notes Collateral securing the Notes may not be perfected with respect to the claims of the Security Trustee on behalf of the Secured Parties, including the Noteholders, if the actions necessary to perfect any of these liens on or prior to the date of the Notes Security Documents are not taken. For example, applicable law may require that

certain property and rights acquired after the grant of a general security interest, such as real property, equipment subject to a certificate and certain proceeds, can only be perfected at the time such property and rights are acquired and identified. The Issuer has limited obligations to perfect the Security Trustee's security interest in the specified Notes Collateral. Neither the Notes Trustee nor the Security Trustee has any obligation to monitor the acquisition of additional property or rights that constitute Notes Collateral or the perfection of any security interest. None of the Security Trustee or the other Secured Parties, including the Notes Trustee, will monitor, and there can be no assurance that the Issuer will inform the Security Trustee or Notes Trustee of the future acquisition of property and rights that constitute Notes Collateral, and that the necessary action will be taken to properly perfect the security interest in such after-acquired Notes Collateral. Such failure may result in the loss of the security interest in the Notes Collateral or the priority of the security interest in favour of the Security Trustee on behalf of the Secured Parties against third parties.

Your ability to recover under the Notes Collateral may be limited

The Noteholders will benefit from security interests in the Notes Collateral.

The Notes Collateral securing the Notes will be subject to any and all exceptions, defects, encumbrances, liens and other imperfections as may be accepted by any other creditors that also have the benefit of first liens on the Notes Collateral securing the Notes from time to time, whether on or after the date the Notes are issued. Neither the Initial Purchasers nor the Security Trustee have either analysed the effect of, or participated in any negotiations relating to, such exceptions, defects, encumbrances, liens and other imperfections. The existence of any such exceptions, defects, encumbrances, liens and other imperfections could adversely affect the value of the Notes Collateral securing the Notes as well as the ability of the Security Trustee to realize or foreclose on such Notes Collateral.

The security interest of the Security Trustee will be subject to practical problems generally associated with the realization of security interests in Notes Collateral. For example, the Security Trustee may need to obtain the consent of a third party to obtain or enforce a security interest in a contract. The Issuer cannot assure you that the Security Trustee will be able to obtain any such consent. It also cannot assure you that the consents of any third parties will be given when required to facilitate a foreclosure on such assets. Accordingly, the Security Trustee may not have the ability to foreclose upon those assets and the value of the Notes Collateral may significantly decrease.

The Notes Collateral may be limited by applicable laws or subject to certain limitations or defences that may adversely affect their validity and enforceability

The Notes or the Notes Collateral may be subject to claims that they should be limited or subordinated under Dutch or other applicable law.

The grant of the Notes Collateral in favour of the Security Trustee may also be voidable by the grantor or by an insolvency trustee, liquidator, examiner, receiver or administrator or by other creditors, or may be otherwise set aside by a court, if certain events or circumstances exist or occur, including, among others, if the grantor is deemed to be insolvent at the time of the grant, or if the grant permits the Secured Parties to receive a greater recovery than if the grant had not been given and insolvency proceedings in respect of the grantor are commenced within a legally specified "clawback" period following the grant. Accordingly, enforcement of any Notes Collateral would be subject to certain defences available to the grantor thereof generally or, in some cases, to limitations contained in the Trust Deed or Notes Security Documents designed to ensure compliance with capital maintenance rules and other statutory requirements applicable to the relevant grantor. As a result, a grantor's liability under its Notes Collateral could be materially reduced or eliminated.

In addition, the granting of new security interests in connection with the issuance of the Notes may trigger hardening periods for such security interests. The applicable hardening period for these new security interests will run from the moment each new security interest has been granted or perfected. At each time, if the security interest recreated or granted were to be enforced and a petition for the commencement of insolvency proceedings were to be filed before the end of the respective hardening period applicable in such jurisdiction, it may be declared void or ineffective or it may not be possible to enforce it.

It is possible that the grantor of the Notes Collateral or a creditor thereof, or the insolvency administrator in the case of the insolvency of a grantor of Notes Collateral, may contest the validity and enforceability of the Notes Collateral on any of the above grounds and that the applicable court may determine that the Notes

Collateral should be limited or voided. To the extent that agreed limitations on the obligations secured by the Notes Collateral apply, the Notes would be to that extent effectively subordinated to that extent to all liabilities of the grantor of the Notes Collateral, including trade receivables of such grantor of Notes Collateral. Future Notes Collateral to be granted may be subject to similar limitations.

The various insolvency and administrative laws of the Netherlands to which the Obligors and the Issuer are subject may not be favourable to creditors, including the Issuer as lender under the New VFZ Facilities Loans and assignee under the Assigned Receivables and the Noteholders, as the case may be, and may limit the Issuer's ability to enforce its rights under the New VFZ Facilities Loans and the Assigned Receivables and your ability to enforce your rights under the Notes, as the case may be.

Under Regulation (EU) No. 2015/848 of the European Parliament and of the Council of 20 May 2015 on insolvency proceedings (recast) (the “**Recast E.U. Insolvency Regulation**”), a company’s location of its centre of main interest (“**COMI**”) is presumed to be the place of its registered office in the absence of proof to the contrary and provided that the company did not move its registered office within the three months prior to a request to open insolvency proceedings. The Issuer and the Obligors are incorporated under the laws of the Netherlands and have their statutory seat (*statutaire zetel*) in the Netherlands. Consequently, in the event of a bankruptcy or insolvency event with respect to the Issuer and the Obligors, primary proceedings would likely be initiated in the Netherlands. Dutch insolvency laws may make it difficult or impossible to effect a restructuring. If the Issuer’s or the Obligors’ COMI was found to be in another E.U. jurisdiction and not in the Netherlands, main insolvency proceedings would be opened in that jurisdiction instead.

There are two primary insolvency regimes under Dutch law. The first, suspension of payments (*surseance van betaling*), is intended to facilitate the reorganization of a debtor’s debts and enable a company to continue as a going concern. The second, bankruptcy (*faillissement*), is designed to liquidate and distribute the assets of a debtor to its creditors.

Upon commencement of suspension of payments proceedings, the court will grant a provisional suspension. A definitive suspension will generally be granted in a creditors’ meeting called for that purpose, unless a qualified minority (more than one-quarter in amount of claims held by creditors represented at the creditors’ meeting or one-third in number of creditors represented at such creditors’ meeting) of the unsecured nonpreferential creditors withholds its consent or if there is no prospect that the company will in the future be able to pay its debts as they fall due (in which case the company will generally be declared bankrupt). During a suspension of payments, unsecured and non-preferential creditors will be precluded from attempting to recover their claims from the assets of the company. A suspension of payments is subject to exceptions, the most important of which excludes secured creditors and preferential creditors (such as tax and social security authorities and employees) from the application of the suspension. This implies that during suspension of payments proceedings secured creditors may proceed against the assets that secure their claims to satisfy their claims, and preferential creditors are also not barred from seeking to recover their claims. However, the court may order a “cooling down period” (*afkoelingsperiode*) for a maximum period of four months during which enforcement actions by secured or preferential creditors are barred. In a suspension of payments, a composition (*akkoord*) may be offered by the company to its creditors. Such a composition will be binding on all unsecured and non-preferential creditors, irrespective whether they voted in favour or against it or whether they were represented at the creditor’s meeting called for the purpose of voting on the composition plan, if (i) it is approved by more than 50% in number of the general unsecured and non-preferential creditors present or represented at the creditor’s meeting, representing at least 50% in amount of the general unsecured and nonpreferential claims admitted for voting purposes and (ii) it is subsequently ratified (*gehomologeerd*) by the court.

Under Dutch bankruptcy proceedings, the assets of a debtor are generally liquidated and the proceeds distributed to a company’s creditors on a *pari passu* basis. Certain creditors (such as secured creditors and preferential creditors) have special rights that may adversely affect the interests of holders of the Notes and the Issuer, as lender under the respective New VFZ Facilities Loans. For example, a Dutch bankruptcy does not prohibit secured creditors from taking recourse against the encumbered assets of the bankrupt debtor to satisfy their claims. However, the court may order a “cooling down period” (*afkoelingsperiode*) for a maximum period of four months during which enforcement actions by secured or preferential creditors are barred. Consequently, Dutch insolvency laws could reduce the potential recovery of a holder of the Notes or the Issuer under the New VFZ Facilities Loans in Dutch bankruptcy proceedings. To obtain payment on unsecured non-preferential claims, such claims need to be submitted to the trustee in bankruptcy (curator) for verification. “Verification” under Dutch law means that the trustee verifies the value of the claim and whether and to what extent it may be admitted in the bankruptcy proceedings. The claim of a creditor may be limited depending on the date the claim

becomes due and payable in accordance with its terms. Generally, claims of holders of the Notes which were not due and payable by their terms on the date of a bankruptcy of the Issuer or, in the case of the New VFZ Facilities Loans, the date of a bankruptcy of the relevant Obligor, are only admissible for verification for their net present value if they mature more than one year after opening of the bankruptcy. Each of these claims will have to be submitted to the trustee of the Issuer or the trustee of the relevant Obligor for verification. Creditors that wish to dispute the valuation of their claims by the trustee will need to commence a court proceeding. These verification procedures could result in holders of the Notes and the Issuer, as lender under the New VFZ Facilities Loans, receiving a right to recover less than the principal amount of their Notes or amounts owed under such New VFZ Facilities Loans, as the case may be. In addition, in a Dutch bankruptcy in practice usually no or little funds remain available for the payment of unsecured and nonpreferential creditors.

In a bankruptcy, a composition (*akkoord*) may be offered to the unsecured and non-preferential creditors. Such a composition will be binding upon all unsecured and non-preferential creditors if (i) it is approved by a simple majority of a meeting of the recognized and admitted creditors representing at least 50% of the amount of the recognized and of the admitted claims and (ii) it is subsequently ratified (*gehomologeerd*) by the court.

On 6 October 2020 the Dutch legislator has adopted a bill for the Act on Court Confirmation of Extrajudicial Restructuring Plans (*Wet homologatie onderhands akkoord*), with the aim to implement a restructuring instrument enabling companies in financial distress to restructure their debts without the need to initiate formal insolvency procedures (such as bankruptcy or moratorium of payments). The bill will enter into force on 1 January 2021.

The goal of the new legislation is to introduce a preventive restructuring procedure enabling debtors in financial difficulties to restructure at an early stage and avoid insolvency. A restructuring plan under the new legislation can be proposed by a debtor who foresees that it will not be able to continue paying its due and payable debts (the debts as they fall due). Under such circumstances, the debtor or a court appointed restructuring specialist may offer a restructuring plan to the debtor's creditors and shareholders. A restructuring plan could propose an amendment or (partial) discharge of the rights and claims of all creditors and shareholders involved. Once approved and confirmed by the relevant percentage of creditors and the court, such restructuring plan is binding on all creditors and shareholders involved. Subject to certain safeguards, creditors and shareholders who have voted against the restructuring plan could be (cross-) crammed down and thus be bound by the restructuring plan. Taking into account the provisions in the act, claims against a debtor can, *inter alia*, be (partially) discharged or extended as a result of a restructuring plan if the relevant majority of creditors within a class or a more senior class vote in favour of such a plan and the court subsequently approves the plan.

A new draft legislation, the Temporary Act COVID 19 Ministry of Social Affairs and Ministry of Justice (*Tijdelijke wet COVID-19 SZW en JV*), has been recently adopted by the Dutch Legislator (*Staten-Generaal*). Although adopted by the Dutch Legislator, it is still uncertain when the legislation will enter into force. However, it is expected that this legislation will come into effect before the stated maturity date of the Notes. Under the temporary act a debtor would be (amongst others) entitled to request the court for suspension of enforcement measures and/or any court decisions concerning bankruptcy petitions. The court may grant such request of the debtor under certain specific circumstances, such as either (i) a suspension is necessary for continuation of the company's activities, or (ii) it is summarily evidenced that the current financial situation is mainly (or entirely) caused by the measures imposed as from 16 March 2020 in response to the COVID-19 outbreak, as a result of which the company is temporarily unable to pay its debts, and it is evidenced that the financial situation of the company before the COVID-19 outbreak was normal and is expected to improve in the (near) future. If approved, such suspension would be initially granted for two months and could be extended by up to two additional suspension periods of two months each.

As a consequence of the foregoing, Dutch insolvency laws could reduce the recovery of holders of the Notes and the Issuer, as lender under the New VFZ Facilities Loans, in a Dutch insolvency proceeding.

The Notes, the New VFZ Facilities Loans and the Payment Obligations may be voidable under Dutch fraudulent conveyance laws.

Dutch law contains specific provisions dealing with fraudulent conveyance both in and outside of bankruptcy, the so-called *actio pauliana* provisions. The *actio pauliana* offers creditors protection against a decrease in their means of recovery. A legal act performed by a person (including, without limitation, an agreement pursuant to which it guarantees the performance of the obligations of a third party or agrees to provide or provides security for any of its or a third party's obligations, enters into additional agreements benefiting from

existing security and any other legal act having similar effect) can be challenged in or outside bankruptcy of the relevant person and may be nullified by the bankruptcy trustee in a bankruptcy of the relevant person or by any of the creditors of the relevant person outside bankruptcy, if: (i) the person performed such acts without an obligation to do so (*onverplicht*); (ii) the creditor concerned or, in the case of the person's bankruptcy, any creditor, was prejudiced in its means of recovery as a consequence of the act; and (iii) at the time the act was performed both the person and the counterparty to the transaction knew or should have known that one or more of its creditors (existing or future) would be prejudiced in their means of recovery, unless the act was entered into for no consideration (*om niet*) in which case such knowledge of the counterparty is not necessary for a successful challenge on grounds of fraudulent conveyance.

If a Dutch court found that the issuance of the Notes or the Payment Obligations or the lending of the New VFZ Facilities Loans involved a fraudulent conveyance that did not qualify for any defence under Dutch law, then the issuance of the Notes or the issuance of the Payment Obligations or the lending of the New VFZ Facilities Loans could be nullified. As a result of such successful challenges, holders of the Notes or the Issuer, as applicable, may not enjoy the benefit of the Notes, the New VFZ Facilities Loans or the Payment Obligations, as applicable. Additionally, the value of any consideration that holders of the Notes or the Issuer, as applicable, receive with respect to the Notes, the New VFZ Facilities Loans or the Payment Obligations could also be subject to recovery from other creditors of the Issuer, VodafoneZiggo (in its capacity as Buyer Parent) or the Obligor Subsidiaries, the New VFZ Facilities Borrower or the New VFZ Facilities Guarantors, as applicable, and, possibly, from subsequent transferees. In addition, under such circumstances, holders of the Notes and the Issuer might be held liable for any damages incurred by prejudiced creditors of the Issuer, VodafoneZiggo (in its capacity as Buyer Parent), the Obligor Subsidiaries, the New VFZ Facilities Borrower or the New VFZ Facilities Guarantors, as applicable, as a result of the fraudulent conveyance.

Corporate benefit and financial assistance laws and other limitations on the obligations under the Notes, the New VFZ Facilities Loans and the Payment Obligations may adversely affect the validity and enforceability of the Notes, the New VFZ Facilities Loans and the Payment Obligations.

The Notes, the New VFZ Facilities Loans, the Payment Obligations and the obligations thereunder may be voidable or otherwise ineffective under applicable law. Enforcement of the obligations under the Notes against the Issuer, enforcement of the Payment Obligations against the Obligors and enforcement of the New VFZ Facilities Loans against the New VFZ Facilities Borrower and the New VFZ Facilities Guarantors will, in each case, be subject to certain defences available to the Issuer, the Obligors, the New VFZ Facilities Borrower and the New VFZ Facilities Guarantors, as the case may be. These laws and defences may include those that relate to fraudulent conveyance, financial assistance, corporate benefit and regulations or defences affecting the rights of creditors generally. If one or more of these laws and defences are applicable, the Issuer, the Obligors, the New VFZ Facilities Borrower or the New VFZ Facilities Guarantors may have no liability or decreased liability under the Notes, the New VFZ Facilities Loans and the Payment Obligations, as the case may be, or the Notes, the New VFZ Facilities Loans and the Payment Obligations, as the case may be, may be unenforceable.

You may not be able to enforce the security interests in the Notes Collateral due to restrictions on enforcement contained in Dutch corporate law.

Under Dutch law, the enforcement of the security interests in the Notes Collateral and guarantees may, in whole or in part, also be limited to the extent that the obligations of the Issuer, the Obligors, the New VFZ Facilities Borrower, the New VFZ Facilities Guarantors or their respective parents, as applicable, under the security are not within the scope of its objects and the counterparty under the security was aware or ought to have been aware (without inquiry) of this fact. The articles of association of each of the Issuer, the Obligors, the New VFZ Facilities Borrower, the New VFZ Facilities Guarantors or their respective parents, as applicable, permit the provision of security for, among others, group companies. However, the determination of whether a legal act is within the objects of a company may not be based solely on the description of the articles of association, but must take into account all relevant circumstances, including, in particular, the question whether the interests of such company are served by the relevant legal act. If the granting of the applicable security in the light of the benefits, if any, derived by the Issuer, the Obligors, the New VFZ Facilities Borrower, the New VFZ Facilities Guarantors or their respective parents, as applicable, from creating such interests, would have an adverse effect on the interests of the Issuer, the Obligors, the New VFZ Facilities Borrower, the New VFZ Facilities Guarantors or their respective parents, as applicable, the relevant security may be found to be voidable or unenforceable upon the request of the Issuer, the Obligors, the New VFZ Facilities Borrower, the New VFZ Facilities Guarantors or their respective parents, as applicable, or any administrator in bankruptcy. As a result, notwithstanding the foregoing provisions of the articles of association of the Issuer, the Obligors, the New VFZ

Facilities Borrower, the New VFZ Facilities Guarantors or their respective parents, as applicable, the security is within the objects of and in the interest of the Issuer, the Obligors, the New VFZ Facilities Borrower, the New VFZ Facilities Guarantors or their respective parents, as applicable, no assurance can be given that a court would conclude that the granting of the security is within the objects of the Issuer, the Obligors, the New VFZ Facilities Borrower, the New VFZ Facilities Guarantors or their respective parents, as applicable. To the extent the Issuer, the Obligors, the New VFZ Facilities Borrower, the New VFZ Facilities Guarantors or their respective parents, as applicable, or any administrator successfully invokes the voidability or non-enforceability of the security, such security would be limited to the extent any portion of it is not nullified and remains enforceable.

Amendments, waivers, resolutions and instructions

The Conditions and the Trust Deed contain detailed provisions governing modification of the Conditions and the Transaction Documents and the convening of meetings and passing of resolutions by the Noteholders, voting as a single class. Certain key risks relating to these provisions are summarised below.

Decisions may be taken by Noteholders, voting as a single class, by way of Extraordinary Resolutions, which can be effected either at a duly convened meeting of the Noteholders (a “**Meeting**”) or by a resolution in writing signed by or on behalf of all of the Noteholders. Meetings of the Noteholders may be convened by the Issuer, the Notes Trustee or by one or more Noteholders holding not less than 10 per cent. of the aggregate principal amount of the Notes then outstanding, subject to certain conditions (including minimum notice periods). In addition, at any time after a Note Acceleration Notice (as defined in Condition 1 (“*Definitions and Principles of Construction—General Interpretation*”)) has been given to the Issuer, the Noteholders by an Extraordinary Resolution may instruct the Notes Trustee in writing to instruct the Security Trustee to give an Enforcement Notice (as defined in Condition 1 (“*Definitions and Principles of Construction—General Interpretation*”)) to the Issuer, as set out in Condition 11 (“*Enforcement*”).

Any modification of certain terms, including, among other things (other than in connection with an Accelerated Maturity Event), the date of maturity of the Notes or a modification which would have the effect of postponing any date for payment of interest on the Notes, the reduction or cancellation of the amount of principal payable in respect of the Notes, the alteration of the rate of interest applicable in respect of the Notes, the alteration of the quorum or majority required to pass an Extraordinary Resolution, the alteration of currency of payment of the Notes or alteration of the manner of redemption of the Notes, any material modification to the Notes Collateral, any material modification to the certain items in the Priorities of Payment (as more fully described in Condition 1 (“*Definitions and Principles of Construction—General Interpretation*”), a “**Basic Terms Modification**”) must be approved by an Extraordinary Resolution (in respect of a Basic Terms Modification) of the Noteholders.

Other than a Basic Terms Modification, a modification in connection with an Accelerated Maturity Event, or a modification which expressly does not require holders’ of the Notes approval, any other modification must be approved by an Extraordinary Resolution (in respect of matters other than a Basic Terms Modification) of the Noteholders.

The quorum at any Meeting for passing an Extraordinary Resolution in respect of any matter other than a Basic Terms Modification will be two or more persons bearing a voting certificate, form of proxy or other eligible instrument (as further described in Condition 13(d) (“*Meeting of Noteholders—Quorum*”), a “**Voter**”), in each case representing in aggregate more than 50 per cent. of the aggregate principal amount of the Notes then outstanding. The quorum at any Meeting for passing an Extraordinary Resolution in respect of a Basic Terms Modification will be two or more Voters representing in aggregate at least 75 per cent. of the aggregate principal amount of the Notes then outstanding. In addition, if a quorum is not satisfied at any meeting, lower quorum thresholds will apply at any meeting previously adjourned for want of quorum, as set out in Condition 13(d) (“*Meeting of Noteholders—Quorum*”).

Any such Extraordinary Resolution may be adverse to any group of Noteholders or individual Noteholders. It should also be noted that amendments may still be effected and waivers may still be granted in respect of such provisions in circumstances where not all Noteholders agree with the terms thereof and any amendments or waivers once passed in accordance with the provisions of the Conditions and the Trust Deed will be binding on all such dissenting Noteholders.

The consent of holders of at least 50% of the aggregate principal amount of Notes then outstanding will be required to approve an Accelerated Maturity Event. However, the consent of the Noteholders in respect of an

Accelerated Maturity Event will be validly given if made in accordance with the terms of the Maturity Consent Solicitation (as defined in Condition 6(f) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Accelerated Maturity Event*”)), and need not comply with Schedule D (“*Provisions for Meetings of the Noteholders*”) of the Trust Deed or any other provisions of the Trust Deed or the Conditions relating to an Extraordinary Resolution.

Additionally, certain amendments, modifications and waivers may be made without the consent of Noteholders, including amendments, among other things, which are (in the Issuer’s determination) not materially prejudicial to the interests of the Noteholders, to (in the Issuer’s determination) correct a manifest error, to give effect to Permitted Encumbrances (as defined in Condition 1 (“*Definitions and Principles of Construction—General Interpretation*”)), and to give effect, or as otherwise reasonably required to allow for, the Transactions (including to give effect to an SCF Platform Addition or SCF Platform Replacement). Such amendments or modifications could be adverse to certain Noteholders.

Subject to the satisfaction of certain conditions precedent (including receipt of an officer’s certificate and opinion of counsel furnished by the Issuer pursuant to the Trust Deed), the Notes Trustee or the Security Trustee, as applicable, shall be obliged to concur (without exercising its own discretion in respect of any such amendments or modification) with the Issuer in making any such amendments or modifications as described above; *provided that* the Notes Trustee and/or the Security Trustee, as applicable, shall not be obliged to agree to any modification which adversely affects its rights, duties, liabilities or immunities, or which, among other things, would have the effect of breaching any duty at law or any of its fiduciary duties or would expose it to any liability against which it has not been indemnified and/or secured to its satisfaction. While the Conditions and the Trust Deed contain detailed provisions governing modification of the Conditions, the Trust Deed, and the other Transaction Documents (including as described above), the consent of the Notes Trustee or Security Trustee, as applicable, may not be required for certain modifications of the other Transaction Documents (including modifications of other Transaction Documents to which the Notes Trustee or Security Trustee, as applicable, is not party or where the amendment provisions thereunder do not require the written consent of the Notes Trustee or Security Trustee, as applicable).

Reports provided by the Administrator will not be audited

The reports made available to Noteholders will be prepared by the Administrator, on behalf of the Issuer, in consultation with and based on certain information provided to it by the Buyer Parent. Information in the reports will not be audited nor will reports include a review or opinion by a public accounting firm, other than as described under “*Summary of Principal Documents—New VFZ Facilities Agreement—Summary of New VFZ Facilities Agreement—Reporting Undertakings*”.

You may be unable to recover in civil proceedings for U.S. securities laws violations

The Issuer is incorporated under the laws of the Netherlands and does not have any assets in the United States. It is anticipated that some or all of the directors and officers of the Issuer will be non-residents of the United States and that all or a majority of their assets will be located outside the United States. As a result, it may not be possible for investors to effect service of process within the United States upon the Issuer or its respective directors and officers, or to enforce any judgments obtained in U.S. courts predicated upon civil liability provisions of the U.S. securities laws. In addition, the Issuer cannot assure you that civil liabilities predicated upon the federal securities laws of the United States will be enforceable in the Netherlands. See “*Listing and General Information—Enforceability of Judgments*”.

Failure of a court to enforce non-petition obligations will adversely affect Noteholders

Each Noteholder will agree, and each beneficial owner of Notes will be deemed to agree, pursuant to the Trust Deed, that it will be subject to non-petition covenants. If such provision failed to be enforceable under applicable bankruptcy laws, then the filing or presentation of such a petition could result in one or more payments on the Notes made during the period prior to such filing being deemed to be preferential transfers subject to avoidance by the bankruptcy trustee or similar official exercising authority with respect to the Issuer’s bankruptcy estate. It could also result in the bankruptcy court, trustee or receiver liquidating the assets of the Issuer without regard to any votes or directions required for such liquidation pursuant to the Trust Deed and could result in any payments under the Notes made during the period prior to such presentation being deemed to be a fraudulent or improper disposition of the Issuer’s assets.

You may face foreign exchange risks by investing in the Notes

The Notes will be denominated and payable in euro. If you measure your investment returns by reference to a currency other than euro, an investment in the Notes entails foreign exchange related risks due to, among other factors, possible significant changes in the value of euro relative to the currency by reference to which you measure your investment returns because of economic, political and other factors over which we have no control (including the recent vote by the U.K. to exit the E.U., as described elsewhere in this Offering Circular). Depreciation of euro against the currency by reference to which you measure your investment returns could cause a decrease in the effective yield of the Notes below their stated coupon rates and could result in a loss to you when the return on the Notes is translated into the currency by reference to which you measure your investment returns. There may be tax consequences for you as a result of any foreign currency gains or losses from any investment in the Notes.

Limited liquidity and restrictions on transfer (including pursuant to U.S. securities laws)

There is currently no pre-existing market for the Notes. The Initial Purchasers may make a market for the Notes, but are not obliged to do so, and any such market-making may be discontinued at any time without notice. There can be no assurance that any secondary market for any of the Notes will develop or, if a secondary market does develop, that it will provide the Noteholders with liquidity of investment or that it will continue for the life of such Notes. Consequently, a purchaser must be prepared to hold such Notes for an indefinite period of time or until the Maturity Date. Where a market does exist, to the extent that an investor wants to sell Notes, the price may, or may not, be at a discount from the outstanding principal amount thereof. In addition, no sale, assignment, participation, pledge or transfer of the Notes may be effected if, among other things, it would require any of the Issuer or any of their officers or directors to register under, or otherwise be subject to the provisions of, the Investment Company Act or any other similar legislation or regulatory action. Furthermore, the Notes will not be registered under the U.S. Securities Act or any U.S. state securities laws, and the Issuer has no plans, and is under no obligation, to register the Notes under the U.S. Securities Act. Therefore, the Notes may be transferred or resold only in transactions registered under, exempt from or not subject to the registration requirements of the U.S. Securities Act and all applicable state securities laws. The Notes are subject to certain transfer restrictions and can be transferred only to certain transferees. See “*Plan of Distribution*” and “*Transfer Restrictions*” sections of this Offering Circular. It is your obligation to ensure that your offers and sales of Notes comply with applicable law. Such restrictions on the transfer of the Notes may further limit their liquidity.

The Notes will initially be held in book-entry form, and therefore you must rely on the procedures of the relevant clearing systems to exercise any rights and remedies

Unless and until Notes in definitive registered form, or definitive registered notes, are issued in exchange for book-entry interests, owners of book-entry interests will not be considered owners or Noteholders. The common depository for Euroclear or Clearstream (or its nominee) will be the sole holder of the Global Notes. After payment to the common depository or the nominee (as the case may be), the Issuer will have no responsibility or liability for the payment of interest, principal or other amounts to the owners of book-entry interests. Accordingly, if you own a book-entry interest, you must rely on the procedures of Euroclear or Clearstream, as applicable, and if you are not a participant in Euroclear or Clearstream, on the procedures of the participant through which you own your interest, to exercise any rights of a Noteholder, under the Trust Deed. See “*Book-Entry Clearance Procedures*” and “*Form of the Notes*”.

Unlike the Noteholders themselves, owners of book-entry interests will not have the direct right to act upon the Issuer’s solicitations for consents, requests for waivers or other actions from Noteholders. Instead, if you own a book-entry interest, you will be permitted to act only to the extent you have received appropriate proxies to do so from Euroclear or Clearstream. There can be no assurance that procedures implemented for the granting of such proxies will be sufficient to enable you to vote on any request actions on a timely basis.

Similarly, upon the occurrence of an event of default under the Trust Deed, unless and until definitive registered notes are issued in respect of all book-entry interests, if you own a book-entry interest, you will be restricted to acting through Euroclear or Clearstream. The Issuer cannot assure you that the procedures to be implemented through Euroclear or Clearstream will be adequate to ensure the timely exercise of rights under the Notes. See “*Book-Entry Clearance Procedures*” and “*Form of the Notes*”.

Withholding tax on the Notes

Although no withholding tax is currently imposed on payments of interest on the Notes, there can be no assurance that the law will not change. In the event that any withholding tax or deduction for tax is imposed on

payments of interest on the Notes by certain relevant jurisdictions, subject to certain exceptions, the Issuer will pay Additional Amounts so that the net amount a Noteholder receives is no less than that which such Noteholder would have received in the absence of such withholding or deduction. In the event that the Issuer is required to pay such Additional Amounts but the amount the Issuer receives from VZ Financing I B.V is less than the total amount of the Additional Amounts required to be paid by the Issuer to all Noteholders on the relevant interest payment date, the Issuer will only be required to account to each Noteholder for an Additional Amount equivalent to a pro rata proportion of such amount (if any) as is actually received by, or for the account of, the Issuer pursuant to the Expenses Agreement. See Condition 9 (“*Taxation*”).

If there is a Tax Event, subject to certain conditions (including, among other things, that any and all Assigned Receivables are repaid by the Obligors assigned (or agreed to be assigned) by the Issuer to another person, prior to the date of redemption, and that all amounts lent to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement are repaid to the Issuer prior to the date of redemption), as further described in Condition 6(b) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Redemption: Tax Event*”), the Issuer will, upon giving notice to the New VFZ Facilities Borrower that a Tax Event (as defined in Condition 1 (“*Definitions and Principles of Construction—General Interpretation*”)) which cannot be cured has occurred or will occur, and in the event that all amounts lent to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement are then voluntarily prepaid by the New VFZ Facilities Borrower pursuant to Clause 7.2(a) (“*Voluntary Prepayment*”) of the New VFZ Facilities Agreement, redeem the Notes in whole, but not in part. If the Issuer exercises such redemption right, it must pay the Noteholders a price equal to the principal amount of the Notes plus interest and other amounts, if any, to the date of redemption. See Condition 6(b) (“*Redemption, Purchase and Cancellation; Approved Exchange Offer—Early Redemption: Tax Event*”).

A Note may be treated as issued with original issue discount for U.S. federal income tax purposes

A Note may be treated as having been issued with original issue discount for U.S. federal income tax purposes. An obligation generally is treated as having been issued with original issue discount if its stated redemption price at maturity exceeds its issue price by at least a *de minimis* amount. If a Note is treated as issued with original issue discount, U.S. Holders (as defined in “*Taxation—U.S. Federal Income Tax Considerations*”) will be subject to tax on that original issue discount as it accrues, in advance of the receipt of cash payments attributable to that income (and in addition to “qualified stated interest”). See “*Taxation—U.S. Federal Income Tax Considerations*”.

The Notes could be treated as equity for U.S. federal income tax purposes, and in such case U.S. Holders may be subject to adverse tax consequences

The Issuer expects the Notes to be treated as debt and not as equity for U.S. federal income tax purposes; however no assurances can be given that the Issuer’s position will not be successfully challenged by the U.S. Internal Revenue Service. If the Notes are treated as equity in the Issuer for U.S. federal income tax purposes, U.S. Holders would likely be subject to adverse tax consequences, including those under the passive foreign investment company (“**PFIC**”) rules pursuant to which (i) all or a portion of any gain on a disposition of the Notes would be treated as ordinary income rather than capital gain, (ii) a deferred interest charge would apply to such gain and on certain distributions, which may include certain payments of stated interest, on the Notes and (iii) a U.S. Holder would be required to comply with certain reporting requirements. For further discussion of the adverse U.S. federal income tax consequences if the Issuer is classified as a PFIC and the Notes are treated as equity, see “*Taxation—U.S. Federal Income Tax Considerations*”.

The Netherlands has adopted an interest withholding tax on certain intra-group payments of interest to inter alia entities resident in a jurisdiction with a low statutory rate or a jurisdiction that is included in the EU list of non-cooperative jurisdictions

Under current law, payments under the Notes are in principle not subject to withholding tax in the Netherlands. However, as from 1 January 2021, Dutch withholding tax at a rate of the highest applicable corporate income tax rate (expectedly, 25% in 2021), in principle, applies on interest payments made or deemed to be made by a Dutch taxpayer (i.e., the Issuer), within the meaning of the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*), to a related party of it which, (i) is resident in a low-tax or non-cooperative jurisdiction as specifically listed in an annually updated Dutch regulation, (ii) has a permanent establishment in any such jurisdiction to which the relevant payment is attributable, (iii) is neither resident in the Netherlands nor in a low-tax or non-cooperative jurisdiction, and is entitled to the interest with the main purpose or one of the main purposes to avoid withholding tax of another person, (iv) is a hybrid entity in certain cases of abuse for purposes of the Dutch Withholding Tax Act 2021, or (v) is not resident in any jurisdiction.

Payments on listed and other securities (e.g., Notes) issued in the market are in most cases expected not to be caught by this withholding tax given that the holder of such instruments (e.g. a third-party Noteholder) is generally not expected to be a related party for purposes of these rules.

If, however, withholding tax is or becomes due with respect to certain interest payments on the Notes pursuant to the Dutch Withholding Tax 2021, the Issuer is not and will not be obliged to pay Additional Amounts (as defined under Condition 9 (“*Taxation*”)) to the recipient of such interest payments and, as such, the Notes would not become subject to the right of the Issuer to redeem the Notes. For the avoidance of doubt, if as a result of any change in tax law, such as any changes to the Withholding Tax Act 2021 (*Wet bronbelasting 2021*) from the form published in the Official Gazette (*Staatsblad*) Stb. 2019, 513 of 27 December 2019, the Issuer would be or become obliged to pay Additional Amounts, the Issuer may have the option to redeem the Notes, in whole, but not in part, at the principal amount of such Notes together with interest and other amounts (including Additional Amounts), if any, accrued to the applicable redemption date, in accordance with the provisions as set out under paragraph (b) (*Early Redemption: Tax Event*) of Condition 6 (*Redemption, Purchase and Cancellation; Approved Exchange Offer*).

ERISA and other employee benefit plan considerations

Each acquirer and each transferee of a Note or any interest therein will be deemed to have represented, warranted and agreed at the time of its acquisition and throughout the period that it holds such Note or any interest therein that it is not, and is not acting on behalf of (and for so long as such acquirer or transferee holds such Note or any interest therein will not be, and will not be acting on behalf of), a Benefit Plan Investor (as defined below) or an employee benefit plan (as defined in Section 3(3) of ERISA) which is subject to any Similar Laws (as defined under “*Certain ERISA Considerations*”), and no part of the assets used by it to acquire or hold any Note or any interest therein constitutes the assets of any Benefit Plan Investor or any such employee benefit plan. See “*Certain ERISA Considerations*” for more details.

An active trading market may not develop or be maintained for the Notes and the price of the Notes may fluctuate.

Following the issuance of the Notes, the Issuer intends to make an application for listing on the Official List of Euronext Dublin and admission to trading on the Global Exchange Market thereof, but it cannot assure you that the Notes will become or remain listed. If the Issuer can no longer maintain the listing on the Official List of Euronext Dublin or it becomes unduly burdensome to make or maintain such listing (for the avoidance of doubt, the preparation of financial statements in accordance with the International Financial Reporting Standards or any accounting standard other than U.S. GAAP and any other standard pursuant to which VodafoneZiggo prepares its financial statements shall constitute such undue burden), the Issuer may cease to make or maintain such listing on the Official List of Euronext Dublin, provided that the Issuer will use all reasonable efforts to obtain and maintain the listing of the Notes on another stock exchange (which may be a stock exchange that is not regulated by the European Union), although there can be no assurance that the Issuer will be able to do so. Notwithstanding the foregoing, the Issuer may at its sole option at any time, without the consent of the holders of the Notes or the Notes Trustee, de-list the Notes from any stock exchange for the purposes of moving the listing of such Notes to the Official List of The International Stock Exchange.

The liquidity of any market for the Notes will depend on the number of holders of the Notes, the interest of securities dealers in making a market in the Notes and other factors. Accordingly, the Issuer cannot assure you as to the development or liquidity of any market for the Notes. If an active trading market does not develop, the market price and liquidity of the Notes may be adversely affected. If the Notes are traded, they may trade at a discount from their initial issue price depending upon prevailing interest rates, the market for similar securities, general economic conditions, the Issuer’s performance and business prospects and certain other factors.

Factors including the following may have a significant effect on the market price of the Notes:

- actual or anticipated fluctuations in operating results of the Issuer, including its ability to generate cash flow from operations;
- perceived business prospects of the Issuer;
- ability or perceived ability of the Issuer to access capital markets and other sources of financing in the future;
- general economic conditions, including prevailing interest rates; and
- the market for similar securities.

We may incur additional indebtedness prior to, or within a short time period following, the Issue Date of the Notes, which indebtedness could increase our leverage and may have terms that are more or less favourable than the terms of the Notes and our other existing indebtedness

We or our subsidiaries may incur substantial additional debt, including in connection with a refinancing of our existing debt, to fund any future acquisition or for general corporate purposes. In connection with our financial strategy, we continually evaluate different financing alternatives, and we may decide to enter into new credit facilities, access the debt capital markets or incur other indebtedness from time to time, including following the consummation of this offering and prior to, or within a short time period following, the Issue Date of the Notes. Any such offering or incurrence of debt will be made at our election or the election of our relevant subsidiaries, and if such debt is in the form of securities, would be offered and sold pursuant to, and on the terms described in, a separate offering circular. The interest rate with respect to any such additional debt will be set at the time of the pricing or incurrence of such debt and may be less than or greater than the interest rate applicable to the Notes and our other existing debt, including, in the case of a refinancing, the debt that is being refinanced, which would have a corresponding effect on our cash interest expense on a pro forma basis. In addition, the maturity date of any such additional debt will be set at the time of pricing or incurrence of such debt and may be earlier or later than the maturity date of the Notes and our other existing debt. The other terms of such additional debt would be as agreed with the relevant lenders or holders thereof and could be more or less favourable than the terms of the Notes or our other existing indebtedness. There can be no assurance that we or our subsidiaries will elect to raise any such additional debt or that any effort to raise such debt will be successful, and there can be no assurance as to the timing of such offering or incurrence, the amount or terms of any such additional debt. If we incur new debt in addition to our current debt, the related risks that we now face, even in a refinancing transaction, as described above and elsewhere in these “*Risk Factors*”, could intensify.

The Notes may not be a suitable investment for all investors seeking exposure to “green” assets

Pursuant to the recommendation of the Green Bond Principles that issuers use external assurance to confirm their alignment with the key features of the Green Bond Principles, Sustainalytics has been engaged to provide an independent second-party opinion (the “**Second-Party Opinion**”) in relation to the alignment of the VodafoneZiggo Green Bond Framework with the 2018 Green Bond Principles. Accordingly, on 4 December 2020, Sustainalytics certified that the VodafoneZiggo Green Bond Framework aligns with the 2018 Green Bond Principles. The Second Party Opinion is not incorporated into, and does not form part of, this Offering Circular.

There is currently no clearly defined definition (legal, regulatory or otherwise) of, nor market consensus on what precise attributes are required for a particular company to be defined as “green”, “sustainable” or such other equivalent label, and nor can any assurance be given that such a clear definition or consensus will develop over time. Accordingly, we cannot assure you that the Eligible Green Projects will meet all investor expectations or requirements regarding “green”, “sustainable”, “social” or similar labels (including Regulation (EU) 2020/852 on the establishment of a framework to facilitate sustainable investment, the “**EU Taxonomy**”). Further, no assurances can be provided that allocations to projects with these specific characteristics will be made by us with respect to an amount equal to the net proceeds from the Notes. There is no guarantee as to the environmental and/or social impacts of the Eligible Green Projects.

Neither the Issuer, VodafoneZiggo nor the Initial Purchasers make any representation as to (i) the suitability of any opinion or certification of any third party (whether or not solicited by the Issuer or VodafoneZiggo) or the Notes to fulfil any environmental and sustainability criteria; (ii) whether the Notes will meet investor criteria and expectations with regard to environmental impact and sustainability performance; (iii) whether an amount equal to the net proceeds of the Notes will be used to finance and/or refinance new and/or existing Eligible Green Projects; or (iv) the characteristics of the Eligible Green Projects, including their environmental and sustainability criteria. The Second Party Opinion may not reflect the potential impact of all risks related to the structure, market, additional risk factors discussed above and other factors that may affect the value of the Notes. The Second Party Opinion is not a recommendation to buy, sell or hold securities and is only current as at the date of the Second Party Opinion.

In the event that the Notes are listed or admitted to trading on any dedicated “green”, “environmental”, “sustainable” or other equivalently-labelled segment of any stock exchange or securities market (whether or not regulated), no representation or assurance is given by the Issuer, VodafoneZiggo, the Initial Purchasers or any other person that such listing or admission satisfies, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates, in particular with regard to any direct or

indirect environmental, sustainability or social impact of any projects or uses, the subject of or related to, any Eligible Green Projects. Furthermore, it should be noted that the criteria for any such listings or admission to trading may vary from one stock exchange or securities market to another. No representation or assurance can be given or made by the Issuer, VodafoneZiggo, the Initial Purchasers or any other person that any such listing or admission to trading will be obtained in respect of any such Notes or, if obtained, that any such listing or admission to trading will be maintained during the life of the Notes.

Each potential investor in the Notes must make its own determination with respect to the relevance of the information contained in this Offering Circular regarding the use of proceeds, and its purchase of Notes should be based upon such investigation as it deems necessary. A withdrawal of the Second Party Opinion or any failure by VodafoneZiggo to allocate an amount equal to the net proceeds from the offering of the Notes to Eligible Green Projects or to meet or continue to meet the investment requirements of certain environmentally focused investors with respect to the Notes may affect the value of the Notes and/or may have consequences for certain investors with portfolio mandates to invest in “green” assets.

Investors may have limited remedies if we fail to allocate an amount equal to the net proceeds from the offering of the Notes to finance and/or refinance new and/or existing Eligible Green Projects or to satisfy related reporting requirements and other undertakings

Although VodafoneZiggo intends to allocate an amount equal to the net proceeds from the offering of the Notes to finance and/or refinance new and/or existing Eligible Green Projects, the Trust Deed will not include covenants or agreements requiring the Issuer or VodafoneZiggo to allocate an amount equal to the net proceeds from this offering of the Notes to finance and/or refinance new and/or existing Eligible Green Projects or to satisfy the reporting and other undertakings therewith. As a result, it will not be an event of default under the Trust Deed if VodafoneZiggo fails to allocate an amount equal to the net proceeds from the offering of the Notes to finance and/or refinance new and/or existing Eligible Green Projects or to satisfy such reporting and other undertakings, and holders of the Notes will have no remedies under the Trust Deed for any such failure. Furthermore, there can be no assurance that the Eligible Green Projects will be capable of being implemented in or substantially in such manner and/or in accordance with any timing schedule and that accordingly such proceeds will be totally or partially disbursed for such Eligible Green Projects. Nor can there be any assurance that such Eligible Green Projects will be completed within any specified period or at all or with the results or outcome as originally expected or anticipated by VodafoneZiggo.

VodafoneZiggo cannot assure you that the Eligible Green Projects to which it allocates amounts relating to the offering of the Notes will satisfy, or continue to satisfy, investor criteria and expectations regarding environmental impact and sustainability performance, nor can VodafoneZiggo assure you that the Eligible Green Projects criteria and other aspects of the VodafoneZiggo Green Bond Framework will satisfy, or continue to satisfy, investor criteria or expectations for sustainable finance products. In particular, no assurance is given that the Eligible Green Projects will satisfy, whether in whole or in part, any present or future investor expectations or requirements, voluntary taxonomies or standards regarding any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable laws or regulations, by its own bylaws or other governing rules or investment portfolio mandates, ratings criteria, voluntary taxonomies or standards or other independent expectations (in particular with regard to any direct or indirect environmental, sustainability or social impact of any Eligible Green Projects or uses, the subject of or related to, the relevant Eligible Green Projects). Additionally, VodafoneZiggo may revise the VodafoneZiggo Green Bond Framework from time to time, and the criteria used by VodafoneZiggo to identify Eligible Green Projects may differ in the future. Furthermore, we cannot assure you that we will be able to identify sufficient business activities qualifying as Eligible Green Projects to which we could re-allocate amounts equal to the net proceeds from the offering of the Notes if VodafoneZiggo no longer owns a previously-allocated Eligible Green Project or if a previously allocated Eligible Green Project no longer meets the applicable criteria.

Risks Relating to the Receivables and the SCF Platform

Receivables—payment, deduction and set-off risk

The principal risk associated with the Assigned Receivables is the risk of payment default by the Obligors. A payment default could delay the payment of interest on the Notes on the date such interest is due, as well as the return of principal in respect of the Notes beyond the Maturity Date and/or impair the amount of such return.

In order to constitute a VFZ Account Receivable, a Receivable must arise under an agreement pursuant to which the relevant Buyer Entity or Obligor has agreed not to assert any right of set-off, counterclaim or

deduction save those that have been specified in a Credit Note allocated to the relevant Receivable (which in turn will reduce the corresponding Payment Obligation that will arise following the relevant SCF Transfer) (though Credit Notes may not be allocated to any Approved Platform Receivable following an SCF Transfer). Depending on the jurisdiction of the relevant Buyer Entity or Obligor or the Platform Provider, such exclusion might not be effective in a liquidation or administration of such Buyer Entity or Obligor or the Platform Provider and mandatory set-off might be required. Furthermore, VFZ Accounts Receivable are purchased by the Issuer at a price calculated after taking full account of any amounts specified in any Credit Note (if any) allocated to the relevant Receivable (and corresponding Payment Obligation following an SCF Transfer). In addition, the Platform Provider has also agreed to make and calculate all payments to the Issuer without (and free and clear of any deduction for) set-off or counterclaim, unless specifically provided for under the Framework Assignment Agreement.

Reliance on representations and warranties

The Issuer will purchase VFZ Accounts Receivable from the Platform Provider in reliance on representations and warranties of the Buyer Parent and the Platform Provider in the Framework Assignment Agreement. The Issuer will not carry out any independent investigation of the VFZ Accounts Receivable to be purchased. The rights of the Issuer under these representations and warranties are charged in favour of the Security Trustee under the Trust Deed.

The transfer of VFZ Accounts Receivable under the Framework Assignment Agreement takes place only under equity until an Obligor Enforcement Notification is given to the Obligors

Pursuant to the terms of the Framework Assignment Agreement and notwithstanding that the Buyer Parent gives certain representations relating to the VFZ Accounts Receivable pursuant to the terms of the Framework Assignment Agreement, the Issuer may not serve (or cause or permit to be served) an Obligor Enforcement Notification prior to the occurrence of (i) a failure by the relevant Obligor to pay any Payment Obligation in full to the Platform Provider on the date such payment was due (taking into account any applicable grace period under the APMSA), (ii) a specified insolvency event in respect of any Obligor, (iii) a breach of the representations and warranties of the Buyer Parent with respect to the eligibility of the VFZ Accounts Receivable, which is not capable of remedy (or if such breach is capable of remedy, is not remedied within five Business Days of notice) (each such event in (i) to (iii), an “**Obligor Event of Default**”), or (iv) a specified insolvency event in respect of the Platform Provider. Accordingly, on each Assignment Date (as defined in “*General Description of VodafoneZiggo’s Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes*”), an assignment by the Platform Provider to the Issuer of a VFZ Account Receivable pursuant to the Framework Assignment Agreement will take place by way of an equitable assignment.

Under the terms of the Framework Assignment Agreement (see “*Summary of Principal Documents—Framework Assignment Agreement*” for a summary of the principal terms of the Framework Assignment Agreement), the Platform Provider will represent and warrant, immediately prior to each Assignment Date, *inter alia*, that it is entitled to assign the relevant Payment Obligations pursuant to the terms of the Framework Assignment Agreement, and that it has not assigned, transferred or otherwise disposed of, or created any encumbrance or security interest over, such VFZ Accounts Receivable. Furthermore, the Buyer Parent will also represent and warrant, pursuant to the terms of the Framework Assignment Agreement on each Assignment Date, *inter alia*, that the VFZ Accounts Receivable are capable of being freely and validly transferred in the manner provided by the Framework Assignment Agreement so that on purchase the Issuer will receive good title, and that the VFZ Accounts Receivable are due and payable in full without any right of set-off, counterclaim or deduction in favour of the Buyer Entities.

Notwithstanding the representations and warranties provided by the Buyer Parent and the Platform Provider, until an Obligor Enforcement Notification is given to the Obligors and the assignment is otherwise elevated to a full legal assignment in accordance with the terms of the Framework Assignment Agreement, the Issuer would not take priority over any interest of a later encumbrancer or transferee of the legal title to the Platform Provider’s rights who had no notice of the transfer to the Issuer. This may materially and adversely affect the Issuer’s ability to make payments under the Notes.

Commingling of amounts due to the Issuer in the SCF Bank Account may delay or reduce payments on the Notes

Until an Obligor Enforcement Notification is given to the Obligors, each Obligor will discharge its payment obligations under the Assigned Receivables by making payment to the Platform Provider’s SCF Bank Account.

The APMSA provides that any of the Obligors or Buyer Entities (or the Buyer Parent and/or LGC on its behalf) may upload an Electronic Data File containing details of a Receivable of an approved supplier onto the SCF Platform. At the time the Platform Provider makes payment in respect of an “approved” Receivable, a Payment Obligation, whereby an independent and primary obligation by VodafoneZiggo and the Obligors (jointly and severally) to make payment or cause payment to be made in respect of such approved Receivable, will arise in respect of such approved Receivable. Prior to the service of an Obligor Enforcement Notification, such payments will be made by the Obligors to the Platform Provider’s SCF Bank Account to satisfy the Payment Obligation comprising an Assigned Receivable on the relevant Confirmed Payment Date; the Obligors will also make payments to the SCF Bank Account to satisfy Payment Obligations owing to other Relevant Recipients (who are not the Issuer) participating in the SCF Platform. In turn, the Platform Provider will act as collection agent for the Issuer pursuant to the terms of the Framework Assignment Agreement, and has agreed to pay each amount received in respect of an Assigned Receivable into the relevant Issuer Transaction Account (although the Platform Provider may validly retain and reinvest certain amounts on the Issuer’s behalf; see “General Description of VodafoneZiggo’s Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes”) and to notify the Issuer as soon as reasonably practicable if all or any part of an Assigned Receivable is not paid in full on the date such payment was due (taking into account any applicable grace period under the APMSA).

Therefore, any amounts that are paid by the Obligors into the SCF Bank Account in connection with the settlement of Assigned Receivables are at risk of being commingled with other funds paid by the Obligors into the same account in connection with the settlement of Payment Obligations owing to other Relevant Recipients. If cash collected upon the settlement of Assigned Receivables and due to the Issuer is commingled with other funds (including funds due to other Relevant Recipients) in the SCF Bank Account, it may not be traceable, such that upon the insolvency of any of the Obligors, it may be impossible to separate the amounts due to the Issuer from amounts due to other creditors of the Obligors (including other Relevant Recipients). If there is a shortfall in the amounts necessary to satisfy the claims of all creditors in such an event, this may reduce amounts available to pay Noteholders.

Reliance on the Platform Provider acting as paying agent for the Obligors and as collection agent for the Issuer under the APMSA and the Framework Assignment Agreement may lead to a loss on the Notes

Pursuant to the terms of the APMSA the Obligors authorize the Platform Provider to act as paying agent with respect to transactions executed on the SCF Platform. On the Confirmed Payment Date for a VFZ Account Receivable, the Platform Provider will debit the SCF Bank Account for the amount collected from the relevant Obligor in connection with the settlement of such VFZ Account Receivable, and will forward such amounts to the Issuer or such other participating funding provider that purchased the VFZ Account Receivable.

The Platform Provider, acting as paying agent for the Obligors pursuant to the APMSA and as collection agent for the Issuer under the Framework Assignment Agreement, must make payments to the Issuer net of any deduction or withholding required to be made from such payments by any law, regulation or practice, and the Issuer will bear the risk of such deduction or withholding. Moreover, save in the case of breach of contract, gross negligence or wilful misconduct, the Platform Provider is not: (a) responsible for any loss or liability arising out of its failure, owing to causes outside its control (such as, but not limited to, the imposition of foreign exchange restrictions or any act or omission of any Obligor) to remit to the Issuer any amount due to it under the Framework Assignment Agreement or any Assignment Framework Note; or (b) liable to remit to the Issuer any amount greater than the amount actually collected from an Obligor in connection with the settlement of an Assigned Receivable, notwithstanding the fact that such amount may be less than the Certified Amount due and payable. Additionally, where any amount is owed by an Obligor in respect of an Assigned Receivable, the Platform Provider is not obliged to pay any part of such amount to the Issuer until it has been able to establish to its satisfaction that it has actually received such amount from the Obligor. In connection therewith, the Platform Provider benefits from a clawback provision in the Framework Assignment Agreement which provides that, save for the Platform Provider’s gross negligence or wilful misconduct, if at any time (including after termination of the Framework Assignment Agreement) the Platform Provider pays an amount to the Issuer which the Platform Provider either did not actually receive or is required to return to the relevant Obligor or any third party by operation of mandatory rules of law, then the Issuer must, on demand, refund such amount to the Platform Provider, together with interest (if any) accrued thereon from the date which is five Business Days following the date of demand to the date of refund.

Any of the circumstances described above may result in a delay in payments to Noteholders under the Notes or permanent reduction in amounts available to pay Noteholders under the Notes.

Exposure to credit risk of the Platform Provider

As of the Issue Date, the Platform Provider pursuant to the terms of the Framework Assignment Agreement and the APMSA will be ING Bank N.V., an entity incorporated under the laws of the Netherlands with registered number 33031431 and acting through its office at Bijlmerplein 888, 1102 MG Amsterdam, the Netherlands, and which, in its ordinary course of business, provides wholesale banking services (including trade receivables finance products such as the SCF Platform through which it assigns Payment Obligations (and, where applicable, the related Receivables) to various participating funders, including the Issuer).

Pursuant to the Framework Assignment Agreement, the Issuer agrees to allow the Platform Provider to retain, on the Issuer's behalf (for a specified period), certain amounts which would otherwise be due to the Issuer. This arrangement provides the Platform Provider with additional liquidity to purchase, on the Issuer's behalf, further VFZ Accounts Receivable as and when they become available on the SCF Platform; it also enhances operational efficiency by minimizing unnecessary or redundant payment flows between the Issuer and the Platform Provider. In exchange, the Platform Provider agrees to pay interest on certain of these retained amounts, which accrues on a daily basis at the Reference Rate, for the period of retention. The Framework Assignment Agreement also permits the Platform Provider to hold certain other funds (which would otherwise be due to the Issuer) for a fixed period of time, without accruing interest, and such funds may or may not be applied for the Issuer's benefit towards further purchases of VFZ Accounts Receivable. For more information on the forms of liquidity provided by the Issuer to the Platform Provider to purchase VFZ Accounts Receivable on the Issuer's behalf under the Framework Assignment Agreement, see "*General Description of VodafoneZiggo's Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes*".

The Issuer will, therefore, be exposed to the credit risk related to the Platform Provider as counterparty to the Framework Assignment Agreement to the extent of the cash of the Issuer held by the Platform Provider. If the credit quality of the Platform Provider deteriorates, it may default on its obligation to make payments thereunder. In the event of the insolvency of the Platform Provider, the Issuer will be treated as a general creditor of the Platform Provider, and may not be able to recover any of its funds held thereby. Furthermore, there may be practical impediments or timing delays associated with enforcement of the Issuer's rights against the Platform Provider in the case of its insolvency. A failure by the Platform Provider to make payment when due to the Issuer of any relevant funds it holds, together with, if applicable, any interest accrued thereon, would reduce the funds available to the Issuer to perform its obligations, which could result in a reduction or delay in payments on the Notes.

In the event of a Ratings Trigger Event, the Issuer will deliver a notice of termination under the Framework Assignment Agreement, and will not be obliged to fund further purchases of VFZ Accounts Receivable (to the extent an Assignment Notice has not been served or deemed to have been served in respect thereof prior to the date of service of the notice of termination).

The short term, unsecured, unguaranteed and unsubordinated debt obligations of ING Bank N.V. are rated "F1+" by Fitch, "P-1" by Moody's and "A-1" by S&P. The long term, unsecured, unguaranteed and unsubordinated debt obligations of ING Bank N.V. are rated "A+" by Fitch, "Aa3" by Moody's and "A+" by S&P.

In the case of an SCF Platform Addition or an SCF Platform Replacement, which may be established without the consent of the Noteholders, a different entity may be appointed as Platform Provider and such appointment does not require the consent of the Noteholders. There can be no assurance on the level of exposure to the credit risk of such new or replacement Platform Provider.

The Framework Assignment Agreement may be terminated without the consent of the Issuer or the Noteholders

The Issuer depends on its rights under the Framework Assignment Agreement to access the SCF Platform and to purchase eligible VFZ Accounts Receivable, the repayment of which at a premium (in conjunction with certain payments from the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement) allows the Issuer to service its obligations under the Notes. Further, the Issuer has no control over how frequently the VFZ Accounts Receivables will be offered to it for purchase under the Framework Assignment Agreement, and there is no minimum number of Assignment Framework Notes or sale of VFZ Accounts Receivables under the Framework Assignment Agreement. Under its terms, the Framework Assignment Agreement and/or any Assignment Framework Note thereunder may be terminated by the Platform Provider, without the consent of the Issuer or the Noteholders, upon provision of 10 Business Days' prior written notice to the Issuer, *provided that*

the effective date of such termination shall not be earlier than the effective date of termination of the APMSA. The Platform Provider may also terminate the Framework Assignment Agreement and/or any Assignment Framework Note with immediate effect upon the occurrence of certain events, including a breach of material obligations of the Buyer Parent (subject to a 30 days grace period), a material breach of the representation and warranties of the Buyer Parent (subject to a 30 days grace period), or if a specified insolvency event has occurred in respect of the Buyer Parent. Termination of the Framework Assignment Agreement shall preclude the service of further Assignment Notices, thus preventing the Issuer from purchasing further VFZ Accounts Receivable, in which case the Issuer would be dependent upon (i) the repayment of any Assigned Receivables outstanding prior to such termination and (ii) payments from the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement to fund interest payments on the Notes. Upon repayment of any outstanding Assigned Receivables, funding of payments on the Notes would no longer benefit from the purchase and repayment of VFZ Accounts Receivable. In such case the Issuer would be entirely dependent upon payments by the New VFZ Facilities Borrower and VZ Financing I B.V. to which the Issuer is entitled under the New VFZ Facilities Agreement (including any Shortfall Payments) and Expenses Agreement, as applicable, to fund payments under the Notes. See “—*The Issuer is an unaffiliated special purpose financing company which will depend on payments in respect of the Assigned Receivables and under the Framework Assignment Agreement, the New VFZ Facilities Agreement and the Expenses Agreement to provide it with funds to meet its obligations under the Notes*” and “—*Limited recourse obligations*”.

Reliance on third parties

Each of the Notes Trustee, the Security Trustee and the Issuer is a party to arrangements with a number of other third parties that have agreed to perform certain services in relation to the VFZ Accounts Receivable and the New VFZ Facilities Agreement, as further described in “*Summary of Principal Documents—Agency and Account Bank Agreement*” included elsewhere in this Offering Circular. For example, the Administrator has agreed to provide certain portfolio administration and calculation services, the Account Bank has agreed to provide certain cash management services and the Paying Agent has agreed to provide payment services, in each case either itself or through its delegates, in respect of the VFZ Accounts Receivable and New VFZ Facilities Loans under the Agency and Account Bank Agreement. Each of the Notes Trustee, the Security Trustee and the Issuer will rely on the relevant third party or its delegate to exercise the rights and carry out the obligations under the Agency and Account Bank Agreement. In the event that any relevant third party or its delegate fails to perform its obligations under the respective agreement, the Notes may be adversely affected. For example, disruptions in the duties of the Administrator, which may be caused by the failure to appoint a successor or the failure of the Administrator to carry out its services, could lead to a loss on the Notes. Each of the Issuer and the Security Trustee may, from time to time, become subject to regulatory or other requirements that may require it to appoint additional third parties (or increase the level of responsibility of an existing third party) to provide relevant services and/or incur additional costs and expenses to enable it to comply with such regulatory requirements. The Issuer and the Security Trustee, as the case may be, could be in breach of regulatory requirements or otherwise adversely affected if they were unable to find a third party to provide the relevant services or perform them themselves. Moreover, such regulatory requirements may give rise to additional costs and expenses for the affected entity which would be payable prior to payments with respect to the Notes and thereby reduce amounts available to make such payments under the Notes.

Termination of the Administrator may cause disruptions in processes that could affect the timeliness of payments on the Notes

If the appointment of The Bank of New York Mellon, London Branch as Administrator is terminated under the terms of the Agency and Account Bank Agreement, it will be necessary for the Issuer to appoint a successor to undertake the obligations of the Administrator. See “*Summary of Principal Documents—Agency and Account Bank Agreement*” for a description of the circumstances in which termination of the Administrator may occur and the consequences of such termination. The transfer to a new Administrator may create disruptions in processes that could cause delays in the payments received by the Issuer and, ultimately, in payments due on the Notes.

Investment Company Act

Restrictions on Ownership of Notes and the Investment Company Act

The Issuer has not registered with the SEC as an investment company pursuant to the Investment Company Act, in reliance on the exception contained in Section 3(c)(7) of the Investment Company Act. Section 3(c)(7) of the Investment Company Act provides that an entity will not be within the statutory definition of “investment

company” so long as (a) such entity’s outstanding securities are beneficially owned by U.S. residents that are “qualified purchasers” at the time of acquisition of such securities and (b) such entity does not make, or propose to make, a public offering of its securities in the United States. In some cases persons who would not otherwise be deemed to be qualified purchasers can own securities of the entity, such as “knowledgeable employees” of the entity and certain transferees identified in Rules 3c-5 and 3c-6 under the Investment Company Act. In addition, resales of the Notes in a transaction exempt from the registration requirements under the U.S. Securities Act, as the case may be, are restricted as described under “*Transfer Restrictions*”.

No opinion or no-action position has been requested of the SEC with respect to the status of the Issuer as an investment company under the Investment Company Act. Because the Issuer will not be registered with the SEC as an investment company, investors in the Issuer will not be afforded the protections of the 1940 Act.

If the SEC or a court of competent jurisdiction were to find that the Issuer is required, but in violation of the Investment Company Act, had failed, to register as an investment company, possible consequences include, but are not limited to, the following: (i) the SEC could apply to a district court to enjoin the violation; (ii) investors in the Issuer could sue the Issuer and recover any damages caused by the violation of the registration requirement of the Investment Company Act; and (iii) any contract to which the Issuer is party that is made in violation of the Investment Company Act or whose performance involves such violation would be unenforceable by any party to the contract unless a court were to find that under the circumstances enforcement would produce a more equitable result than non-enforcement and would not be inconsistent with the purposes of the Investment Company Act. In addition, such a finding would constitute an Issuer Event of Default under the Conditions. Should the Issuer be subjected to any or all of the foregoing, the Issuer would be materially and adversely affected.

If the Issuer determines that a purchaser of the Notes that is a U.S. person was not a Qualified Purchaser at the time of its acquisition of the Notes, the Issuer will have the right, at its option, to require such person to dispose of its Notes to a person or entity that is qualified to hold the Notes immediately upon receipt of a notice from the Issuer that the relevant purchaser was not a Qualified Purchaser.

Risks Relating to Our Financial Profile

Our substantial leverage could adversely affect our business, financial condition and results of operations and prevent us from fulfilling our obligations under the Notes.

We have a substantial amount of indebtedness. As of 30 September 2020 the total principal amount of third-party borrowings of VodafoneZiggo was €10.8 billion (equivalent) (which includes finance lease obligations). As of September 30 2020 we also had €800.0 million available to draw under the Revolving Credit Facility (which represents the entire amount available thereunder).

We may incur substantial additional debt in the future. Although the Existing Credit Facility, and the indentures governing the Existing Notes will and/or do contain restrictions on the incurrence of additional indebtedness, these restrictions are subject to a number of significant qualifications and exceptions, and under certain circumstances the amount of indebtedness that could be incurred in compliance with these restrictions could be substantial. If new debt is added to our and our subsidiaries’ existing debt levels, the related risks that we now face would increase. In addition, the aforementioned indentures and the Existing Credit Facility will not prevent us from incurring obligations that do not constitute indebtedness under those agreements. Our indebtedness, as defined in the aforementioned arrangements, is not affected by the adoption of ASU No. 2016-02, Leases (ASU 2016-02), as of 1 January 2019. By adopting this ASU 2016-02 we will recognize substantial lease liabilities and substantial right-of-use assets.

Further, the indentures governing the Existing Notes and the Existing Credit Facility each allow us, in certain circumstances, to make dividend payments and to make other distributions under the applicable covenants thereunder limiting restricted payments or to make minority investments or investments in joint ventures. See the discussions under the heading “*Description of Other Indebtedness*” for further information about our substantial debt.

Any of these or other consequences or events could have a material adverse effect on our ability to satisfy our debt obligations, and in turn, the Issuer’s ability to satisfy its obligations under the Notes offered hereby.

In addition, the Existing Credit Facility and the indentures governing the Existing Notes contain financial and other restrictive covenants that will limit our ability to engage in activities that may be in our long term best

interests, including, among other things, borrowing additional funds. These restrictions are subject to significant exceptions. Our failure to comply with such covenants could result in an event of default under the Existing Credit Facility and/or the Existing Notes, which, if not cured or waived, could result in the acceleration of all our debts or have a similar material adverse effect on us.

We may incur substantial additional debt in the future, including in connection with any future acquisition. In connection with our financial strategy, we continually evaluate different financing alternatives, and we may decide to enter into new credit facilities, or incur other indebtedness from time to time, including during the period following the consummation of this offering. If we incur new debt in addition to our current debt, the related risks that we now face, as described above and elsewhere in these “*Risk Factors*”, could intensify.

Our substantial leverage could limit our ability to obtain additional financing and have other adverse effects.

We seek to maintain our debt at levels that provide for attractive equity returns without assuming undue risk. In this regard, we generally seek to maintain our debt at levels that result in a consolidated debt balance that is less than 5.0 times our Covenant EBITDA (as defined herein and Note 11 of the 2019 Annual Report). At 30 September 2020, the principal amount of our total third-party outstanding debt and finance lease obligations was €10.8 billion (equivalent). We believe that we have sufficient resources to repay or refinance the current portion of our debt and finance lease obligations and to fund our foreseeable liquidity requirements during the next 12 months. However, as our debt maturities grow in later years, we anticipate that we will seek to refinance or otherwise extend our debt maturities. No assurance can be given that we will be able to refinance or otherwise extend our debt maturities in light of the current market conditions. In this regard, it is not possible to predict how economic conditions, sovereign debt concerns and/or any adverse regulatory developments could impact the credit markets we access and, accordingly, our future liquidity and financial position.

Our ability to service or refinance our debt and to maintain compliance with our leverage covenants is dependent primarily on our ability to maintain or increase our Covenant EBITDA and to achieve adequate returns on our capital expenditures and acquisitions. Accordingly, if our Covenant EBITDA declines or we encounter other material liquidity requirements, we may be required to seek additional debt financing in order to meet our debt obligations and other liquidity requirements as they come due. In addition, our current debt levels may limit our ability to incur additional debt financing to fund capital expenditures, working capital needs, acquisitions, or other general corporate requirements. We can give no assurance that any additional debt financing will be available on terms that are as favourable as the terms of our existing debt or at all.

We may incur additional indebtedness prior to, or within a short time period following, the Issue Date of the Notes, which indebtedness could increase our leverage and may have terms that are more or less favourable than the terms of the Notes and our other existing indebtedness.

We may incur substantial additional indebtedness, including to refinance our existing indebtedness, to fund any future acquisition or for general corporate purposes, which may include loans, distributions or other payments to our direct or indirect shareholders or share buybacks. Such additional indebtedness may include the incurrence of Further Notes issued by the Issuer under the Trust Deed and the upsizing of VodafoneZiggo’s existing indebtedness. In connection with our financial strategy, we continually evaluate different financing alternatives, and may decide to enter into new credit facilities, access the debt capital markets (including through an additional term loan facility or the entry into additional financing arrangements, funded with the proceeds of notes issued by the Issuer or another financing company) or incur other indebtedness from time to time, including following the consummation of this offering and prior to, or within a short time period following, the Issue Date of the Notes. Any such offering or incurrence of debt will be made at our election, and if such debt is in the form of securities (including Further Notes under the Trust Deed), would be offered and sold pursuant to, and on the terms described in, a separate offering circular. The interest rate with respect to any such additional indebtedness will be set at the time of the pricing or incurrence of such indebtedness and, to the extent the interest rate is greater than the interest rate applicable to any indebtedness that is refinanced, or to the extent of any incremental indebtedness, such offering or incurrence would be expected to increase our cash interest expense on a pro forma basis. In addition, the maturity date of any such additional indebtedness will be set at the time of pricing of such incurrence or offering and may be earlier or later than the maturity date of the Notes. The other terms of such additional debt would be as agreed with the relevant lenders or holders thereof and could be more or less favourable than the terms of the Notes or our other existing indebtedness. There can be no assurance that we will elect to raise any such additional debt or that any effort to raise such debt will be successful, and there can be no assurance as to the timing of such offering or incurrence, the amount or terms of any such additional debt. If we incur new debt in addition to its current debt, the related risks that we now face, even in a refinancing transaction, as described above and elsewhere in these “*Risk Factors*”, could intensify.

We may not be able to generate sufficient cash to meet our debt service obligations.

Our ability to make interest payments on the Existing Notes and to meet our other debt service obligations, including under the Existing Credit Facility, and the Existing Notes, or to refinance our debt, depends on our future operating and financial performance, which will be affected by our ability to successfully implement our business strategy as well as general economic, financial, competitive, regulatory and other factors beyond our control. If we cannot generate sufficient cash to meet our debt service requirements, we may, among other things, need to refinance all or a portion of our debt, obtain additional financing, delay planned capital expenditures or investments or sell material assets.

If we are not able to refinance any of our debt, obtain additional financing or sell assets on commercially reasonable terms or at all, we may not be able to satisfy our debt obligations under the Existing Notes. In that event, borrowings under other debt agreements or instruments that contain cross default or cross acceleration provisions may become payable on demand, and we may not have sufficient funds to repay all of our debts. See “*Description of Other Indebtedness*”.

We are subject to debt covenants that could adversely affect our ability to finance our future operations and capital needs and to pursue business opportunities and activities.

The indentures governing the Existing Notes, and other agreements governing our indebtedness (including the Existing Credit Facility) contain covenants that significantly restrict our ability to, among other things:

- incur or guarantee additional debt or issue certain preferred stock;
- pay dividends, redeem capital stock and make certain investments;
- make certain other restricted payments;
- create or permit to exist certain liens;
- impose restrictions on the ability of our subsidiaries to pay dividends or make other payments to us;
- transfer, lease or sell certain assets including subsidiary stock;
- merge or consolidate with other entities;
- enter into certain transactions with affiliates;
- enter into unrelated businesses; and
- impair the security interests for the benefit of the holders of the Existing Notes.

All of these limitations are subject to significant exceptions and qualifications, including the ability to pay dividends, make investments or to make significant prepayments of related-party debt. However, these covenants could limit our ability to finance our future operations and capital needs and our ability to pursue business opportunities and activities that may be in our interest.

In addition to limiting our flexibility in operating our business, the breach of any covenants or obligations under the agreements governing our debt may result in a default under the applicable debt agreement and could trigger acceleration of the related debt. Such a default or acceleration could in turn trigger defaults under other agreements governing our debt. A default under the agreements governing our other debt could materially adversely affect our growth, our financial condition and results of operations and result in us not having sufficient assets to fulfil the obligations under the relevant series of Existing Notes. See “*Description of Other Indebtedness*”.

We are exposed to interest rate risks. Shifts in such rates may adversely affect our debt service obligations.

We are exposed to the risk of fluctuations in interest rates, primarily under the Existing Credit Facility, which are indexed to EURIBOR and LIBOR rates. Although we enter into various derivative transactions to manage exposure to movements in interest rates, there can be no assurance that we will be able to continue to do so at a reasonable cost or at all. If we are unable to effectively manage our interest rate exposure through derivative transactions, any increase in market interest rates would increase our interest rate exposure and debt service obligations, which would exacerbate the risks associated with our leveraged capital structure.

In July 2017, the U.K. Financial Conduct Authority (the authority that regulates LIBOR) announced that it intends to stop compelling banks to submit rates for the calculation of LIBOR after 2021. Currently, it is not

possible to predict the exact transitional arrangements for calculating applicable reference rates that may be made in the U.K., the U.S., the Eurozone or elsewhere given that a number of outcomes are possible, including the cessation of the publication of one or more reference rates. Our loan documents contain provisions that contemplate alternative calculations of the base rate applicable to our LIBOR-indexed debt to the extent LIBOR is not available, which alternative calculations we do not anticipate will be materially different from what would have been calculated under LIBOR. Additionally, no mandatory prepayment or redemption provisions would be triggered under our loan documents in the event that the LIBOR rate is not available. It is possible, however, that any new reference rate that applies to our LIBOR-indexed debt could be different than any new reference rate that applies to our LIBOR-indexed derivative instruments. We anticipate managing this difference and any resulting increased variable-rate exposure through modifications to our debt and/or derivative instruments, however future market conditions may not allow immediate implementation of desired modifications and/or the company may incur significant associated costs.

We are exposed to various foreign currency exchange rate risks.

The functional currency of our operations is the euro. Accordingly, we are exposed to foreign currency exchange risk with respect to our dollar denominated debt, which includes Term Loan Facility I (as defined in “Description of Other Indebtedness of VodafoneZiggo—Existing Credit Facility”), the 2027 Dollar Senior Secured Notes, the 2027 Senior Notes, the 2030 Dollar Senior Secured Notes and the 2030 Dollar Senior Notes. Although we generally seek to match the denomination of our borrowings, and the borrowings of our subsidiaries, with the euro, market conditions or other factors may cause us to enter into borrowing arrangements that are not denominated in the euro. With respect to Term Loan Facility I, the 2027 Dollar Senior Secured Notes and the 2027 Senior Notes, we have entered into currency swaps to synthetically convert the interest and principal payments due under the Term Loan Facility I, 2027 Dollar Senior Secured Notes and the 2027 Senior Notes into euro for a period up until the respective maturity date of the Term Loan Facility I, 2027 Dollar Senior Secured Notes and the 2027 Senior Notes.

Disruptions in the credit and equity markets could increase the risk of default by the counterparties to our derivative and other financial instruments, undrawn debt facilities and cash investments and may impact our future financial position.

Although we seek to manage the credit risks associated with our derivative and other financial instruments, cash investments and undrawn debt facilities, we are exposed to the risk that our counterparties could default on their obligations to us. While we regularly review our credit exposures and currently have no specific concerns about the creditworthiness of any counterparty for which we have material credit risk exposures, we cannot rule out the possibility that one or more of our counterparties could fail or otherwise be unable to meet its obligations to us. Any such instance of default or failure could have an adverse effect on our cash flows, results of operations, financial condition and/or liquidity. In this regard, (1) we may incur losses to the extent that we are unable to recover debts owed to us, including cash deposited and the value of financial losses, (2) we may incur significant costs to recover amounts owed to us, and such recovery may take a long period of time or may not be possible at all, (3) our derivative liabilities may be accelerated by the default of our counterparty, (4) we may be exposed to financial risks as a result of the termination of affected derivative contracts, and it may be costly or impossible to replace such contracts or otherwise mitigate such risks, (5) amounts available under committed credit facilities may be reduced and (6) disruption to the credit markets could adversely impact our ability to access debt financing on favourable terms, or at all. At 30 September 2020, our exposure to counterparty credit risk included (1) derivative assets with an aggregate fair value of €11.1 million, (2) cash and cash equivalent and restricted cash balances of €183.6 million and (3) aggregate undrawn debt facilities of €800.0 million.

Furthermore, under our derivative contracts, it is generally only the non-defaulting party that has a contractual option to exercise early termination rights upon the default of the other counterparty and to set off other liabilities against sums due upon such termination. However, in an insolvency of a derivative counterparty, under the laws of certain jurisdictions, the defaulting counterparty or its insolvency representatives may be able to compel the termination of one or more derivative contracts and trigger early termination payment liabilities payable by us, reflecting any mark-to-market value of the contracts for the counterparty. Alternatively, or in addition, the insolvency laws of certain jurisdictions may require the mandatory set off of amounts due under such derivative contracts against present and future liabilities owed to us under other contracts between us and the relevant counterparty. Accordingly, it is possible that we may be subject to obligations to make payments, or may have present or future liabilities owed to us partially or fully discharged by set off as a result of such obligations, in the event of the insolvency of a derivative counterparty, even though it is the counterparty that is in default and not us. To the extent that we are required to make such payments, our ability to do so will depend

on our liquidity and capital resources at the time. In an insolvency of a defaulting counterparty, we will be an unsecured creditor in respect of any amount owed to us by the defaulting counterparty, except to the extent of the value of any collateral we have obtained from that counterparty. Furthermore, the underlying risks that are the subject of the relevant derivative contracts would no longer be effectively hedged due to the insolvency of our counterparty, unless and until we novate or replace the derivative contract.

In addition, where a counterparty is in financial difficulty, under the laws of certain jurisdictions, the relevant regulators may be able to (i) compel the termination of one or more derivative instruments, determine the settlement amount and/or compel, without any payment, the partial or full discharge of liabilities arising from such early termination that are payable by the relevant counterparty or (ii) transfer the derivative instruments to an alternative counterparty. However, no assurance can be given that the relevant regulators would in fact do so or that such actions would not result in substantial costs to us.

Risks Relating to Our Industry and Our Business

We operate in increasingly competitive markets, and there is a risk that we will not be able to effectively compete with other service providers.

The Netherlands market for video, broadband internet, fixed-line telephony and mobile services is highly competitive and rapidly evolving. Technological advances and product innovations have increased and are likely to continue to increase giving customers several options for the provision of their telecommunications services. Our customers want access to high quality telecommunication services that allow for seamless connectivity. Accordingly, our ability to offer converged services (video, internet, fixed telephone and mobile) is a key component of our strategy. We compete with companies that provide fixed-mobile convergence bundles, as well as companies that are established in one or more communication products and services. Consequently, our business faces significant competition.

For all our services, we compete with the provision of similar services from operator Koninklijke KPN N.V. (“**KPN**”), Tele2 Netherlands Holding B.V. (“**Tele2**” as of January 2019 merged with T-Mobile), T-Mobile Netherlands B.V. (“**T-Mobile**”) and smaller parties. KPN and other competitors using KPN’s fixed network offer (i) internet protocol television (“**IPTV**”) over fiber optic lines where the fiber is to the home, cabinet, or building or to the node networks (fiber-to-the-home/-cabinet/-building/-node is referred to herein as “**FTTx**”) networks and through broadband internet connections using DSL or very high-speed DSL technology (“**VDSL**”), KPN’s network also offers several enhancements to VDSL, such as “vectoring” and “pair bonding”, and (ii) digital terrestrial television (“**DTT**”). Where KPN has enhanced its VDSL system, it allows for offers of broadband internet with download speeds of up to 150 Mbps and on its FTTx networks, it allows for download speeds of up to 500 Mbps. The ability of competitors to offer a bundled triple-play of video, broadband internet and telephony services and fixed-mobile convergence services, creates significant competitive pressure on our operations, including the pricing and bundling of our video products. The video services of competitors include many of the interactive features we offer our subscribers (e.g. KPN introduced a new set-top box that is capable of 4K TV that is expected to enhance the video experience for its customers). Portions of our network have been overbuilt by KPN’s and other providers’ FTTx networks and expansion of these networks is expected to continue.

We also experience competition from (i) direct-to-home satellite (“**DTH**”) service providers, such as Canal Digital, a subsidiary of M7 Group S.A., (ii) OTT video content aggregators utilizing our or our competitors’ high-speed internet connections, and (iii) movie theatres, video websites and home video products. In addition, we compete to varying degrees with other sources of information and entertainment, such as online entertainment, newspapers, magazines, books, live entertainment/ concerts and sporting events. Free-to-air television is not a significant competitive factor because the Netherlands is predominately a pay television market.

We compete with KPN and T-Mobile (Tele2 as of January 2019 merged with T-Mobile) in the mobile market, offering 2G, 3G and 4G services, where pressure on market price continues, characterized by aggressive promotional campaigns, heavy marketing spend and increasing (data) bundles. Furthermore, there is increasing competition from MVNOs, some of which focus on niche segments. While in the business market, we see growing customer requirements to provide unified communication solutions with a focus on employee mobility, seamless fixed and mobile transition and digital workspace.

Connectivity Services in the high end business market are also offered by competitors like Eurofiber (nationwide fiber access services) and international service providers like British Telecom, Colt, etc.

In the business segment we also compete with service providers offering ‘value added services’, mostly in OTT service models based on Hosted Cloud technologies. These can be both local providers with nationwide coverage and international cloud hosting providers like Microsoft, Amazon Web Services and IBM.

Changes in market share are driven primarily by the combination of price and quality of services provided. To improve our competitive position, we continuously monitor and update our portfolios.

We offer attractive bundle options, plus fixed-mobile convergence options, allowing our subscribers the ability to select various combinations of services to meet their needs. Our competitive strategy with respect to our services includes:

- Video services: We include MediaBox XL, MediaBox Next, Replay TV and Movies & Series in our extended digital video tier offers. Ziggo GO is also available, providing subscribers the ability to watch linear and VoD programming through a second or third screen application on smart phones, tablets and laptops and to record programs remotely. We introduced MediaBox Next in March 2019, which provides a new 4K next-generation TV entertainment platform to subscribers. In addition, we continue to improve the quality of our programming and modify our video options by offering attractive content packages.
- Mobile services: We offer a wide range of 2G, 3G and 4G mobile services and are expanding our Community WiFi network. We also continue to invest in our mobile network to improve the availability and quality of our services.
- Broadband internet services: We promote our speeds of up to 500 Mbps in the consumer market (600Mbps at B2B) and we seek to increase the maximum speed of our connections by fully utilizing the technical capabilities of EURO DOCSIS 3.0 and DOCSIS 3.1 technologies of our cable system. We expect the internet speeds on our network will continue to increase with the deployment of our next generation gateways in our cable networks.
- Fixed-line telephony services: We position our services as “anytime” and “anywhere” and offer a variety of innovative calling plans to meet the needs of our customers, such as national or international calling, unlimited off-peak calling and minute packages, including calls to fixed and mobile phones.

We expect the level and intensity of competition to continue to increase from both existing competitors and new market entrants as a result of changes in the Dutch and European regulatory framework of the industries in which we operate, advances in technology, the influx of new market entrants and strategic alliances and cooperative relationships among industry participants. Increased competition could result in increased customer churn, reductions of customer acquisition rates for some products and services and significant price competition. In combination with difficult economic environments, these competitive pressures could adversely impact our ability to increase or, in certain cases, maintain the revenue, ARPU, RGUs, Adjusted EBITDA and liquidity of our operations.

Our business is concentrated in the Netherlands.

We operate exclusively in the Dutch market and our success is therefore closely tied to general economic developments in the Netherlands and cannot be offset by developments in other markets. Negative developments in the Dutch economy, in particular with elevated levels of unemployment and a housing market which is still in recovery coupled with negative developments arising from the ongoing struggles in Europe relating to sovereign debt issues, may have a direct adverse impact on the spending patterns of retail consumers, both in terms of the products they subscribe for and usage levels. Unfavourable economic conditions may impact a significant number of our current and potential subscribers and, as a result, it may be (i) more difficult to attract new subscribers, (ii) more likely that subscribers will downgrade or disconnect their services and (iii) more difficult to maintain our existing ARPU level. Accordingly, our ability to increase or maintain our revenue, ARPU, RGUs and Adjusted EBITDA, as the case may be, Adjusted EBITDA and liquidity could be adversely affected if the economic environment remains uncertain or declines further. Negative changes in demand as a result of a declining economic environment could have a material adverse effect on our revenue and Adjusted EBITDA.

Our property and equipment additions may not generate a positive return.

The television, broadband internet, fixed-telephony and mobile communications businesses in which we operate are capital intensive. Significant additions to our property and equipment are required to add customers to our networks and to upgrade our broadband communications networks and CPE to enhance our service offerings and improve the customer experience. Such expansion and improvements require significant capital

expenditures for equipment and associated labour costs. Significant competition, the introduction of new technologies, the expansion of existing technologies, such as FTTx and advanced DSL, or adverse regulatory developments could cause us to decide to undertake previously unplanned upgrades of our networks and CPE. In addition, no assurance can be given that any future upgrades will generate a positive return or that we will have adequate capital available to finance such future upgrades. If we are unable to, or elect not to, pay for costs associated with adding new customers, expanding or upgrading our networks or making our other planned or unplanned additions to our property and equipment, our growth could be limited, and our competitive position could be harmed.

Adverse economic developments could reduce customer spending for our cable television, broadband, fixed-line telephony and mobile services and increase churn.

Customer churn is a measure of the number of customers who stop subscribing for one or more of our products or services. Churn arises mainly as a result of competitive influences, relocation of subscribers, deterioration of personal financial circumstances and price increases. In addition, our customer churn rate may also increase if we are unable to deliver satisfactory services. For example, any interruption or unavailability of our services, which may not be under our control, could contribute to increased customer churn. Increased customer churn may have a material adverse effect on our business, financial condition and results of operation.

Most of our revenue is derived from customers who could be impacted by adverse economic developments globally, in Europe and in the Netherlands. Ongoing struggles in Europe related to sovereign debt issues, among other things, has contributed to a challenging economic environment. Accordingly, unfavourable economic conditions may impact a significant number of our customers and, as a result, it may be (i) more difficult for us to attract new customers, (ii) more likely that customers will downgrade or disconnect their services and (iii) more difficult for us to maintain ARPU at existing levels. The Netherlands may also seek new or increased revenue sources due to fiscal deficits. Such actions may further adversely affect our company. Accordingly, our ability to increase, or, in certain cases, maintain, our revenue, ARPUs, RGUs and Adjusted EBITDA, as the case may be, Adjusted EBITDA and liquidity could be materially adversely affected if the economic environment in Europe remains uncertain or declines (including as a result of the U.K.'s vote to leave the European Union). We are currently unable to predict the extent of any of these potential adverse effects. For a description of the risks associated with the U.K.'s vote to leave the European Union, see “—*The U.K.'s departure from the EU could have a material adverse effect on our business, financial condition, results of operations or liquidity.*”

Changes in technology may limit the competitiveness of and demand for our products and services.

Technology in the video, telecommunications and data services industries is changing rapidly, including advances in current technologies and the emergence of new technologies. New technologies, products and services may impact customer behaviour and therefore demand for our products and services. The ability to anticipate changes in technology and consumer tastes and to develop and introduce new and enhanced products on a timely basis will affect our ability to continue to grow, increase our revenue and number of subscribers and remain competitive. New products and services, once marketed, may not meet consumer expectations or demand, can be subject to delays in development and may fail to operate as intended. A lack of market acceptance of new products and services that we may offer, or the development of significant competitive products or services by others, could have a material adverse impact on our revenue and Adjusted EBITDA.

We depend almost exclusively on our relationships with third-party programming providers and broadcasters for programming content, and a failure to acquire a wide selection of popular programming on acceptable terms could adversely affect our business.

The success of our video subscription business depends, in large part, on our ability to provide a wide selection of popular programming to our subscribers. We generally do not produce our own content and we depend on our agreements, relationships and cooperation with public and private broadcasters and collective rights associations to obtain such content. If we fail to obtain a diverse array of popular programming for our pay television services, including a sufficient selection of high-definition channels, out-of-home rights and non-linear content (such as video-on-demand, Replay TV and digital video recorder capability), on satisfactory terms, we may not be able to offer a compelling video product to our customers at a price they are willing to pay. Additionally, we are frequently negotiating and renegotiating programming agreements and our annual costs for programming can vary. There can be no assurance that we will be able to renegotiate or renew the terms of our programming agreements on acceptable terms or at all. We expect that programming and copyright costs will continue to rise in future periods as a result of, among other factors, higher costs associated with the expansion of

our digital video content, including rights associated with ancillary product offerings and rights that provide for the broadcast of live sporting events, and retransmission or copyright fees payable to public broadcasters.

If we are unable to obtain or retain attractively priced competitive content, demand for our existing and future television services could decrease, thereby limiting our ability to attract new customers, maintain existing customers and/or migrate customers from lower tier programming to higher tier programming, thereby inhibiting our ability to execute our business plans. Furthermore, we may be placed at a competitive disadvantage if certain of our competitors obtain exclusive programming rights, particularly with respect to popular sports and movie programming. In addition, “must carry” requirements may consume channel capacity otherwise available for more attractive programming.

We depend on third-party suppliers and licensors to supply necessary equipment, software and certain services required for our businesses.

We rely on third-party vendors for the equipment, software and services that we require in order to provide services to our customers. Our suppliers often conduct business worldwide and their ability to meet our needs is subject to various risks, including political and economic instability, natural calamities, interruptions in transportation systems, terrorism and labour issues. In addition, further to geopolitical developments and security threats suppliers may be subject to investigations, possibly leading to restrictions in the use of their products. As a result, we may not be able to obtain the equipment, software and services required for our businesses on a timely basis or on satisfactory terms. Any shortfall in customer premises equipment could lead to delays in connecting customers to our services, and accordingly, could adversely impact our ability to maintain or increase our RGUs, revenue and cash flows. Also, if demand exceeds the suppliers’ and licensors’ capacity or if they experience financial difficulties, the ability of our businesses to provide some services may be materially adversely affected, which in turn could affect our businesses’ ability to attract and retain customers. Although we actively monitor the creditworthiness of our key third-party suppliers and licensors, the financial failure of a key third-party supplier or licensor could disrupt our operations and have an adverse impact on our revenue and cash flows. Additionally, we rely upon intellectual property that is owned or licensed by us to use various technologies, conduct our operations and sell our products and services. Legal challenges could be made against our use of our or our licensed intellectual property rights (such as trademarks, patents and trade secrets) and we may be required to enter into licensing arrangements on unfavourable terms, incur monetary damages or be enjoined from use of the intellectual property rights in question. Furthermore, VodafoneZiggo is partially dependent on KPN for the supply of fiber lines to provide fixed network services to its enterprise customers. KPN’s wholesale fiber services to businesses (“Fiber to the Office” or “FtO”) are no longer regulated by the ACM.

Failure in our technology or telecommunications systems or leakage of sensitive customer data could significantly disrupt our operations, which could reduce our customer base and result in lost revenue.

Our success depends, in part, on the continued and uninterrupted performance of our information technology and network systems, including internet sites, data hosting and processing facilities and other hardware, software and technical applications and platforms, as well as our customer service centres. Some of these are managed, hosted, provided or used by third-party service providers or their vendors, to assist in conducting our business. In addition, the hardware supporting a large number of critical systems for our cable network in a particular country or geographic region is housed in a relatively small number of locations. Our and our third-party service providers’ systems and equipment (including our routers and set-top boxes) are vulnerable to damage or security breach from a variety of sources, including telecommunications failures, power loss, malicious human acts, security flaws, and natural disasters. Moreover, despite security measures, our and our third-party service providers’ servers, systems and equipment are potentially vulnerable to physical or electronic break-ins, computer viruses, worms, phishing attacks and similar disruptive actions. We and our third party service providers may not be able to anticipate or respond in an adequate and timely manner to attempts to obtain authorized access to, disable or degrade our or our third party service providers’ systems because the techniques for doing so change frequently, are increasingly complex and sophisticated and are difficult to detect for periods of time. In addition, the security measures and procedures we and our third-party service providers have in place to protect sensitive consumer data and other information may not be sufficient to counter all data security breaches, cyber-attacks, or system failures. In some cases, mitigation efforts may depend on third parties who may not deliver products or services that meet the required contractual standards or whose hardware, software or network services may be subject to error, defect, delay, or outage.

Furthermore, our operating activities could be subject to risks caused by misappropriation, misuse, leakage, falsification or accidental release or loss of information maintained in our information technology systems and

networks and those of our third-party vendors, including customer, personnel and vendor data. As a result of the increasing awareness concerning the importance of safeguarding personal information, the potential misuse of such information and legislation that has been adopted or is being considered across all of our markets regarding the protection, privacy and security of personal information, information-related risks are increasing, particularly for businesses like ours that handle a large amount of personal customer data. Failure to comply with these data protection laws may result in, among other consequences, fines, litigation or regulatory actions.

Despite the precautions we have taken, unanticipated problems affecting our systems could cause business disruptions such as failures in our information technology systems, disruption in the transmission of signals over our networks or similar problems. Further, although we devote significant resources to our cybersecurity programs and have implemented security measures to protect our systems and data, and to prevent, detect and respond to data security incidents, there can be no assurance that our efforts will prevent these threats. Any disruptive situation that causes loss, misappropriation, misuse or leakage of data could damage our reputation and the credibility of our operations, and could subject us to potential liability, including litigation or other legal actions against us or the imposition of penalties, fines, fees or liabilities, which may not be covered by our insurance policies. Further, sustained or repeated system failures that interrupt our ability to provide service to our customers or otherwise meet our business obligations in a timely manner could adversely affect our reputation and result in a loss of customers and an adverse impact on revenue. Also, a cybersecurity breach could require us to devote significant management resources to address the problems associated with the breach and to expend significant additional resources to upgrade further the security measures we employ to protect personal information against cyber-attacks and other wrongful attempts to access such information, which could result in a disruption of our operations.

Unauthorized access to our network resulting in piracy could result in a loss of revenue.

We rely on the integrity of our technology to ensure that our services are provided only to identifiable paying customers. Increasingly sophisticated means of illicit piracy of television, broadband and telephony services are continually being developed in response to evolving technologies. Furthermore, billing and revenue generation for our pay television services rely on the proper functioning of our encryption systems. While we continue to invest in measures to manage unauthorized access to our networks, any such unauthorized access to our cable television service could result in a loss of revenue, and any failure to respond to security breaches could raise concerns under our agreements with content providers, all of which could have a material adverse effect on our business and results of operations.

Strikes, work stoppages and other industrial actions could disrupt our operations or make it more costly to operate our businesses

We are exposed to the risk of strikes, work stoppages and other industrial actions. In the future we may experience lengthy consultations with labour unions and works councils or strikes, work stoppages or other industrial actions. The Group's collective labour agreement entered into force as of 1 July 2018 and expired on 31 July 2019. As of the date of this Offering Circular, a new collective labour agreement has not yet been put in place. However, under Dutch law, the Group's collective labour agreement will have continued effect until a new collective labour agreement has been agreed upon with the unions. Strikes and other industrial actions, as well as the negotiation of new collective bargaining agreements or salary increases in the future, could disrupt our operations and make it more costly to operate our facilities. In addition, strikes called by employees of any of our key providers of materials or services could result in interruptions in the performance of our services. The occurrence of any of the above risks could have a material adverse effect on our business, financial condition and results of operations.

Our revenue has declined in recent periods and no assurance can be given that further declines will not occur in future periods.

Due in large part to the impacts of strong competition, VodafoneZiggo's revenue has declined by 2.0% from €3,974.5 million during the fiscal year ended 31 December 2017 (on a pro forma basis to give effect to the adoption of ASU 2014-09, *Revenue from Contracts with Customers*) to €3,895.4 million during the fiscal year ended 31 December 2018. To the extent that revenue declines occur in future periods, VodafoneZiggo will be challenged to reduce costs to offset any such revenue declines in order to maintain or grow Adjusted EBITDA. To the extent that revenue declines are not fully offset with synergies or other cost savings measures, Covenant EBITDA of VodafoneZiggo would decline, potentially resulting in a reduction of the borrowing capacity and, accordingly, financial flexibility. For additional information, see "Selected Consolidated Financial

and Operating Data of VodafoneZiggo” herein and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in the 2020 Quarterly Report and the 2019 Annual Report.

We may not be successful at entering new businesses or broadening the scope of our existing product and service offerings.

From time to time we may enter or have recently entered into new businesses that are adjacent or complementary to our existing businesses and that broaden the scope of our existing product and service offerings. We may not achieve our expected growth if we are not successful in these efforts. In addition, entering into new businesses and broadening the scope of our existing product and service offerings may require significant upfront expenditures that we may not be able to recoup in the future. These efforts may also divert management’s attention and expose us to new risks and regulations, which may have a material adverse effect on our business, results of operations and financial condition.

Changes in value-added or similar revenue based tax rates could adversely affect our cashflows.

Most of our revenue is derived from the Netherlands, which administer value-added or similar revenue-based taxes. Any increases in these taxes could have an adverse impact on our ability to maintain or increase our revenue to the extent that we are unable to pass such tax increases on to our customers. In the case of revenue-based taxes for which we are the ultimate taxpayer, we will also experience increases in our operating expenses and corresponding declines in our Adjusted EBITDA to the extent of any such tax increases. Any future increases in value-added tax rates or similar revenue based taxes could affect our operating expenses and have an adverse impact on our cash flows.

Adverse decisions of tax authorities or changes in tax treaties, laws, rules or interpretations could have a material adverse effect on our results of operations and cash flow.

The tax laws and regulations in the Netherlands may be subject to change and there may be changes in interpretation and enforcement of tax law. As a result, we may face increases in taxes payable if tax rates increase, or if tax laws and regulations are modified by the competent authorities in an adverse manner. In addition, the tax authorities in the Netherlands may disagree with the positions we have taken or intend to take regarding the tax treatment or characterization of any of our transactions, including the tax treatment or characterization of our indebtedness, including the Notes, existing and future intercompany loans and guarantees or the deduction of interest expenses. As a result, we may face increases in taxes payable if tax rates increase, or if tax laws and regulations are modified by the competent authorities in an adverse manner.

Further, the withholding tax treatment of interest paid to lenders based in the U.K. under any present or future loan could be negatively affected as a result of Brexit. See “—The U.K.’s departure from the EU could have a material adverse effect on our business, financial condition, results of operations or liquidity.”

We regularly assess the likelihood of such outcomes and have established tax allowances which represent management’s best estimate of the potential assessments. The resolution of any of these tax matters could differ from the amount reserved, which could have a material adverse effect on our cash flows, business, financial condition and results of operations for any affected reporting period.

We are exposed to sovereign debt and currency instability risks in Europe that could have an adverse impact on our liquidity, financial condition and cash flows.

Our operations are subject to macroeconomic and political risks that are outside of our control. For example, high levels of sovereign debt in the U.S. and certain European countries combined with weak growth and high unemployment, could lead to fiscal reforms (including austerity measures), sovereign debt restructurings, currency instability, increased counterparty credit risk, high levels of volatility, and potentially, disruptions in the credit and equity markets, as well as other outcomes that might adversely impact us. With regard to currency instability issues, concerns exist in the Eurozone with respect to individual macro-fundamentals on a country-by-country basis, as well as with respect to the overall stability of the European monetary union and the suitability of a single currency to appropriately deal with specific fiscal management and sovereign debt issues in individual Eurozone countries. Further, the United Kingdom held a referendum on 23 June 2016, to determine whether the United Kingdom should leave the European Union or remain as a member state, and the outcome of that referendum was in favour of leaving the European Union (“Brexit”). It is possible that members of the European monetary union could hold a similar referendum regarding their membership within the Eurozone in the future. The realization of these concerns could lead to the exit of one or more countries from the European

monetary union and the re-introduction of individual currencies in these countries, or, in more extreme circumstances, the possible dissolution of the euro entirely, which could result in the redenomination of a portion, or in the extreme case, all of our euro-denominated assets, liabilities and cash flows to the new currency of the country in which they originated. This could result in a mismatch in the currencies of our assets, liabilities and cash flows. Any such mismatch, together with the capital market disruption that would likely accompany any such redenomination event, could have a material adverse impact on our liquidity and financial condition. Furthermore, any redenomination event would likely be accompanied by significant economic dislocation, particularly within the Eurozone countries, which in turn could have an adverse impact on demand for our products, and accordingly, on our revenue and cash flows. Moreover, any changes from euro to non-euro currencies in the Netherlands would require us to modify our billing and other financial systems. No assurance can be given that any required modifications could be made within a timeframe that would allow us to timely bill our customers or prepare and file required financial reports. In light of the significant exposure that we have to the euro through our euro-denominated borrowings, derivative instruments, cash balances and cash flows, a redenomination event could have a material adverse impact on us.

The U.K.’s departure from the EU could have a material adverse effect on our business, financial condition, results of operations or liquidity.

On 23 June 2016, the U.K. held a referendum in which voters approved, on an advisory basis, an exit from the EU, commonly referred to as “Brexit”. The U.K. formally exited the EU on 31 January 2020 and entered into a transition period until 31 December 2020 (the “**Transition Period**”), during which the U.K. and the EU are negotiating to formalize the future U.K.-EU relationship with respect to a number of matters, most notably, trade. Although the U.K. has ceased to be an EU member, during the Transition Period their trading relationship will remain the same and the U.K. will continue to follow the EU’s rules, such as accepting rulings from the European Court of Justice, and the U.K. will continue to contribute to the EU’s budget. Uncertainty remains as to what specific terms of separation may be agreed during the Transition Period. It is possible that the U.K. will fail to agree to specific separation terms with the EU by the end of the Transition Period, which, absent extension, may require the U.K. to leave the EU under a so-called “hard Brexit” or “no-deal Brexit” without specific agreements on trade, finance and other key elements. The foregoing has caused uncertainty as to Brexit’s impact on the free movement of goods, services, people and capital between the U.K. and the EU, customer behaviour, economic conditions, interest rates, currency exchange rates, and availability of capital. Examples of the potential impact Brexit could have on our business, financial condition or results of operations include:

- changes in foreign currency exchange rates and disruptions in the capital markets;
- reduction in data roaming revenues;
- shortages of labour necessary to conduct our business, including our Network Extension;
- disruption to our supply chain and related increased cost of supplies (both in relation to devices and handsets, and network maintenance);
- a weakened U.K. economy resulting in decreased consumer demand for our products and services;
- legal uncertainty and potentially divergent national laws and regulations as the U.K. determines which EU laws and directives to replace or replicate, or where previously implemented by enactment of U.K. laws or regulations, to retain, amend or repeal; and
- various geopolitical forces may impact the global economy and our business, including, for example, other EU member states proposing referendums to, or electing to, exit the EU.

Risks Relating to Legislative and Regulatory Matters

We are subject to significant government regulation and supervision, which may increase our costs and otherwise adversely affect our business, and further changes could also adversely affect our business.

Video distribution, broadband internet, fixed-line telephony, mobile and content businesses are subject to significant regulation and supervision by various regulatory bodies in the Netherlands, including Dutch and European Union authorities. Adverse regulatory developments could subject our businesses to a number of risks. Regulation, including conditions imposed on us by competition or other authorities as a requirement to close acquisitions or dispositions, could limit growth, revenue and the number and types of services offered and could lead to increased operating costs and property and equipment additions. In addition, regulation may restrict our operations and subject them to further competitive pressure, including pricing restrictions, interconnect and other access obligations, and restrictions or controls on content, including content provided by third parties. Failure to comply with current or future regulation could expose our businesses to various penalties.

The video distribution, broadband internet, fixed-line telephony and mobile businesses are regulated at the E.U. level. In the Netherlands, these regulations are implemented through the Telecommunicatiewet (the Dutch Telecommunications Act, “DTA”) and the Mediawet (the Dutch Media Act, “DMA”) and related legislation and regulations. The Authority for Consumers and Markets (“ACM”, *Autoriteit Consument & Markt*), in which the former Independent Post and Telecommunications Authority (*Onafhankelijke Post en Telecommunicatie Autoriteit*) has been integrated, and the Dutch Radiocommunications Agency (*Agentschap Telecom*) supervise and enforce compliance with certain parts of the DTA. Pursuant to the DTA, the ACM is designated as a National Regulatory Authority. The Dutch Media Authority (*Commissariaat voor de Media*) is authorized to enforce compliance with the DMA.

Complying with existing regulations is burdensome, and future changes may increase our operational and administrative expenses and limit our revenues, which in turn could have a material adverse effect on our business, financial condition and results of operations. Recent regulatory developments include ACM rendering its final decision on 28 September 2018 in its Local Loop Unbundling market analysis (currently referred to as Wholesale Fixed Access (WFA)) in which it aims to impose inter alia an obligation on us to offer wholesale cable access to competitors in the Netherlands. We have appealed ACM’s decision and we expect a verdict before the end of 2019. The Dutch Government has begun to re-auction mobile spectrum licenses in the 700, 1400 and 2100 MHz bands in June 2020, which is relevant for our ability to secure sufficient and required spectrum for our mobile service offerings. The Dutch Government submitted a legislative proposal (*Wet Melding Ongewenste Zeggenschap Telecom*, “WOZT”) to Parliament on 5 March. This proposal introduces measures for the Minister to act against undesired control in the telecom sector and is aimed at protecting the public interest. The implementation of the European Electronic Communications Code (“EECC”) will also amend the DTA and will update and introduce regulation that will impact various aspects of our business, for instance spectrum regulation, symmetrical access and end-users rights. This new telecom code will enter into force 21 December 2020. Regulatory requirements in relation to the markets in which we operate and other regulatory risks are further described in the section entitled “Regulatory” in the 2019 Annual Report.

Risks Relating to Our Management, Principal Shareholders and Related Parties

The loss of certain key personnel could harm our business.

We have experienced employees at both the corporate and operational levels who possess substantial knowledge of our business and operations and are important to the success of our business. There can be no assurance that we will be successful in retaining the services of these employees or that we would be successful in hiring and training suitable replacements without undue costs or delays. As a result, the loss of any of these key employees could cause significant disruptions to our integration efforts and our business operations generally, which could materially adversely affect our results of operations.

The interests of our indirect parent company or companies, as the case may be, may conflict with our interests and this could adversely affect our business.

Liberty Global and Vodafone International are our indirect parents (the “JV Parents”) owning, indirectly, all of the voting interests in us. When business opportunities, or risks and risk allocation matters arise, the interests of Liberty Global and the JV Parents may be different from, or in conflict with, our interests on a standalone basis. Our indirect parent companies may allocate certain or all of their risks to us. The ability of the VodafoneZiggo to manage its own business and affairs is subject to certain veto rights of the JV Parents set out in the shareholders’ agreement between the parties. There can be no assurance that the JV Parents will permit us to pursue certain business opportunities, which could have a material adverse impact on our results of operations.

The JV Parents’ interests may differ from each other resulting in diverging business goals and strategies for the joint venture. If disagreements develop among the JV Parents, this could result in a deadlock in decision making and our business, financial condition, results of operations, cash flows and prospects may be harmed. Joint ventures implicate additional risks, such as:

- inability to take actions with respect to joint venture activities that are believed to be favourable to one of the parties if the other party disagrees;
- business decisions or other actions or omissions of joint venture partners that may result in harm to reputation or adversely affect the value of investments; and
- actions of joint venture partners that could result in negative impacts on debt and equity.

These and other risks related to the joint venture could have a material adverse effect on our business, financial condition and results of operations.

USE OF PROCEEDS

The Issuer expects that the net proceeds from the issuance of the Notes, together with any upfront payments payable by the New VFZ Facilities Borrower under the New VFZ Facilities Agreement, will be approximately €597.5 million and will be used by the Issuer to finance the acquisition of VFZ Accounts Receivable pursuant to the terms of the Framework Assignment Agreement (including the Block Transfer) or to fund the New VFZ Facilities Loans under the New VFZ Facilities Agreement, as further described below.

To the extent that there are not sufficient VFZ Accounts Receivable available for purchase on the first Value Date falling on or after the Issue Date, the Issuer will advance any excess proceeds from the issuance of the Notes to the New VFZ Facilities Borrower as Excess Cash Loans under the Excess Cash Facility pursuant to the New VFZ Facilities Agreement. It is expected that the Issuer will complete the Block Transfer by 31 December 2020 and further purchases of VFZ Accounts Receivable or loans to the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement by 31 March 2021. On the Issue Date, the Issuer will also fund an Issue Date Facility Loan in a principal amount equal to the Subscription Proceeds under the Issue Date Facility to the New VFZ Facilities Borrower, pursuant to the New VFZ Facilities Agreement.

VodafoneZiggo intends to use an amount equal to the net proceeds of the Notes to finance and/or refinance new and/or existing Eligible Green Projects. See *“Risk Factors—Risks Relating to the Notes—The Notes may not be a suitable investment for all investors seeking exposure to “green” assets”* and *“Risk Factors—Risks Relating to the Notes—Investors may have limited remedies if we fail to allocate an amount equal to the net proceeds from the offering of the Notes to finance and/or refinance new and/or existing Eligible Green Projects or to satisfy related reporting requirements and other undertakings”*.

VodafoneZiggo Green Bond Framework

VodafoneZiggo has developed the VodafoneZiggo Green Bond Framework, available at <https://www.vodafoneziggo.nl/en/samenleving/everything-healthy-environment/>, which follows the guidelines specified in the 2018 Green Bond Principles as promulgated by the International Capital Market Association (ICMA), available at <https://www.icmagroup.org/assets/documents/Regulatory/Green-Bonds/Green-Bonds-Principles-June-2018-270520.pdf>. The 2018 Green Bond Principles are a set of voluntary guidelines that recommend transparency and disclosure, and promote integrity in the development of the green bond market. The Vodafone Ziggo Green Bond Framework outlines VodafoneZiggo’s commitments with respect to any green bonds that will be issued including the Notes. The following paragraphs set forth elements of the VodafoneZiggo Green Bond Framework as it relates to the financing and/or refinancing of Eligible Green Projects by VodafoneZiggo with an amount equal to the net proceeds of the Notes.

Process for Project Evaluation and Selection

Eligible Green Projects will be evaluated and selected based on compliance with the Green Bond eligibility criteria outlined above.

VodafoneZiggo has established an inter-departmental committee (the "**Green Bond Committee**") comprised of representatives from VodafoneZiggo's Treasury and Corporate Social Responsibility ("**CSR**") teams, including the Head of Treasury, Treasury manager, Head of CSR and CSR manager. The Green Bond

Committee will oversee the selection of Eligible Green Projects and will be responsible for determining whether potential investments fit within a certain category of Eligible Green Projects as set forth above and align with the VodafoneZiggo Green Bond Framework.

Management of Proceeds

VodafoneZiggo intends to use an amount equal to the net proceeds of the Notes to finance and/or refinance new and/or existing Eligible Green Projects. Such allocation will be reflected in VodafoneZiggo's internal records by use of a 'Green Bond Register'. Any portion of the net proceeds from the offering of the Notes that has not been allocated to Eligible Green Projects will be managed in accordance with VodafoneZiggo's normal liquidity management practices. VodafoneZiggo intends to use an amount equal to the net proceeds of the Notes to finance and/or refinance new and/or existing Eligible Green Projects within three years from the Issue Date.

Reporting

VodafoneZiggo will make available reports covering allocation of an amount equal to the net proceeds of the Notes to Eligible Green Projects and reports on the impact of such Eligible Green Projects. The reporting will be made available within one year from the Issue Date and will be updated annually until an amount equal to the net proceeds of the Notes has been fully allocated. Such reporting will be on an aggregate basis, at the level of the project portfolio. It will be available on VodafoneZiggo's webpage (www.vodafoneziggo.com) and will include:

Allocation reporting:

- a) Total amount allocated to Eligible Green Projects portfolio, reported by project category;
- b) Share of net proceeds used for financing vs. refinancing; and
- c) Balance of the unallocated proceeds.

VodafoneZiggo intends to request an auditor's report to confirm the allocation of proceeds towards Eligible Green Projects.

Impact reporting

On a best effort basis, VodafoneZiggo intends to report on the environmental impacts achieved by Eligible Green Projects funded. The impact reporting will include a description of Eligible Green Projects and impact metrics such as listed below. Wherever relevant, the information may be provided on data reporting, and impact assessment methodologies, to increase transparency. Impact indicators may include:

- a) Tons of CO2 equivalent emission/Terabyte (mobile network);
- b) Tons of CO2 equivalent emission/RGU (fixed network);
- c) Energy use per annum (in MWh)/Terabyte; and
- d) Square meter of green buildings, by certification type and level.

External Review

Pursuant to the recommendation of the Green Bond Principles that issuers use external assurance to confirm their alignment with the key features of the Green Bond Principles, Sustainalytics has been engaged to provide an independent second-party opinion (the "**Second-Party Opinion**") in relation to the alignment of the VodafoneZiggo Green Bond Framework with the 2018 Green Bond Principles. Accordingly, on 4 December 2020, Sustainalytics certified that the VodafoneZiggo Green Bond Framework aligns with the 2018 Green Bond Principles. The Second Party Opinion is not incorporated into, and does not form part of, this Offering Circular.

On an annual basis, an internationally recognized external auditor will review allocation of proceeds towards Eligible Green Projects, as provided in the annual allocation report.

Other

The information and materials found on VodafoneZiggo's website, including without limitation the Green Bond Report and the VodafoneZiggo Green Framework, are not part of or incorporated by reference into this Offering Circular. Neither the Notes nor the Trust Deed requires VodafoneZiggo to use an amount equal to the

net proceeds from the offering of the Notes, and it will not be an event of default under the Trust Deed if VodafoneZiggo fails to allocate an amount equal to the net proceeds from the offering of the Notes to finance and/or refinance new and/or existing Eligible Green Projects or to satisfy such reporting and other undertakings, and holders of the Notes will have no remedies under the Trust Deed for any such failure. See “*Risk Factors—Risks Relating to the Notes—The Notes may not be a suitable investment for all investors seeking exposure to “green” assets*” and “*Risk Factors—Risks Relating to the Notes—Investors may have limited remedies if we fail to allocate an amount equal to the net proceeds from the offering of the Notes to finance and/or refinance new and/or existing Eligible Green Projects or to satisfy related reporting requirements and other undertakings.*”

The registered office of the Issuer is at Herikerbergweg 238, Luna ArenA, 1101CM Amsterdam and its telephone number is +31 (0) 205755600.

The Issuer does not have an authorized share capital. The Issuer has issued 100 ordinary shares of €1 each and will issue a number of ordinary shares equal to the Minimum Issuer Capitalization Amount (the “**Issue Date Shares**”, together with the Existing Shares, the “**Shares**”), if any, in connection with the offering of the Notes, which are and will be, respectively, fully paid up and held by the Foundation. The Foundation is established under the laws of the Netherlands and is the direct parent of the Issuer. The holder of the ordinary share will have the ability to elect directors of the Issuer and may be able to take certain other actions permitted by shareholders under the Articles of Association. Neither VodafoneZiggo nor any of its subsidiaries owns directly or indirectly any of the share capital of the Issuer. With the exception of the Foundation pursuant to the Issue Date Arrangements Agreement, no person has been granted the right to subscribe for any share capital of the Issuer.

TMF Management B.V. (the “**Managing Director**”), a Dutch company, acts as the Managing Director for the Issuer. The office of the Managing Director serves as the general business office of the Issuer. Through the office and pursuant to the terms of the issuer management agreement entered into on or before the Issue Date (the “**Issuer Management Agreement**”) between the Issuer and the Managing Director, the Managing Director performs various management functions on behalf of the Issuer, including the provision of certain clerical, reporting, accounting, administrative and other services until termination of the Issuer Management Agreement. In consideration for the foregoing, the Managing Director receives various fees and other charges payable by the Issuer at rates agreed upon from time to time plus expenses. The terms of the Issuer Management Agreement provide that either party may terminate the Issuer Management Agreement upon the occurrence of certain stated events, including any material breach by the other party of its obligations under the Issuer Management Agreement which is either incapable of remedy or which is not cured within 30 days from the date on which it was notified of such breach. In addition, either party may terminate the Issuer Management Agreement at any time by giving not less than two months’ written notice to the other party. The termination of the Managing Director becomes effective only upon the appointment by the Issuer of a successor managing director servicer. The Issuer Management Agreement will contain standard limited recourse and non-petition provisions with respect to the Issuer.

The Managing Director’s principal office is at Herikerbergweg 238, 1101 CM, Amsterdam, The Netherlands.

Business

The principal objects of the Issuer are set forth in Article 3 of its Articles of Association and are as follows: (a) to acquire, purchase, manage, alienate and encumber receivables that arise from or in connection with the purchase of goods or services by any third party and to exercise any rights connected to such receivables; (b) to acquire funds to finance the acquisition of receivables mentioned under (a), by way of issuing bonds or other securities or by way of entering into loan agreements, to enter into agreements in connection thereto and to repay such bonds, securities or loan agreements; (c) to lend and to invest any funds held by the Issuer; (d) to limit interest rate and other financial risks, amongst others by entering into derivatives agreements, such as swaps; (e) in connection with the foregoing: (i) to borrow funds, among other things to repay the obligations under the securities mentioned under (b); (ii) to grant and to release security rights to third parties; and (f) to perform all activities which are incidental to or which may be conducive to the attainment of the foregoing objects, all in the broadest sense of the word. Cash flow derived from the Assigned Receivables, repayments made in respect of the New VFZ Facilities Loans drawn, as well as Shortfall Payments made, under the New VFZ Facilities Agreement and payments under the Expenses Agreement will be the Issuer’s only sources of funds to fund payments in respect of the Notes.

So long as any of the Notes are outstanding, the Issuer will be subject to the restrictions set out in the Conditions and in the Trust Deed. In particular, the Issuer has undertaken not to carry out any business other than issuing the Notes (and any further notes as permitted by the Trust Deed), acquiring, holding and disposing of the VFZ Accounts Receivable, funding the New VFZ Facilities Loans and making payments under the New VFZ

Facilities Agreement and Expenses Agreement, or otherwise carrying out its obligations in accordance with the Transaction Documents to which it is party, and exercising the rights and performing the obligations under each such agreement and all other transactions incidental thereto. The Issuer will not have any substantial liabilities other than in connection with the Notes (and any further notes permitted by the Trust Deed) and any secured obligations. The Issuer will not have any subsidiaries and, save in respect of the proceeds of the Issuer's issued share capital, the Issuer will not be able to accumulate any surpluses.

The Issuer has, and will have, no material assets other than the Assigned Receivables held from time to time, the balances standing to the credit of the Issuer Transaction Accounts and the benefit of the Transaction Documents to which the Issuer is or may become a party or in respect of which it has or may have any right, title, benefit or interest (including the New VFZ Facilities Agreement, the Expenses Agreement, the Issue Date Arrangements Agreement and the Framework Assignment Agreement), such fees (as agreed) payable to it in connection with the issue of the Notes and the sum of €100 representing the proceeds of its issued and paid up ordinary share capital which is held in the Issuer Transaction Accounts. The only assets of the Issuer available to meet claims of the Noteholders and the other Secured Parties are the assets comprising the Notes Collateral.

The Notes (and any further notes as permitted by the Trust Deed) are obligations of the Issuer alone and are not the obligations of, or guaranteed in any way by, the Directors, the company secretary of the Issuer, the Foundation, any of the other parties to the Transaction Documents or any Obligor.

DESCRIPTION OF THE RECEIVABLES

The following description includes a summary of certain provisions of the Accounts Payable Management Services Agreement and the Framework Assignment Agreement, which does not purport to be complete and is qualified by reference to the detailed provisions of each such agreement.

Overview: Creation of VFZ Accounts Receivable

In the course of their business, VodafoneZiggo and its subsidiaries purchase goods and/or services from suppliers pursuant to the terms of various supply contracts, and those suppliers issue invoices requiring the relevant Buyer Entity to make payment for the purchase of such goods and/or services on the terms specified in the applicable invoice and supply contract. Certain of VodafoneZiggo's subsidiaries (the **"Buyer Subsidiaries"**) may accede as buyer entities to the Accounts Payable Management Services Agreement (as defined elsewhere in this Offering Circular and further described in *"Summary of Principal Documents—Accounts Payable Management Services Agreement"*), between, among others, VodafoneZiggo and the Platform Provider, pursuant to which the invoices owing by VodafoneZiggo and the Buyer Subsidiaries are factored or sold through the SCF Platform (as defined elsewhere in this Offering Circular), a portal established and administered by the Platform Provider. Each invoice evidences an amount payable by a Buyer Entity to a Supplier as a result of an existing business relationship, and includes all rights attaching thereto under the relevant contract to which such invoice relates (each a **"Receivable"** and collectively, the **"Receivables"**).

From time to time, a Buyer Entity, or Liberty Global Capital Limited (**"LGC"**) on its behalf or VodafoneZiggo may upload an Electronic Data File containing details of Receivables (including, among other things, the amount, the invoice date and the currency) payable to a Supplier onto the SCF Platform. The designation of such uploaded Receivables as "approved" by a Buyer Entity will give rise to such Receivable being an **"Approved Platform Receivable"**. As further described below, immediately upon payment by the Platform Provider to the relevant Suppliers of the Net Amount specified in the Electronic Data File (i) an SCF Transfer will occur in respect of such Approved Platform Receivable and (ii) such payment will immediately give rise to new independent and primary obligations of each Buyer Entity, jointly and severally to make or cause payment to be made to the Relevant Recipient on the Confirmed Payment Date (as defined below) in respect of such Approved Platform Receivable (a **"Payment Obligation"**). Each Electronic Data File will, among other things, specify the Net Amount payable to the relevant Supplier in respect of Approved Platform Receivables, the date such Net Amount should be paid (the **"Net Amount Payment Date"**) and the date on which such Payment Obligation (which arises following an SCF Transfer) and the related Approved Platform Receivable will be paid (which date will be a date up to 360 days from the original invoice date, each a **"Confirmed Payment Date"**).

Pursuant to the Framework Assignment Agreement (as defined below), the Platform Provider may subsequently offer to sell and assign (including, pursuant to the Block Transfer) to the Issuer, on a non-recourse basis, eligible Payment Obligations and the related Receivables (solely to the extent that such Receivables have been acquired by the Platform Provider) (collectively and as further described and defined below, the **"VFZ Accounts Receivable"**).

Uploading of Receivables onto the SCF Platform and Purchase by the Platform Provider: the Accounts Payable Management Services Agreement

The Platform Provider and VodafoneZiggo, among others, have entered into the Accounts Payable Management Services Agreement, or the APMSA. Under the terms of the APMSA, the Obligor (which, as used in the sections entitled *"—Accounts Payable Management Services Agreement"* includes reference to the Buyer Parent and the eligible Obligor Subsidiaries) (or LGC on the Buyer Parent's behalf), are, **"Buyer Entities"** and each a **"Buyer Entity"**, may upload Electronic Data Files containing details of Receivables payable to a Supplier on to the SCF Platform to enable the purchase (or deemed purchase) by or transfer (or deemed transfer) to the Platform Provider of such Receivables from the relevant Supplier.

On the Issue Date, the eligible Buyer Subsidiaries will be Ziggo B.V., Ziggo Services B.V., Vodafone Libertel B.V. (collectively, the **"Non-Obligor Buyer Subsidiaries"** and each a **"Non-Obligor Buyer Subsidiary"**), together with the Obligor Subsidiaries, the **"Buyer Subsidiaries"** and each a **"Buyer Subsidiary"**), the Obligor Subsidiaries, and the Buyer Parent. Additional Buyer Subsidiaries may accede to the APMSA by entering into an accession letter (substantially in form set out in the APMSA) with the Platform Provider and the Buyer Parent, and an existing Buyer Subsidiary may cease to be a "Buyer Entity" for the purposes of the APMSA if the Platform Provider or Buyer Parent provides written notice to such effect. Additional Obligor

Subsidiaries may become party to the APMSA either by acceding as a “Designated Buyer Subsidiary” (provided they are specified as such in the relevant accession letter) or, with respect to an existing Non-Obligor Buyer Subsidiary, if such Non-Obligor Buyer Subsidiary is specified in writing by the Buyer Parent to be a “Designated Buyer Subsidiary” for purposes of the APMSA. On the Issue Date, the Designated Buyer Subsidiaries are VZ Financing I B.V., VZ Financing II B.V. and VodafoneZiggo Group B.V. Pursuant to the Agency and Account Bank Agreement, the Buyer Parent will undertake to the Issuer that the Buyer Parent may notify the Platform Provider of a resignation of a Obligor Subsidiary only if all Outstanding Amounts owed by such Obligor Subsidiary (as principal obligor) in respect of its Assigned Receivables have been settled in accordance with the APMSA on or prior to the date of its resignation, and the Buyer Parent will agree to promptly provide written notification of the same to the Issuer (or the Administrator on its behalf).

From time to time, a Buyer Entity (or by LGC on its behalf) may execute an Upload and designate such uploaded Receivables as “approved”. Immediately upon payment by the Platform Provider to the relevant Suppliers of the Net Amount specified in the Electronic Data File (i) an SCF Transfer will occur in respect of such Approved Platform Receivables and (ii) such payment will give rise to new Payment Obligations being a new independent and primary, irrevocable, legal, valid and binding obligation of each Buyer Entity, jointly and severally to make payment or cause payment to be made of the Certified Amount to the Relevant Recipient on the Confirmed Payment Date in respect of such Approved Platform Receivable. Each Buyer Entity agrees that, immediately following such designation, the relevant Obligor shall pay the Certified Amount in full (without any deduction or withholding) and no Obligor shall be entitled to claim set-off or counterclaim against any party in relation to the payment of the whole or part of such Certified Amount. The Non-Obligor Buyer Subsidiaries will not be liable for any Payment Obligations.

The obligations of the Buyer Entities described above will not be affected by an act, omission, matter or thing which, but for the relevant provisions of the Framework Assignment Agreement, would reduce, release or prejudice any of such obligations, including: (a) any time, waiver or consent granted to, or composition with, any Buyer Entity or other person; (b) the release of any Buyer Entity or other person under the terms of any composition or arrangement with any creditor of any person (other than the relevant recipient of any VFZ Account Receivable); (c) any failure to realize the full value of any security; (d) any incapacity or lack of power, authority or legal personality of a Buyer Entity or any other person; (e) any amendment, novation, supplement or restatement (however fundamental) or replacement of the APMSA or any other documents; (f) any unenforceability, illegality or invalidity or any obligation of any person under the APMSA; or (g) any insolvency or similar proceedings. Each Buyer Entity also waives any right it may have of first requiring the Platform Provider to proceed against or enforce any other rights or security or claim from any person before claiming from them pursuant to the APMSA, regardless of any applicable law or provision to the contrary. The Buyer Entities further agree to refrain from exercising any of the following rights which they may have under the APMSA until all amounts which may be or become payable by a Buyer Entity in connection with the APMSA have been irrevocably paid in full: (a) to be indemnified by any other Buyer Entity; (b) to claim contribution from any other guarantor of any Buyer Entity’s obligations under the APMSA; (c) to take the benefit of any rights of the Platform Provider or a transferee under the APMSA in respect of the Buyer Entities; (d) to bring legal or other proceedings for an order requiring any Buyer Entity to make any payment or perform any other obligation in respect of which any Buyer Entity has given an undertaking or indemnity under the provisions of the APMSA; (e) to exercise any right of set-off against any Buyer Entity; and/or (f) to claim or prove as a creditor of any Buyer Entity in competition with the Platform Provider.

Eligible Platform Receivables (as defined below) may include those with a Confirmed Payment Date of up to 360 days from the issuance date of the relevant invoice. In respect of SCF Transfers of Receivables, a margin of 2.20% per annum (the “**Initial Margin**”, which may be amended from time to time by a Margin Amendment, the “**Margin**”) calculated on the basis of the relevant Outstanding Amounts (which includes the Platform Provider Processing Fee) over the Reference Rate, applies to such Receivables.

The relevant Margin shall be applied from the date of the relevant SCF Transfer until the Confirmed Payment Date in respect of such Payment Obligation (and the Receivable related thereto, solely to the extent that such Receivable has been acquired by the Platform Provider). The Reference Rate (being, in this case, EURIBOR with a floor of zero) is determined by the remaining tenor between the date of the relevant transfer and the Confirmed Payment Date (i.e. between 1 and 30 days, 1 month base rate will apply; between 31 and 60 days, 2 months base rate will apply). The Reference Rate plus the Margin are used to calculate the Applied Discount that the Platform Provider will deduct from the Certified Amount in the case of transfer by the Platform Provider of the VFZ Account Receivable prior to the Confirmed Payment Date, and accordingly is used in the calculation of the Purchase Price Amount for each VFZ Account Receivable. The Margin under the APMSA may not be

amended without the written consent of the Issuer, and pursuant to the terms of the other Transaction Documents, the Issuer will agree to provide its written consent to any amendment of the Margin (without being required to seek the consent of the Noteholders) so long as the obligations of the New VFZ Facilities Borrower in favour of the Issuer under Clause 11.2 (“*Facility Fees*”) of the New VFZ Facilities Agreement remain in full force and effect.

Pursuant to the APMSA, the Buyer Parent and, as applicable, each Obligor Subsidiary appoints the Platform Provider as paying agent with respect to the settlement of any VFZ Account Receivable. Settlement requires the Buyer Parent (or, at its option, an Obligor Subsidiary) to make an electronic transfer of the Certified Amount to the Platform Provider’s designated bank account on the Confirmed Payment Date, and the Platform Provider will, in turn, transfer such Certified Amount (or part thereof as received by the Platform Provider) to the relevant recipient (which shall be the Issuer in respect of Assigned Receivables) on the same Confirmed Payment Date. As used herein, “**Certified Amount**” means, with respect to a Payment Obligation, the Outstanding Amount of such Payment Obligation (as specified in an Electronic Data File) on the “**Certified Amount Fixed Date**”, being the date the relevant Electronic Data File is uploaded in respect of such Payment Obligations. Failure by any Obligor to pay all or any part of the Certified Amount by the Confirmed Payment Date will cause default interest to accrue on the unpaid sum at a rate of 1-month EURIBOR (or any other applicable reference rate selected by the Platform Provider and VodafoneZiggo) *plus* 7% per annum, until the Certified Amount has been discharged in full.

Prior to an SCF Transfer in respect of an Approved Platform Receivable, if a Buyer Entity wishes to reduce the amount of any Approved Platform Receivable for any reason (including as a result of any lien, right of set-off, defence, claim, counterclaim, or other certain adverse claim), it may post the amount to be deducted from such Approved Platform Receivable (each, a “**Credit Note**”) as an entry in an Electronic Data File and such Credit Note will be allocated to such Approved Platform Receivable (and shall reduce the corresponding Payment Obligation that will arise following an SCF Transfer).

No Credit Notes may be allocated to an Approved Platform Receivable (and the corresponding Payment Obligation) following an SCF Transfer in respect of such Approved Platform Receivable. Additionally, each Buyer Entity agrees to be responsible for the accuracy of all information submitted by it in respect of VFZ Accounts Receivable and the Buyer Parent agrees to comply with certain reporting requirements set out in the APMSA.

Under the APMSA, each Buyer Entity represents, warrants and covenants to the Platform Provider at the date of (a) an Upload, (b) any SCF Transfer resulting in any Payment Obligation arising and the transfer or acquisition of the Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider), and (c) transfer via the SCF Platform and/or as permitted by the APMSA (in each case, including each applicable Assignment Date), as applicable, among other things: (i) that the Approved Platform Receivable meets certain criteria under the APMSA, including (but not limited to) having a Confirmed Payment Date of no more than 360 days, from the issuance date of the relevant invoice and is denominated in agreed currency (each such Approved Platform Receivable, an “**Eligible Platform Receivable**”); (ii) that the Approved Platform Receivable is not subject to any mortgage, charge, pledge, lien, other encumbrance or (to the best of the relevant Buyer Entity’s knowledge) other personal right or right in rem of any third party and has, to the best of the relevant Buyer Entity’s knowledge, not been transferred or transferred in advance; (iii) that each Payment Obligation and the Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) is free of any adverse claims, including any lien, right of set-off, netting, abatement, reduction, claim, defence or counterclaim; (iv) that each Payment Obligation and Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) can be validly transferred in accordance with the terms of the APMSA; and (v) that each Payment Obligation will be settled by an Obligor by the payment of the relevant Certified Amount on the relevant Confirmed Payment Date without withholding, deduction or set-off.

Assignment of the VFZ Accounts Receivable by the Platform Provider to the Issuer: the Framework Assignment Agreement

On or about the Issue Date, the Issuer, as purchaser, will enter into the Framework Assignment Agreement with, among others, the Platform Provider, the Buyer Parent and The Bank of New York Mellon, London Branch as administrator. Under the Framework Assignment Agreement, from time to time commencing on the Issue Date, the Issuer may purchase and have assigned to it on a non-recourse basis, up to the total amount of Committed Principal Proceeds, and the Platform Provider may sell and assign (including pursuant to the Block

Transfer) on a non-recourse basis, eligible VFZ Accounts Receivable that have been transferred to or acquired by the Platform Provider following a SCF Transfer.

Each VFZ Account Receivable to be purchased by the Issuer must meet, and the Buyer Parent will represent and warrant (on behalf of itself and as agent for the Buyer Entities) on the date of each Assignment (each such date, an “**Assignment Date**”) in accordance with the Framework Assignment Agreement, that such VFZ Account Receivable meets, the following eligibility criteria: that such VFZ Account Receivable (i) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is owed by the Obligor on a joint and several basis; (ii) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is governed by English law; (iii) is denominated in euro; (iv) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is the legal, valid and binding obligation of each Obligor; (v) is capable of being freely and validly transferred in the manner provided by the Framework Assignment Agreement, so that on purchase the Issuer will receive good title; (vi) is due and payable in full without any right of set-off, counterclaim or deduction in favour of the Buyer Entities; and (vii) has a maturity date that is no later than two Business Days prior to the Maturity Date of the Notes. Additionally, immediately prior to each Assignment Date, the Platform Provider will represent and warrant that it is entitled to assign the relevant Payment Obligation pursuant to the terms of the Framework Assignment Agreement, and that it has not assigned, transferred or otherwise disposed of, or created any encumbrance or security interest over, such Payment Obligation. Furthermore, the Platform Provider will provide certain undertakings, including, among other things: (a) that it shall comply in a timely manner with its obligations under the APMSA with respect to each Assignment Framework Note and exercise the same degree of care with regard to the Payment Obligations, and the collection of the Payment Obligations, relating thereto as it would if it had not entered into such Assignment Framework Note; (b) that it shall not, without the prior written consent of the Issuer, take any action that would adversely affect a Payment Obligation or the Issuer’s interest(s) therein; (c) that subject to (a) above, it shall have no obligation to demand or enforce any rights granted to it by any Obligor (as defined below) or to demand or exercise any rights of set-off it may have against any Obligor and (d) that its obligations under each Assignment Framework Note shall be subject to its obligations under the APMSA (as further described in “*Summary of Principal Documents—Framework Assignment Agreement*” included elsewhere in this Offering Circular).

Each Payment Obligation will be the joint and several obligation of VodafoneZiggo and each of the Obligor Subsidiaries. On the Issue Date, the eligible Obligor Subsidiaries will be VZ Financing I B.V. and VZ Financing II B.V. (each, an “**Obligor Subsidiary**” and collectively, the “**Obligor Subsidiaries**”, together with the Buyer Parent, the “**Obligors**”).

Purchases of VFZ Accounts Receivable with Requested Purchase Price Amounts

On or following the Issue Date (as further described in “*Capitalization of VodafoneZiggo*” included elsewhere in this Offering Circular), the Platform Provider is expected to sell and assign (including pursuant to the Block Transfer) to the Issuer VFZ Accounts Receivable for a Requested Purchase Price Amount of €600.0 million which the Issuer will fund with all or a portion of the Committed Principal Proceeds. See “*Use of Proceeds*”. It is expected that the Issuer will complete the Block Transfer by 31 December 2020 and further purchases of VFZ Accounts Receivable or loans to the New VFZ Facilities Borrower pursuant to the New VFZ Facilities by 31 March 2021. In connection with such sale and assignment, the Platform Provider will deliver to the Issuer:

1. an Assignment Framework Note (substantially in the form attached to the Framework Assignment Agreement, an “**Assignment Framework Note**”) to be accepted and agreed to by the Issuer, pursuant to which the Issuer will agree, among other things, to purchase Payment Obligations (and the Receivables related thereto, solely to the extent that such Receivables have been acquired by the Platform Provider), in whole but not in part, at the relevant Purchase Price Amounts in an aggregate amount equal to a limit (in respect of purchased Payment Obligations which have not been settled) specified therein (the “**Purchase Limit**”); and
2. one or more notices related to such Assignment Framework Note (substantially in the form attached to the Framework Assignment Agreement, each an “**Assignment Notice**”) instructing the Issuer to pay to the Platform Provider, as consideration for the sale and assignment of the relevant VFZ Accounts Receivable, a requested amount (a “**Requested Purchase Price Amount**”) on the date falling five Business Days following receipt by the Issuer of such Assignment Notice (or, in respect of the Assignment Notice in relation to the Block Transfer, on the date of receipt of such Assignment Notice) (a “**Value Date**”).

As used herein, a “**Purchase Price Amount**” means, in relation to any VFZ Account Receivable, an amount equal to the Outstanding Amount (as defined below) of such VFZ Account Receivable *less* the Applied Discount (as defined in the context of the Framework Assignment Agreement) (as defined below) calculated as at the

relevant Assignment Date. “**Outstanding Amount**” means, with respect to a Payment Obligation, an amount equal to (i) the gross amount of the Approved Platform Receivable in respect of which the Payment Obligation arose, *less* (ii) the sum of all Credit Notes allocated to the Approved Platform Receivable in respect of which that Payment Obligation arose pursuant to the terms of the APMSA, plus (iii) the Applied Discount (as defined below in the context of the APMSA). “**Applied Discount**” refers (i) in the context of the APMSA, to the discount amount that the Platform Provider will deduct from the Certified Amount in case of a transfer of the Payment Obligation prior to the Confirmed Payment Date pursuant to the terms of the APMSA and (ii) in the context of the Framework Assignment Agreement, to the discount amount that the Platform Provider will deduct from the Certified Amount in the case of a transfer of the Payment Obligation prior to the Confirmed Payment Date pursuant to the terms of the APMSA, *less* the processing fee due to the Platform Provider and LGC specified in the APMSA (which will initially be 0.20% per annum) (the “**Platform Provider Processing Fee**”).

From time to time following the Issue Date, the Platform Provider may, at its discretion (but not more than once per week prior to the service of a notice of termination (as further described below)), serve further Assignment Notices (which may also be Primary Assignment Notices (as defined and further described below under “—*Collections on Assigned Receivables and Further Purchases of VFZ Accounts Receivable with Collected Principal Amounts*”)) to the Issuer pursuant to the relevant Assignment Framework Note.

Following the receipt of an Assignment Notice, so long as no Non-Compliance Event (as defined below) has occurred and is continuing, the Issuer will pay, on the relevant Value Date, the relevant Requested Purchase Price Amount (which may be adjusted as further described below) to the Platform Provider, which shall have the effect of the Platform Provider immediately (or, in respect of a Block Transfer that will occur on the day immediately following the Issue Date, only on the day immediately following such Value Date) selling and assigning, without further action on the part of any person or entity, all of its rights, title and interest in and to the relevant Payment Obligations (and the Receivables related thereto, solely to the extent that such Receivables have been acquired by the Platform Provider) at the relevant Purchase Price Amounts to the Issuer pursuant to the relevant Assignment Framework Note. The assignment of any Payment Obligation (and the Receivable in respect of which such Payment Obligation has arisen, solely to the extent that such Receivable has been acquired by the Platform Provider) from the Platform Provider to the Issuer, (each pursuant to the Framework Assignment Agreement), is referred to herein as an “**Assignment**”.

The Requested Purchase Price Amount (and the corresponding VFZ Accounts Receivable) will be adjusted if the aggregate of all Requested Purchase Price Amounts, together with (without double counting) the aggregate of all Purchase Price Amounts in respect of outstanding Assigned Receivables would be higher than the relevant Purchase Limit specified in that Assignment Framework Note. In such event, the Issuer must notify the Platform Provider within two Business Days of receipt of the relevant Assignment Notice (i) of such circumstance and (ii) that the Requested Purchase Price Amount will (A) be reduced to equal the amount which would cause the aggregate Requested Purchase Price Amount, together with (without double counting) the aggregate of all Purchase Price Amounts in respect of outstanding Assigned Receivables to equal such Purchase Limit and/or (B) cancelled to the extent necessary such that the relevant assignment is for the whole, and not part, of the VFZ Accounts Receivable.

The Issuer will not be obliged to pay a Requested Purchase Price Amount specified in an Assignment Notice if any of the following events (each, a “**Non-Compliance Event**”) have occurred and is continuing (provided that the Issuer notifies the Platform Provider, within two Business Days of the receipt of such Assignment Notice, that one or more Non-Compliance Events have occurred and of the Issuer’s intention not to comply with such Assignment Notice): (i) if the Framework Assignment Agreement or relevant Assignment Framework Note has been terminated prior to the date of such Assignment Notice; (ii) if the terms and conditions of such Assignment Notice materially deviate from the terms and conditions of the Framework Assignment Agreement or the relevant Assignment Framework Note; (iii) if an Obligor Event of Default (as defined below) is continuing in respect of any Obligor; and/or (iv) if a specified insolvency event occurs in respect of the Platform Provider which directly results in the Platform Provider not continuing its business as contemplated under the Framework Assignment Agreement. If, following the receipt of a Requested Purchase Price Amount on a Value Date, the Platform Provider has acquired (or determines that it will on such Value Date acquire) insufficient VFZ Accounts Receivable to apply the whole of the Requested Purchase Price Amount received on such Value Date, the Platform Provider will either (i) serve, on such Value Date, one or more notices (substantially in the form set out in the Framework Assignment Agreement, each, a “**Purchase Price Return Notice**”) to the Issuer and, on the Business Day following the date of such Purchase Price Return Notice (a “**Settlement Date**”), pay to the Issuer Collection Account, the excess Requested Purchase Price Amount not applied towards the purchase of VFZ Accounts Receivable (such excess, the “**Excess Requested Purchase Price Amount**”); or (ii) retain such Excess

Requested Purchase Price Amount for a period of up to four Business Days following such Value Date (an **“Excess Retention Period”**, and the final day thereof (which, at the Platform Provider’s discretion, may occur prior to the fourth Business Day following such Value Date), the **“Excess Retention Period End Date”**) to be applied towards the purchase of any VFZ Accounts Receivable arising during such Excess Retention Period. If the Platform Provider chooses to retain such Excess Requested Purchase Price Amount, it further agrees that (i) if the Platform Provider acquires any VFZ Accounts Receivable during such Excess Retention Period, it will sell and assign such VFZ Accounts Receivables to the Issuer (and the Platform Provider will be deemed to have served an Assignment Notice in respect of such Assigned Receivables); and (ii) on the Business Day prior to the Excess Retention Period End Date, the Platform Provider will serve a Purchase Price Return Notice in respect of any remaining Excess Requested Purchase Price Amount to the Issuer, and subsequently pay such remaining Excess Requested Purchase Price Amount to the Issuer Collection Account on such Excess Retention Period End Date, together with all Excess Requested Purchase Price Interest (as defined below) due in respect thereof. **“Excess Requested Purchase Price Interest”** shall accrue daily at the Funding Rate, calculated on any Excess Requested Purchase Price Amount retained by the Platform Provider (and not applied towards the purchase of VFZ Accounts Receivable), from (and including) the first day of the relevant Excess Retention Period to (and including) the relevant Excess Retention Period End Date, or such later date on which the Issuer receives such Excess Requested Purchase Price Amount together with all interest due in respect thereof. As used herein, **“Funding Rate”** means a rate equal to the Margin (less the Platform Provider Processing Fee) over 1-month EURIBOR (or any other applicable reference rate selected by the Platform Provider and VodafoneZiggo) (a **“Reference Rate”**); *provided that* if the relevant Reference Rate is less than zero, the Reference Rate shall be deemed to be zero.

Collections on Assigned Receivables and Further Purchases of VFZ Accounts Receivable with Collected Principal Amounts

Prior to the service of an Obligor Enforcement Notification, the Platform Provider will act as collection agent for the Issuer in respect of any Collected Amounts received or recovered relating to Assigned Receivables, in accordance with the APMSA. Except in circumstances where certain Collected Principal Amounts are applied towards the purchase of new VFZ Accounts Receivable (as further described below), the Platform Provider will apply any Collected Amount, within one Business Day of receipt or recovery thereof (such scheduled date of application, a **“Collected Amount Forwarding Date”**), in or towards the repayment to the Issuer of an amount equal to the Outstanding Amount of the relevant Assigned Receivables (to the extent that such Assigned Receivables remain outstanding and has not been settled or otherwise paid to the Issuer).

From time to time, the Platform Provider may serve an Assignment Notice (a **“Primary Assignment Notice”**) which states that any Collected Principal Amounts in respect of Assigned Receivables relating to such Primary Assignment Notice are to be treated as further payments of Requested Purchase Price Amounts. So long as (i) no Non-Compliance Event has occurred and is continuing (and in respect of which the Issuer has notified the Platform Provider that the purchase mechanics described in this paragraph will not apply), or (ii) no notice of termination has been served (as further described below), then (a) the Platform Provider will be deemed to have served an Assignment Notice on exactly the same terms as the Primary Assignment Notice, except for the Requested Purchase Price Amount (which will be equal to the Collected Principal Amount that would otherwise be due and payable to the Issuer) (such notice, the **“New Assignment Notice”**); and (b) the Platform Provider’s obligation to pay such Collected Principal Amount to the Issuer will be set off against the Issuer’s obligation to pay the Requested Purchase Price Amount under the New Assignment Notice. For the avoidance of doubt, the purchase mechanics described in this paragraph will not affect the Platform Provider’s obligation to pay to the Issuer any Premium on the relevant Collected Amount Forwarding Date. If, three Business Days following the service of a New Assignment Notice, the Platform Provider still holds any Collected Amounts which have not been utilized for the purchase of new VFZ Accounts Receivable (such amounts, **“Unutilised Collected Amounts”**), the Platform Provider will immediately serve a Purchase Price Return Notice to the Issuer in respect of such Unutilised Collected Amounts, and will pay such Unutilised Collected Amounts to the Issuer Collection Account on the relevant Settlement Date. The Platform Provider will pay the Issuer interest on any **“Retained Collected Amounts”** (being any Collected Amount which has not been paid to the Issuer towards satisfaction of the relevant Outstanding Amount and not been used to purchase further VFZ Accounts Receivable as described above). Interest on Retained Collected Amounts shall accrue daily at the Funding Rate, calculated from (and including) the relevant scheduled Collected Amount Forwarding Date to (and including) the relevant Settlement Date or such later date on which the Issuer receives the Retained Collected Amount, together with all interest due in respect thereof, as the case may be (the **“Retained Collected Amount Interest”**), and will be paid to the Issuer Collection Account on the relevant Settlement Date or such later date, as applicable.

Implementation of an Additional System: an SCF Platform Addition

At any time after the Issue Date, VodafoneZiggo and the Buyer Subsidiaries may, at their option, elect to participate in an additional online system established and administered by another Platform Provider (an “**SCF Platform Addition**”). In connection with any SCF Platform Addition, VodafoneZiggo and the Buyer Subsidiaries may enter into additional accounts payable management services agreements (or equivalent) and the Issuer may (and upon request by VodafoneZiggo, shall) enter into one or more additional receivables assignment agreements (or equivalent), pursuant to which the Issuer will purchase eligible VFZ Accounts Receivable from such additional Platform Provider. The consent of the Noteholders will not be required for VodafoneZiggo, the Buyer Subsidiaries and the Issuer to give effect to any SCF Platform Addition (including the modification of any Transaction Documents to implement such SCF Platform Addition), and the Administrator will enter into any SCF Platform Addition Documentation if the Administrator receives written confirmation from VodafoneZiggo (with a copy to the Notes Trustee) that, in VodafoneZiggo’s determination, the entry into such SCF Platform Addition Documentation is reasonably required to implement such SCF Platform Addition and does not materially and adversely affect the interests of the Noteholders.

See “Risk Factors-Risks Relating to Our Financial Profile-We may incur additional indebtedness prior to, or within a short time period following, the Issue Date of the Notes, which indebtedness could increase our leverage and may have terms that are more or less favourable than the terms of the Notes and our other existing indebtedness”.
- (2) The “As Adjusted—Refinancing Transactions” amount reflects the net impact of (i) an increase in cash related to the proceeds received from the issuance of the Further 2030 Senior Secured Notes, (ii) a decrease in cash related to the 2027 Euro Senior Secured Notes Redemption, including a redemption premium of €2.3 million, and (iii) a decrease in cash of €0.2 million associated with the upfront payment of fees and expenses in connection with the completion of the Refinancing Transactions.

Prior to the utilization of the Committed Principal Proceeds to fund the Initial Purchase, the Issuer will advance any unutilized Committed Principal Proceeds to the New VFZ Facilities Borrower, as the borrower under the New VFZ Facilities Agreement, as Excess Cash Loans under the Excess Cash Facility pursuant to the New VFZ Facilities Agreement. In that event, there would be an impact on total cash and cash equivalents, amounts utilized under the New VFZ Facilities Loans, total third-party debt and total capitalization presented above. Any actual impact would depend on the amount of VFZ Accounts Receivable made available to the Issuer for purchase, and could be material.

DESCRIPTION OF OTHER INDEBTEDNESS OF VODAFONEZIGGO

The following contains a summary of the material provisions of the material indebtedness of VodafoneZiggo. It does not purport to be complete and is subject to, and is qualified in its entirety by reference to, the underlying documents. The following summary is, unless indicated otherwise, presented as of the date hereof. Some of the capitalized terms used herein are defined in the applicable agreements and not all such definitions have been included herein.

Credit Facilities

Existing Credit Facility

The Ziggo Borrowers (as defined below) have entered into the Existing Credit Facility (as defined below). The terms of the Existing Credit Facility are summarized below, without giving effect to the Term Loan Refinancing.

The Existing Credit Facility comprises (i) a \$2,525.0 million term loan facility (the “**Term Loan Facility I**”), (ii) a €2,250 million term loan facility (“**Term Loan Facility H**” and, together with Term Loan Facility I, the “**Term Loan Facilities**”) and (iii) a €800.0 million revolving loan facility (“**Revolving Credit Facility**” and together with the Term Loan Facilities, the “**Facilities**”) which have been made available as additional facilities pursuant to a senior facilities agreement originally dated 5 March 2015, between, among others, The Bank of Nova Scotia as Facility Agent, Ziggo B.V. (the “**EUR Borrower**”) and Ziggo Financing Partnership (the “**US Borrower**”) as borrowers (the “**Ziggo Borrowers**”), certain lenders party thereto (the “**Ziggo Lenders**”) and ING Bank N.V. as Security Agent (the “**Existing Credit Facility**”). The Ziggo Lenders’ commitments may be increased and additional facilities can be included under the Existing Credit Facility subject to certain conditions and the consent of the Ziggo Lenders providing such increased commitment or additional facility.

Structure

The Term Loan Facilities are bullet repayment loans that are subject to interest periods from time to time of, at the relevant borrower’s election, one, two, three or six months or any shorter period agreed between the relevant borrower and the facility agent (or any other period of up to 12 months as the facility agent (acting on behalf of the Instructing Group) under the relevant facility may agree with the borrower), but not beyond the final maturity date which, for (i) Term Loan Facility H, is 31 January 2029 and (ii) Term Facility I, is 30 April 2028. The Revolving Credit Facility can be repaid and redrawn at the end of interest period up until one month prior to the final maturity date on 31 January 2026.

Conditions to Borrowings

Drawdowns under the Existing Credit Facility are subject to conditions precedent on the date the drawdown is requested and on the drawdown date including (other than in connection with a Certain Funds Acquisition) the following: (i) no default is continuing or would occur as a result of that drawdown and (ii) certain representations and warranties specified in the Existing Credit Facility are true in all material respects.

Interest Rates and Fees

The interest rate in respect of the Facility I for each relevant interest period is equal to the aggregate of (i) 2.50% per annum and (ii) LIBOR, subject to a LIBOR floor set at zero. The interest rate in respect of the Facility H for each relevant interest period is equal to the aggregate of (i) 3.00% per annum and (ii) EURIBOR, subject to a EURIBOR floor set at zero. The interest rate in respect of the Revolving Credit Facility for each relevant interest period is equal to the aggregate of (i) 2.75% per annum (the “**Revolving Credit Facility Margin**”) and (ii) EURIBOR and has a fee on unused commitments of 40% of such margin per year. The Revolving Credit Facility Margin is subject to a margin ratchet which provides for margin to decrease under a step down to 2.50% if either (x) Total Net Debt to Annualised EBITDA for the latest ratio period is less than or equal to 3.75:1 or (y) if Senior Net Debt to Annualised EBITDA for the latest ratio period is less than or equal to 3.00:1 and the ratio of Total Net Debt to Annualised EBITDA is less than or equal to 4.00:1.

Interest on the Facilities accrues daily from and including the first day of an interest period and is payable on the last day of each interest period (unless the interest period is longer than six months, in which case interest

is payable on the last day of each six-month period) and is calculated on the basis of a year of 360 days unless market practice differs in the relevant interbank market for a currency.

Guarantees and Security

The Existing Credit Facility requires that members of the Bank Group which generate not less than 80% of the pro forma EBITDA of the Bank Group (excluding the pro forma EBITDA attributable to any joint venture and any member of the Bank Group that is not required to (or cannot) become a guarantor and grant security in accordance with the terms of the Existing Credit Facility, and treating negative generating EBITDA of any member of the Bank Group as zero for the purposes of calculation the numerator) in any financial year, to guarantee the payment of all sums payable by the borrowers and the guarantors under the Existing Credit Facility to the facility agent, the lenders and the other finance parties under the Existing Credit Facility and the other finance documents specified therein and that the following security is provided to secure the payment of all sums payable under the Existing Credit Facility and the other finance documents specified therein: security over shares in the obligors (other than ABC B.V.), subordinated shareholder loans to members of the Bank Group and the rights of ABC B.V and UPC Nederland Holding II B.V. in relation to loans to other members of the Bank Group or any Unrestricted Subsidiary. The Senior Secured guarantors have provided guarantees and security in favour of the facility agent, the lenders and the other finance parties specified in the Existing Credit Facility in respect of their obligations and liabilities under the Existing Credit Facility and the other finance documents specified therein.

Mandatory Prepayment

Upon the occurrence of a change of control, if the Instructing Group so requires, the Facility Agent will cancel the lenders' commitments and declare each lender's loans due and payable on not less than 30 Business Days' notice.

Financial Covenants

The Existing Credit Facility requires the Parent, in the event that on the last day of any Ratio Period, the aggregate outstanding amounts under any Revolving Facility (other than cash collateralised or undrawn Documentary Credits) and the net indebtedness outstanding under an Ancillary Facility less cash of the Bank Group exceeds an amount to 40% of the aggregate Revolving Facility Commitments and each Ancillary Facility Commitment (the "**Financial Ratio Test Condition**"), to procure that the Consolidated Net Leverage Ratio shall not exceed the Maintenance Covenant Financial Ratio (a ratio level to be agreed between ABC B.V. and the Composite Revolving Facility Instructing Group, being the Lenders under Maintenance Covenant Revolving Facilities whose available commitments under the Maintenance Covenant Revolving Facilities exceed 50% of the total available commitments under the Maintenance Covenant Revolving Facilities). The financial covenant described above is for the benefit of Revolving Facility Lenders and a breach of the financial covenant will need to result in the Composite Revolving Facility Instructing Group instructing the Facility Agent to accelerate the Maintenance Covenant Revolving Facility Commitments in order for it to trigger an Event of Default for the other Lenders. The Revolving Credit Facility is designated as a Maintenance Covenant Revolving Facility and the Maintenance Covenant Financial Ratio for the purpose of the Existing Credit Facility is set at 4.75:1.

Representations and Warranties

The Existing Credit Facility contains certain representations and warranties usual for facilities of this type, which are subject to exceptions and appropriate materiality qualifications.

Events of Default

The Existing Credit Facility contains certain customary events of default, including, without limitation, in relation to misrepresentations and cross-default, the occurrence of which, subject to certain exceptions and materiality qualifications, would allow the Facility Agent (on the instructions of the Instructing Group) to (among other things) (i) cancel the total commitments, and/or (ii) declare that all or part of the outstanding loans be payable on demand.

Undertakings

The Existing Credit Facility restricts the ability of the Ziggo Borrowers and certain other Bank Group entities which have acceded to the Existing Credit Facility as Guarantors from, among other things, undertaking

certain action including, but not limited to, incurring indebtedness, paying dividends, making distributions, creating security interests in assets, disposing of assets and merging or transferring assets, in each case, subject to limited exceptions and qualifications.

The Existing Credit Facility also requires the Ziggo Borrowers and the members of the Bank Group which are Guarantors thereunder, to observe certain affirmative undertakings, which are subject to materiality and other customary and agreed exceptions. These affirmative undertakings, include, but are not limited to, undertakings related to (i) authorisations; (ii) notification of default (iii) compliance with laws; (iv) *pari passu* ranking; (v) not amending constitutional documents; and, in relation to members of the Bank Group only, (vi) the maintenance of insurance; (vii) not changing the nature of its business; (viii) payment of taxes; (ix) intellectual property and (x) certain quarterly and annual financial reporting obligations including the delivery of compliance certificates in relation to the testing of the financial covenant in the event that the Financial Ratio Test Condition is met.

Certain defined terms in this “—*Existing Credit Facility*” section have the following meanings:

“**Bank Group**” means ABC B.V., Vodafone Nederland Holding II B.V., any other Affiliate Covenant Party, any Affiliate Subsidiary and each Restricted Subsidiary (as defined therein).

“**Instructing Group**” means at any time Lenders (as defined therein) the aggregate of whose Available Commitments (as defined therein) and participations in outstanding Advances (as defined therein) exceeds 50% of the aggregate Available Commitments and outstanding Advances of all of the Lenders, unless it is used in relation to a single facility, in which case it means 50% of the aggregate Available Commitments and “outstanding” Advances of all Lenders in relation to that facility.

Handset Securitization Facility

In August 2019, VZ FinCo B.V., a subsidiary of Ziggo Bond Company that has been designated under the indentures governing the Existing Notes as an Unrestricted Subsidiary, entered into a handset securitization facility (the “**Handset Securitization Facility**”) with a committed amount of €205.0 million relating mobile handset receivables, with an initial drawdown of €181.2 million. The Handset Securitization Facility bears interest at a rate of EURIBOR plus 0.85% for the utilized portion and 0.45% for the unutilized portion. Amortizing repayments of the Handset Securitization Facility will start in 2022 and the Handset Securitization Facility is due to be repaid in full in 2024. The net proceeds from the initial drawdown of the Handset Securitization Facility, together with existing cash, were used to redeem the remaining €193.1 million of Ziggo Bond Company’s 7.125% senior notes due 2024.

2019 VFZ Financing Facilities

On 4 November 2019, VZ Financing I B.V., as borrower, together with, among others, VodafoneZiggo, VZ Financing I B.V. and VZ Financing II B.V., as guarantors, entered into a new senior unsecured credit facility agreement (as amended, supplemented, waived or otherwise modified from time to time, the “**2019 VFZ Financing Facility Agreement**”).

The 2019 VFZ Financing Facility Agreement provides for: (i) a revolving credit facility (the “**2019 VFZ Financing Excess Cash Facility**”) in an aggregate principal amount up to the 2019 VFZ Financing Excess Cash Facility Commitment under which VZ Vendor Financing B.V. (the “**2019 VFN Issuer**”), from time to time, funds loans to VZ Financing I B.V. (the “**2019 VFZ Financing Excess Cash Loans**”) which bear interest at a rate of 4.875% per annum; (ii) a revolving credit facility (the “**2019 VFZ Financing Interest Facility**”) under which the 2019 VFN Issuer will, from time to time, fund non-interest bearing loans to VZ Financing I B.V. (the “**2019 VFZ Financing Interest Facility Loans**”); and (iii) a term loan facility (the “**2019 VFZ Financing Issue Date Facility**”, collectively with the 2019 VFZ Financing Excess Cash Facility and the 2019 VFZ Financing Interest Facility, the “**2019 VFZ Financing Facilities**”) under which the 2019 VFN Issuer, from time to time, funds loans to VZ Financing I B.V. (the “**2019 VFZ Financing Issue Date Facility Loan**”) which bear interest at a rate of 4.875% per annum. The 2019 VFZ Financing Facilities will mature on 31 January 2024, and are subject to compliance with the financial covenants and undertakings described below.

As of 30 September 2020, there was an aggregate principal amount of €6.6 of borrowings outstanding under the 2019 VFZ Financing Facilities.

Interest Rates

Interest will accrue on each Interest Bearing Loan daily from and including the first day of an interest period and is payable on the date that is one Business Day before the last day of each interest period and on the date of any repayment or prepayment of an Interest Bearing Loan, and is calculated on the basis of a 360-day year comprised of twelve 30 day months. The interest period for each Interest Bearing Loan will commence on the Utilization Date for that Interest Bearing Loan and end on the next 2019 VFZ Financing Facility Interest Payment Date, and each successive interest period shall commence on a 2019 VFZ Financing Facility Interest Payment Date and end on the next 2019 VFZ Financing Facility Interest Payment Date.

Guarantees and Security

The 2019 VFZ Financing Facility is guaranteed by, among others, VodafoneZiggo, VZ Financing I B.V. and VZ Financing II B.V. (together with VZ Financing I B.V., the “**2019 VFZ Financing Facility Obligators**”). Any subsidiary of VZ Financing I B.V. which accedes to the Accounts Payable Management Services Agreement in accordance with its terms shall also be a guarantor under the 2019 VFZ Financing Facility Agreement (unless, with respect to a particular subsidiary, the 2019 VFN Transaction Documents stipulate otherwise), and any subsidiary of VZ Financing I B.V. which resigns from the Accounts Payable Management Services Agreement in accordance with its terms (and the applicable terms of the 2019 VFN Transaction Documents) shall cease to be a guarantor under the 2019 VFZ Financing Facility Agreement. The indebtedness under the 2019 VFZ Financing Facility Agreement is unsecured.

Repayments and Prepayments

The 2019 VFZ Financing Excess Cash Loans will be repaid pursuant to prior notice from the Administrator confirming that the 2019 VFN Issuer requires cash (i) for the purchase of receivables in connection with the 2019 VFN Transactions, (ii) for the redemption of all or part of 2019 Vendor Financing Notes, or (iii) for cash in connection with a 2019 Vendor Financing Notes Approved Exchange Offer; *provided that*, VZ Financing I B.V. will also repay all outstanding 2019 VFZ Financing Excess Cash Loans by one Business Day before the earlier of (i) the 2019 VFZ Financing Facility Agreement Termination Date relating to the 2019 VFZ Financing Excess Cash Facility and (ii) any date for redemption of all the 2019 Vendor Financing Notes in full.

The 2019 VFZ Financing Interest Facility Loans will be repaid (or deemed repaid, as the case may be) (i) pursuant to prior notice from the Administrator confirming that the 2019 VFN Issuer requires cash for payment of interest due and payable on the 2019 Vendor Financing Notes (subject to the receipt of certain shortfall payments due from VZ Financing I B.V. in accordance with the terms of the 2019 VFZ Financing Facility Agreement), (ii) in an amount equal to a specified excess payment, if due and payable by the 2019 VFN Issuer under the 2019 VFZ Financing Facility Agreement, (iii) in an amount equal to the amount, if any, by which the amount standing to the credit of the Lender Interest Proceeds Account (as defined in the 2019 VFZ Financing Facility Agreement) will be insufficient to pay the interest due and payable by the 2019 VFN Issuer on the 2019 Vendor Financing Notes on any date for redemption of the 2019 Vendor Financing Notes that is not a 2019 VFZ Financing Facility Interest Payment Date, or (iv) pursuant to prior notice from the Administrator confirming that the 2019 VFN Issuer requires cash in connection with a 2019 Vendor Financing Notes Approved Exchange Offer; *provided that*, VZ Financing I B.V. will also repay all outstanding 2019 VFZ Financing Interest Facility Loans by one Business Day before the earlier of (i) the 2019 VFZ Financing Facility Agreement Termination Date relating to the 2019 VFZ Financing Interest Facility and (ii) any date for redemption of all the 2019 Vendor Financing Notes in full.

The 2019 VFZ Financing Issue Date Facility Loan will be repaid on or before the 2019 VFZ Financing Facility Agreement Termination Date relating to the 2019 VFZ Financing Issue Date Facility.

In addition to the repayments described above, the 2019 VFZ Financing Facility Agreement contains provisions in relation to voluntary prepayment. VZ Financing I B.V. may prepay all of the 2019 VFZ Financing Facility Loans and cancel all of the Commitments of the 2019 VFN Issuer on three Business Days’ (or shorter period as agreed by the Administrator) prior notice, subject to certain provisions. Following receipt of notice from the 2019 VFN Issuer that a Tax Event has occurred or will occur, on three Business Days’ (or shorter period as agreed by the Administrator) prior notice, VZ Financing I B.V. is permitted to prepay all of the 2019 VFZ Financing Facility Loans and cancel all of the Commitments of the 2019 VFN Issuer, subject to certain provisions. Additionally, for so long as a Drawstop Event has occurred and is continuing, on three Business Days’ (or shorter period as agreed by the Administrator) prior notice, VZ Financing I B.V. is permitted to prepay

all or part of the 2019 VFZ Financing Interest Facility Loans and/or 2019 VFZ Financing Excess Cash Loans, but such prepayment shall not result in the cancellation of the Commitments of the 2019 VFN Issuer.

The 2019 VFZ Financing Facility must also be prepaid (including all receivables assigned to the 2019 VFN Issuer pursuant to the platform documentation entered into in connection with the 2019 VFN Transactions) on the occurrence of any illegality (as described in the 2019 VFZ Financing Facility Agreement) subject to certain conditions.

Automatic Cancellation

Any unutilized amount of a 2019 VFZ Financing Facility will be automatically cancelled on the earlier of: (i) the end of its Availability Period; and (ii) the redemption of all of the 2019 Vendor Financing Notes in full.

Events of Default

The 2019 VFZ Financing Facility Agreement contains certain customary events of default (each, an “**2019 VFZ Financing Facility Event of Default**”), the occurrence of which, subject to certain agreed exceptions, thresholds, materiality and grace periods, would allow the 2019 VFN Issuer (by notice to VZ Financing I B.V.) to (i) cancel the Total Commitments, (ii) accelerate all outstanding 2019 VFZ Financing Facility Loans, (iii) declare that all or part of the 2019 VFZ Financing Facility Loans be payable on demand and/or (iv) exercise any or all of its rights, remedies, powers or discretions under the 2019 VFZ Financing Facility Finance Documents.

Undertakings

The 2019 VFZ Financing Facility Agreement includes certain negative undertakings that, subject to certain customary and other agreed exceptions, limit the ability of VZ Financing I B.V., any Permitted Affiliate Parent and each Restricted Subsidiary to, among other things: (i) incur or guarantee additional indebtedness and issue certain preferred stock; (ii) pay dividends, redeem capital stock and make certain investments; (iii) make certain other restricted payments; (iv) create or permit to exist certain liens; (v) impose restrictions on the ability of Restricted Subsidiaries to pay dividends or make other payments to VZ Financing I B.V., any Permitted Affiliate Parent or any other Restricted Subsidiary; (vi) transfer, lease or sell certain assets including subsidiary stock; (vii) merge or consolidate with other entities; and (viii) enter into certain transactions with affiliates.

- pay, repay, prepay, redeem, acquire or defease any principal, interest or other amount on or in respect of, or make any distribution in respect of, any Senior Unsecured Notes Liabilities in cash or in kind or apply any such money or property in or towards discharge of any Senior Unsecured Notes Liabilities except as permitted by the provisions set out below under the captions “—*Permitted Senior Unsecured Note Payments*”, “—*Permitted Senior Unsecured Notes Guarantee and Proceeds Loan Enforcement*”, and the fourth paragraph under the caption “—*Effect of Insolvency Event; Filing of Claims*” or by a refinancing of the Senior Unsecured Notes as permitted by the Group Priority Agreement;
- exercise any set-off against any Senior Unsecured Notes Liabilities, except as permitted by the provisions set out in the caption “—*Permitted Senior Unsecured Note Payments*” below, the provisions set out in the caption “—*Restrictions on Senior Unsecured Notes Enforcement*” below or the fourth paragraph under the caption “—*Effect of Insolvency Event; Filing of Claims*” below; or
- create or permit to subsist any security over any assets of any member of the Bank Group or give any guarantee (and the Senior Unsecured Notes Trustee may not, and no holder of Senior Unsecured Notes may, accept the benefit of any such security or guarantee) from any member of the Bank Group for, or in respect of, any Senior Unsecured Notes Liabilities other than guarantees from those entities that are guarantors under the Original Credit Facility, the Senior Secured Notes and the Pari Passu Debt (the “**Senior Unsecured Notes Guarantees**”) which are subject to payment blockage, subordination and turnover provisions substantially similar to those in the Group Priority Agreement.

Permitted Senior Unsecured Note Payments

Prior to the Senior Secured Discharge Date, the Debtors may make payments to the Senior Unsecured Notes creditors in respect of the Senior Unsecured Notes Liabilities then due in accordance with the indenture in

respect of the Senior Unsecured Notes (the “**Senior Unsecured Notes Indenture**”) (such payments, collectively, “**Permitted Senior Unsecured Note Payments**”):

- (i) if:
 - (A) the payment is of:
 - (I) any of the principal amount of the Senior Unsecured Notes Liabilities which is permitted to be paid by the Original Credit Facility and is not prohibited from being paid by the indenture in respect of the Senior Secured Notes (the “**Senior Secured Notes Indenture**”) or the Pari Passu Debt Documents pursuant to which any Pari Passu Debt is outstanding; or
 - (II) any other amount which is not an amount of principal or capitalised interest;
 - (B) no Senior Unsecured Notes payment stop notice is outstanding; and
 - (C) no payment default under the Original Credit Facility or the Senior Secured Notes or the Pari Passu Debt Documents (excluding a payment default under those documents not constituting principal, interest or fees and not exceeding €250,000) (“**Senior Secured Payment Default**”) has occurred and is continuing;
- (ii) if those lenders under the Original Credit Facility and those Hedge Counterparties whose senior credit participations at any time aggregate more than 66 2/3 of the total senior credit participations at that time (the “**Majority Senior Creditors**”), the Senior Secured Notes Trustee and the Pari Passu Debt Representative give prior consent to that payment being made;
- (iii) if the payment is of certain amounts due to the Senior Unsecured Notes Trustee Amounts;
- (iv) certain defined permitted administrative costs and note security costs payable by the Senior Unsecured Notes Issuer;
- (v) costs, commissions, taxes, consent fees and expenses incurred in respect of (or reasonably incidental to) the Senior Unsecured Notes Indenture (including in relation to any reporting or listing requirements under the Senior Unsecured Notes Indenture);
- (vi) of any other amount not exceeding €100,000 (or its equivalent in other currencies) in aggregate in any twelve month period;
- (vii) costs, commissions, taxes, premiums and any expenses incurred in respect of (or reasonably incidental to) any refinancing of the Senior Unsecured Notes in compliance with the Group Priority Agreement and the Original Credit Facility; or
- (viii) the principal amount of the Senior Unsecured Notes Liabilities on or after the final maturity date of the Senior Unsecured Notes Liabilities (provided that, such maturity date is as contained in the relevant Senior Unsecured Notes finance documents as originally entered into).

On or after the Senior Secured Discharge Date, the Debtors may make payments to the Senior Unsecured Notes creditors in respect of the Senior Unsecured Notes Liabilities in accordance with the Senior Unsecured Notes finance documents.

Payment Blockage Provisions

Until the Senior Secured Discharge Date, except with the prior consent of the Senior Agent, the consent of the Senior Secured Notes Trustee and the consent of the representative of the Pari Passu Creditors (the “**Pari Passu Debt Representative**”), and subject to the provisions set out under the caption “—*Effect of Insolvency Event; Filing of Claims*” below, ABC B.V. shall not make (and shall procure that its subsidiaries shall not), and neither the Senior Unsecured Notes Trustee nor the holder of Senior Unsecured Notes may receive from ABC B.V. or any of its subsidiaries, any Permitted Senior Unsecured Note Payment (other than certain amounts due to the Senior Unsecured Notes Trustee for its own account) if:

- a Senior Secured Payment Default is continuing; or
- an event of default under the Original Credit Facility or the Senior Secured Notes Indenture or a Pari Passu Debt Document (a “**Senior Secured Event of Default**”) (other than a Senior Secured Payment Default) is continuing, from the date of receipt by the Senior Unsecured Notes Trustee of a stop notice from the Senior Agent or the Senior Secured Notes Trustee or the Pari Passu Debt Representative (as

the case may be) specifying the event or circumstance in relation to that Senior Secured Event of Default to ABC B.V., the Security Agent and the Senior Unsecured Notes Trustee until the earliest of:

- the date falling 179 days after receipt by the Senior Unsecured Notes Trustee of that payment stop notice;
- in relation to payments of Senior Unsecured Notes Liabilities, if a Senior Unsecured Notes standstill period is in effect at any time after delivery of that payment stop notice, the date on which that standstill period expires;
- the date on which the relevant Senior Secured Event of Default has been remedied or waived in accordance with the Original Credit Facility or the Senior Secured Notes Indenture or the Pari Passu Debt Documents (as applicable);
- the date on which the Senior Agent or the Senior Secured Notes Trustee or the Pari Passu Debt Representative (as applicable) delivers a notice to ABC B.V., the Security Agent and the Senior Unsecured Notes Trustee cancelling the relevant payment stop notice;
- the Senior Secured Discharge Date; and
- the date on which the Security Agent or the Senior Unsecured Notes Trustee takes Enforcement Action permitted under the Group Priority Agreement against a Debtor.

Unless the Senior Unsecured Notes Trustee waives this requirement, (i) a new Senior Unsecured Notes payment stop notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Senior Unsecured Notes payment stop notice; and (ii) no Senior Unsecured Notes payment stop notice may be delivered in reliance on a Senior Secured Event of Default more than 45 days after the date the Senior Agent, the Senior Secured Notes Trustee and the Pari Passu Debt Representative (as applicable) received notice of that Senior Secured Event of Default.

The Senior Agent, the Pari Passu Debt Representative and the Senior Secured Notes Trustee may only serve one Senior Unsecured Notes payment stop notice with respect to the same event or set of circumstances. Subject to the immediately preceding paragraph, this shall not affect the right of the Senior Agent, the Pari Passu Debt Representative or the Senior Secured Notes Trustee to issue a Senior Unsecured Notes payment stop notice in respect of any other event or set of circumstances. No Senior Unsecured Notes payment stop notice may be served by the Senior Agent, the Pari Passu Debt Representative or the Senior Secured Notes Trustee in respect of a Senior Secured Event of Default which had been notified to the Senior Agent, the Pari Passu Debt Representative or the Senior Secured Notes Trustee at the time at which an earlier Senior Unsecured Notes payment stop notice was issued.

Any failure to make a payment due under a Senior Unsecured Notes Indenture as a result of the issue of a Senior Unsecured Notes payment stop notice or the occurrence of a Senior Secured Payment Default shall not prevent (i) the occurrence of an event of default (however defined in the Senior Unsecured Notes Indenture) as a consequence of that failure to make a payment in relation to the relevant Senior Unsecured Notes finance documents; or (ii) the issue of a Senior Unsecured Notes enforcement notice on behalf of the Senior Unsecured Notes creditors.

Payment Obligations and Capitalization of Interest Continue

No Debtor shall be released from the liability to make any payment (including of default interest, which shall continue to accrue) under any Senior Unsecured Notes finance document (including the Senior Unsecured Notes Indenture) by the operation of the provisions set out under each section above under the caption “—Restrictions relating to Senior Unsecured Notes” even if its obligation to make such payment is restricted at any time by the terms of any of those provisions.

The accrual and capitalization of interest (if any) in accordance with the Senior Unsecured Note finance documents shall continue notwithstanding the issue of a Senior Unsecured Notes payment stop notice.

Restrictions on Amendments and Waivers

Subject to the following paragraph, the Group Priority Agreement provides that the Senior Unsecured Notes creditors may amend or waive the terms of the Senior Unsecured Notes finance documents (other than the Group Priority Agreement or any security document) in accordance with their terms at any time.

Prior to the Senior Secured Discharge Date, the Senior Unsecured Notes Trustee may not amend or waive the terms of the Senior Unsecured Notes where to do so would result in the Senior Unsecured Notes Finance Documents not being in compliance with the terms of the Original Credit Facility:

- (i) without the consent of the Majority Senior Creditors;
- (ii) (where to do so would not be in compliance with the Pari Passu Debt Documents) without the consent of the Pari Passu Debt Representative; and
- (iii) (where to do so would not be in compliance with the Senior Secured Notes) without the consent of the Senior Secured Notes Trustee.

Restrictions on Senior Unsecured Notes Enforcement

Until the Senior Secured Discharge Date, except with the prior consent of or as required by an Instructing Group, neither the Senior Unsecured Notes Trustee nor any holders of Senior Unsecured Notes shall take or require the taking of any Enforcement Action in relation to:

- (i) the Senior Unsecured Notes Guarantees; and/or
- (ii) any Proceeds Loan, except as permitted under the provisions set out under the caption “—*Permitted Senior Unsecured Notes Guarantee and Proceeds Loan Enforcement*” below, provided however, that no such action required by the Security Agent need be taken except to the extent the Security Agent otherwise is entitled under the Group Priority Agreement to direct such action.

“**Enforcement Action**” is defined as:

- in relation to any liabilities:
 - the acceleration of any liabilities or the making of any declaration that any liabilities are prematurely due and payable (other than as a result of it becoming unlawful for a Senior Lender, a holder of Senior Secured Notes, a holder of Pari Passu Debt or a holder of Senior Unsecured Notes to perform its obligations under, or of any voluntary or mandatory prepayment arising under, the debt documents);
 - the making of any declaration that any liabilities are payable on demand;
 - the making of a demand in relation to a liability that is payable on demand;
 - the making of any demand against any member of the Bank Group in relation to any guarantee liabilities of that member of the Bank Group;
 - the exercise of any right to require any member of the Bank Group to acquire any liability (including exercising any put or call option against any member of the Bank Group for the redemption or purchase of any liability but excluding any mandatory prepayments or mandatory offers arising as a result of a change of control or asset sale (howsoever described) as set out in the Original Credit Facility, Senior Secured Notes finance documents, Senior Unsecured Notes finance documents or Pari Passu Debt Documents).
 - the exercise of any right of set-off, account combination or payment netting against any member of the Bank Group in respect of any liabilities other than the exercise of any such right:
 - as close-out netting by a Hedge Counterparty or by a hedging ancillary lender;
 - as payment netting by a Hedge Counterparty or by a hedging ancillary lender;
 - as inter-hedging agreement netting by a Hedge Counterparty;
 - as inter-hedging ancillary document netting by a hedging ancillary lender (the rights described in this and the preceding three bullet points of this paragraph, to be referred to as “**Permitted Netting**”);
 - which is otherwise expressly permitted under the Original Credit Facility, the Pari Passu Debt Documents, the Senior Secured Notes finance documents or the Senior Unsecured Notes finance documents to the extent that the exercise of that right gives effect to a permitted payment under the Group Priority Agreement;
 - the suing for, commencing or joining of any legal or arbitration proceedings against any member of the Bank Group to recover any liabilities; and

- the premature termination or close-out of any hedging transaction under any hedging agreement, save to the extent permitted by the Group Priority Agreement;
- the taking of any steps to enforce or require the enforcement of any security (including the crystallization of any floating charge forming part of the security),
- the entering into of any composition, compromise, assignment or similar arrangement with any member of the Bank Group which owes any liabilities, or has given any security, guarantee or indemnity or other assurance against loss in respect of the liabilities (other than any actions permitted under the Group Priority Agreement or any debt buy-backs pursuant to open market debt repurchases, tender offers or exchange offers not undertaken as part of an announced restructuring or turnaround plan or while a default was outstanding under the relevant finance documents); or
- the petitioning, applying or voting for, or the taking of any steps (including the appointment of any liquidator, receiver, administrator or similar officer) in relation to the winding up, dissolution, administration or reorganization of any member of the Bank Group which owes any liabilities, or has given any security, guarantee, indemnity or other assurance against loss in respect of any of the liabilities, or any of such member of the Bank Group's assets or any suspension of payments or moratorium of any indebtedness of any such member of the Bank Group, or any analogous procedure or step in any jurisdiction,

except that the following shall not constitute Enforcement Action:

- the taking of any action falling within the seventh paragraph of the first bullet point above or the bullet point immediately above which is necessary (but only to the extent necessary) to preserve the validity, existence or priority of claims in respect of liabilities, including the registration of such claims before any court or governmental authority and the bringing, supporting or joining of proceedings to prevent any loss of the right to bring, support or join proceedings by reason of applicable limitation periods; or
- a Primary Creditor, ancillary lender, Hedge Counterparty, issuing bank or the Senior Unsecured Note Trustee bringing legal proceedings against any person solely for the purpose of (A) obtaining injunctive relief (or any analogous remedy outside England and Wales) to restrain any actual or putative breach of any debt document to which it is party; (B) obtaining specific performance (other than specific performance of an obligation to make a payment) with no claim for damages; (C) requesting judicial interpretation of any provision of any debt document to which it is party with no claim for damages;
- bringing legal proceedings against any person in connection with any securities violation, securities or listing relations or common law fraud or to restrain any actual or putative breach of the Senior Unsecured Note finance documents or the Senior Secured Finance Documents or for specific performance with no claims for damages; or
- allegation of material misstatements or omissions made in connection with the offering materials relating to the Senior Secured Notes or the Senior Unsecured Notes or in reports furnished to any of the noteholders or trustees or any exchange on which the notes are listed pursuant to information and reporting requirements under any of the notes finance documents (as applicable).

Permitted Senior Unsecured Notes Guarantee and Proceeds Loan Enforcement

The restrictions set out in the caption “—*Restrictions on Senior Unsecured Notes Enforcement*” above will not apply in respect of the Senior Unsecured Notes Guarantee liabilities or any Proceeds Loan, if:

- an event of default (however defined in the Senior Unsecured Notes Indenture) (other than solely by reason of a cross default (other than a cross default arising from a Senior Secured Payment Default) arising from a Senior Secured Notes event of default) (the “**Relevant Senior Unsecured Note Default**”) is continuing;
- the Senior Agent has received a notice of the Relevant Senior Unsecured Note Default specifying the event or circumstance in relation to the Relevant Senior Unsecured Note Default from the Senior Unsecured Note Trustee;
- a Senior Unsecured Note Standstill Period (as defined below) has elapsed or otherwise terminated; and
- the Relevant Senior Unsecured Note Default is continuing at the end of the relevant Senior Unsecured Note Standstill Period.

Additionally, the restrictions set out in the caption “—*Restrictions on Senior Unsecured Notes Enforcement*” above will not apply in respect of the Senior Unsecured Notes Guarantee liabilities or any Proceeds Loan, if an Insolvency Event (other than as a result of any action taken by any Senior Unsecured Notes finance party) has occurred with respect to (i) a Senior Unsecured Notes Guarantor, in which case, Enforcement Action may be taken against the Senior Unsecured Notes Guarantor subject to that Insolvency Event (only), or (ii) a Senior Unsecured Notes Guarantor whose earnings before interest, tax, depreciation and amortisation (calculated on an unconsolidated basis but otherwise on the same basis as consolidated EBITDA) represent 10% or more of consolidated EBITDA or whose gross assets (excluding intra-group items) represents 10% or more of the gross assets of the Bank Group, in which case a Senior Unsecured Notes creditor may take Enforcement Action against any member of the Bank Group.

Promptly upon becoming aware of an Event of Default (as defined in the Senior Unsecured Notes Indenture) (a “**Senior Unsecured Note Default**”), the Senior Unsecured Notes Trustee may by notice (a “**Senior Unsecured Note Enforcement Notice**”) in writing notify the Senior Agent, the Pari Passu Debt Representative and the Senior Secured Notes Trustee of the existence of such Senior Unsecured Note Default.

Senior Unsecured Note Standstill Period

In relation to a relevant Senior Unsecured Note Default, a “**Senior Unsecured Note Standstill Period**” shall mean the period beginning on the date (the “**Senior Unsecured Note Standstill Start Date**”) the Senior Agent, the Senior Secured Notes Trustee and the Pari Passu Debt Representative receive a Senior Unsecured Note Enforcement Notice from the Senior Unsecured Notes Trustee in respect of a Senior Unsecured Note Default and ending on the earlier to occur of:

- (i) the date falling 179 days after the Senior Unsecured Note Standstill Start Date (the “**Senior Unsecured Note Standstill Period**”);
- (ii) the date the creditors under the Original Credit Facility and Senior Secured Notes and Pari Passu Debt Documents and the Hedge Counterparties (together the “**Senior Secured Creditors**”) take any Enforcement Action in relation to a particular guarantor of the Senior Unsecured Notes (a “**Senior Unsecured Note Guarantor**”), provided however, that:
 - (A) if a Senior Unsecured Note Standstill Period ends pursuant to this paragraph, the holders of the Senior Unsecured Notes and Senior Unsecured Notes Trustee may only take the same Enforcement Action in relation to the Senior Unsecured Note Guarantor as the Enforcement Action taken by the Senior Secured Creditors against such Senior Unsecured Note Guarantor and not against any other member of the Bank Group; and
 - (B) Enforcement Action for the purpose of this paragraph shall not include action taken to preserve or protect any security as opposed to realise it;
- (iii) the expiry of any other Senior Unsecured Note Standstill Period outstanding at the date such first mentioned Senior Unsecured Note Standstill Period commenced (unless that expiry occurs as a result of a cure, waiver or other permitted remedy);
- (iv) the date on which the Senior Agent, Senior Secured Notes Trustee and Pari Passu Debt Representative (to the extent prior to the relevant discharge date) give their consent to the termination of the relevant Senior Unsecured Note Standstill Period; and
- (v) a failure to pay the principal amount outstanding on the Senior Unsecured Notes at the final stated maturity of the Senior Unsecured Notes.

Subsequent Senior Unsecured Note Defaults

The Senior Unsecured Note finance parties and the Senior Unsecured Notes Issuer, as applicable, may take Enforcement Action under the provisions set out in the caption “—*Permitted Senior Unsecured Notes Guarantee and Proceeds Loan Enforcement*” above in relation to a Senior Unsecured Note Default even if, at the end of any relevant Senior Unsecured Note Standstill Period or at any later time, a further Senior Unsecured Note Standstill Period has begun as a result of any other Senior Unsecured Note Default.

Effect of Insolvency Event; Filing of Claims

The Group Priority Agreement provides that, after the occurrence of an Insolvency Event in relation to any member of the Bank Group, any party entitled to receive a distribution out of the assets of that member of the

Bank Group in respect of liabilities owed to that party shall, to the extent it is able to do so, direct the person responsible for the distribution of the assets of that member of the Bank Group to pay that distribution to the Security Agent until the liabilities owing to the secured parties have been paid in full. In this respect, the Security Agent shall apply distributions paid to it in accordance with the provisions set out under the caption “—*Application of Proceeds*” below.

Generally, to the extent that any member of Bank Group’s liabilities are discharged by way of set-off (mandatory or otherwise) after the occurrence of an Insolvency Event in relation to that member of the Bank Group, any creditor which benefited from that set-off shall pay an amount equal to the amount of the liabilities owed to it which are discharged by that set-off to the Security Agent for application in accordance with the provisions set out in the caption “—*Application of Proceeds*” below. Certain exceptions apply to this obligation including Permitted Netting (as defined under the caption “—*Restrictions on Senior Unsecured Notes Enforcement*”).

If the Security Agent or any other secured party receives a distribution in a form other than in cash in respect of any of the liabilities, the liabilities will not be reduced by that distribution until and except to the extent that the realization proceeds are actually applied towards the liabilities.

After the occurrence of an Insolvency Event in relation to any member of Bank Group, each creditor irrevocably authorises the Security Agent, on its behalf, to:

- (i) take any Enforcement Action (in accordance with the terms of the Group Priority Agreement) against that member of the Bank Group;
- (ii) demand, sue, prove and give receipt for any or all of that member of Bank Group’s liabilities;
- (iii) collect and receive all distributions on, or on account of, any or all of that member of Bank Group’s liabilities; and
- (iv) file claims, take proceedings and do all other things the Security Agent considers reasonably necessary to recover that member of the Bank Group’s liabilities.

Each creditor will (i) do all things that the Security Agent reasonably requests in order to give effect to the matters disclosed under this section and (ii) if the Security Agent is not entitled to take any of the actions contemplated by this section or if the Security Agent requests that a creditor take that action, undertake that action itself in accordance with the instructions of the Security Agent or grant a power of attorney to the Security Agent (on such terms as the Security Agent may reasonably require, although no trustee shall be under any obligation to grant such powers of attorney) to enable the Security Agent to take such action.

Turnover

Subject to certain exceptions, the Group Priority Agreement provides that if any creditor receives or recovers from any member of the Bank Group:

- (i) any payment or distribution of, or on account of or in relation to, any of the liabilities which is not either (x) a payment permitted under the Group Priority Agreement or (y) made in accordance with the provisions set out below under the caption “—*Application of Proceeds*”;
- (ii) any amount by way of set-off in respect of any of the liabilities owed to it which does not give effect to a payment permitted under the Group Priority Agreement;
- (iii) any amount:
 - (A) on account of, or in relation to, any of the liabilities:
 - (I) after the occurrence of an acceleration event or the enforcement of any security; or
 - (II) as a result of any other litigation or proceedings against a member of the Bank Group (other than after the occurrence of an Insolvency Event in respect of that member of the Bank Group); or
 - (B) by way of set-off in respect of any of the liabilities owed to it after the occurrence of an acceleration event or the enforcement of any security,

other than, in each case, any amount received or recovered in accordance with the provisions set out below under the caption “—*Application of Proceeds*”;

- (iv) the proceeds of any enforcement of any security except in accordance with the provisions set out below under the caption “—Application of Proceeds”; or
- (v) any distribution in cash or in kind or payment of, or on account of or in relation to, any of the liabilities owed by any member of the Bank Group which is not in accordance with the provisions set out below under the caption “—Application of Proceeds” and which is made as a result of, or after, the occurrence of an insolvency event in respect of that member of the Bank Group,

that creditor will: (i) in relation to receipts and recoveries not received or recovered by way of set-off (x) hold an amount of that receipt or recovery equal to the relevant liabilities (or if less, the amount received or recovered) on trust for the Security Agent and promptly pay that amount to the Security Agent for application in accordance with the terms of the Group Priority Agreement and (y) promptly pay an amount equal to the amount (if any) by which the receipt or recovery exceeds the relevant liabilities to the Security Agent for application in accordance with the terms of the Group Priority Agreement; and (ii) in relation to receipts and recoveries received or recovered by way of set-off, promptly pay an amount equal to that recovery to the Security Agent for application in accordance with the terms of the Group Priority Agreement.

Enforcement of Security

Enforcement Instructions

The Security Agent may refrain from enforcing the security unless instructed otherwise by the Instructing Group.

Subject to the security having become enforceable in accordance with its terms the Instructing Group may give, or refrain from giving, instructions to the Security Agent to enforce, or refrain from enforcing, the security as they see fit.

No secured party shall have any independent power to enforce, or to have recourse to enforce, any security or to exercise any rights or powers arising under the security documents except through the Security Agent.

Manner of Enforcement

If the security is being enforced as set forth above under the caption “—*Enforcement Instructions*,” the Security Agent shall enforce the security in such manner (including, without limitation, the selection of any administrator of any Debtor to be appointed by the Security Agent) as the Instructing Group shall instruct or, in the absence of any such instructions, as the Security Agent sees fit.

Exercise of Voting Rights

Each creditor agrees with the Security Agent that it will cast its vote in any proposal put to the vote by, or under the supervision of, any judicial or supervisory authority in respect of any insolvency, pre-insolvency or rehabilitation or similar proceedings relating to any member of the Bank Group as instructed by the Security Agent. The Security Agent shall give instructions for the purposes of this paragraph as directed by an Instructing Group; it being understood that, absent such instructions, the Security Agent may elect to take no action.

Waiver of Rights

To the extent permitted under applicable law and subject to certain provisions of the Group Priority Agreement, each of the secured parties and the Debtors waives all rights it may otherwise have to require that the security be enforced in any particular order or manner or at any particular time, or that any sum received or recovered from any person, or by virtue of the enforcement of any of the security or of any other security interest, which is capable of being applied in or towards discharge of any of the secured obligations, is so applied.

Proceeds of Disposals

Distressed Disposals—General

A “**Distressed Disposal**” is a disposal of an asset or shares of a member of the Bank Group which is (a) being effected at the request of an Instructing Group in circumstances where the security has become enforceable, (b) being effected by enforcement of the security or (c) being disposed of by a Debtor to a person or persons which are not a member of the Bank Group subsequent to an acceleration event or the enforcement of any security.

If a Distressed Disposal of any asset is being effected, the Security Agent is irrevocably authorised (at the cost of the relevant Debtor or ABC B.V. and without any consent, sanction, authority or further confirmation from any creditor or Debtor):

- (i) to release the security or any other claim over that asset and execute and deliver or enter into any release of that security or claim and issue any letters of non-crystallization of any floating charge or any consent to dealing that may, in the discretion of the Security Agent, be considered necessary or desirable;
- (ii) if the asset which is disposed of consists of shares in the capital of a Debtor to release:
 - (A) that Debtor and any subsidiary of that Debtor from all or any part of its borrowing liabilities, its guarantee liabilities and its other liabilities;
 - (B) any security granted by that Debtor or any subsidiary of that Debtor over any of its assets; and
 - (C) any other claim of an intra-group lender, a subordinated creditor, or another Debtor over that Debtor's assets or over the assets of any subsidiary of that Debtor,on behalf of the relevant creditors, Senior Agent, senior arrangers, Debtors, Senior Secured Notes Trustee, Pari Passu Debt Representative and the Senior Unsecured Note Trustee;
- (iii) if the asset which is disposed of consists of shares in the capital of any holding company of a Debtor to release:
 - (A) that holding company and any subsidiary of that holding company from all or any part of its borrowing liabilities, its guarantee liabilities and its other liabilities;
 - (B) any security granted by any subsidiary of that holding company over any of its assets; and
 - (C) any other claim of an intra-group lender, a subordinated creditor or another Debtor over the assets of that holding company and any subsidiary of that holding company,on behalf of the relevant creditors, Senior Agent, senior arrangers, Debtors, Senior Secured Notes Trustee, Pari Passu Debt Representative and the Senior Unsecured Notes Trustee;
- (iv) if the asset which is disposed of consists of shares in the capital of a Debtor or the holding company of a Debtor and the Security Agent (acting in accordance with the Group Priority Agreement) decides to dispose of all or any part of the liabilities or the Debtor liabilities owed by that Debtor or holding company or any subsidiary of that Debtor or holding company:
 - (A) (if the Security Agent (acting in accordance with the Group Priority Agreement) does not intend that any transferee of those liabilities or Debtor liabilities (the "**Transferee**") will be treated as a Primary Creditor or a secured party for the purposes of the Group Priority Agreement), to execute and deliver or enter into any agreement to dispose of all or part of those liabilities or Debtor liabilities, provided that, notwithstanding any other provision of any debt document, the Transferee shall not be treated as a Primary Creditor or a secured party for the purposes of the Group Priority Agreement; and
 - (B) (if the Security Agent (acting in accordance with the Group Priority Agreement) does intend that any Transferee will be treated as a Primary Creditor or a secured party for the purposes of the Group Priority Agreement), to execute and deliver or enter into any agreement to dispose of all (and not part only) of the liabilities owed to the Primary Creditors and all or part of any other liabilities and the Debtor liabilities, on behalf of, in each case, the relevant creditors and Debtors;
- (v) if the asset which is disposed of consists of shares in the capital of a Debtor or the holding company of a Debtor (the "**Disposed Entity**") and the Security Agent (acting in accordance with the Group Priority Agreement) decides to transfer to another Debtor (the "**Receiving Entity**") all or any part of the Disposed Entity's obligations or any obligations of any subsidiary of that Disposed Entity in respect of the intra-group liabilities or the Debtor liabilities, to execute and deliver or enter into any agreement to:
 - (A) agree to the transfer of all or part of the obligations in respect of those intra-group liabilities or Debtor liabilities on behalf of the relevant intra-group lenders and Debtors to which those obligations are owed and on behalf of the Debtors which owe those obligations; and
 - (B) (provided the Receiving Entity is a holding company of the Disposed Entity which is also a guarantor of senior secured liabilities) to accept the transfer of all or part of the obligations in respect of those intra-group liabilities or Debtor liabilities on behalf of the Receiving Entity or Receiving Entities to which the obligations in respect of those intra-group liabilities or Debtor liabilities are to be transferred.

The net proceeds of each Distressed Disposal (and the net proceeds of any disposal of liabilities or Debtor liabilities) shall be paid to the Security Agent (as the case may be) for application in accordance with the provisions set out below under the caption “—*Application of Proceeds*” as if those proceeds were the proceeds of an enforcement of the security and, to the extent that any disposal of liabilities or Debtor liabilities has occurred, as if that disposal of liabilities or Debtor liabilities had not occurred.

In the case of a Distressed Disposal (or a disposal of liabilities as described in (iv)(B) above) effected by, or at the request of, the Security Agent (acting in accordance with the Group Priority Agreement), the Security Agent shall take reasonable care to obtain a fair market price in the prevailing market conditions (though the Security Agent shall not have any obligation to postpone any such Distressed Disposal or disposal of liabilities in order to achieve a higher price).

Where borrowing liabilities in respect of any senior secured debt would otherwise be released pursuant to the Group Priority Agreement, the creditor concerned may elect to have those borrowing liabilities transferred to a holding company or any other Senior Unsecured Notes Issuer in which case the Security Agent is irrevocably authorised (at the cost of the relevant Debtor or Senior Unsecured Notes Issuer and without any consent, sanction, authority or further confirmation from any creditor or Debtor) to execute such documents as are required to so transfer those borrowing liabilities.

If on or after the date that Senior Unsecured Notes are issued, but before the discharge date for such Senior Unsecured Notes, a Distressed Disposal is being effected such that the Senior Unsecured Notes Guarantees and the Proceeds Loans will be released pursuant to the Group Priority Agreement, it is a further condition to the release that either:

- the Senior Unsecured Notes Trustee has approved the release; or
- where shares or assets of a Senior Unsecured Notes Guarantor or assets of the Senior Unsecured Notes Issuer are sold:
 - (A) the proceeds of such sale or disposal are in cash (or substantially in cash);
 - (B) all claims of the Senior Secured Creditors against a member of the Bank Group (if any), all of whose shares are pledged in favour of the senior finance parties are sold or disposed of pursuant to such Enforcement Action, are unconditionally released and discharged or sold or disposed of concurrently with such sale (and not assumed by the purchaser or one of its affiliates), and all security under the security documents in respect of the assets that are sold or disposed of is simultaneously and unconditionally released and discharged concurrently with such sale; and
 - (C) such sale or disposal (including any sale or disposal of any claim) is made:
 - (I) pursuant to a public auction; or
 - (II) where an independent internationally recognized investment bank or an independent internationally recognised firm of accountants or a reputable independent internationally recognized third party professional firm regularly engaged in providing valuations in respect of the relevant type and size of asset, in each case selected by the Security Agent (acting on the instructions of the Instructing Group) has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement provided that, the liability of such investment bank or internationally recognised firm of accountants or other third party firm in giving such opinion may be limited to the amount of its fees in respect of such engagement; and
 - (D) the proceeds are applied in accordance with the caption “—*Application of Proceeds*”, below.

For the purposes of clauses (ii), (iii), (iv), and (v) above and the immediately preceding clause (C), the Security Agent shall act:

- if the relevant Distressed Disposal is being effected by way of enforcement of the security, in accordance with the provisions set out under the caption “—*Manner of Enforcement*” above; and
- in any other case, (a) on the instructions of the Instructing Group or (b) in the absence of any such instructions, as the Security Agent sees fit.

Application of Proceeds

The Group Priority Agreement provides that all amounts from time to time received or recovered by the Security Agent pursuant to the terms of any debt document or in connection with the realization or enforcement of all or any part of the security (for the purposes of this section, the “**Bank Group Recoveries**”) shall be held by the Security Agent on trust, to the extent legally permitted, to apply them at any time as the Security Agent (in its discretion) sees fit, to the extent permitted by applicable law (and subject to the provisions of this section), in the following order of priority:

- (i) in discharging any sums owing to the Security Agent, any receiver or any delegate on a *pari passu* basis;
- (ii) in discharging all sums owing to the Senior Agent, Pari Passu Debt Representative and Senior Secured Notes Trustee (in each case in their capacity as such) on a *pari passu* basis;
- (iii) in payment of all costs and expenses incurred by any agent or Senior Secured Creditor in connection with any realization or enforcement of the security taken in accordance with the terms of the Group Priority Agreement or any action taken at the request of the Security Agent under the Group Priority Agreement;
- (iv) in payment to:
 - (A) the Senior Agent on its own behalf and on behalf of the senior arrangers and the Senior Lenders;
 - (B) each Pari Passu Debt Representative on its own behalf and on behalf of the Pari Passu Creditors;
 - (C) each Senior Secured Notes Trustee on its own behalf and on behalf of the holders of the Senior Secured Notes; and
 - (D) each Hedge Counterparty,for application towards the discharge of:
 - (I) the liabilities of the Debtors owed to the arrangers under the Original Credit Facility and the Senior Lender Liabilities (in accordance with the terms of the senior finance documents);
 - (II) the Pari Passu Liabilities (in accordance with the terms of the Pari Passu Debt Documents);
 - (III) the Senior Secured Notes Liabilities (in accordance with the terms of the Senior Secured Notes Indenture); and
 - (IV) the Hedging Liabilities (on a pro rata basis between the Hedging Liabilities of each Hedge Counterparty),on a pro rata basis and ranking *pari passu* between the four immediately preceding paragraphs (I), (II), (III) and (IV) above;
- (v) (in respect of amounts received in respect of guarantee liabilities or the proceeds loan) in payment to the Senior Unsecured Notes Trustee for application towards the discharge of the Senior Unsecured Notes Liabilities; and
- (vi) the balance, if any, in payment to the relevant Debtor.

Equalization of the Senior Secured Creditors

The Group Priority Agreement provides that if, for any reason, any senior secured liabilities remain unpaid after the enforcement date and the resulting losses are not borne by the Senior Secured Creditors in the proportions which their respective exposures at the enforcement date bore to the aggregate exposures of all the Senior Secured Creditors at the enforcement date, the Senior Secured Creditors (subject, in the case of amounts owing to the trustees, to the terms of the Group Priority Agreement) will make such payments amongst themselves as the Security Agent shall require to put the Senior Secured Creditors in such a position that (after taking into account such payments) those losses are borne in those proportions.

Required Consents

The Group Priority Agreement provides that, subject to certain exceptions, it may be amended or waived only with the consent of the agents (including the Senior Agent), the Majority Lenders (as defined in the Existing Credit Facility), the Senior Secured Notes Trustee, the Pari Passu Debt Representative, the Senior Unsecured Notes Trustee, the Security Agent and ABC B.V.

An amendment or waiver of the Group Priority Agreement that has the effect of changing or which relates to, among other things, the provisions set out in this section under the caption “—*Required Consents*”, the provisions set out above under the caption “—*Application of Proceeds*” or the order of priority or subordination under the Group Priority Agreement shall not be made without the consent of:

- (i) the agents (including the Senior Agent);
- (ii) the Senior Lenders;
- (iii) the Pari Passu Debt Representative;
- (iv) the Senior Secured Notes Trustee;
- (v) the Senior Unsecured Notes Trustee;
- (vi) each Hedge Counterparty (to the extent that the amendment or waiver would adversely affect the Hedge Counterparty); and
- (vii) the Security Agent.

The Group Priority Agreement may be amended by the agent (including the Senior Agent), the Senior Secured Notes Trustee, the Pari Passu Debt Representative, the Senior Unsecured Notes Trustee and the Security Agent, without the consent of any other party, to cure defects, resolve ambiguities or reflect changes in each case of a minor technical or administrative nature or as otherwise prescribed by the relevant finance documents.

Each note trustee shall, to the extent consented to by the requisite percentage of noteholders in accordance with the relevant indenture, act on such instructions in accordance therewith unless to the extent any amendments so consented to relate to any provision affecting the rights and obligations of a trustee in its capacity as such.

Amendments and Waivers: Security Documents

Subject to the paragraph below and to certain exceptions under the Group Priority Agreement and unless the provisions of any debt document expressly provide otherwise, the Security Agent may, if authorised by an Instructing Group, and if ABC B.V. consents, amend the terms of, waive any of the requirements of or grant consents under, any of the security documents which shall be binding on each party to the Group Priority Agreement.

Subject to the second and third paragraphs of the section captioned “—*Exceptions*” below, the prior consent of each class of Senior Secured Creditors is required to authorise any amendment or waiver of, or consent under, any security document which would adversely affect the nature or scope of the charged property or the manner in which the proceeds of enforcement of the security are distributed.

Exceptions

Subject to the two paragraphs immediately below, if the amendment, waiver or consent may impose new or additional obligations on, or withdraw or reduce the rights of, any party other than:

- (i) in the case of a Primary Creditor, in a way which affects, or would affect, Primary Creditors of that party’s class generally; or
- (ii) in the case of a Debtor, to the extent consented to by ABC B.V. under the Group Priority Agreement, the consent of that party is required.

Subject to the paragraph immediately below, an amendment, waiver or consent which relates to the rights or obligations of an agent, an arranger, the Security Agent (including, without limitation, any ability of the Security Agent to act in its discretion under the Group Priority Agreement) may not be effected without the consent of that agent or, as the case may be, that senior arranger, or the Security Agent.

Neither of the two immediately preceding paragraphs shall apply:

- to any release of security, claim or liabilities; or
- to any consent,

which, in each case, the Security Agent gives in accordance with the provisions set out in the caption “—*Proceeds of Disposals*” above.

Agreement to Override

Unless expressly stated otherwise in the Group Priority Agreement, the Group Priority Agreement overrides anything in the debt documents to the contrary. However, such override, as between any creditor and any Debtor or any member of the Bank Group, will not cure, postpone, waive or negate any breach, default or event of default under any debt document as provided in the relevant debt document.

Governing Law

The Group Priority Agreement is governed by and is to be construed in accordance with English law. The terms of the Holdco Priority Agreement are summarized below.

Holdco Priority Agreement

A priority agreement (the “**Holdco Priority Agreement**”) dated 27 January 2014 as amended 20 February 2014 and as amended and restated on 4 July 2014, between, among others, Ziggo Bond Company as Parent (the “**Parent**”) together with Zesko B.V. as Security Grantor (as defined therein) and Deutsche Trustee Company Limited as Security Agent (the “**Security Agent**”).

General

The Holdco Priority Agreement sets out, among other things, the relative ranking of certain debt of the Senior Obligors, when payments can be made in respect of certain debt of the Senior Obligors, when enforcement action can be taken in respect of that debt, the terms pursuant to which certain of that debt will be subordinated upon the occurrence of certain insolvency events and turnover provisions.

The following description is a summary of certain provisions, among others, that are contained in the Holdco Priority Agreement. It does not restate the Holdco Priority Agreement in its entirety. As such, you are urged to read the Holdco Priority Agreement because it, and not the discussion that follows, defines certain rights of the parties thereto.

Pari Passu Debt

The Holdco Priority Agreement includes provisions for any debt that may be incurred in the future by a member of the Group which will rank equally with the existing secured debt of the Senior Obligors (the “**Pari Passu Debt**”). The incurrence of the Pari Passu Debt will be subject to compliance with the applicable indenture and any Pari Passu Debt documents that already exist at that time (“**Pari Passu Debt Documents**”). A creditor of Pari Passu Debt shall be referred to in this section as a “**Pari Passu Creditor**”.

Ranking and Priority

Priority of Debts

The Holdco Priority Agreement provides that the liabilities owed by the Senior Obligors in relation to the 2027 Senior Notes, certain hedging obligations, and the Pari Passu Debt Documents (the “**Primary Creditors**”) shall rank in right and priority of payment in the following order and are postponed and subordinated to any prior ranking liabilities as follows:

- first, the liabilities owed in respect of the 2027 Senior Notes (the “Ziggo Senior Notes Liabilities”), the liabilities in relation to certain hedging (the “Hedging Liabilities”), amounts due to the 2027 Senior Notes trustee and amounts due to the Pari Passu Creditors (the “**Pari Passu Liabilities**”) *pari passu* between themselves and without any preference between them; and
- second, the amounts owed by one Senior Obligor to another and certain other subordinated liabilities *pari passu* between themselves and without any preference between them.

Priority of Security

The security shall rank and secure the following liabilities (only to the extent that such security is expressed to secure the relevant liabilities) in the following order:

- first, the Ziggo Senior Notes Liabilities, the Hedging Liabilities and the *Pari Passu Liabilities* *pari passu* and without any preference between them; and
- second, the balance, if any, in payment to the relevant Senior Obligor.

Enforcement of Security

Enforcement Instructions

The Security Agent may refrain from enforcing the Transaction Security (as defined therein) unless instructed otherwise by those Senior Secured Creditors whose senior secured credit participations at that time aggregate more than 50% of the total senior secured credit participations at that time (the “**Instructing Group**”).

“**Senior Secured Creditors**” mean the holders of the 2027 Senior Notes and the Pari Passu Creditors.

Subject to the security having become enforceable in accordance with its terms the Instructing Group may give, or refrain from giving, instructions to the Security Agent to enforce, or refrain from enforcing, the security as they see fit.

No secured party shall have any independent power to enforce, or to have recourse to enforce, any security or to exercise any rights or powers arising under the security documents except through the Security Agent.

Manner of Enforcement

If the security is being enforced as set forth above under the caption “—*Enforcement Instructions*,” the Security Agent shall enforce the security in such manner (including, without limitation, the selection of any administrator of any Senior Obligor or Security Grantor (as defined therein) to be appointed by the Security Agent) as the Instructing Group shall instruct or, in the absence of any such instructions, as the Security Agent sees fit.

Exercise of Voting Rights

Each creditor has agreed with the Security Agent that it will cast its vote in any proposal put to the vote by, or under the supervision of, any judicial or supervisory authority in respect of any insolvency, pre-insolvency or rehabilitation or similar proceedings relating to any Senior Obligor as instructed by the Security Agent. The Security Agent shall give instructions for the purposes of this paragraph as directed by the Instructing Group; it being understood that, absent such instructions, the Security Agent may elect to take no action.

Waiver of Rights

To the extent permitted under applicable law and subject to certain provisions of the Holdco Priority Agreement, each of the secured parties and each Senior Obligor has waived all rights it may otherwise have to require that the security be enforced in any particular order or manner or at any particular time, or that any sum received or recovered from any person, or by virtue of the enforcement of any of the security or of any other security interest, which is capable of being applied in or towards discharge of any of the secured obligations, is so applied.

Proceeds of Disposals

Non-Distressed Disposals

If, in respect of a disposal (a “**Non-Distressed Disposal**”) of: (a) an asset by a Senior Obligor; or (b) an asset which is subject to the security, made by a Senior Obligor to a person or persons not a Senior Obligor:

- (i) the Parent certifies for the benefit of the Security Agent that that disposal is permitted under or is not prohibited by the Indenture or the trustee for the 2027 Senior Notes authorizes the release in accordance with the terms of the Notes finance documents;
- (ii) (prior to the Pari Passu Debt discharge date) the Parent certifies for the benefit of the Security Agent that the disposal is permitted under or is not prohibited by the Pari Passu Debt Documents or the relevant Pari Passu Debt Representative (as defined therein) authorizes the release in accordance with the terms of the Pari Passu Debt Documents; and
- (iii) that disposal is not a Distressed Disposal (as defined below),

the Security Agent is irrevocably authorised (at the reasonable cost of the relevant Senior Obligor and without any consent, sanction, authority or further confirmation from any creditor) but subject to the following paragraph:

- to release the security and any other claim (relating to a debt document) over that asset;

- where that asset consists of shares in the capital of a Senior Obligor, to release the security and any other claim, including without limitation, any guarantee liabilities or other liabilities (relating to a debt document) over that Senior Obligor or its assets and (if any) the subsidiaries of that Senior Obligor and their respective assets; and
- to execute and deliver or enter into any release of the security or any claim described in the two paragraphs above and issue any certificates of non-crystallization of any floating charge or any consent to dealing that may be reasonably requested by the Parent.

In connection with the transfer of 100% of the shares of the Parent to a subsidiary of Liberty Global, the Security Agent is irrevocably authorised (at the reasonable cost of the Senior Obligor and without any consent, sanction, authority or further confirmation from any creditor) to release the security over those shares (to the extent such release is necessary to enable the transfer to take place) where concurrently with such release, the Security Agent is granted the same or substantially equivalent security by such transferee affiliate.

Each release of security or any claim described in the paragraph above shall become effective only upon the making of the relevant Non-Distressed Disposal.

Distressed Disposals—General

A “*Distressed Disposal*” is a disposal of an asset of a Senior Obligor or the shares in or liabilities or obligations of a Senior Obligor which is (a) being effected at the request of a Instructing Group in circumstances where the security has become enforceable, (b) being effected by enforcement of the security or (c) being disposed of by a Senior Obligor to a person or persons which are not Senior Obligor subsequent to an acceleration event or the enforcement of any security.

If a Distressed Disposal of any asset is being effected, the Security Agent is irrevocably authorised (at the cost of the relevant Senior Obligor and without any consent, sanction, authority or further confirmation from any creditor, or new security grantor):

- (i) to release the security or any other claim over that asset and execute and deliver or enter into any release of that security or claim and issue any letters of non-crystallization of any floating charge or any consent to dealing that may, in the discretion of the Security Agent, be considered necessary or desirable;
- (ii) if the asset which is disposed of consists of shares in the capital of a Senior Obligor to release:
 - (A) that Senior Obligor and any subsidiary of that Senior Obligor from all or any part of its borrowing liabilities, its guarantee liabilities and its other liabilities;
 - (B) any security granted by that Senior Obligor or any subsidiary of that Senior Obligor over any of its assets; and
 - (C) any other claim of an intra-group lender, a subordinated creditor, or another Senior Obligor over that Senior Obligor’s assets or over the assets of any subsidiary of that Senior Obligor,

on behalf of the relevant creditors, Senior Obligors, the trustee for the 2027 Senior Notes and Pari Passu Debt Representative;
- (iii) if the asset which is disposed of consists of shares in the capital of any holding company of a Senior Obligor to release:
 - (A) that holding company and any subsidiary of that holding company from all or any part of its borrowing liabilities, its guarantee liabilities and its other liabilities;
 - (B) any security granted by any subsidiary of that holding company over any of its assets; and
 - (C) any other claim of an intra-group lender, a subordinated creditor or another Senior Obligor over the assets of that holding company and any subsidiary of that holding company,

on behalf of the relevant creditors, Senior Obligors, the trustee for 2027 Senior Notes and Pari Passu Debt Representative;
- (iv) if the asset which is disposed of consists of shares in the capital of a Senior Obligor or the holding company of a Senior Obligor and the Security Agent decides to dispose of all or any part of the

liabilities or the Senior Obligor liabilities owed by that Senior Obligor or holding company or any subsidiary of that Senior Obligor or holding company:

- (A) if the Security Agent does not intend that any transferee of those liabilities or Senior Obligor liabilities (the “**Transferee**”) will be treated as a new Primary Creditor or a secured party for the purposes of the Holdco Priority Agreement, to execute and deliver or enter into any agreement to dispose of all or part of those liabilities or Senior Obligor liabilities, *provided that*, notwithstanding any other provision of any debt document, the Transferee shall not be treated as a new Primary Creditor or a secured party for the purposes of the Holdco Priority Agreement; and
 - (B) if the Security Agent does intend that any Transferee will be treated as a new Primary Creditor or a secured party for the purposes of the Holdco Priority Agreement, to execute and deliver or enter into any agreement to dispose of all (and not part only) of the liabilities owed to the Primary Creditors and all or part of any other liabilities and the Senior Obligor liabilities, on behalf of, in each case, the relevant creditors and Senior Obligors;
- (v) if the asset which is disposed of consists of shares in the capital of a Senior Obligor or the holding company of a Senior Obligor (the “**Disposed Entity**”) and the Security Agent (acting in accordance with the Holdco Priority Agreement) decides to transfer to another Senior Obligor (the “**Receiving Entity**”) all or any part of the Disposed Entity’s obligations or any obligations of any subsidiary of that Disposed Entity in respect of the intra-group liabilities or the Senior Obligor liabilities, to execute and deliver or enter into any agreement to:
- (A) agree to the transfer of all or part of the obligations in respect of those intra-group liabilities or Senior Obligor liabilities on behalf of the relevant intra-group lenders and Senior Obligors to which those obligations are owed and on behalf of the Senior Obligors which owe those obligations; and
 - (B) (*provided*, the Receiving Entity is a holding company of the Disposed Entity which is also a guarantor of senior secured liabilities) to accept the transfer of all or part of the obligations in respect of those intra-group liabilities or Senior Obligor liabilities on behalf of the Receiving Entity or Receiving Entities to which the obligations in respect of those intra-group liabilities or Senior Obligor liabilities are to be transferred.

The net proceeds of each Distressed Disposal (and the net proceeds of any disposal of liabilities or Senior Obligor liabilities) shall be paid to the Security Agent (as the case may be) for application in accordance with the provisions set out below under the caption “—*Application of Proceeds*” as if those proceeds were the proceeds of an enforcement of the security and, to the extent that any disposal of liabilities or Senior Obligor liabilities has occurred, as if that disposal of liabilities or Senior Obligor liabilities had not occurred.

Where borrowing liabilities in respect of any senior secured debt would otherwise be released pursuant to the Holdco Priority Agreement, the creditor concerned may elect to have those borrowing liabilities transferred to a Security Grantor in which case the Security Agent is irrevocably authorised (at the cost of the relevant Senior Obligor, or Security Grantor and without any consent, sanction, authority or further confirmation from any creditor, Senior Obligor or Security Grantor) to execute such documents as are required to so transfer those borrowing liabilities.

For the purposes of clauses (ii), (iii), (iv), and (v) above, the Security Agent shall act:

- if the relevant Distressed Disposal is being effected by way of enforcement of the security, in accordance with the provisions set out under the caption “—*Manner of Enforcement*” above; and
- in any other case, (a) on the instructions of the Instructing Group or (b) in the absence of any such instructions, as the Security Agent sees fit.

Application of Proceeds

The Holdco Priority Agreement provides that all amounts from time to time received or recovered by the Security Agent pursuant to the terms of any debt document or in connection with the realization or enforcement of all or any part of the security shall be held by the Security Agent on trust, to the extent legally permitted, to apply them at any time as the Security Agent (in its discretion) sees fit, to the extent permitted by applicable law (and subject to the provisions of this section), in the following order of priority:

- (i) in discharging any sums owing to the Security Agent, any receiver or any delegate on a *pari passu* basis;

- (ii) in discharging all sums owing to the Pari Passu Debt Representative and any 2027 Senior Notes trustee (in each case in their capacity as such) on a *pari passu* basis;
- (iii) in payment of all costs and expenses incurred by any agent or Senior Secured Creditor in connection with any realization or enforcement of the security taken in accordance with the terms of the Holdco Priority Agreement or any action taken at the request of the Security Agent under the Holdco Priority Agreement;
- (iv) in payment to:
 - (A) each Pari Passu Debt Representative on its own behalf and on behalf of the Pari Passu Creditors;
 - (B) the 2027 Senior Notes trustee on its own behalf and on behalf of the holders of the 2027 Senior Notes; and
 - (C) each Hedge Counterparty (as defined therein),
 for application towards the discharge of:
 - (I) the Pari Passu Liabilities (in accordance with the terms of the Pari Passu Debt Documents); and
 - (II) the Hedging Liabilities (on a *pro rata* basis between the Hedging Liabilities of each Hedge Counterparty),
 on a *pro rata* basis and ranking *pari passu* between the two immediately preceding paragraphs (I) and (II) above; and
- (D) the balance, if any, in payment to the relevant Senior Obligor or Security Grantor.

Equalization of the Senior Secured Creditors

The Holdco Priority Agreement provides that if, for any reason, any senior secured liabilities remain unpaid after the enforcement date and the resulting losses are not borne by the Senior Secured Creditors in the proportions which their respective exposures at the enforcement date bore to the aggregate exposures of all the Senior Secured Creditors at the enforcement date, the Senior Secured Creditors (subject, in the case of amounts owing to the trustees, to the terms of the Holdco Priority Agreement) will make such payments amongst themselves as the Security Agent shall require to put the Senior Secured Creditors in such a position that (after taking into account such payments) those losses are borne in those proportions.

Turnover

Subject to certain exceptions, the Holdco Priority Agreement provides that if any creditor receives or recovers from any Senior Obligor:

- (i) any payment or distribution of, or on account of or in relation to, any of the liabilities which is not either (x) a payment permitted under the Holdco Priority Agreement or (y) made in accordance with the provisions set out below under the caption “—*Application of Proceeds*”;
- (ii) any amount by way of set-off in respect of any of the liabilities owed to it which does not give effect to a payment permitted under the Holdco Priority Agreement;
- (iii) any amount:
 - (A) on account of, or in relation to, any of the liabilities:
 - (I) after the occurrence of an acceleration event or the enforcement of any security; or
 - (II) as a result of any other litigation or proceedings against a Senior Obligor (other than after the occurrence of an insolvency event in respect of that Senior Obligor); or
 - (B) by way of set-off in respect of any of the liabilities owed to it after the occurrence of an acceleration event or the enforcement of any security,
 other than, in each case, any amount received or recovered in accordance with the provisions set out below under the caption “—*Application of Proceeds*”;
- (iv) the proceeds of any enforcement of any security except in accordance with the provisions set out below under the caption “—*Application of Proceeds*”; or

- (v) any distribution in cash or in kind or payment of, or on account of or in relation to, any of the liabilities owed by any Senior Obligor which is not in accordance with the provisions set out below under the caption “—*Application of Proceeds*” and which is made as a result of, or after, the occurrence of an insolvency event in respect of Senior Obligor,

that creditor will: (i) in relation to receipts and recoveries not received or recovered by way of set-off (x) hold an amount of that receipt or recovery equal to the relevant liabilities (or if less, the amount received or recovered) on trust for the Security Agent and promptly pay that amount to the Security Agent for application in accordance with the terms of the Holdco Priority Agreement and (y) promptly pay an amount equal to the amount (if any) by which the receipt or recovery exceeds the relevant liabilities to the Security Agent for application in accordance with the terms of the Holdco Priority Agreement; and (ii) in relation to receipts and recoveries received or recovered by way of set-off, promptly pay an amount equal to that recovery to the Security Agent for application in accordance with the terms of the Holdco Priority Agreement.

Required Consents

The Holdco Priority Agreement provides that, subject to certain exceptions, it may be amended or waived only with the consent of the agents, the requisite percentage of the lenders, the 2027 Senior Notes trustee, the Pari Passu Debt Representative, the Security Agent and the Parent.

An amendment or waiver of the Holdco Priority Agreement that has the effect of changing or which relates to, among other things, the provisions set out above under the caption “—*Application of Proceeds*” and the order of priority or subordination under the Holdco Priority Agreement shall not be made without the consent of:

- (i) the agents;
- (ii) the lenders;
- (iii) the Representatives (as defined therein);
- (iv) the 2027 Senior Notes trustee(s);
- (v) each Hedge Counterparty (to the extent that the amendment or waiver would adversely affect the relevant Hedge Counterparty); and
- (vi) the Security Agent.

The Holdco Priority Agreement may be amended by the agent, the 2027 Senior Notes trustee, the Pari Passu Debt Representative and the Security Agent, without the consent of any other party, to cure defects, resolve ambiguities or reflect changes in each case of a minor technical or administrative nature or as otherwise prescribed by the relevant finance documents.

Amendments and Waivers: Security Documents

Subject to the paragraph below and to certain exceptions under the Holdco Priority Agreement and unless the provisions of any debt document expressly provide otherwise, the Security Agent may, if authorised by a Instructing Group, and if the Parent consents, amend the terms of, waive any of the requirements of or grant consents under, any of the security documents which shall be binding on each party to the Holdco Priority Agreement.

Subject to the second and third paragraphs of the section captioned “—*Exceptions*” below, the prior consent of the representative of each class of Senior Secured Creditors is required to authorise any amendment or waiver of, or consent under, any security document which would adversely affect the nature or scope of the charged property or the manner in which the proceeds of enforcement of the security are distributed.

Exceptions

Subject to the two paragraphs immediately below, if the amendment, waiver or consent may impose new or additional obligations on, or withdraw or reduce the rights of, any party other than:

- (i) in the case of a Senior Secured Creditor, in a way which affects, or would affect, Senior Secured Creditors of that party’s class generally; or
- (ii) in the case of a Senior Obligor, to the extent consented to by the Parent under the Holdco Priority Agreement,

the consent of that party is required.

Subject to the paragraph immediately below, an amendment, waiver or consent which relates to the rights or obligations of an agent, an arranger, the Security Agent (including, without limitation, any ability of the Security Agent to act in its discretion under the Holdco Priority Agreement) may not be effected without the consent of that agent or, as the case may be, that senior arranger, or the Security Agent.

Neither of the two immediately preceding paragraphs shall apply:

- to any release of security, claim or liabilities; or
- to any consent,

which, in each case, the Security Agent gives in accordance with the provisions set out in the caption “—*Proceeds of Disposals*” above.

Agreement to Override

Unless expressly stated otherwise in the Holdco Priority Agreement, the Holdco Priority Agreement overrides anything in the debt documents to the contrary. However, such override, as between any creditor and any Senior Obligor, will not cure, postpone, waive or negate any breach, default or event of default under any debt document as provided in the relevant debt document.

Governing Law

The Holdco Priority Agreement is governed by and is to be construed in accordance with English law.

Permitted Intercreditor Agreement

A priority holdco agreement will establish the relative rights of holders of the Senior Notes and certain other creditors under the financing arrangements of Ziggo Bond Company B.V. (the “**Permitted Holdco Priority Agreement**”). The Trustee (on behalf of itself and the Noteholders) will be a party to the Permitted Holdco Priority Agreement as a Senior Notes Trustee or a Pari Passu Notes Trustee (as defined therein) and the Senior Notes will be treated as Debt (as defined therein). The Notes and any further senior notes, loans or other indebtedness issued by the New Senior Notes Issuer which are designated as Debt (under and as defined in the Permitted Holdco Priority Agreement) will rank equally amongst themselves and will share equally in recoveries pursuant to the enforcement of any share pledge over the New Senior Notes Issuer’s capital stock (for the purposes of this section, the “**Holdco Security**”).

General

The Permitted Holdco Priority Agreement will set out, among other things, the relative ranking of certain debt of the New Senior Notes Issuer and its holding company, turnover and loss sharing arrangements, Security Agent instruction mechanics in relation to the enforcement of the Holdco Security and the waterfall for the application of the proceeds of such enforcement.

The following description is a summary of certain provisions, among others, that will be contained in the Permitted Holdco Priority Agreement. It does not restate the Permitted Holdco Priority Agreement in its entirety nor does it describe provisions relating to the rights and obligations of holders of other classes of our indebtedness. As such, you are urged to read the Permitted Holdco Priority Agreement once it is available.

Capitalized terms used in this section shall have a meaning similar in effect to such term as defined in the Permitted Holdco Priority Agreement provided that such terms shall be read and construed by reference to any equivalent definitions term in the Permitted Holdco Priority Agreement unless otherwise defined herein.

Priorities

The Permitted Holdco Priority Agreement will provide that (i) the Issuer Debt (as defined below) will rank in right and priority of payment *pari passu* and without any preference among the creditors of the Issuer Debt (the “**Holdco Creditors**”) and (ii) the Holdco Security will rank and secure the Issuer Debt and the proceeds of enforcement shall rank in right and priority of payment *pari passu* and without any preference among the Holdco Creditors.

The “**Issuer Debt**” will mean all indebtedness and other liabilities of the New Senior Notes Issuer to (a) the holder of the Senior Notes and any other holders of notes issued under a Note Indenture (as defined below) and that are designated as “Debt” under the Permitted Holdco Priority Agreement (in this section the “**Noteholders**”), (b) the Senior Notes Trustee and each note trustee (“**Note Trustee**”) under any indenture governing notes that may in the future be issued by the New Senior Notes Issuer and that are designated as “Debt” under the Permitted Holdco Priority Agreement (each a “**Note Indenture**”), (c) the Security Agent in its capacity as security trustee for the Issuer Debt, (d) any lender to a Senior Notes Issuer of indebtedness that is entitled to benefit from the Holdco Security and that is designated as “Debt” under the Permitted Holdco Priority Agreement and (e) any agent, trustee or similar representative of any of the foregoing (“**Other Representative**”).

Holdco Instructing Group

The Holdco Creditors that control, among other things, voting and enforcement of Holdco Security with respect to and under the Permitted Holdco Priority Agreement will be Holdco Creditors whose share in outstanding Issuer Debt and undrawn commitments in relation to Issuer Debt represent more than 50% of the total outstanding Issuer Debt and undrawn commitments in relation to Issuer Debt at the relevant time (the “**Holdco Instructing Group**”).

Enforcement

The Security Agent may refrain from enforcing the Holdco Security unless instructed otherwise by the Holdco Instructing Group and may require the provision of an indemnity or security satisfactory to it for any costs, claims, expenses, liability or loss which it may incur.

Subject to the Holdco Security having become enforceable, the Holdco Instructing Group may give or refrain from giving instructions to the Security Agent to enforce or refrain from enforcing the Holdco Security as they see fit.

No Holdco Creditor will have any independent power to enforce, or to have recourse to, any Holdco Security or to exercise any rights or powers arising under the documentation that creates the Holdco Security except through the Security Agent.

The Security Agent will enforce the Holdco Security (if then enforceable) in such manner as the Holdco Instructing Group instructs.

Releases

If a disposal of any asset is being effected pursuant to enforcement action in relation to the Holdco Security, the Security Agent will be irrevocably authorized (at the cost of the New Senior Notes Issuer):

- (a) to release the Holdco Security; and
- (b) if the asset which is disposed of consists of shares in the capital of the New Senior Notes Issuer or any of its subsidiaries which are subject to the Holdco Security, to release the New Senior Notes Issuer and its subsidiaries from all present and future obligations under the documentation in relation to the Issuer Debt (the “**Issuer Finance Documents**”).

If at any time the release of any Holdco Security is permitted under the Issuer Finance Documents, following a request from the New Senior Notes Issuer, the Security Agent will be irrevocably authorized to release that Holdco Security under the relevant Issuer Finance Documents.

Application of Proceeds

All amounts received or recovered by the Security Agent in connection with the realization or enforcement of all or any part of the Holdco Security or otherwise paid to the Security Agent under the Permitted Holdco Priority Agreement shall be applied in the following order:

- first, in payment *pari passu* and pro rata of (i) the fees, costs, expenses and liabilities (and all interest thereon as provided in the Issuer Finance Documents) of the Security Agent and (ii) certain amounts due to any Note Trustee or Other Representative or any receiver attorney or agent appointed by any of them for its own account;

- second, in payment *pari passu* and pro rata of the costs and expenses of each Holdco Creditor in connection with the enforcement;
- third, in payment *pari passu* and pro rata to the Note Trustees and Other Representatives (or if there are none, the relevant Creditors) for application towards the Issuer Debt; and
- fourth, in payment of the surplus (if any) to any the holding company of the New Senior Notes Issuer or any other person entitled to it.

No such proceeds or amounts shall be applied in payment of any amounts specified in any of the bullet points in the paragraph above until all amounts specified in any earlier bullet point have been paid in full. Payments towards any tranche of debt shall be made to the respective representative of that tranche of debt unless the applicable Issuer Finance Document provides otherwise.

Turnover

If any Holdco Creditor receives or recovers any proceeds from the enforcement of Holdco Security in contravention of the terms of the Permitted Holdco Priority Agreement, it will be required to notify the Security Agent, hold such payment on trust for the Holdco Creditors and, upon demand, pay over the amount of such proceeds to the Security Agent for application in accordance with the order of application set forth above under the heading “—Application of Proceeds”.

Loss Sharing

If any Holdco Creditor (a “**Recovering Creditor**”) recovers any amount with respect to proceeds from the enforcement of Holdco Security (a “**Recovery**”) from a New Senior Notes Issuer other than by reason of a payment from the Security Agent in accordance with the order of application set forth above under the heading “—Application of Proceeds”, then other than in respect of fees, expenses and any amounts payable to a Notes Trustee personally by way of indemnity (a) the Recovering Creditor must supply details of the Recovery to the Security Agent, (b) the Security Agent must calculate whether the Recovery is in excess of the amount (the amount of the excess being the “**Recovery Excess**”) which the Recovering Creditor would have received if the Recovery had been applied in accordance with the order of application set forth above under the heading “—Application of Proceeds”, (c) the Recovering Creditor must pay to the Security Trustee an amount equal to the Recovery Excess, (d) the Security Agent must apply the Recovery Excess in accordance with the order of application set forth above under “—Application of Proceeds” and (e) the Recovering Creditor will be subrogated to the rights of the Holdco Creditors which have shared in that Recovery Excess.

If any Issuer Debt remains undischarged and any resulting losses are not being borne by the Holdco Creditors pro rata to the amount which their respective shares in the outstanding Issuer Debt and undrawn commitments in relation to the Issuer Debt bore to the aggregate of all the outstanding Issuer Debt and undrawn commitments in relation to the Issuer Debt, respectively, on the date of any acceleration action in relation to any Issuer Debt, the Holdco Creditors will make such payments from any proceeds of the enforcement of Holdco Security between themselves as the Security Agent requires to ensure that such losses are borne by the Holdco Creditors pro rata provided that (a) a Note Trustee shall only be required to make such payments to the extent it holds any such proceeds for the benefit of the Noteholders and the Noteholders will not be required to make such payments to the extent that they have received such proceeds and (b) the Note Trustee shall be entitled to retain any such proceeds in an amount equal to the amount of any outstanding fees, expenses and any amounts payable to it personally by way of indemnity.

Amendments

Subject to the provisions below, the Permitted Holdco Priority Agreement may be amended or waived only with the consent of the New Senior Notes Issuer, each Notes Trustee and each Other Representative or, if there is no representative of a particular class of debt, the Creditors of that class of debt (in each case, to the extent required by, and in accordance with, the Issuer Finance Documents).

An amendment or waiver to the Permitted Holdco Priority Agreement which relates to the rights or obligations of the Security Agent may not be effected without the consent of the Security Agent.

To the extent that any amendment of the Permitted Holdco Priority Agreement only affects the rights and obligations of one or more parties or a class of parties and could not reasonably be expected to be adverse to the interests of other parties or another class of parties, only the parties affected by that amendment or waiver must agree to that amendment or waiver.

The New Senior Notes Issuer and the Security Agent may amend the Permitted Holdco Priority Agreement without the consent of the other parties to cure defects, resolve ambiguities or reflect changes of a minor, technical or administrative nature.

If any of the Issuer Debt is, or is proposed to be, discharged in whole or in part from the proceeds of a permitted issue of debt or equity securities, the relevant parties will enter into an amendment agreement to the Permitted Holdco Priority Agreement, or as the case may be a separate agreement on substantially the same terms as the relevant provisions of the Permitted Holdco Priority Agreement. That agreement will provide that the holders of any such securities that are debt securities benefit from the same rights in relation to the Holdco Security and guarantees as the Holdco Creditors.

Governing Law

The Permitted Holdco Priority Agreement will be governed by, and will be construed in accordance with, English law.

SUMMARY OF PRINCIPAL DOCUMENTS

Each summary below is qualified in its entirety by reference to the text of the respective principal document, copies of which are available at the registered offices of the Issuer.

Trust Deed

On the Issue Date, the Issuer, the Notes Trustee, the Security Trustee, the Registrar, Paying Agent and Transfer Agent, the Administrator and the Account Bank will enter into the Trust Deed, under which the Notes will be constituted. Pursuant to the Trust Deed, the Issuer will covenant to (i) pay to the Notes Trustee all interest, principal and other amounts in respect of the Notes, and (ii) comply with the covenants set out therein. The Trust Deed will also contain provisions in relation to the application of funds of the Issuer both before and after service of an Enforcement Notice (as defined in Condition 1 (“*Definitions and Principles of Construction—General Interpretation*”))). See Condition 3 (“*Status, Priority and Security*”).

Pursuant to the Trust Deed, the Issuer will appoint the Notes Trustee and the Security Trustee. On the Issue Date, the Trust Deed will also create the security interests over the Notes Collateral, as further described in “*General Description of VodafoneZiggo’s Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes—Notes Collateral*” in favour of the Security Trustee and for the benefit of the Secured Parties. Each Secured Party party to the Trust Deed (other than the Security Trustee) will agree that it will not be entitled to take, and will not take, any steps whatsoever to enforce its rights in respect of the security created by the Notes Security Documents, or to direct the Security Trustee to do so, save where the Security Trustee has become bound to do so following service of an Enforcement Notice and has failed to do so within a reasonable period of time. The Trust Deed will contain representations by the Issuer to the effect that the Issuer was and will be, subject to the security interests created by the relevant Notes Security Document, absolutely entitled to such Notes Collateral free from all encumbrances of any kind, other than Permitted Encumbrances (as defined therein).

If an Issuer Event of Default (as defined in Condition 10 (“*Issuer Events of Default*”)) occurs and is continuing, the Notes Trustee may, and upon the instructions of Noteholders (including by an Extraordinary Resolution) shall declare all the Notes to be due or payable in accordance with the Conditions and the Trust Deed; *provided that*, upon the occurrence of an Issuer Event of Default described in Condition 10(b)(v) (“*Issuer Events of Default—Events*”), the Note Acceleration Notice (as defined in Condition 10(a) (“*Issuer Events of Default—Determination of an Issuer Event of Default*”))) will be deemed to have been given and all the Notes will immediately become due and payable. See Condition 10 (“*Issuer Events of Default*”) included elsewhere in this Offering Circular for full list of events constituting an Issuer Event of Default under the Trust Deed. Following the service of a Note Acceleration Notice on the Issuer, the Security Trustee or the Noteholders may serve an Enforcement Notice on the Issuer, declaring the security created by the Notes Security Documents to be enforceable. Upon receipt of any Enforcement Notice, the Issuer will be required to promptly (within 10 Business Days) deliver to the Obligors an Obligor Enforcement Notification pursuant to the Framework Assignment Agreement, in accordance with Condition 11(b) (“*Enforcement—Enforcement Notice*”).

The Trust Deed will contain provisions requiring each of the Notes Trustee and the Security Trustee (except where expressly provided otherwise) to have regard to the interests of the Noteholders as a single class in the exercise and performance of all its powers, trusts, authorities, duties and discretions. If, in the opinion of the Notes Trustee or Security Trustee, as the case may be, there is a conflict of interest between the interests of two or more groups of Noteholders, the Notes Trustee or the Security Trustee, as the case may be, will have regard only to the interests of, and will take instructions from, the group which holds the greater amount of Notes outstanding. The Trust Deed further stipulates that, so long as any of the Notes remain outstanding, the Notes Trustee and the Security Trustee, as the case may be, shall have no regard to the interests of any Secured Party other than the Noteholders, or to the interests of any other person.

The Trust Deed contains standard limited recourse and non-petition provisions with respect to the Issuer.

The Trust Deed will be governed by English law.

Agency and Account Bank Agreement

On or about the Issue Date, the Issuer, VodafoneZiggo, the Notes Trustee, the Security Trustee, the Administrator, the Account Bank, the Paying Agent, the Transfer Agent and the Registrar (each of the Administrator, the Account Bank, the Paying Agent, the Transfer Agent and the Registrar an “**Agent**” and together, the “**Agents**”) will enter into an English law agency and account bank agreement (the “**Agency and Account Bank Agreement**”). Pursuant to the Agency and Account Bank Agreement, the Issuer will appoint:

- (i) the Administrator to: (a) maintain records relating to the Assigned Receivables acquired, and New VFZ Facilities Loans advanced, by the Issuer in order to, *inter alia*, make certain specified calculations,

reports and notifications, (b) perform comparisons of such records and notify the Issuer of any apparent discrepancies, with a view to performing a reconciliation of such records, (c) manage the receipt of periodic payments arising from maturing Assigned Receivables as well as payments of interest and principal arising from New VFZ Facilities Loans into the relevant Issuer Transaction Accounts, (d) manage payments from the Issuer arising from the purchase, from time to time, of VFZ Accounts Receivable by the Issuer to the Platform Provider, (e) manage the advance of any New VFZ Facilities Loans (and demands for repayments thereof and any other payments) made by the Issuer to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement, (f) perform various calculations in connection with the aforementioned duties, including (but not limited to), six Business Days prior to each Interest Payment Date, calculation of any Term Shortfall Payment or Term Excess Arrangement Payment (each as defined in “*General Description of VodafoneZiggo’s Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes*”) to be made between the Issuer and VodafoneZiggo, which shall be equal to the difference between (i) the amount of interest due and payable on the Notes on such Interest Payment Date, and (ii) the amount of any interest accrued pursuant to the Excess Cash Loans, the Issue Date Facility Loans, the Premium accrued in respect of Assigned Receivables, and the Retained Amount Interest accrued in respect of any Retained Amounts (each as defined in “*General Description of VodafoneZiggo’s Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes*”) (which has been deposited into the Interest Proceeds Account six Business Days prior to such Interest Payment Date) and (g) notify VodafoneZiggo if such periodic payments arising from maturing Assigned Receivables and payments of interest and principal arising from New VFZ Facilities Loans are not received in full or if, for any reason, there are insufficient funds standing to the credit of the relevant Issuer Transaction Account for the transfer of any sums previously determined by the Administrator;

- (ii) the Account Bank to: (a) hold such monies as may be deposited from time to time with it in the relevant Issuer Transaction Account, (b) apply such monies as it may from time to time be so directed in writing by the Issuer or by the Administrator acting on behalf of the Issuer, (c) make payments as instructed by the Administrator (acting on behalf of the Issuer) or the Issuer on certain specified dates and times, and (d) receive all income and other payments made to it with respect to the Assigned Receivables acquired, and the New VFZ Facilities Loans advanced by, the Issuer and credit such income promptly upon receipt thereof to the relevant Issuer Transaction Account;
- (iii) the Paying Agent to act as the paying agent of the Issuer with respect to payments of principal, interest, or any other payments in respect of the Notes (including, without limitation, prepayments) of which it is notified by the Notes Trustee, the Administrator (acting on behalf of the Issuer) or the Issuer;
- (iv) the Transfer Agent to act as its agent in facilitating transfers of the Notes, in accordance with the Trust Deed, on behalf of the Issuer; and
- (v) the Registrar to: (a) register all transfers of Notes, (b) receive any document in relation to or affecting the title to any of the Notes, including all forms of transfer, forms of exchange, probates, letters of administration and powers of attorney, (c) maintain proper records of the details of all documents received by itself or the Transfer Agent, (d) prepare all such lists of Noteholders as may be required by the Issuer, the Notes Trustee or the Paying Agent or any person authorized by any of the foregoing and (e) notify the Paying Agent, upon its request and not less than seven days prior to each Interest Payment Date, of the names and addresses of all registered Noteholders at the close of business on the record date specified as well as the amounts of their holdings in order to enable the Paying Agent to make or arrange for payment to the Noteholders of interest payable in respect of the Notes or amounts required to redeem the Notes, as the case may be;

Each Agent may resign its appointment at any time, and shall not be obliged to provide any reason for such resignation or be responsible for any expenses or other liabilities incurred by the Issuer, by giving the Issuer (with a copy to the Administrator and the Notes Trustee) at least 60 days’ prior written notice and, with respect to the Administrator only, 180 days’ prior written notice to that effect, *provided that* no such notice shall take effect until a replacement agent which agrees to exercise the powers and undertake the duties conferred and imposed upon such Agent has been appointed.

The Issuer may, at any time, with the prior written approval of the Notes Trustee (except with respect to the Administrator and the Account Bank, in which case no such prior written approval shall be required), appoint additional Agents and/or terminate the appointment of any Agent by giving to the Administrator, the Notes Trustee, the Security Trustee, the Agent concerned and the other Agents at least 60 days’ prior written notice to that effect, provided that it will maintain at all times a Registrar, Paying Agent, Account Bank, Administrator

and/or Transfer Agent and provided always that no such notice shall take effect until a new Registrar, Paying Agent, Account Bank, Administrator and/or Transfer Agent, as applicable (approved in advance in writing by the Notes Trustee) which agrees to exercise the powers and undertake the duties conferred and imposed upon such Agent has been appointed.

The Agency and Account Bank Agreement contains standard limited recourse and non-petition provisions with respect to the Issuer.

The Agency and Account Bank Agreement will be governed by English law.

Framework Assignment Agreement

On or about the Issue Date, the Issuer, as purchaser, will enter into the Framework Assignment Agreement with, among others, the Platform Provider, the Buyer Parent and The Bank of New York Mellon, London Branch as administrator. Under the Framework Assignment Agreement, from time to time commencing on the Issue Date, the Issuer may purchase and have assigned to it on a non-recourse basis, up to the total amount of Committed Principal Proceeds, on a non-recourse basis, eligible VFZ Accounts Receivable that have been transferred to or acquired by the Platform Provider following a SCF Transfer.

Each VFZ Account Receivable to be purchased by the Issuer must meet, and the Buyer Parent will represent and warrant (on behalf of itself and as agent for the Buyer Entities) on the date of each Assignment (each such date, an “**Assignment Date**”) in accordance with the Framework Assignment Agreement, that such VFZ Account Receivable meets, the following eligibility criteria: that such VFZ Account Receivable (i) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is owed by the Obligor on a joint and several basis; (ii) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is governed by English law; (iii) is denominated in euro; (iv) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is the legal, valid and binding obligation of each Obligor; (v) is capable of being freely and validly transferred in the manner provided by the Framework Assignment Agreement, so that on purchase the Issuer will receive good title; (vi) is due and payable in full without any right of set-off, counterclaim or deduction in favour of the Buyer Entities; and (vii) has a maturity date that is no later than two Business Days prior to the Maturity Date of the Notes. Additionally, immediately prior to each Assignment Date, the Platform Provider will represent and warrant that it is entitled to assign the relevant Payment Obligation pursuant to the terms of the Framework Assignment Agreement, and that it has not assigned, transferred or otherwise disposed of, or created any encumbrance or security interest over, such Payment Obligation. Furthermore, the Platform Provider will provide certain undertakings, including, among other things: (a) that it shall comply in a timely manner with its obligations under the APMSA with respect to each Assignment Framework Note and exercise the same degree of care with regard to the Payment Obligations, and the collection of the Payment Obligations, relating thereto as it would if it had not entered into such Assignment Framework Note; (b) that it shall not, without the prior written consent of the Issuer, take any action that would adversely affect a Payment Obligation or the Issuer’s interest(s) therein (including any extension of the date for payment of any Payment Obligation, any reduction, cancellation or termination of the amount or in the liability of any Obligor in respect of any Payment Obligation (including in relation to any credit note, discount or right of set-off), and any other change which would materially prejudice the interests or rights of the Issuer); and (c) that it may, without the prior written consent of the Issuer, take such action that would result in any increase in the amount of VFZ Accounts Receivable which are not Assigned Receivables, or any extension in the date for payment of any VFZ Accounts Receivable which are not Assigned Receivables, *provided that* such action does not affect the rights or obligations of the Issuer under the Framework Assignment Agreement or in respect of any Assigned Receivables. Subject to (a) above, the Platform Provider shall have no obligation to demand or enforce any rights granted to it by any Obligor (as defined below) or to demand or exercise any rights of set-off it may have against any Obligor and its obligations under each Assignment Framework Note shall be subject to its obligations under the APMSA. The Platform Provider will also provide certain information undertakings, including: (a) that it shall provide the Issuer and the Administrator within five Business Days at the start of each calendar month with an overview of the Assigned Receivables that have not, as at the last day of the preceding calendar month, been settled in accordance with the Framework Assignment Agreement; and (b) that if the Issuer or Administrator requests in writing copies of the APMSA, it shall, within a reasonable timeframe and in any event within five Business Days of such request, provide the Issuer and the Administrator with copies of such documentation.

Each Payment Obligation will be the joint and several obligation of VodafoneZiggo and each of the Obligor Subsidiaries. On the Issue Date, the eligible Obligor Subsidiaries will be VZ Financing I B.V. and VZ Financing II B.V. (each, an “**Obligor Subsidiary**” and collectively, the “**Obligor Subsidiaries**”, together with the Buyer Parent, the “**Obligors**”).

Purchases of VFZ Accounts Receivable with Requested Purchase Price Amounts

On or following the Issue Date (as further described in “*Capitalization of VodafoneZiggo*” included elsewhere in this Offering Circular), the Platform Provider is expected to sell and assign (including pursuant to the Block Transfer) to the Issuer VFZ Accounts Receivable for a Requested Purchase Price Amount of €600.0 million, which the Issuer will fund with all or a portion of the Committed Principal Proceeds. See “*Use of Proceeds*”. It is expected that the Issuer will complete the Block Transfer by 31 December 2020 and further purchases of new and existing VFZ Accounts Receivable or loans to the New VFZ Facilities Borrower pursuant to the New VFZ Facilities by 31 March 2021. In connection with such sale and assignment, the Platform Provider will deliver to the Issuer:

1. an Assignment Framework Note to be accepted and agreed to by the Issuer, pursuant to which the Issuer will agree, among other things, to purchase Payment Obligations (and the Receivables related thereto, solely to the extent that such Receivables have been acquired by the Platform Provider), in whole but not in part, at the relevant Purchase Price Amounts in an aggregate amount equal to a limit (in respect of purchased Payment Obligations which have not been settled) specified therein (the “**Purchase Limit**”); and
2. one or more Assignment Notices instructing the Issuer to pay to the Platform Provider, as consideration for the sale and assignment of the relevant VFZ Accounts Receivable, a requested amount (a “**Requested Purchase Price Amount**”) on the date falling five Business Days following receipt by the Issuer of such Assignment Notice (or, in respect of the Assignment Notice in relation to the Block Transfer on the day of receipt of such Assignment Notice) (a “**Value Date**”).

As used herein, a “**Purchase Price Amount**” means, in relation to any VFZ Account Receivable, an amount equal to the Outstanding Amount (as defined below) of such VFZ Account Receivable *less* the Applied Discount (as defined in the context of the Framework Assignment Agreement) (as defined below) calculated as at the relevant Assignment Date. “**Outstanding Amount**” means, with respect to a Payment Obligation, an amount equal to (i) the gross amount of the Approved Platform Receivable in respect of which the Payment Obligation arose, *less* (ii) the sum of all Credit Notes allocated to the Approved Platform Receivable in respect of which that Payment Obligation arose pursuant to the terms of the APMSA, *plus* (iii) the Applied Discount (as defined below in the context of the APMSA). “**Applied Discount**” refers (i) in the context of the APMSA, to the discount amount that the Platform Provider will deduct from the Certified Amount in case of a transfer of the Payment Obligation prior to the Confirmed Payment Date pursuant to the terms of the APMSA and (ii) in the context of the Framework Assignment Agreement to the discount amount that the Platform Provider will deduct from the Certified Amount in the case of a transfer of the Payment Obligation prior to the Confirmed Payment Date pursuant to the terms of the APMSA, *less* the Platform Provider Processing Fee.

From time to time following the Issue Date, the Platform Provider may, at its discretion (but not more than once per week prior to the service of a notice of termination (as further described below)), serve further Assignment Notices (which may also be Primary Assignment Notices (as defined and further described below under “—*Collections on Assigned Receivables and Further Purchases of VFZ Accounts Receivable with Collected Principal Amounts*”)) to the Issuer pursuant to the relevant Assignment Framework Note.

Following the receipt of an Assignment Notice, so long as no Non-Compliance Event (as defined below) has occurred and is continuing, the Issuer will pay, on the relevant Value Date, the relevant Requested Purchase Price Amount (which may be adjusted as further described below) to the Platform Provider, which shall have the effect of the Platform Provider immediately (or, in respect of a Block Transfer that will occur on the day immediately following the Issue Date, only on the day immediately following such Value Date) selling and assigning, without further action on the part of any person or entity, all of its rights, title and interest in and to the relevant Payment Obligations (and the Receivables related thereto, solely to the extent that such Receivables have been acquired by the Platform Provider) at the relevant Purchase Price Amounts to the Issuer pursuant to the relevant Assignment Framework Note (an “**Assignment**”).

The Requested Purchase Price Amount (and the corresponding VFZ Accounts Receivable) will be adjusted if the aggregate of all Requested Purchase Price Amounts, together with (without double counting) the aggregate of all Purchase Price Amounts in respect of outstanding Assigned Receivables would be higher than the relevant Purchase Limit specified in that Assignment Framework Note. In such event, the Issuer must notify the Platform Provider within two Business Days of receipt of the relevant Assignment Notice (i) of such circumstance and (ii) that the Requested Purchase Price Amount will (A) be reduced to equal the amount which would cause the aggregate Requested Purchase Price Amount, together with (without double counting) the aggregate of all

Purchase Price Amounts in respect of outstanding Assigned Receivables to equal such Purchase Limit and/or (B) cancelled to the extent necessary such that the relevant assignment is for the whole, and not part, of the VFZ Accounts Receivable.

The Issuer will not be obliged to pay a Requested Purchase Price Amount specified in an Assignment Notice if any of the following events (each, a **“Non-Compliance Event”**) have occurred and is continuing (provided that the Issuer notifies the Platform Provider, within two Business Days of the receipt of such Assignment Notice, that one or more Non-Compliance Events have occurred and of the Issuer’s intention not to comply with such Assignment Notice): (i) if the Framework Assignment Agreement or relevant Assignment Framework Note has been terminated prior to the date of such Assignment Notice; (ii) if the terms and conditions of such Assignment Notice materially deviate from the terms and conditions of the Framework Assignment Agreement or the relevant Assignment Framework Note; (iii) if an Obligor Event of Default (as defined below) is continuing in respect of any Obligor; and/or (iv) if a specified insolvency event occurs in respect of the Platform Provider which directly results in the Platform Provider not continuing its business as contemplated under the Framework Assignment Agreement. If, following the receipt of a Requested Purchase Price Amount on a Value Date, the Platform Provider has acquired (or determines that it will on such Value Date acquire) insufficient VFZ Accounts Receivable to apply the whole of the Requested Purchase Price Amount received on such Value Date, the Platform Provider will either (i) serve, on such Value Date, one or more notices (substantially in the form set out in the Framework Assignment Agreement, each a **“Purchase Price Return Notice”**) to the Issuer and, on the Business Day following the date of such Purchase Price Return Notice (a **“Settlement Date”**), pay to the Issuer Collection Account, the excess Requested Purchase Price Amount not applied towards the purchase of VFZ Accounts Receivable (such excess, the **“Excess Requested Purchase Price Amount”**); or (ii) retain such Excess Requested Purchase Price Amount for a period of up to four Business Days following such Value Date (an **“Excess Retention Period”**, and the final day thereof (which, at the Platform Provider’s discretion, may occur prior to the fourth Business Day following such Value Date), the **“Excess Retention Period End Date”**) to be applied towards the purchase of any VFZ Accounts Receivable arising during such Excess Retention Period. If the Platform Provider chooses to retain such Excess Requested Purchase Price Amount, it further agrees that (i) if the Platform Provider acquires any VFZ Accounts Receivable during such Excess Retention Period, it will sell and assign such VFZ Accounts Receivables to the Issuer (and the Platform Provider will be deemed to have served an Assignment Notice in respect of such Assigned Receivables); and (ii) on the Business Day prior to the Excess Retention Period End Date, the Platform Provider will serve a Purchase Price Return Notice in respect of any remaining Excess Requested Purchase Price Amount to the Issuer, and subsequently pay such remaining Excess Requested Purchase Price Amount to the Issuer Collection Account on such Excess Retention Period End Date, together with all Excess Requested Purchase Price Interest (as defined below) due in respect thereof. **“Excess Requested Purchase Price Interest”** shall accrue daily at the Funding Rate, calculated on any Excess Requested Purchase Price Amount retained by the Platform Provider (and not applied towards the purchase of VFZ Accounts Receivable), from (and including) the first day of the relevant Excess Retention Period to (and including) the relevant Excess Retention Period End Date, or such later date on which the Issuer receives such Excess Requested Purchase Price Amount together with all interest due in respect thereof. As used herein, **“Funding Rate”** means a rate equal to the Margin (as defined below) (less the Platform Provider Processing Fee) over 1-month EURIBOR (or any other applicable reference rate selected by the Platform Provider and the Buyer Parent (a **“Reference Rate”**)); *provided that* if the relevant Reference Rate is less than zero, such Reference Rate shall be deemed to be zero.

Collections on Assigned Receivables and Further Purchases of VFZ Accounts Receivable with Collected Principal Amounts

Prior to the service of an Obligor Enforcement Notification, the Platform Provider will act as collection agent for the Issuer in respect of any Collected Amounts received or recovered relating to Assigned Receivables, in accordance with the APMSA. Except in circumstances where certain Collected Principal Amounts are applied towards the purchase of new VFZ Accounts Receivable (as further described below), the Platform Provider will apply any Collected Amount, within one Business Day of receipt or recovery thereof (such scheduled date of application, a **“Collected Amount Forwarding Date”**), in or towards the repayment to the Issuer of an amount equal to the Outstanding Amount of the relevant Assigned Receivables (to the extent that such Assigned Receivables remain outstanding and has not been settled or otherwise paid to the Issuer).

From time to time, the Platform Provider may serve an Assignment Notice (a **“Primary Assignment Notice”**) which states that any Collected Principal Amounts in respect of Assigned Receivables relating to such Primary Assignment Notice are to be treated as further payments of Requested Purchase Price Amounts. So long as (i) no Non-Compliance Event has occurred and is continuing (and in respect of which the Issuer has notified

the Platform Provider that the purchase mechanics described in this paragraph will not apply), (ii) no notice of termination has been served (as further described below), then (a) the Platform Provider will be deemed to have served an Assignment Notice on exactly the same terms as the Primary Assignment Notice, except for the Requested Purchase Price Amount (which will be equal to the Collected Principal Amount that would otherwise be due and payable to the Issuer) (such notice, the “**New Assignment Notice**”); and (b) the Platform Provider’s obligation to pay such Collected Principal Amount to the Issuer will be set off against the Issuer’s obligation to pay the Requested Purchase Price Amount under the New Assignment Notice. For the avoidance of doubt, the purchase mechanics described in this paragraph will not affect the Platform Provider’s obligation to pay to the Issuer any Premium on the relevant Collected Amount Forwarding Date. If, three Business Days following the service of a New Assignment Notice, the Platform Provider still holds any Collected Amounts which have not been utilised for the purchase of new VFZ Accounts Receivable (such amounts, “**Unutilised Collected Amounts**”), the Platform Provider will immediately serve a Purchase Price Return Notice to the Issuer in respect of such Unutilised Collected Amounts, and will pay such Unutilised Collected Amounts to the Issuer Collection Account on the relevant Settlement Date. The Platform Provider will pay the Issuer interest on any “**Retained Collected Amounts**” (being any Collected Amount which has not been paid to the Issuer towards satisfaction of the relevant Outstanding Amount and not been used to purchase further VFZ Accounts Receivable as described above). Interest on Retained Collected Amounts shall accrue daily at the Funding Rate, calculated from (and including) the relevant scheduled Collected Amount Forwarding Date to (and including) the relevant Settlement Date or such later date on which the Issuer receives the Retained Collected Amount, together with all interest due in respect thereof, as the case may be (the “**Retained Collected Amount Interest**”), and will be paid to the Issuer Collection Account on the relevant Settlement Date or such later date, as applicable.

Obligor Events of Default and Obligor Enforcement Notification

The Issuer may not serve (or cause or permit to be served) a notice to the Obligors informing them of an Assignment (an “**Obligor Enforcement Notification**”) prior to the occurrence of (i) a failure by any Obligor to pay any Payment Obligation in full to the Platform Provider on the date such payment was due (taking into account any applicable grace period under the APMSA), (ii) a specified insolvency event in respect of any Obligor, (iii) a breach of the representations and warranties of the Buyer Parent with respect to the eligibility of the VFZ Accounts Receivable, which is not capable of remedy (or if such breach is capable of remedy, is not remedied within five Business Days of notice) (each such event in (i) to (iii), an “**Obligor Event of Default**”), or (iv) a specified insolvency event in respect of the Platform Provider. See “*Risk Factors—Risks relating to the Receivables and the SCF Platform—The transfer of VFZ Accounts Receivable under the Framework Assignment Agreement takes place only under equity until an Obligor Enforcement Notification is given to the Obligors*”.

Following the occurrence of any of the foregoing events, the Issuer may serve or direct the Platform Provider to serve an Obligor Enforcement Notification (*provided that* the Platform Provider may, but is not obliged to, serve an Obligor Enforcement Notification at any time as it sees fit, including upon termination of the Framework Assignment Agreement or any Assignment Framework Note and/or pursuant to the circumstances described in the paragraph below).

As soon as reasonably practicable after the occurrence of an Obligor Event of Default, the Platform Provider will, among other things, (i) provide the Issuer with notice of such Obligor Event of Default and the details thereof, as well as regular status updates with respect to the affected Assigned Receivables; (ii) turn over to the Issuer any Purchase Price Return Amount in accordance with the terms of the Framework Assignment Agreement; (iii) in consultation with the Issuer and the Buyer Parent (provided such consultation is permitted by the terms of the Framework Assignment Agreement), take (or refrain from taking) any steps that the Platform Provider sees fit to recover all amounts payable, as well as default interest and other costs and expenses, each as permitted under the APMSA; (iv) be indemnified by the Buyer Parent within ten Business Days after the relevant demand for all expenses (including all legal expenses), costs and losses reasonably incurred and claims incurred in connection with the exercise or enforcement of any rights in connection with Assigned Receivables; and (v) if an agreement cannot be reached as to what steps (if any) are to be taken or refrained from being taken following an Obligor Event of Default in accordance with paragraph (iii) above, the Platform Provider may (or will, if so requested by the Issuer and provided that the Issuer has complied with its payments obligations under the Framework Assignment Agreement), serve an Obligor Enforcement Notification on any Obligor, following which the below consequences will apply in respect of the relevant Assigned Receivables.

Following service of an Obligor Enforcement Notification, the Platform Provider will cease to act as the Issuer’s collection agent in respect of the relevant Assigned Receivables, and shall hold any amounts received by it in respect of the relevant Assigned Receivables on behalf of the Issuer.

Assignment and Termination

The Issuer may assign or transfer its rights under the Framework Assignment Agreement and the Assignment Framework Notes (including its rights to Assigned Receivables) in the following circumstances: (a) if such assignment is by way of security by the Issuer as part of the financing activities of the Issuer (including as part of a capital markets transaction) (the “**Issuer’s Financing Activities**”) or in connection with the enforcement of such security; or (b) with the prior written consent of each other party to the Framework Assignment Agreement (which shall not be unreasonably withheld or delayed); *provided that* the Issuer may only assign or transfer its rights or obligations under the Framework Assignment Agreement or (in accordance with the procedures described in the following paragraph) under an Assignment Framework Note and all related Assigned Receivables to a transferee, in each case with the Platform Provider’s approval (at its sole discretion; *provided further that* the Platform Provider’s approval shall not be unreasonably withheld or delayed for an assignment or transfer by the Issuer which is contemplated by or permitted under the transaction documents entered into in connection with the Issuer’s Financing Activities). Similarly, the Platform Provider may assign or transfer its rights under the Framework Assignment Agreement in the same such specified circumstances; *provided, however*, that the Platform Provider may assign or transfer any of its rights in Assigned Receivables to an affiliate without the consent of any other party, and may also assign or transfer any of its rights or obligations under the Framework Assignment Agreement, as the provider and administrator of the SCF Platform, to an affiliate with the prior written consent of the Issuer (which shall not be unreasonably withheld or delayed).

Transfer will be effected when the Platform Provider executes an otherwise duly completed transfer certificate in the form substantially set out in the Framework Assignment Agreement (a “**Transfer Certificate**”) delivered to it by the Issuer and the third party transferee. The Platform Provider is only obliged to execute such Transfer Certificate once it is satisfied that all necessary “know your customer” or other similar checks required under applicable law have been complied with. Upon such transfer becoming effective, the Platform Provider and the Issuer shall be released from further obligations towards one another under the relevant Assignment Framework Note and related Assigned Receivables, the transferee shall become a party to the relevant Assignment Framework Note in the Issuer’s place, and the Platform Provider shall update its system to designate the relevant transferee as the owner of the relevant VFZ Accounts Receivable.

The Framework Assignment Agreement and/or any Assignment Framework Note issued thereunder may be terminated by the Platform Provider upon 10 Business Days’ prior notice to the other parties thereto; *provided that* the effective date of such termination shall not be earlier than the effective date of termination of the APMSA (as further described below). See “*Risk Factors—Risks relating to the Receivables and the SCF Platform—The Framework Assignment Agreement may be terminated without the consent of the Issuer or the Noteholders*”. Additionally, the Platform Provider may terminate the Framework Assignment Agreement and/or any Assignment Framework Note with immediate effect by notice to the other parties upon the occurrence of any of the following events: (a) a breach of material obligations of the Buyer Parent and/or the Issuer (subject to a 30 days grace period); (b) a material breach of the representations and warranties of the Buyer Parent and/or the Issuer (subject to a 30 days grace period); or (c) if a specified insolvency event has occurred in respect of the Buyer Parent and/or the Issuer.

The Framework Assignment Agreement and/or any Assignment Framework Note issued thereunder may also be terminated by the Issuer upon 10 Business Days’ prior notice to the other parties thereto. Additionally, the Issuer may terminate the Framework Assignment Agreement and/or any Assignment Framework Note with immediate effect by notice to the other parties upon the occurrence of any of the following events: (a) a breach of material obligations of the Buyer Parent and/or the Platform Provider (subject to a 30 days grace period); (b) a material breach of the representation and warranties of the Buyer Parent and/or the Platform Provider (subject to a 30 days grace period); or (c) if a specified insolvency event has occurred in respect of the Buyer Parent and/or the Platform Provider, as applicable.

Following the service of a notice of termination of the Framework Assignment Agreement and/or any Assignment Framework Note: (a) no further Assignment Notices shall be served, and no New Assignment Notices shall be deemed served, by the Platform Provider; (b) the Platform Provider shall provide the Issuer, as soon as reasonably practicable after such termination, with a report showing the relevant Assigned Receivables which have not been settled at such time; (c) the rights of the Platform Provider to demand refunds, reimbursements or other payments with respect to the relevant Assigned Receivables which have not been settled at such time, and any rights, remedies, obligations or liabilities of any of the parties to the Framework Assignment Agreement that have accrued up to the effective date of termination, shall not be affected and shall survive such termination; (d) the Platform Provider may choose to exercise its right to serve an Obligor

Enforcement Notification, as described above; and (e) the parties shall continue to be bound by the relevant confidentiality provisions in the Framework Assignment Agreement until such later date as set out in the Framework Assignment Agreement.

The Framework Assignment Agreement contains standard limited recourse and non-petition provisions with respect to the Issuer.

The Framework Assignment Agreement will be governed by English law.

Accounts Payable Management Services Agreement

The Platform Provider and VodafoneZiggo, among others, have entered into the Accounts Payable Management Services Agreement, or the APMSA. Under the terms of the APMSA, the Obligors (which, as used in the sections entitled “*Accounts Payable Management Services Agreement*” includes reference to the Buyer Parent and the eligible Obligor Subsidiaries) (or LGC on the Buyer Parent’s behalf), are, “**Buyer Entities**” and each a “**Buyer Entity**”), may upload Electronic Data Files containing details of Receivables payable to a Supplier on to the SCF Platform to enable the purchase (or deemed purchase) by or transfer (or deemed transfer) to the Platform Provider of such Receivables from the relevant Supplier.

On the Issue Date, the eligible Buyer Subsidiaries will be Ziggo B.V., Ziggo Services B.V., Vodafone Libertel B.V. (collectively, the “**Non-Obligor Buyer Subsidiaries**” and each a “**Non-Obligor Buyer Subsidiary**”), together with the Obligor Subsidiaries, the “**Buyer Subsidiaries**” and each a “**Buyer Subsidiary**”), the Obligor Subsidiaries, and the Buyer Parent. Additional Buyer Subsidiaries may accede to the APMSA by entering into an accession letter (substantially in form set out in the APMSA) with the Platform Provider and the Buyer Parent, and an existing Buyer Subsidiary may cease to be a “Buyer Entity” for the purposes of the APMSA if the Platform Provider or Buyer Parent provides written notice to such effect. Additional Obligor Subsidiaries may become party to the APMSA either by acceding as a “Designated Buyer Subsidiary” (provided they are specified as such in the relevant accession letter) or, with respect to an existing Non-Obligor Buyer Subsidiary, if such Non-Obligor Buyer Subsidiary is specified in writing by the Buyer Parent to be a “Designated Buyer Subsidiary” for purposes of the APMSA. On the Issue Date the Designated Buyer Subsidiaries are VZ Financing I B.V., VZ Financing II B.V. and VodafoneZiggo Group B.V. Pursuant to the Agency and Account Bank Agreement, the Buyer Parent will undertake to the Issuer that the Buyer Parent may notify the Platform Provider of a resignation of a Obligor Subsidiary only if all Outstanding Amounts owed by such Obligor Subsidiary (as principal obligor) in respect of its Assigned Receivables have been settled in accordance with the APMSA on or prior to the date of its resignation, and the Buyer Parent will agree to promptly provide written notification of the same to the Issuer (or the Administrator on its behalf).

From time to time, a Buyer Entity (or by LGC on its behalf) may execute an Upload and designate such uploaded Receivables as “approved”. Immediately upon payment by the Platform Provider to the relevant Suppliers of the Net Amount specified in the Electronic Data File (i) an SCF Transfer will occur in respect of such Approved Platform Receivables and (ii) such payment will give rise to new Payment Obligations being a new independent and primary, irrevocable, legal, valid and binding obligation of each Buyer Entity, jointly and severally to make payment or cause payment to be made of the Certified Amount to the Relevant Recipient on the Confirmed Payment Date in respect of such Approved Platform Receivable. Each Buyer Entity agrees that, immediately following such designation, the relevant Obligor shall pay the Certified Amount in full (without any deduction or withholding) and no Obligor shall be entitled to claim set-off or counterclaim against any party in relation to the payment of the whole or part of such Certified Amount. The Non-Obligor Buyer Subsidiaries will not be liable for any Payment Obligations.

The obligations of the Buyer Entities described above will not be affected by an act, omission, matter or thing which, but for the relevant provisions of the Framework Assignment Agreement, would reduce, release or prejudice any of such obligations, including: (a) any time, waiver or consent granted to, or composition with, any Buyer Entity or other person; (b) the release of any Buyer Entity or other person under the terms of any composition or arrangement with any creditor of any person (other than the relevant recipient of any VFZ Account Receivable); (c) any failure to realize the full value of any security; (d) any incapacity or lack of power, authority or legal personality of a Buyer Entity or any other person; (e) any amendment, novation, supplement or restatement (however fundamental) or replacement of the APMSA or any other documents; (f) any unenforceability, illegality or invalidity or any obligation of any person under the APMSA; or (g) any insolvency or similar proceedings. Each Buyer Entity also waives any right it may have of first requiring the Platform Provider to proceed against or enforce any other rights or security or claim from any person before claiming from

them pursuant to the APMSA, regardless of any applicable law or provision to the contrary. The Buyer Entities further agree to refrain from exercising any of the following rights which they may have under the APMSA until all amounts which may be or become payable by a Buyer Entity in connection with the APMSA have been irrevocably paid in full: (a) to be indemnified by any other Buyer Entity; (b) to claim contribution from any other guarantor of any Buyer Entity's obligations under the APMSA; (c) to take the benefit of any rights of the Platform Provider or a transferee under the APMSA in respect of the Buyer Entities; (d) to bring legal or other proceedings for an order requiring any Buyer Entity to make any payment or perform any other obligation in respect of which any Buyer Entity has given an undertaking or indemnity under the provisions of the APMSA; (e) to exercise any right of set-off against any Buyer Entity; and/or (f) to claim or prove as a creditor of any Buyer Entity in competition with the Platform Provider.

Eligible Platform Receivables (as defined below) may include those with a Confirmed Payment Date of up to 360 days from the issuance date of the relevant invoice. In respect of SCF Transfers of Receivables, a margin of 2.20% per annum (the "**Initial Margin**", which may be amended from time to time by a Margin Amendment, the "**Margin**") calculated on the basis of the relevant Outstanding Amounts (which includes the Platform Provider Processing Fee) over the Reference Rate, applies to such Receivables.

The relevant Margin shall be applied from the date of the relevant SCF Transfer until the Confirmed Payment Date in respect of such Payment Obligation (and the Receivable related thereto, solely to the extent that such Receivable has been acquired by the Platform Provider). The Reference Rate (being, in this case, EURIBOR with a floor of zero) is determined by the remaining tenor between the date of the relevant transfer and the Confirmed Payment Date (i.e. between 1 and 30 days, 1 month base rate will apply; between 31 and 60 days, 2 months base rate will apply). The Reference Rate plus the Margin are used to calculate the Applied Discount that the Platform Provider will deduct from the Certified Amount in the case of transfer by the Platform Provider of the VFZ Account Receivable prior to the Confirmed Payment Date, and accordingly is used in the calculation of the Purchase Price Amount for each VFZ Account Receivable. The Margin under the APMSA may not be amended without the written consent of the Issuer, and pursuant to the terms of the other Transaction Documents, the Issuer will agree to provide its written consent to any amendment of the Margin (without being required to seek the consent of the Noteholders) so long as the obligations of the New VFZ Facilities Borrower in favour of the Issuer under Clause 11.2 ("*Facility Fees*") of the New VFZ Facilities Agreement remain in full force and effect.

Pursuant to the APMSA, the Buyer Parent and, as applicable, each Obligor Subsidiary appoints the Platform Provider as paying agent with respect to the settlement of any VFZ Account Receivable. Settlement requires the Buyer Parent (or, at its option, an Obligor Subsidiary) to make an electronic transfer of the Certified Amount to the Platform Provider's designated bank account on the Confirmed Payment Date, and the Platform Provider will, in turn, transfer such Certified Amount (or part thereof as received by the Platform Provider) to the relevant recipient (which shall be the Issuer in respect of Assigned Receivables) on the same Confirmed Payment Date. As used herein, "**Certified Amount**" means, with respect to a Payment Obligation, the Outstanding Amount of such Payment Obligation (as specified in an Electronic Data File) on the "**Certified Amount Fixed Date**", being the date the relevant Electronic Data File is uploaded in respect of such Payment Obligations. Failure by any Obligor to pay all or any part of the Certified Amount by the Confirmed Payment Date will cause default interest to accrue on the unpaid sum at a rate of 1-month EURIBOR (or any other applicable reference rate selected by the Platform Provider and VodafoneZiggo) *plus* 7% per annum, until the Certified Amount has been discharged in full.

Prior to an SCF Transfer in respect of an Approved Platform Receivable, if a Buyer Entity wishes to reduce the amount of any Approved Platform Receivable for any reason (including as a result of any lien, right of set-off, defence, claim, counterclaim, or other certain adverse claim), it may post the amount to be deducted from such Approved Platform Receivable (each, a "**Credit Note**") as an entry in an Electronic Data File and such Credit Note will be allocated to such Approved Platform Receivable (and shall reduce the corresponding Payment Obligation that will arise following an SCF Transfer).

No Credit Notes may be allocated to an Approved Platform Receivable (and the corresponding Payment Obligation) following an SCF Transfer in respect of such Approved Platform Receivable. Additionally, each Buyer Entity agrees to be responsible for the accuracy of all information submitted by it in respect of VFZ Accounts Receivable and the Buyer Parent agrees to comply with certain reporting requirements set out in the APMSA.

Under the APMSA, each Buyer Entity represents, warrants and covenants to the Platform Provider at the date of (a) an Upload, (b) any SCF Transfer resulting in any Payment Obligation arising and the transfer or

acquisition of the Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider), and (c) transfer via the SCF Platform and/or as permitted by the APMSA (in each case, including each applicable Assignment Date), as applicable, among other things: (i) that the Approved Platform Receivable meets certain criteria under the APMSA including (but not limited to) having a Confirmed Payment Date of no more than 360 days, from the issuance date of the relevant invoice and is denominated in agreed currency (each such Approved Platform Receivable, an “**Eligible Platform Receivable**”); (ii) that the Approved Platform Receivable is not subject to any mortgage, charge, pledge, lien, other encumbrance or (to the best of the relevant Buyer Entity’s knowledge) other personal right or right in rem of any third party and has, to the best of the relevant Buyer Entity’s knowledge, not been transferred or transferred in advance; (iii) that each Payment Obligation and the Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) is free of any adverse claims, including any lien, right of set-off, netting, abatement, reduction, claim, defence or counterclaim; (iv) that each Payment Obligation and Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) can be validly transferred in accordance with the terms of the APMSA; and (v) that each Payment Obligation will be settled by an Obligor by the payment of the relevant Certified Amount on the relevant Confirmed Payment Date without withholding, deduction or set-off.

The APMSA also provides that the following occurrences, among others, constitute events of default, whereupon the Platform Provider shall have the right (but not the obligation) to suspend or terminate the provision of accounts payable management services and prohibit the creation of any further Payment Obligations (each, an “**APMSA Event of Default**”): (i) breach by any Buyer Entity of any obligation or certain representations, warranties, covenants, or any other obligations in the APMSA, if not remedied for a period of ten days (which grace period shall not apply if such breach relates to a financial interest of an amount in excess of €5.0 million); (ii) non-payment of any amount due under the APMSA, including all or any part of any Certified Amount (subject to a grace period of one Business Day in the case of principal, and three Business Days in the case of any other amount); (iii) if any Buyer Entity is unable, deemed unable, or admits inability to pay its debts as they fall due or is declared to be unable to pay its debts in applicable law; and (iv) any corporate action, legal proceedings or other analogous procedure or step is taken in any jurisdiction in relation to the suspension of payments, winding-up, or dissolution of any Buyer Entity, or any composition, compromise, assignment or arrangement with any creditor of any Buyer Entity, or the appointment of a liquidator, receiver, or other similar officer in respect of any Buyer Entity.

The Buyer Parent has also agreed to provide certain indemnities to the Platform Provider under the APMSA, including (but not limited to) indemnities against any losses directly suffered for or on account of tax, reasonable losses incurred as a direct result of any APMSA Event of Default or failure by any Buyer Entity to pay any amount due under the APMSA, and any costs, expenses, claims or losses incurred as a result of the incorrect calculation by any Buyer Entity of the amount of any Receivable uploaded in an Electronic Data File.

Subject to the consent of the Buyer Parent (which will not be unreasonably withheld), the Platform Provider may assign, transfer or deal in any other manner with any VFZ Account Receivable that has been transferred to it, and/or all of its rights against any Buyer Entity or under the APMSA, in part or in whole, to any third party; *provided, however*, that the Platform Provider may transfer any of its rights in VFZ Accounts Receivable to any of its affiliates without the consent of the Buyer Parent if the Platform Provider promptly (and in any event, within three Business Days of such transfer) provides written notice to the Buyer Parent of such transfer. No Buyer Entity may so assign or transfer its respective rights and obligations under the APMSA without the written consent of the Platform Provider, and such consent shall not be unreasonably withheld or delayed. In addition, LGC may transfer its rights and obligations under the APMSA upon ten business days’ written notice to the Platform Provider.

Each of the Platform Provider, LGC and the Buyer Parent may unilaterally terminate the APMSA upon notice to the other parties, if any other party breaches a material provision of the APMSA and fails to cure such breach within 10 days following written notice from the other party requiring them to remedy such breach. The Platform Provider may also terminate the APMSA: (i) for any reason upon 12 months’ prior written notice to the Buyer Parent and LGC; and (ii) immediately, upon written notice, if it becomes unlawful for the Platform Provider in any applicable jurisdiction to perform any of its obligations thereunder. The Buyer Parent or LGC may terminate the APMSA for any reason upon 20 Business Days’ prior written notice to the Platform Provider. Following termination of the APMSA, the Buyer Entities will no longer be permitted to use to the SCF Platform. All rights, duties and obligations of the parties to the APMSA with respect to the Payment Obligations posted to the SCF Platform prior to the effective date of any termination or expiration shall survive the termination or expiration of the APMSA.

The Accounts Payable Management Services Agreement is governed by English law.

New VFZ Facilities Agreement

The following contains a summary of the material provisions of the New VFZ Facilities Agreement. It does not purport to be complete and is subject to, and is qualified in its entirety by reference to, the underlying documents. Some of the terms used herein are defined in the New VFZ Facilities Agreement, and the Issuer has not included all of such definitions herein.

The New VFZ Facilities Agreement will be a senior credit facility agreement entered into on the Issue Date between, amongst others, the Issuer as the lender, the New VFZ Facilities Borrower as the borrower and The Bank of New York Mellon, London Branch as the administrator. The below summary of the New VFZ Facilities Agreement is qualified in its entirety by reference to the text of the New VFZ Facilities Agreement, a copy of which is attached as Annex A to this Offering Circular.

Pursuant to the New VFZ Facilities Agreement, the Issuer has agreed to make available to the New VFZ Facilities Borrower (i) the Excess Cash Facility, (ii) the Interest Facility and (iii) the Issue Date Facility (all collectively referred to herein as the “**New VFZ Facilities**”). The interest rate for each interest period on (i) the Excess Cash Loans will be % per annum; (ii) the Interest Facility Loans will be 0% per annum and (iii) the Issue Date Facility Loans will be % per annum. Interest will accrue daily from and including the first day of an interest period and is payable on the date that is one Business Day before the last day of each interest period and on the date of any repayment or prepayment of a Loan, and is calculated on the basis of a 360-day year comprised of twelve 30 day months. The interest period for each Loan will commence on the Utilisation Date for that Loan and end on the next Interest Payment Date, and each successive interest period shall commence on an Interest Payment Date and end on the next Interest Payment Date.

The indebtedness under the New VFZ Facilities Agreement will be unsecured. The New VFZ Facilities Agreement will also provide that the New VFZ Facilities Borrower may give notice to the Administrator (on behalf of the Issuer) that it wishes to include any Affiliate of the New VFZ Facilities Borrower (a “**Permitted Affiliate Parent**”) and the subsidiaries of any such Permitted Affiliate Parent as members of the Group for the purposes of the New VFZ Facilities, subject to certain conditions being satisfied.

Repayments and Prepayments

The Excess Cash Loans will be repaid pursuant to prior notice from the Administrator confirming that the Issuer requires cash (i) for the purchase of Receivables, (ii) for the redemption of all or part of the Notes or (iii) in connection with an Approved Exchange Offer; *provided that*, the New VFZ Facilities Borrower will also repay (A) all outstanding Excess Cash Loans by one Business Day before the earlier of (i) the Termination Date relating to the Excess Cash Facility and (ii) any date for redemption of all the Notes in full and (B) Excess Cash Loans in a principal amount equal to the principal amount of any voluntary partial redemption of the Notes one Business Day before the relevant notes partial redemption date. In addition, LGC may transfer its rights and obligations under the APMSA upon ten business days’ written notice to the Platform Provider.

The Interest Facility Loans will be repaid or deemed repaid (i) pursuant to prior notice from the Administrator confirming that the Issuer requires cash for payment of interest due and payable on the Notes (subject to the receipt of any Term Shortfall Payment as described under “*General Description of VodafoneZiggo’s Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes—Payment of Interest on the Notes*”); (ii) in an amount equal to the Term Excess Arrangement Payment (as described under “*General Description of VodafoneZiggo’s Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes—Payment of Interest on the Notes*”) if due and payable by the Issuer under the New VFZ Facilities Agreement on each Interest Payment Date on a cashless basis; (iii) in an amount equal to the amount, if any, by which the amount standing to the credit of the Interest Proceeds Account (as defined in the New VFZ Facilities Agreement) will be insufficient to pay the interest due and payable by the Issuer on the Notes on any date for redemption of the Notes that is not an Interest Payment Date; or (iv) pursuant to prior notice from the Administrator confirming that the Issuer requires cash in connection with an Approved Exchange Offer; *provided that*, the New VFZ Facilities Borrower will also repay all outstanding Interest Facility Loans by one Business Day before the earlier of (i) the Termination Date relating to the Interest Facility and (ii) any date for redemption of all the Notes in full.

The Issue Date Facility Loans will be repaid on or before the Termination Date relating to the Issue Date Facility.

In addition to the repayments described above, the New VFZ Facilities Agreement will contain provisions in relation to voluntary prepayment. The indebtedness under the New VFZ Facilities Agreement may be voluntarily prepaid, as the New VFZ Facilities Borrower may prepay all of the loans under the New VFZ Facilities and cancel all of the commitments of the Issuer on three Business Days’ (or shorter period as agreed by the

Administrator) prior notice, subject to certain provisions. Following receipt of notice from the Issuer that a Tax Event has occurred or will occur, on three Business Days' (or shorter period as agreed by the Administrator) prior notice, the New VFZ Facilities Borrower is permitted to prepay all of the Loans and cancel all of the Commitments of the Issuer, subject to certain provisions. For so long as a Drawstop Event (as defined in the New VFZ Facilities Agreement) has occurred and is continuing, on three Business Days' (or shorter period as agreed by the Administrator) prior notice, the New VFZ Facilities Borrower is permitted to prepay all or part of the Interest Facility Loans and/or Excess Cash Loans, but such prepayment shall not result in the cancellation of the commitments of the Issuer. The New VFZ Facilities must also be prepaid (including all Assigned Receivables) on the occurrence of any illegality (as described in the New VFZ Facilities Agreement) subject to certain conditions.

Fees

The New VFZ Facilities Borrower and the Issuer will pay each other fees at the times and in the amounts as described under “*General Description of VodafoneZiggo's Business, the Issuer and the Offering—Overview of the Structure of the Offering of the Notes—Payment of Interest on the Notes*”.

The Expenses Agreement will be governed by English law.

Issuer Management Agreement

On or prior to the Issue Date, the Issuer and the Managing Director will enter into the Issuer Management Agreement, pursuant to which the Managing Director performs various management functions on behalf of the Issuer, including the provision of certain clerical, reporting, accounting, administrative and other services until termination of the Issuer Management Agreement. In consideration for the foregoing, the Managing Director receives various fees and other charges payable by the Issuer at rates agreed upon from time to time plus expenses.

The terms of the Issuer Management Agreement provide that either party may terminate the Issuer Management Agreement upon the occurrence of certain stated events, including any material breach by the other party of its obligations under the Issuer Management Agreement which is either incapable of remedy or which is not cured within 30 days from the date on which it was notified of such breach. The Issuer Management Agreement is governed by Dutch law.

Issue Date Arrangements Agreement

On or before the Issue Date, the New VFZ Facilities Borrower, the Issuer and the Foundation will enter into the Issue Date Arrangements Agreement. On the Issue Date and pursuant to the Issue Date Arrangements Agreement: (i) the New VFZ Facilities Borrower will pay to the Foundation an amount representing the proceeds of the Issue Date Shares required to be subscribed to by the Foundation (the “**Subscription Proceeds**”) and €100 as profit to be paid to the Foundation (the “**Subscriber Profit**”) in return for the Foundation procuring that the Issuer enters into certain Transaction Documents or amendments thereto on or prior to the Issue Date, and (ii) in consideration for the Issuer agreeing to enter into Transaction Documents and the payment by the New VFZ Facilities Borrower to the Foundation of the Subscription Proceeds and the Subscriber Profit, the Foundation will subscribe for, and the Issuer will allot an amount of the Issuer’s ordinary shares equal to the Minimum Issuer Capitalization Amount (the “**Issue Date Shares**”) credited as fully paid (together, the “**Issue Date Arrangements**”). None of the Issuer, the Foundation or the New VFZ Facilities Borrower will be obliged to satisfy their respective obligations under the Issue Date Arrangements Agreement unless the Issue Date Arrangements are completed simultaneously and the Conditions to Completion (as defined below) have been completed to the satisfaction of each of the Issuer, the Foundation and the New VFZ Facilities Borrower.

Following execution of the Issue Date Arrangements, the Issuer will lend the Subscription Proceeds to the New VFZ Facilities Borrower under the Issue Date Facility. Each of the Issuer, the Foundation and the New VFZ Facilities Borrower will agree, pursuant to the Issue Date Arrangements Agreement and for ease of settlement, that the New VFZ Facilities Borrower’s obligation to pay the Subscription Proceeds and Subscriber Profit to the Foundation and the Foundation’s obligation to pay the Subscription Proceeds to the Issuer and the Issuer’s obligation to fund an Issue Date Facility Loan in an amount equal to the Subscription Proceeds to the New VFZ Facilities Borrower shall all be settled, to the extent possible, on a cashless basis. Thus, in practice, nearly all of the payment by the New VFZ Facilities Borrower to the Foundation will ultimately be lent back to the New VFZ Facilities Borrower under the Issue Date Facility, and the sole payment to be made on the Issue Date pursuant to the Issue Date Arrangements Agreement shall be an amount of €100 representing the Subscriber Profit payable by the New VFZ Facilities Borrower to the Foundation in satisfaction of the net amount outstanding after setting off all payments due by each of the Issuer, the Foundation and the New VFZ Facilities Borrower in connection with the Issue Date Arrangements and the funding of the Issue Date Facility Loan.

Completion of the subscription for the Issue Date Shares, if any, by the Foundation will be dependent upon the following conditions (the “**Conditions to Completion**”) having been satisfied: (i) the Foundation, in its capacity as the existing shareholder and holder of the Existing Shares, having caused a resolution by it to be passed to issue the Issue Date Shares in accordance with the terms of the Issue Date Arrangements Agreement; and (ii) each of the Issuer, the Foundation and the New VFZ Facilities Borrower having entered into each Transaction Document to which it is party on the Issue Date. Upon satisfaction of the Conditions to Completion and the subscription by the Foundation for the Issue Date Shares, the Issuer shall, *inter alia*, enter into the applicable Transaction Documents and deliver certain documents (including copies of the resolutions required, and minutes of the board meeting held, pursuant to the Conditions to Completion) to the Foundation.

As of the date of the Issue Date Arrangements Agreement, the Issuer and the Foundation (in its capacity as holder of the Existing Shares) will each represent and warrant to the Foundation (in its capacity as subscriber formed under the laws of the Netherlands of the Issue Date Shares) that, *inter alia*: (i) following the Foundation’s subscription for the Issue Date Shares, the Shares comprise the whole of the allotted and issued share capital of the Issuer; (ii) save for any agreement to the contrary described in the Transaction Documents (including the Issue Date Arrangements agreed to in the Issue Date Arrangements Agreement), there is no Encumbrance (as defined in the Issue Date Arrangements Agreement) nor any agreement, arrangement or obligation to create or give any Encumbrance affecting any of the Shares or any of the issued or unissued shares of the Issuer, nor any agreement, arrangement or obligation in force which calls for the present or future allotment, issue or transfer of any share or loan capital of the Issuer, and no share or loan capital has been created, allotted, issued, acquired, repaid or redeemed by the Issuer; (iii) the Shares are fully paid up or credited as fully paid up; and (iv) the execution or performance of the Issue Date Arrangements Agreement and all other applicable Transaction Documents will not give rise to, or cause to become exercisable, any right of pre-emption over the Issue Date Shares, will not entitle any person to receive from the Issuer any finder’s fee, brokerage or other commission in connection with the subscription by the Foundation for the Issue Date Shares, and will not conflict with, result in the breach of, or constitute a default under, any of the terms, conditions or other provisions of any other agreement to which the Issuer is party or any provision of its Articles of Association.

The Issue Date Arrangements Agreement will contain standard limited recourse and non-petition provisions with respect to the Issuer.

The Issue Date Arrangements Agreement will be governed by Dutch law.

TERMS AND CONDITIONS OF THE NOTES

The following are the terms and conditions of the Notes in the form (subject to completion and amendment) in which they will be set out in the Trust Deed. These terms and conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, and the Agency and Account Bank Agreement and the other Transaction Documents (each as defined below).

The €600,000,000 aggregate principal amount of % Vendor Financing Notes due 2029 (the “**Notes**”) of VZ Vendor Financing II B.V. (the “**Issuer**”) are constituted by a trust deed (as amended, amended and restated, novated, supplemented or otherwise modified from time to time, the “**Trust Deed**”) to be dated 18 December 2020 (the “**Issue Date**”) between, among others, the Issuer, BNY Mellon Corporate Trustee Services Limited (in this capacity, together with any successor, substitute or replacement the “**Notes Trustee**”) as trustee for the holders of the time being of the Notes (the “**Noteholders**”) and security trustee (in this capacity, together with any successor, substitute or replacement, the “**Security Trustee**”) as security trustee for the Secured Parties. The Notes Trustee will not accede to the Group Priority Agreement or the Holdco Priority Agreement and the Noteholders will not be bound by the terms of these intercreditor arrangements.

The expression “**Notes**” shall in these terms and conditions (the “**Conditions**”), unless the context otherwise requires, include the Notes offered hereby as well as any Further Notes (as defined below) issued pursuant to Condition 20 (*Issue of Further Notes*). Any Further Notes which are issued shall form a single class with the Notes issued on the Issue Date then outstanding. The Notes are subject to these Conditions.

Overview of the Structure of the Offering of the Notes

As part of the Transactions, the Issuer intends to issue €600,000,000 aggregate principal amount of the Notes. As more fully described below, the proceeds from the offering of the Notes will be used to purchase eligible payment obligations and accounts receivable relating thereto owing by VodafoneZiggo and certain of its subsidiaries, to make certain loans available to the New VFZ Facilities Borrower and for the other purposes described herein. Defined terms used but not defined herein have the meaning ascribed to them in the “*Definitions*” section.

In the course of their business, VodafoneZiggo and its subsidiaries purchase goods and/or services from suppliers pursuant to the terms of various supply contracts, and those suppliers issue invoices requiring the relevant Buyer Entity (as defined below) to make payment for the purchase of such goods and/or services on the terms specified in the applicable invoice and supply contract. Each invoice evidences an amount payable by a Buyer Entity to a Supplier (as defined below) as a result of an existing business relationship and includes all rights attaching thereto under the relevant contract to which such invoice relates (as further described in “*Description of the Receivables*” included elsewhere in this Offering Circular, each, a “**Receivable**” and collectively, the “**Receivables**”). From time to time, a Buyer Entity, or the Buyer Parent and/or Liberty Global Capital Limited on its behalf, may upload an Electronic Data File containing details of Receivables payable to a Supplier (as defined in Condition 1 (*Definitions and Principles of Construction*)) on to the SCF Platform (as defined below) (an “**Upload**”). The designation of such uploaded Receivables as “approved” by a Buyer Entity will give rise to such Receivable being an, “**Approved Platform Receivable**”. As further described below, immediately upon payment by the Platform Provider to the relevant Suppliers of the Net Amount specified in the Electronic Data File (i) an SCF Transfer will occur in respect of such Approved Platform Receivables and (ii) such payment will immediately give rise to new independent and primary obligations of each Obligor (as defined below), jointly and severally, to make or cause payment to be made to the Relevant Recipient on the Confirmed Payment Date (as defined below) in respect of such Approved Platform Receivable (a “**Payment Obligation**”). Each Electronic Data File will, among other things, specify the Net Amount payable to the relevant Supplier in respect of Approved Platform Receivables, the date such Net Amount should be paid (the “**Net Amount Payment Date**”) and the date on which such Payment Obligation (which arises following an SCF Transfer) and the related Approved Platform Receivable will be paid (which date will be a date up to 360 days from the original invoice date, a “**Confirmed Payment Date**”).

Pursuant to the Framework Assignment Agreement (as defined below), the Platform Provider may subsequently offer to sell and assign (including pursuant to the Block Transfer) to the Issuer, on a non-recourse basis, eligible Payment Obligations and the related Receivables (solely to the extent that such Receivables have been acquired by the Platform Provider) (collectively and as further described and defined below, the “**VFZ Accounts Receivable**”).

On or about the Issue Date, the Issuer will use the net proceeds from the offering of the Notes *plus* any upfront payment payable by the New VFZ Facilities Borrower under the New VFZ Facilities Agreement (as defined below) to finance the purchase of eligible VFZ Accounts Receivable pursuant to the terms and conditions of the Framework Assignment Agreement. To the extent that such proceeds from the offering of the Notes exceed the amount of VFZ Accounts Receivable available for purchase by the Issuer on the first Value Date (as defined below) falling on or after the Issue Date, the Issuer will advance any such excess proceeds to the New VFZ Facilities Borrower as a revolving loan under the New VFZ Facilities Agreement (an “**Excess Cash Loan**”, and collectively with other loans advanced under the Excess Cash Facility (as defined below) from time to time, the “**Excess Cash Loans**”).

Following the Issue Date, as VFZ Accounts Receivable purchased by the Issuer (the “**Assigned Receivables**”) are settled on the Confirmed Payment Date, the Platform Provider (acting as collection agent for the Issuer under the Framework Assignment Agreement) will receive an amount (a “**Collected Amount**”) from the relevant Obligor equal to the Outstanding Amount (as defined below) relating to such Assigned Receivables. The Issuer will use the Collected Amount, *less* the portion of such Collected Amount comprising Premium (as defined below) (each such difference, a “**Collected Principal Amount**”), to purchase (through the Platform Provider) new VFZ Accounts Receivable, to the extent available for purchase, or to advance such funds to the New VFZ Facilities Borrower as additional Excess Cash Loans. Excess Cash Loans will bear a rate of interest of %. The rate of interest on the Excess Cash Loans, together with the interest earned on the Issue Date Facility Loans (as defined below) under the Issue Date Facility (as defined below), is intended to provide the Issuer with the same rate of return in respect of the Committed Principal Proceeds (as defined below) not invested in VFZ Accounts Receivable (including any Retained Collected Amount (as defined below)) as Noteholders will receive in respect of the Notes. Interest on the Excess Cash Loans and the Issue Date Facility Loans will be computed on the basis of a 360-day year comprising twelve 30-day months. From time to time, as further VFZ Accounts Receivable become available for purchase through the SCF Platform, the Issuer will, directly or indirectly, fund such purchases with Collected Principal Amounts and any Purchase Price Return Amounts (as defined below) which are expected to be credited to the Issuer on the relevant Value Date (as defined below) (such amounts, collectively, “**Interim Platform Amounts**”), and to the extent such purchases cannot be fully funded by Interim Platform Amounts, by demanding from the New VFZ Facilities Borrower, on a weekly basis, repayment of a principal amount of Excess Cash Loans then outstanding equal to such shortfall.

The primary sources of payment of interest on the Notes will be:

1. the premium earned by the Issuer on Assigned Receivables (the “**Premium**”), being an amount equal to the difference between (i) the Outstanding Amounts (as further defined and described below under “*Purchases and Collections of VFZ Accounts Receivable—The Framework Assignment Agreement*”) collected upon maturity thereof, less (ii) the Purchase Price Amounts (as further defined and described below under “*Purchases and Collections of VFZ Accounts Receivable—The Framework Assignment Agreement*”) at which such Assigned Receivables are purchased by the Issuer; and
2. the interest earned by the Issuer on Excess Cash Loans and any Issue Date Facility Loans made to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement (the “**VFZ Facilities Interest**”).

Additionally, the Issuer may, from time to time, receive interest paid by the Platform Provider on (i) Retained Collected Amounts (being Collected Amounts which have not been paid to the Issuer towards satisfaction of the relevant Outstanding Amount and not been used to purchase further VFZ Accounts Receivable) (such interest, the “**Retained Collected Amount Interest**”, and collectively with the Excess Requested Purchase Price Interest (as defined below), the “**Retained Amount Interest**”) and (ii) Excess Requested Purchase Price Amounts (as defined below), being funds transferred to the Platform Provider which have not been applied towards the purchase of new VFZ Accounts Receivables on the relevant Value Date (such interest, the “**Excess Requested Purchase Price Interest**” collectively with the Unutilised Collected Amounts (as defined below), the “**Purchase Price Return Amounts**”). The Retained Amount Interest will be calculated in accordance with the Framework Assignment Agreement (as described below) and the Agency and Account Bank Agreement (as described elsewhere in this Offering Circular), and will be deemed to accrue on the basis of a 360-day year comprised of twelve 30-day months.

The Premium, the VFZ Facilities Interest and the Retained Amount Interest are, collectively, the “**Interest Proceeds**”. To the extent the Interest Proceeds earned during an interest payment period are insufficient to fund scheduled payments of interest on the Notes, the deficiency will be made up by the New VFZ Facilities Borrower via a Shortfall Payment (as defined below) to be paid to the Issuer.

The primary sources of repayment of principal on the Notes, on the Maturity Date or at early redemption of the Notes in accordance with the Conditions, will be:

1. the Collected Principal Amounts repaid in respect of Assigned Receivables at their respective maturities; and
2. repayments of Excess Cash Loans and (with respect to repayment of principal on the Maturity Date of the Notes or at early redemption of the Notes in accordance with the Conditions) Issue Date Facility Loans.

Additionally, the Issuer may, from time to time, receive repayments from the Platform Provider of Purchase Price Return Amounts (if any), which will be applied towards repayment of principal on the Notes on the Maturity Date or at early redemption of the Notes in accordance with the Conditions.

Whether in respect of settlement of Assigned Receivables, repayment of loans advanced under the New VFZ Facilities Agreement or funding of any Shortfall Payment, among other payment obligations, the Issuer will ultimately be reliant on funds from the New VFZ Facilities Borrower and certain of its subsidiaries to make payments due under the Notes.

In connection with the Transactions, the Issuer will enter into the following agreements, among others:

1. the Framework Assignment Agreement, pursuant to which the Issuer will periodically use any Excess Cash to purchase available VFZ Accounts Receivable. References to “**Excess Cash**” are to uninvested funds in an amount equal to (i) the Committed Principal Proceeds, *minus* (ii) the Requested Purchase Price Amounts (as defined below) paid by the Issuer (taking into account any Interim Platform Amount) for any Assigned Receivables outstanding as of the relevant determination date;
2. the New VFZ Facilities Agreement, pursuant to which the Issuer will (i) make loans (each, an “**Interest Facility Loan**” and collectively, the “**Interest Facility Loans**”) to the New VFZ Facilities Borrower under the Interest Facility (as defined below), (ii) to the extent that VFZ Accounts Receivable are not available for purchase through the SCF Platform, use Excess Cash to make Excess Cash Loans to the New VFZ Facilities Borrower under the Excess Cash Facility, (iii) make any Issue Date Facility Loans to the New VFZ Facilities Borrower under the Issue Date Facility, and (iv) make certain payments to the New VFZ Facilities Borrower (including any Excess Arrangement Payment (as defined below)), and pursuant to which the New VFZ Facilities Borrower will make certain payments to the Issuer (including any Shortfall Payment);
3. the Expenses Agreement, pursuant to which the Issuer will be entitled to (i) receive reimbursement from the New VFZ Facilities Borrower in respect of certain fees and expenses of the Issuer, including certain fees and expenses in relation to the issuance of the Notes, and (ii) receive certain payments from the New VFZ Facilities Borrower in respect of amounts that may become due and payable in respect of the Notes, including certain fees and expenses in relation to the issuance of the Notes, certain tax liabilities of the Issuer, any Additional Amounts (as defined in “*Terms and Conditions of the Notes*”), any premiums on redemption of the Notes, and any interest on overdue amounts under the Notes; and
4. the Agency and Account Bank Agreement, pursuant to which The Bank of New York Mellon, London Branch as administrator will agree, among other things, to provide certain portfolio administration and calculation services to and/or on behalf of the Issuer.

The terms of the Expenses Agreement, the New VFZ Facilities Agreement (including the Interest Facility, the Excess Cash Facility and the Issue Date Facility thereunder), the Agency and Account Bank Agreement, the Framework Assignment Agreement and the APMSA (as defined below) are more fully described below under “*New VFZ Facilities*”, “*Purchases and Collections of VFZ Accounts Receivable—The Framework Assignment Agreement*”, “*Accounts Payable Management Services Agreement*”, and “*Summary of Principal Documents*” found elsewhere in this Offering Circular.

Issuer Transaction Accounts

As part of the Transactions, the Issuer will establish and maintain three dedicated transaction accounts:

1. an “**Issuer Collection Account**”, through which the Issuer will, among other things, receive payments of Collected Amounts on Assigned Receivables, other payments (if any) from the Platform Provider

pursuant to the Framework Assignment Agreement, and payments of amounts under the New VFZ Facilities Agreement (with any such payments and amounts so received being immediately credited to the Interest Proceeds Account or the Principal Proceeds Account, as applicable);

2. an “**Interest Proceeds Account**”, through which the Issuer will, among other things, finance the payment of interest on the Notes; and
3. a “**Principal Proceeds Account**” (together with the Issuer Collection Account and the Interest Proceeds Account, the “**Issuer Transaction Accounts**”), through which the Issuer will, among other things, finance its periodic purchases of VFZ Accounts Receivable available through the SCF Platform and the ultimate repayment of principal on the Notes.

The Interest Proceeds Account

Subsequent to the Issue Date, and from time to time, the Issuer will deposit into the Interest Proceeds Account:

1. upon maturity and repayment of each Assigned Receivable, an amount equal to the Premium earned by the Issuer upon collection (collectively, the “**Collected Premium Amounts**”);
2. any Retained Amount Interest paid by the Platform Provider;
3. any VFZ Facilities Interest;
4. the proceeds from the repayment of any Interest Facility Loan; and
5. any Shortfall Payment paid by the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement.

Subsequent to the Issue Date and from time to time, the Issuer will use the funds available in the Interest Proceeds Account:

1. to fund the payment of interest on the Notes on each scheduled Interest Payment Date or otherwise upon redemption of the Notes;
2. to make Interest Facility Loans to the New VFZ Facilities Borrower on a daily basis; and
3. to fund payment of any Excess Arrangement Payment (as defined below), when due and payable, to the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement.

The Principal Proceeds Account

From time to time, the Issuer will have an amount available for the purchase of VFZ Accounts Receivable equal to the amount representing the net proceeds of the Notes offered hereby, *plus* the net proceeds of the issuance of any Further Notes *plus*, in each case, any upfront payments payable by the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement in connection therewith (the “**Committed Principal Proceeds**”). On the Issue Date, the Committed Principal Proceeds will equal €600.0 million. On or about the Issue Date, the Issuer will (i) firstly, deposit into the Principal Proceeds Account an amount of the Committed Principal Proceeds equal to the amount required for the purchase of VFZ Accounts Receivable by the Issuer on the first Value Date falling on or after the Issue Date (a “**Requested Purchase Price Amount**”) (or will direct that payment be made directly for such purchase for its account by the Common Depositary), and (ii) secondly, use any remaining Committed Principal Proceeds to fund an initial Excess Cash Loan to the New VFZ Facilities Borrower under the Excess Cash Facility pursuant to the New VFZ Facilities Agreement. Subsequent to the Issue Date, and from time to time, the Issuer will deposit into the Principal Proceeds Account:

1. upon the maturity and repayment of each Assigned Receivable, an amount equal to the Collected Principal Amount on such Assigned Receivable which has been returned to the Issuer upon the ultimate collection of such Assigned Receivable pursuant to the terms of the Framework Assignment Agreement;
2. any Purchase Price Return Amount paid by the Platform Provider to the Issuer pursuant to the terms of the Framework Assignment Agreement; and
3. the principal amount of any Excess Cash Loans or (with respect to the final repayment date) Issue Date Facility Loans repaid by the New VFZ Facilities Borrower.

Subsequent to the Issue Date and from time to time, the Issuer will use the funds available in the Principal Proceeds Account:

1. to purchase available VFZ Accounts Receivable through the SCF Platform;
2. to make Excess Cash Loans to the New VFZ Facilities Borrower on a daily basis, and
3. upon the maturity of the Notes, to repay amounts outstanding under the Notes.

Purchases and Collections of VFZ Accounts Receivable—The Framework Assignment Agreement

On or about the Issue Date, the Issuer, as purchaser, will enter into the Framework Assignment Agreement (as defined in Condition 1 (*Definitions and Principles of Construction*)) with, among others, the Platform Provider, VodafoneZiggo as the parent (the “**Buyer Parent**”) and The Bank of New York Mellon, London Branch as administrator. Under the Framework Assignment Agreement, from time to time commencing on the Issue Date, the Issuer may purchase and have assigned to it on a non-recourse basis, up to the total amount of Committed Principal Proceeds, and the Platform Provider may sell and assign (including pursuant to the Block Transfer) on a non-recourse basis, eligible VFZ Accounts Receivable that have been transferred to or acquired by the Platform Provider following an SCF Transfer. For purposes of this overview, “**VFZ Account Receivable**” means a Payment Obligation and the Receivable in respect of which such Payment Obligation has arisen, solely to the extent that such Receivable has been acquired by the Platform Provider.

Each VFZ Account Receivable to be purchased by the Issuer must meet, and the Buyer Parent will represent and warrant (on behalf of itself and as agent for the Buyer Entities) on the date of each sale and assignment of any VFZ Account Receivable from the Platform Provider to the Issuer (each such date, an “**Assignment Date**”) in accordance with the Framework Assignment Agreement, that such VFZ Account Receivable meets, the following eligibility criteria: that such VFZ Account Receivable (i) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is owed by the Obligors on a joint and several basis; (ii) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is governed by English law; (iii) is denominated in euros; (iv) (with respect to the Payment Obligation component of such VFZ Account Receivable only) is the legal, valid and binding obligation of each Obligor; (v) is capable of being freely and validly transferred in the manner provided by the Framework Assignment Agreement, so that on purchase the Issuer will receive good title; (vi) is due and payable in full without any right of set-off, counterclaim or deduction in favour of the Buyer Entities; and (vii) has a maturity date that is no later than two Business Days prior to the Maturity Date of the Notes. For a further description of the VFZ Accounts Receivable, see “*Description of the Receivables*” included elsewhere in this Offering Circular. Additionally, immediately prior to each Assignment Date, the Platform Provider will represent and warrant that it is entitled to assign the relevant Payment Obligation pursuant to the terms of the Framework Assignment Agreement, and that it has not assigned, transferred or otherwise disposed of, or created any encumbrance or security interest over, such Payment Obligation. Furthermore, the Platform Provider will undertake that it will not, without the consent of the Issuer, take any action that would adversely affect a Payment Obligation or the Issuer’s interest(s) therein (as further described in “*Summary of Principal Documents—Framework Assignment Agreement*” included elsewhere in this Offering Circular).

Each Payment Obligation will be the joint and several obligation of the New VFZ Facilities Borrower and each of the New VFZ Facilities Obligors (as defined below). On the Issue Date, the eligible Obligors will be VodafoneZiggo and VZ Financing II B.V. (each, a “**New VFZ Facilities Obligor**” and collectively, the “**New VFZ Facilities Obligors**”, and together with the New VFZ Facilities Borrower, the “**Obligors**”).

Purchases of VFZ Accounts Receivable with Requested Purchase Price Amounts

On or following the Issue Date (as further described in “*Capitalization of VodafoneZiggo*” included elsewhere in this Offering Circular), the Platform Provider is expected to sell and assign (including pursuant to the Block Transfer) to the Issuer VFZ Accounts Receivable for a Requested Purchase Price Amount of €600.0 million, which the Issuer will fund with all or a portion of the Committed Principal Proceeds. See “*Use of Proceeds*”. It is expected that the Issuer will complete the Block Transfer by 31 December 2020 and further purchases of VFZ Accounts Receivable or loans to the New VFZ Facilities Borrower by 31 March 2021. In connection with such sale and assignment, the Platform Provider will deliver to the Issuer:

1. an assignment framework note (substantially in the form attached to the Framework Assignment Agreement, an “**Assignment Framework Note**”) to be accepted and agreed to by the Issuer, pursuant to which the Issuer will agree, among other things, to purchase Payment Obligations (and the

Receivables related thereto, solely to the extent that such Receivables have been acquired by the Platform Provider), in whole but not in part, at the relevant Purchase Price Amounts in an aggregate amount equal to a limit (in respect of purchased Payment Obligations which have not been settled) specified therein (the “**Purchase Limit**”); and

2. one or more notices related to such Assignment Framework Note (substantially in the form attached to the Framework Assignment Agreement, each an “**Assignment Notice**”) instructing the Issuer to pay to the Platform Provider, as consideration for the sale and assignment of the relevant VFZ Accounts Receivable, a requested amount (a “**Requested Purchase Price Amount**”) on the date falling five Business Days following receipt by the Issuer of such Assignment Notice (or, in respect of the Assignment Notice in relation to the Block Transfer, on the day of receipt of such Assignment Notice) (a “**Value Date**”).

As used herein, a “**Purchase Price Amount**” means, in relation to any VFZ Account Receivable, an amount equal to the Outstanding Amount (as defined below) of such VFZ Account Receivable *less* the Applied Discount (as defined in the context of the Framework Assignment Agreement) (as defined below) calculated as at the relevant Assignment Date. “**Outstanding Amount**” means, with respect to a Payment Obligation, an amount equal to (i) the gross amount of the Approved Platform Receivable in respect of which the Payment Obligation arose, *less* (ii) the sum of all Credit Notes (as defined below under “*Accounts Payable Management Services Agreement*”) allocated to the Approved Platform Receivable in respect of which that Payment Obligation arose pursuant to the terms of the APMSA, *plus* (iii) the Applied Discount (as defined below in the context of the APMSA). “**Applied Discount**” refers (i) in the context of the APMSA, to the discount amount that the Platform Provider will deduct from the Certified Amount (as defined below under “*Accounts Payable Management Services Agreement*”) in case of a transfer of the Payment Obligation prior to the Confirmed Payment Date pursuant to the terms of the APMSA and (ii) in the context of the Framework Assignment Agreement, to the discount amount that the Platform Provider will deduct from the Certified Amount in the case of a transfer of the Payment Obligation prior to the Confirmed Payment Date pursuant to the terms of the APMSA, *less* the processing fee due to the Platform Provider and LGC specified in the APMSA (which will initially be 0.20% per annum) (the “**Platform Provider Processing Fee**”).

From time to time following the Issue Date, the Platform Provider may, at its discretion (but not more than once per week prior to the service of a notice of termination (as further described below)), serve further Assignment Notices (which may also be Primary Assignment Notices (as defined and further described below under “—*Collections on Assigned Receivables and Further Purchases of VFZ Accounts Receivable with Collected Principal Amounts*”)) to the Issuer pursuant to the relevant Assignment Framework Note.

Following the receipt of an Assignment Notice, so long as no Non-Compliance Event (as defined below) has occurred and is continuing, the Issuer will pay, on the relevant Value Date, the relevant Requested Purchase Price Amount (which may be adjusted as further described below) to the Platform Provider, which shall have the effect of the Platform Provider immediately (or, in respect of a Block Transfer that will occur on the day immediately following the Issue Date, only on the day immediately following such Value Date) selling and assigning, without further action on the part of any person or entity, all of its rights, title and interest in and to the relevant Payment Obligations (and the Receivables related thereto, solely to the extent that such Receivables have been acquired by the Platform Provider) at the relevant Purchase Price Amounts to the Issuer pursuant to the relevant Assignment Framework Note (an “**Assignment**”). The Requested Purchase Price Amount (and the corresponding VFZ Accounts Receivable) will be adjusted if the aggregate of all Requested Purchase Price Amounts, together with (without double counting) the aggregate of all Purchase Price Amounts in respect of outstanding Assigned Receivables would be higher than the relevant Purchase Limit specified in that Assignment Framework Note. In such event, the Issuer must notify the Platform Provider within two Business Days of receipt of the relevant Assignment Notice (i) of such circumstance and (ii) that the Requested Purchase Price Amount will (A) be reduced to equal the amount which would cause the aggregate Requested Purchase Price Amount, together with (without double counting) the aggregate of all Purchase Price Amounts in respect of outstanding Assigned Receivables to equal such Purchase Limit and/or (B) cancelled to the extent necessary such that the relevant assignment is for the whole, and not part, of the VFZ Accounts Receivable.

The Issuer will not be obliged to pay a Requested Purchase Price Amount specified in an Assignment Notice if any of the following events (each, a “**Non-Compliance Event**”) have occurred and is continuing (provided that the Issuer notifies the Platform Provider, within two Business Days of the receipt of such Assignment Notice, that one or more Non-Compliance Events have occurred and of the Issuer’s intention not to comply with such Assignment Notice): (i) if the Framework Assignment Agreement or relevant Assignment Framework Note has

been terminated prior to the date of such Assignment Notice; (ii) if the terms and conditions of such Assignment Notice materially deviate from the terms and conditions of the Framework Assignment Agreement or the relevant Assignment Framework Note; (iii) if an Obligor Event of Default (as defined below) is continuing in respect of any Obligor; and/or (iv) if a specified insolvency event occurs in respect of the Platform Provider which directly results in the Platform Provider not continuing its business as contemplated under the Framework Assignment Agreement. If, following the receipt of a Requested Purchase Price Amount on a Value Date, the Platform Provider has acquired (or determines that it will on such Value Date acquire) insufficient VFZ Accounts Receivable to apply the whole of the Requested Purchase Price Amount received on such Value Date, the Platform Provider will either (i) serve, on such Value Date, one or more notices (substantially in the form set out in the Framework Assignment Agreement, each, a **“Purchase Price Return Notice”**) to the Issuer and, on the Business Day following the date of such Purchase Price Return Notice (a **“Settlement Date”**), pay to the Issuer Collection Account, the excess Requested Purchase Price Amount not applied towards the purchase of VFZ Accounts Receivable (such excess, the **“Excess Requested Purchase Price Amount”**); or (ii) retain such Excess Requested Purchase Price Amount for a period of up to four Business Days following such Value Date (an **“Excess Retention Period”**, and the final day thereof (which, at the Platform Provider’s discretion, may occur prior to the fourth Business Day following such Value Date), the **“Excess Retention Period End Date”**) to be applied towards the purchase of any VFZ Accounts Receivable arising during such Excess Retention Period. If the Platform Provider chooses to retain such Excess Requested Purchase Price Amount, it further agrees that (i) if the Platform Provider acquires any VFZ Accounts Receivable during such Excess Retention Period, it will sell and assign such VFZ Accounts Receivables to the Issuer (and the Platform Provider will be deemed to have served an Assignment Notice in respect of such Assigned Receivables); and (ii) on the Business Day prior to the Excess Retention Period End Date, the Platform Provider will serve a Purchase Price Return Notice in respect of any remaining Excess Requested Purchase Price Amount to the Issuer, and subsequently pay such remaining Excess Requested Purchase Price Amount to the Issuer Collection Account on such Excess Retention Period End Date, together with all Excess Requested Purchase Price Interest (as defined below) due in respect thereof. **“Excess Requested Purchase Price Interest”** shall accrue daily at the Funding Rate (as defined below), calculated on any Excess Requested Purchase Price Amount retained by the Platform Provider (and not applied towards the purchase of VFZ Accounts Receivable), from (and including) the first day of the relevant Excess Retention Period to (and including) the relevant Excess Retention Period End Date, or such later date on which the Issuer receives such Excess Requested Purchase Price Amount together with all interest due in respect thereof. As used herein, **“Funding Rate”** means a rate equal to the Margin (as defined below) (less the Platform Provider Processing Fee) over 1-month EURIBOR (or any other applicable reference rate selected by the Platform Provider and VodafoneZiggo) (a **“Reference Rate”**); *provided that* if the relevant Reference Rate is less than zero, such Reference Rate shall be deemed to be zero.

Collections on Assigned Receivables and Further Purchases of VFZ Accounts Receivable with Collected Principal Amounts

Prior to the service of an Obligor Enforcement Notification (as defined and further described below), the Platform Provider will act as collection agent for the Issuer in respect of any Collected Amounts received or recovered relating to Assigned Receivables, in accordance with the Accounts Payable Management Services Agreement. Except in circumstances where certain Collected Principal Amounts are applied towards the purchase of new VFZ Accounts Receivable (as further described below), the Platform Provider will apply any Collected Amount, within one Business Day of receipt or recovery thereof (such scheduled date of application, a **“Collected Amount Forwarding Date”**), in or towards the repayment to the Issuer of an amount equal to the Outstanding Amount of the relevant Assigned Receivables (to the extent that such Assigned Receivables remain outstanding and has not been settled or otherwise paid to the Issuer).

From time to time, the Platform Provider may serve an Assignment Notice (a **“Primary Assignment Notice”**) which states that any Collected Principal Amounts in respect of Assigned Receivables relating to such Primary Assignment Notice are to be treated as further payments of Requested Purchase Price Amounts. So long as (i) no Non-Compliance Event has occurred and is continuing (and in respect of which the Issuer has notified the Platform Provider that the purchase mechanics described in this paragraph will not apply) or (ii) no notice of termination has been served (as further described below), then (a) the Platform Provider will be deemed to have served an Assignment Notice on exactly the same terms as the Primary Assignment Notice, except for the Requested Purchase Price Amount (which will be equal to the Collected Principal Amount that would otherwise be due and payable to the Issuer) (such notice, the **“New Assignment Notice”**); and (b) the Platform Provider’s obligation to pay such Collected Principal Amount to the Issuer will be set off against the Issuer’s obligation to pay the Requested Purchase Price Amount under the New Assignment Notice. For the avoidance of doubt, the purchase mechanics described in this paragraph will not affect the Platform Provider’s obligation to pay to the

Issuer any Premium on the relevant Collected Amount Forwarding Date. If, three Business Days following the service of a New Assignment Notice, the Platform Provider still holds any Collected Amounts which have not been utilised for the purchase of new VFZ Accounts Receivable (such amounts, “**Unutilised Collected Amounts**”), the Platform Provider will immediately serve a Purchase Price Return Notice to the Issuer in respect of such Unutilised Collected Amounts, and will pay such Unutilised Collected Amounts to the Issuer Collection Account on the relevant Settlement Date. The Platform Provider will pay the Issuer interest on any “**Retained Collected Amounts**” (being any Collected Amount which has not been paid to the Issuer towards satisfaction of the relevant Outstanding Amount and not been used to purchase further VFZ Accounts Receivable as described above). Interest on Retained Collected Amounts shall accrue daily at the Funding Rate, calculated from (and including) the relevant scheduled Collected Amount Forwarding Date to (and including) the relevant Settlement Date or such later date on which the Issuer receives the Retained Collected Amount, together with all interest due in respect thereof, as the case may be (the “**Retained Collected Amount Interest**”), and will be paid to the Issuer Collection Account on the relevant Settlement Date or such later date, as applicable.

Obligor Events of Default and Obligor Enforcement Notification

The Issuer may not serve (or cause or permit to be served) a notice to the Obligors informing them of an Assignment (an “**Obligor Enforcement Notification**”) prior to the occurrence of (i) a failure by any Obligor to pay any Payment Obligation in full to the Platform Provider on the date such payment was due (taking into account any applicable grace period under the APMSA), (ii) a specified insolvency event in respect of any Obligor, (iii) a breach of the representations and warranties of the Buyer Parent with respect to the eligibility of the VFZ Accounts Receivable, which is not capable of remedy (or if such breach is capable of remedy, is not remedied within five Business Days of notice) (each such event in (i) to (iii), an “**Obligor Event of Default**”), or (iv) a specified insolvency event in respect of the Platform Provider. See “*Risk Factors—Risks relating to the Receivables and the SCF Platform—The transfer of VFZ Accounts Receivable under the Framework Assignment Agreement takes place only under equity until an Obligor Enforcement Notification is given to the Obligors*”. Following the occurrence of any of the foregoing events, the Issuer may serve or direct the Platform Provider to serve an Obligor Enforcement Notification (*provided that* the Platform Provider may, but is not obliged to, serve an Obligor Enforcement Notification at any time as it sees fit and pursuant to the circumstances described in the paragraph below).

As soon as reasonably practicable after the occurrence of an Obligor Event of Default, the Platform Provider will, among other things, (i) provide the Issuer with notice of such Obligor Event of Default and the details thereof, as well as regular status updates with respect to the affected Assigned Receivables; (ii) turn over to the Issuer any Purchase Price Return Amount in accordance with the terms of the Framework Assignment Agreement; and (iii) in consultation with the Issuer and the Buyer Parent (provided such consultation is permitted by the terms of the Framework Assignment Agreement), take (or refrain from taking) any steps that the Platform Provider sees fit to recover all amounts payable, as well as default interest and other costs and expenses, each as permitted under the APMSA. Following service of an Obligor Enforcement Notification, the Platform Provider will cease to act as the Issuer’s collection agent in respect of the relevant Assigned Receivables. For a further description of the provisions relating to Obligor Events of Default and Obligor Enforcement Notification, see “*Summary of Principal Documents—Framework Assignment Agreement*” included elsewhere in this Offering Circular.

Assignment and Termination

The Issuer may assign or transfer its rights under the Framework Assignment Agreement and the Assignment Framework Notes (including its rights to Assigned Receivables), without the consent of the other parties only in certain specified circumstances and in accordance with the procedures set forth in the Framework Assignment Agreement, as further described under “*Summary of Principal Documents—Framework Assignment Agreement*” included elsewhere in this Offering Circular. Similarly, the Platform Provider may assign or transfer its rights under the Framework Assignment Agreement only with the prior written consent of the other parties and in such specified circumstances; *provided, however*, that the Platform Provider may assign or transfer any of its rights in Assigned Receivables to an affiliate without the consent of any other party, and may also assign or transfer any of its rights or obligations under the Framework Assignment Agreement, as the provider and administrator of the SCF Platform, to an affiliate with the prior written consent of the Issuer (which shall not be unreasonably withheld or delayed).

The Framework Assignment Agreement and/or any Assignment Framework Note issued thereunder may be terminated by the Issuer or the Platform Provider upon 10 Business Days’ prior notice to the other parties thereto;

provided that with respect to a termination by the Platform Provider, the effective date of the termination shall not be earlier than the effective date of termination of the APMSA (as further described below), see “*Risk Factors—The Framework Assignment Agreement may be terminated without the consent of the Issuer or the Noteholders*”. Additionally, the Platform Provider and/or the Issuer may terminate the Framework Assignment Agreement and/or any Assignment Framework Note with immediate effect upon the occurrence of certain events, including a breach of material obligations of the Buyer Parent (subject to a 30 days grace period), a material breach of the representation and warranties of the Buyer Parent (subject to a 30 days grace period), or if a specified insolvency event has occurred in respect of the Buyer Parent. For a further description of termination events, see “*Summary of Principal Documents—Framework Assignment Agreement*” included elsewhere in this Offering Circular.

The terms of the Accounts Payable Management Services Agreement are more fully described below under “*Accounts Payable Management Services Agreement*”.

New VFZ Facilities

On any Business Day which is not a Value Date, and on any Value Date (in this case, to the extent that there are any Committed Principal Proceeds that cannot be invested in VFZ Accounts Receivable due to a shortage of VFZ Accounts Receivable available for purchase through the SCF Platform), the Issuer will utilize any Excess Cash to make interest-bearing Excess Cash Loans to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement, as further described below. This use of Excess Cash, together with the interest earned on the Issue Date Facility Loans, will provide the Issuer with the same rate of return in respect of the Committed Principal Proceeds not invested in VFZ Accounts Receivable (including any Retained Collected Amounts) as Noteholders will receive in respect of the Notes, instead of leaving the same funds (represented by the Excess Cash) uninvested in the Principal Proceeds Account pending their application for the purchase of VFZ Accounts Receivable. In addition, since the Issuer was formed solely for the purpose of facilitating the Transactions and issuing the Notes, and is not expected to engage in any business activities other than those related to its formation and the Transactions (including the offering of the Notes and the funding of loans under the New VFZ Facilities Agreement), the Issuer intends to lend any Interest Proceeds that it collects from time to time to the New VFZ Facilities Borrower, in the form of non-interest bearing Interest Facility Loans under the New VFZ Facilities Agreement, as further described below. The Issuer will also fund interest-bearing Issue Date Facility Loans under the Issue Date Facility, as further described below. Proceeds of any loans made by the Issuer to the New VFZ Facilities Borrower under the New VFZ Facilities Agreement may be used by the New VFZ Facilities Borrower for general corporate purposes.

On the Issue Date, the Issuer, as lender, will enter into a senior unsecured facilities agreement (the “**New VFZ Facilities Agreement**”) with the New VFZ Facilities Borrower, as borrower, the New VFZ Facilities Obligors, as guarantors, and The Bank of New York Mellon, London Branch as administrator for the Issuer (together with any successor thereto approved or appointed by the Issuer, the “**Administrator**”), pursuant to which the Issuer will make available to the New VFZ Facilities Borrower revolving and term credit facilities, consisting of the Interest Facility, the Excess Cash Facility and the Issue Date Facility, as described below.

Interest Facility

The New VFZ Facilities Agreement will provide for a revolving credit facility (the “**Interest Facility**”) under which the Issuer will from time to time fund non-interest-bearing Interest Facility Loans to the New VFZ Facilities Borrower.

Following the Issue Date, on any Business Day, if the Interest Proceeds deposited in the Interest Proceeds Account are greater than zero (and on any Business Day prior to an Interest Payment Date, greater than the amount required to fund the interest payment for such Interest Payment Date), the Issuer will apply such Interest Proceeds (or excess Interest Proceeds) to fund a new Interest Facility Loan to the New VFZ Facilities Borrower.

Excess Cash Facility

The New VFZ Facilities Agreement will also provide for a revolving credit facility (the “**Excess Cash Facility**”), in an aggregate principal amount up to the Committed Principal Proceeds, under which the Issuer will from time to time fund Excess Cash Loans to the New VFZ Facilities Borrower. Interest on Excess Cash Loans will be payable semi-annually in arrears on the earlier of (i) each 15 April and 15 October, commencing 15 April 2021 (each, an “**Excess Cash Interest Period Date**”) and (ii) upon repayment of a Weekly Excess Cash

Repayment Amount (as defined below). Interest will accrue from the funding date of any Excess Cash Loan at a rate of % per annum, and will be computed on the basis of a 360-day year comprised of twelve 30-day months. Payment of interest in respect of any interest period ending on any Excess Cash Interest Period Date will occur no less than one Business Day prior to such Excess Cash Interest Period Date.

On or following the Issue Date, the Issuer will use the Committed Principal Proceeds, firstly, to purchase available VFZ Accounts Receivable pursuant to the Framework Assignment Agreement (including pursuant to the Block Transfer) and, secondly, to fund an initial Excess Cash Loan. It is expected that the Issuer will complete the Block Transfer by 31 December 2020 and further purchases of VFZ Accounts Receivable or loans to the New VFZ Facilities Borrower pursuant to the New VFZ Facilities Agreement by 31 March 2021.

Following the Issue Date, as the Platform Provider (on a weekly basis) serves or is deemed to serve an Assignment Notice to the Issuer instructing the Issuer to pay a Requested Purchase Price Amount (as may be adjusted or off set pursuant to the terms of the Framework Assignment Agreement) as consideration for the sale and assignment of the relevant VFZ Accounts Receivable on the relevant Value Date, the Issuer will, upon not less than five Business Days' prior notice, demand repayment by the New VFZ Facilities Borrower of such portion of principal of any outstanding Excess Cash Loans as is equal to (i) such Requested Purchase Price Amount to be paid for VFZ Accounts Receivable that the Issuer expects to purchase on such Value Date, *less* (ii) any Interim Platform Amounts credited on such Value Date (such amount demanded, a **"Weekly Excess Cash Repayment Amount"**). The New VFZ Facilities Borrower will be obligated to pay into the Issuer Collection Account (for immediate onwards crediting to the Principal Proceeds Account) the Weekly Excess Cash Repayment Amount on the fifth Business Day following receipt of such notice. The interest accrued on such Weekly Excess Cash Repayment Amount will not be repaid but will, on that date, be deemed loaned to the New VFZ Facilities Borrower under a new Interest Facility Loan. On the relevant Value Date, the Issuer will apply the Weekly Excess Cash Repayment Amount so received, together with any Interim Platform Amounts credited on the same day, towards its purchase of VFZ Accounts Receivable.

On any Business Day (other than the date on which the Notes are redeemed or repaid, in whole or in part (or on which corresponding payment by the New VFZ Facilities Borrower is required to be made to the Issuer in relation to any such redemption or repayment)), if the balance of funds deposited into the Principal Proceeds Account is greater than zero, the Issuer will apply such funds, firstly, towards the purchase of available VFZ Accounts Receivable in accordance with the Framework Assignment Agreement (if such Business Day is also a Value Date) and, secondly, to fund an Excess Cash Loan to the New VFZ Facilities Borrower.

Issue Date Facility

The New VFZ Facilities Agreement will further provide for a term loan facility (the **"Issue Date Facility"**) and, together with the Interest Facility and the Excess Cash Facility, the **"New VFZ Facilities"**), under which the Issuer will fund interest-bearing loans to the New VFZ Facilities Borrower (the **"Issue Date Facility Loans"**) on the Issue Date and from time to time, thereafter, as applicable. Interest on the Issue Date Facility Loans will be payable semi-annually in arrears on each 15 April and 15 October (each, an **"Issue Date Facility Interest Period Date"**), commencing 15 April 2021. Interest will accrue from the funding date of the relevant Issue Date Facility Loan at a rate of % per annum, and will be computed on the basis of a 360-day year comprising twelve 30-day months. Payment of interest in respect of any interest period ending on any Issue Date Facility Interest Period Date will occur no less than one Business Day prior to such Issue Date Facility Interest Period Date.

On or prior to the Issue Date, the New VFZ Facilities Borrower, the Issuer and Stichting Trade Finance II (in its capacity as the sole shareholder of the Issuer, the **"Foundation"**) will enter into an agreement pursuant to which the New VFZ Facilities Borrower will agree to pay the Foundation an amount representing the Subscription Proceeds and the Subscriber Profit in return for the Foundation procuring that the Issuer enters into certain Transaction Documents. Such payment will be conditional on the Foundation subscribing for an amount of the Issuer's ordinary shares equal to the Minimum Issuer Capitalization Amount (the **"Issue Date Shares"**), which the Issuer will allot and issue to the Foundation. The Issuer will lend the Subscription Proceeds from the Issue Date Shares, if any, to the New VFZ Facilities Borrower as an Issue Date Facility Loan under the Issue Date Facility. In practice, the process will be almost cashless, as nearly all of the payment by the New VFZ Facilities Borrower to the Foundation will ultimately be loaned back to the New VFZ Facilities Borrower as an Issue Date Facility Loan. Principal and accrued interest (if applicable) on the New VFZ Facilities will become due and payable in full on the earlier of (i) the Maturity Date of the Notes or (ii) the date of early redemption of the Notes in accordance with the Conditions.

The New VFZ Facilities Agreement will also provide for certain payments to the Issuer by the New VFZ Facilities Borrower and certain payments to the New VFZ Facilities Borrower by the Issuer. On the Issue Date, pursuant to the New VFZ Facilities Agreement, the New VFZ Facilities Borrower will pay to the Issuer an upfront payment in an amount equal to any underwriting fees, commissions and/ or certain expenses incurred or paid by the Issuer in relation to the issuance of the Notes (if any). In addition, the New VFZ Facilities Agreement will provide for the periodic payment of Shortfall Payments or Excess Arrangement Payments, as described below under “*Payment of Interest on the Notes.*”

Payment of Interest on the Notes

Interest on the Notes will be payable semi-annually in arrears on each 15 April and 15 October (each, an “**Interest Payment Date**”), commencing in the case of the Notes offered hereby, 15 April 2021. Interest on the Notes will accrue from the Issue Date at a rate of % per annum, and will be computed on the basis of a 360-day year comprising of twelve 30-day months. Pursuant to the terms of the New VFZ Facilities Agreement and the Expenses Agreement, and in consideration of the Issuer providing the New VFZ Facilities to the New VFZ Facilities Borrower, the New VFZ Facilities Borrower will make certain payments to the Issuer to the extent necessary to enable the Issuer to make interest payments when due under the Notes. The Issuer will fund the payment of scheduled interest on the Notes on each Interest Payment Date from the Interest Proceeds Account as follows:

1. firstly, to the extent that there are amounts in the Interest Proceeds Account on the Business Day prior to such Interest Payment Date, the Issuer will utilize such amounts, towards the payment of scheduled interest on the Notes;
2. secondly, the Issuer will demand, upon no less than six Business Days’ notice prior to such Interest Payment Date, that the New VFZ Facilities Borrower prepay Interest Facility Loans under the Interest Facility (and the New VFZ Facilities Borrower will repay such Interest Facility Loans on or prior to the fifth Business Day following receipt of such demand), in a principal amount equal to the lesser of:
 - a. an amount equal to the interest due and payable on the Notes on such Interest Payment Date *less* any amounts in the Interest Proceeds Account referred to in paragraph (1) above; and
 - b. the total amount of Interest Facility Loans outstanding on the Business Day prior to such Interest Payment Date.

The Issuer will deposit the proceeds of any Interest Facility Loans so prepaid into the Interest Proceeds Account;

3. thirdly, on or prior to the Business Day immediately preceding each Interest Payment Date (other than the Maturity Date of the Notes or at early redemption of the Notes in accordance with the Conditions), the New VFZ Facilities Borrower will make a payment to the Issuer (each, as calculated in accordance with the Agency and Account Bank Agreement, a “**Term Shortfall Payment**”) in an amount equal to the positive difference, if any, between (i) the amount of interest due on the Notes on such Interest Payment Date, *less* (ii) the sum of (x) the amount of any Interest Facility Loans to be repaid pursuant to paragraph (2) above and (y) amounts in the Interest Proceeds Account referred to in paragraph (1) above.

By contrast to the Term Shortfall Payment, to the extent that on any Interest Payment Date (other than the Maturity Date of the Notes or at early redemption of the Notes in accordance with the Conditions) there is any balance on the Interest Facility Loans not repaid by the New VFZ Facilities Borrower to the Issuer pursuant to paragraph (2) above, the Issuer will make a payment to the New VFZ Facilities Borrower (each, as calculated in accordance with the Agency and Account Bank Agreement, a “**Term Excess Arrangement Payment**”) in an amount equal to such balance of the Interest Facility Loans outstanding on such Interest Payment Date. Any Term Excess Arrangement Payment will be paid as a rebate of previously paid interest and/or fees (including for the avoidance of doubt any Term Shortfall Payment) (or to the extent that the Term Excess Arrangement Payment amount exceeds the amount of interest and fees previously paid under the New VFZ Facilities Agreement, shall constitute an advance rebate of interest and/or fees (including for the avoidance of doubt any Term Shortfall Payment) to be paid under the New VFZ Facilities Agreement) (on a cashless basis, by offsetting such Term Excess Arrangement Payment against the amounts due by the New VFZ Facilities Borrower under the Interest Facility Loans);

5. fourthly, on or prior to the Business Day immediately preceding the final Interest Payment Date (being the Maturity Date of the Notes or at early redemption of the Notes in accordance with the Conditions),

the New VFZ Facilities Borrower will make a payment to the Issuer (as calculated in accordance with the Agency and Account Bank Agreement, a “**Maturity Shortfall Payment**” and, together with the Term Shortfall Payments, the “**Shortfall Payments**” and each a “**Shortfall Payment**”) in an amount equal to the positive difference, if any, between (i) the aggregate principal amount of the Notes to be repaid together with the amount of interest due on the Notes on such final Interest Payment Date, *less* (ii) the sum of:

- a. all Collected Amounts on all Assigned Receivables to be repaid or prepaid to the Issuer on or prior to two Business Days prior to the final Interest Payment Date;
 - b. any other amounts (including any accrued interest) due to be paid by the Platform Provider to the Issuer pursuant to the Framework Assignment Agreement on or prior to two Business Days prior to the final Interest Payment Date;
 - c. the principal amount of and interest due on all of the New VFZ Facilities Loans to be paid to the Issuer on maturity of the New VFZ Facilities Loans; and
 - d. all other amounts in the Issuer Transaction Accounts (to the extent not included in any of the above).
6. By contrast to the Maturity Shortfall Payment, to the extent that any calculation in paragraph (5) above results in a negative value, the Issuer will pay or transfer to the New VFZ Facilities Borrower (as calculated in accordance with the Agency and Account Bank Agreement, a “**Maturity Excess Payment**” and, together with the Term Excess Arrangement Payments, the “**Excess Arrangement Payments**” and each an “**Excess Arrangement Payment**”) (as a rebate of previously paid interest and/or fees (including for the avoidance of doubt any Term Shortfall Payment)) in an amount which would return such negative value to zero; *provided, however*, that such payment will only be made after all amounts due and payable to Noteholders under the Notes have been settled.

Approved Exchange Offer

In order to extend the availability of the committed financing for the purchase of VFZ Accounts Receivable represented by the Committed Principal Proceeds beyond the Maturity Date of the Notes, the New VFZ Facilities Borrower may, at any time, enter into an exchange offer and payables financing plan agreement (a “**Plan Agreement**”) with a new entity (a “**New Issuer**”). Pursuant to any such Plan Agreement, the New Issuer will procure from the New VFZ Facilities Borrower a commitment to cancel amounts of the New VFZ Facilities as set forth below, and will enter into agreements with the New VFZ Facilities Borrower, VodafoneZiggo, the Platform Provider, the Notes Trustee and other relevant counterparties providing for the New Issuer’s purchase of VFZ Accounts Receivable on terms and conditions substantially similar to the Transaction Documents.

Promptly after entering into the Plan Agreement, the New Issuer will launch an exchange offer (the “**Approved Exchange Offer**”) designed to allow Noteholders to exchange up to a specified principal amount of Notes for a principal amount of new notes (the “**New Notes**”) to be set out in the Approved Exchange Offer. Upon consummation of the Approved Exchange Offer, subject to the terms of the Trust Deed:

- (i) The New Issuer will issue a specified amount of New Notes to the Noteholders validly tendered into the Approved Exchange Offer and not withdrawn. If, upon the expiration of the Approved Exchange Offer, Noteholders have validly tendered more Notes than the New Issuer is able to accept pursuant to the Approved Exchange Offer, the New Issuer will accept for exchange Notes validly tendered and not withdrawn on a pro rata basis, based on the proportion that the aggregate principal amount of Notes to be accepted bears to the aggregate principal amount of Notes validly tendered and not withdrawn; and
- (ii) The Issuer will purchase from the New Issuer any Notes accepted by the New Issuer pursuant to the Approved Exchange Offer and will cancel such purchased Notes. As consideration for such purchase, the Issuer will simultaneously pay, assign and transfer to the New Issuer:
 - (A) Assigned Receivables such that (a) minus (b) is equal to or less than (c) plus (d); where (a) is the Committed Principal Proceeds multiplied by the Relevant Percentage, where “**Relevant Percentage**” means the proportion that the aggregate principal amount of Notes accepted into the Approved Exchange Offer bears to the aggregate principal amount of Notes outstanding as of the date of consummation of the Approved Exchange Offer (the “**Determination Date**”), (b) is the aggregate historical Purchase Price Amount of such Assigned Receivables assigned to the New Issuer pursuant to this clause (A), (c) is the balance of Excess Cash Loans outstanding on the Determination Date, and (d) is any Interim Platform Amounts to be credited to the Issuer on the

Determination Date. The Assigned Receivables to be assigned to the New Issuer pursuant to this clause (A) will be selected by an independent financial, banking, accounting or other similar advisor designated by VodafoneZiggo, the Issuer or the Administrator with a mandate to maximise the aggregate Purchase Price Amount of the transferred Assigned Receivables whilst ensuring that they have the shortest maturities possible. Assigned Receivables will only be assigned and transferred to the New Issuer pursuant to this clause (A) in whole, and not in part;

Accounts Payable Management Services Agreement

VFZ Accounts Receivable purchased by the Issuer pursuant to the Framework Assignment Agreement are uploaded by a Buyer Entity (or the Buyer Parent and/or Liberty Global Capital Limited on its behalf) to the SCF Platform (as defined in Condition 1 (*Definitions and Principles of Construction*)) managed by the Platform Provider to facilitate receivables financing provided by the Platform Provider and other participating funding providers, including the Issuer. The SCF Platform is made available to VodafoneZiggo and certain of its subsidiaries, and is administered under the terms of the Accounts Payable Management Services Agreement.

On 23 February 2015, the Platform Provider and VodafoneZiggo, among others, entered into the Accounts Payable Management Services Agreement (as defined in Condition 1 (*Definitions and Principles of Construction*)). Under the terms of the APMSA, the Obligors, together with certain other subsidiaries of VodafoneZiggo that may accede to the APMSA from time to time as further described below (collectively, the **“Buyer Entities”** and each a **“Buyer Entity”**) may upload Electronic Data Files containing details of Receivables on to the SCF Platform to enable the purchase (or deemed purchase) by, or transfer (or deemed transfer) to, the Platform Provider of such Receivables from the relevant Supplier. On the Issue Date, the eligible Buyer Entities will be Ziggo B.V., Ziggo Services B.V. and Vodafone Libertel B.V. (collectively, the **“Non-Obligor Buyer Subsidiaries”** and each a **“Non-Obligor Buyer Subsidiary”**, together with VZ Financing I B.V. and VZ Financing II B.V. (collectively, the **“Obligor Subsidiaries”**), the **“Buyer Subsidiaries”** and each a **“Buyer Subsidiary”**), the Obligor Subsidiaries, and the Buyer Parent. Additional Buyer Subsidiaries may accede to the APMSA by entering into an accession letter (substantially in form set out in the APMSA) with the Platform Provider and the Buyer Parent, and an existing Buyer Subsidiary may cease to be a “Buyer Entity” for the purposes of the APMSA if the Platform Provider or Buyer Parent provides written notice to such effect. Additional Obligor Subsidiaries may become party to the APMSA either by acceding as a “Designated Buyer Subsidiary” (provided they are specified as such in the relevant accession letter) or, with respect to an existing Non-Obligor Buyer Subsidiary, if such Non-Obligor Buyer Subsidiary is specified in writing by the Buyer Parent to be a “Designated Buyer Subsidiary” for purposes of the APMSA. Pursuant to the Agency and Account Bank

Agreement, the Buyer Parent will undertake to the Issuer that the Buyer Parent may notify the Platform Provider of a resignation of an Obligor Subsidiary only if all Outstanding Amounts owed by such Obligor Subsidiary (as principal obligor) in respect of its Assigned Receivables have been settled in accordance with the APMSA on or prior to the date of its resignation, and the Buyer Parent will agree to promptly provide written notification of the same to the Issuer (or the Administrator on its behalf).

From time to time, a Buyer Entity, or the Buyer Parent and/or Liberty Global Capital Limited (“LGC”) on its behalf may execute an Upload and designate such uploaded Receivables as “approved”. Immediately upon payment by the Platform Provider to the relevant Suppliers of the Net Amount specified in the Electronic Data File (i) an SCF Transfer will occur in respect of such Approved Platform Receivables and (ii) such payment will immediately give rise to new Payment Obligations, being independent and primary obligations of each Obligor, jointly and severally, (on the basis described in the sections entitled “*Description of the Receivables*” and “*Summary of Principal Documents—Accounts Payable Management Services Agreement*” included elsewhere in this Offering Circular) to make or cause payment to be made of the Certified Amount (as defined below) to the relevant recipient on the Confirmed Payment Date in respect of such approved Platform Receivable. Eligible Receivables (as further described in “*Summary of Principal Documents—Accounts Payable Management Services Agreement*” included elsewhere in this Offering Circular) may include those with a Confirmed Payment Date of up to 360 days from the issuance date of the relevant invoice. In respect of SCF of Receivables a margin of 2.20% per annum (the “**Initial Margin**”, as may be amended from time to time by any applicable Margin Amendments, the “**Margin**”) calculated on the basis of the relevant Outstanding Amounts (which includes the Platform Provider Processing Fee) over the Reference Rate, applies to such Receivables. The Margin applies from the date of the relevant SCF Transfer until the Confirmed Payment Date in respect of such Payment Obligation (and the Receivable related thereto, solely to the extent that such Receivable has been acquired by the Platform Provider). The Reference Rate (being, in this case, EURIBOR with a floor of zero) is determined by the remaining tenor between the date of an SCF Transfer and the Confirmed Payment Date (i.e. between 1 and 30 days, 1 month base rate will apply; between 31 and 60 days, 2 months base rate will apply). The Reference Rate plus the Margin are used to calculate the Applied Discount that the Platform Provider will deduct from the Certified Amount in the case of transfer by the Platform Provider of the VFZ Account Receivable prior to the Confirmed Payment Date, and accordingly is used in the calculation of the Purchase Price Amount for each VFZ Account Receivable. The Margin under the APMSA may not be amended without the written consent of the Issuer, and pursuant to the terms of the other Transaction Documents, the Issuer will agree to provide its written consent to any amendment of the Margin (without being required to seek the consent of the Noteholders) so long as the obligations of the New VFZ Facilities Borrower in favour of the Issuer under Clause 11.2 (“*Facility Fees*”) of the New VFZ Facilities Agreement remain in full force and effect.

Pursuant to the APMSA, the Buyer Parent and, as applicable, each Obligor Subsidiary appoints the Platform Provider as paying agent with respect to the settlement of any VFZ Account Receivable. Settlement requires the Buyer Parent (or, at its option, an Obligor Subsidiary) to make an electronic transfer of the Certified Amount (as defined below) to the Platform Provider’s designated bank account on the Confirmed Payment Date, and the Platform Provider will, in turn, transfer such Certified Amount (or part thereof as received by the Platform Provider) to the relevant recipient (which shall be the Issuer in respect of Assigned Receivables) on the same Confirmed Payment Date. As used herein, “**Certified Amount**” means, with respect to a Payment Obligation, the Outstanding Amount of such Payment Obligation on the “**Certified Amount Fixed Date**”, being the date the relevant Electronic Data File is uploaded in respect of such Payment. Failure by any Obligor to pay all or any part of the Certified Amount by the Confirmed Payment Date will cause default interest to accrue on the unpaid sum at a rate of 1-month EURIBOR (or any other applicable reference rate selected by the Platform Provider and the New VFZ Facilities Borrower) *plus* 7% per annum, until the Certified Amount has been discharged in full.

Prior to an SCF Transfer in respect of an Approved Platform Receivable, if an Obligor wishes to reduce the amount of any Approved Platform Receivable for any reason (including as a result of any lien, right of set-off, defence, claim, counterclaim, or other certain adverse claim), it may post the amount to be deducted from such Approved Platform Receivable (each, a “**Credit Note**”) as an entry in an Electronic Data File and such Credit Note will be allocated to such Approved Platform Receivable (and shall reduce the corresponding Payment Obligation that will arise following an SCF Transfer. No Credit Notes may be allocated to an Approved Platform Receivable (and the corresponding Payment Obligation following an SCF Transfer in respect of such Approved Platform Receivable. Additionally, each Buyer Entity agrees to be responsible for the accuracy of all information submitted by it in respect of VFZ Accounts Receivable and the Buyer Parent agrees to comply with certain reporting requirements set out in the APMSA.

Under the APMSA, each Obligor represents, warrants and covenants to the Platform Provider at the date of (a) an Upload, (b) any SCF Transfer resulting in any Payment Obligation arising and the transfer or acquisition of

the Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) and (c) transfer via the SCF Platform and/or as permitted by the APMSA (in each case, including each applicable Assignment Date), as applicable, among other things: (i) that the Approved Platform Receivable meets certain criteria under the APMSA, including (but not limited to) having a Confirmed Payment Date of no more than 360 days from the issuance date of the relevant invoice and being denominated in an agreed currency; (ii) that the Approved Platform Receivable is not subject to any mortgage, charge, pledge, lien, other encumbrance or (to the best of the relevant Obligor's knowledge) other personal right or right in rem of any third party and has, to the best of the relevant Buyer Entity's knowledge, not been transferred or transferred in advance; (iii) that each Payment Obligation and the Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) is free of any adverse claims, including any lien, right of set-off, netting, abatement, reduction, claim, defence or counterclaim; (iv) that each Payment Obligation and Receivable related thereto (solely to the extent that such Receivable has been acquired by the Platform Provider) can be validly transferred in accordance with the terms of the APMSA; and (v) that each Payment Obligation will be settled by an Obligor by the payment of the relevant Certified Amount on the relevant Confirmed Payment Date without withholding, deduction or set-off.

The APMSA also provides that the following occurrences, among others, constitute events of default, whereupon the Platform Provider shall have the right (but not the obligation) to suspend or terminate the provision of accounts payable management services and prohibit the creation of any further Payment Obligations (each, an **"APMSA Event of Default"**): (i) breach by any Buyer Entity of any obligation or certain representations, warranties or covenants in the APMSA which has not been remedied, if it can be remedied, for a period of ten days (which grace period shall not apply if such breach relates to a financial interest of an amount in excess of €5.0 million); (ii) non-payment of any amount due under the APMSA, including all or any part of any Certified Amount (subject to a grace period of one Business Day in the case of principal, and three Business Days in the case of any other amount); (iii) if any Buyer Entity is unable, deemed unable, or admits inability to pay its debts as they fall due; and (iv) any corporate action, legal proceedings or other procedure is taken in relation to the suspension of payments, winding-up, or dissolution of any Buyer Entity, or any composition, compromise, assignment or arrangement with any creditor of any Buyer Entity, or the appointment of a liquidator, receiver, or other similar officer in respect of any Buyer Entity.

The Buyer Parent has also agreed to provide certain indemnities to the Platform Provider under the APMSA, including (but not limited to) indemnities against any losses directly suffered for or on account of tax, reasonable losses incurred as a direct result of any APMSA Event of Default or failure by any Buyer Entity to pay any amount due under the APMSA, and any costs, expenses, claims or losses incurred as a result of the incorrect calculation by any Buyer Entity of the amount of any Receivable uploaded in an Electronic Data File.

Subject to the consent of the Buyer's Parent (which will not be unreasonably withheld), the Platform Provider may assign, transfer or deal in any other manner with any VFZ Account Receivable that has been transferred to it, and/or all of its rights against any Buyer Entity or under the APMSA, in part or in whole, to any third party; *provided, however*, that the Platform Provider may transfer any of its rights in VFZ Accounts Receivable to any of its affiliates without the consent of the Obligors' Parent if the Platform Provider promptly (and in any event, within three Business Days of such transfer) provides written notice to the Obligors' Parent of such transfer. No Buyer Entity may so assign or transfer its respective rights and obligations under the APMSA without the written consent of the Platform Provider, and such consent shall not be unreasonably withheld or delayed. In addition, LGC may transfer its rights and obligations under the APMSA upon ten business days' written notice to the Platform Provider.

Each of the Platform Provider, LGC and the Buyer Parent may unilaterally terminate the APMSA upon notice to the other party, if such other party breaches a material provision of the APMSA and fails to cure such breach within 10 days following written notice from the other party requiring them to remedy such breach. The Platform Provider may also terminate the APMSA: (i) for any reason upon 12 months' prior written notice to the Buyer Parent and LGC; and (ii) immediately, upon written notice, if it becomes unlawful for the Platform Provider in any applicable jurisdiction to perform any of its obligations thereunder. The Buyer Parent or LGC may terminate the APMSA for any reason upon 20 Business Days' prior written notice to the Platform Provider. Following termination of the APMSA, the Buyer Entities will no longer be permitted to use to the SCF Platform. All rights, duties and obligations of the parties to the APMSA with respect to the Payment Obligations posted to the SCF Platform prior to the effective date of any termination or expiration shall survive the termination or expiration of the APMSA.

SCF Platform Addition

At any time, VodafoneZiggo and the Buyer Subsidiaries may, at their option, elect to participate in an additional system established and administered by another Platform Provider (an **"SCF Platform Addition"**). In

connection with any SCF Platform Addition, VodafoneZiggo and the Buyer Subsidiaries may enter into additional accounts payable management services agreements (or equivalent) and the Issuer may (and upon request by VodafoneZiggo, shall) enter into one or more additional receivables assignment agreements (or equivalent), pursuant to which the Issuer will purchase eligible VFZ Accounts Receivable from such additional Platform Provider. The consent of Noteholders will not be required for VodafoneZiggo, the Buyer Subsidiaries and the Issuer to give effect to any SCF Platform Addition (including the modification of any Transaction Documents to implement such SCF Platform Addition), and the Administrator will enter into any SCF Platform Addition Documentation (as defined elsewhere in this Offering Circular) if the Administrator receives written confirmation from VodafoneZiggo (with a copy to the Notes Trustee) that, in VodafoneZiggo's determination, the entry into such SCF Platform Addition Documentation is reasonably required to implement such SCF Platform Addition and does not materially and adversely affect the interests of Noteholders.

- (D) The cash proceeds from the payment by the Platform Provider to the Issuer on the Determination Date of any Retained Amounts and any other Interim Platform Amounts; and

 - (iii) the respective obligations of the Issuer under the Notes, the Trust Deed, and the other Transaction Documents will not be obligations or responsibilities of, or guaranteed by, any other person or entity.

7. Payments

- (a) Payments to Noteholders shall be made ratably among the Noteholders in the proportion that the aggregate principal amount of the Notes registered in the name of each such Noteholder on the applicable Record Date bears to the aggregate principal amount outstanding of all Notes on such Record Date.
- (b) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of instalments of principal made on any Interest Payment Date on which a Note is redeemed shall be binding upon all future holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

- (j) Payments on any Global Notes will be made by the Issuer to the Paying Agent. The Paying Agent will, in turn, make such payments to the common depository for Euroclear and/or Clearstream which will

distribute such payments to participants in accordance with their respective procedures. None of the Issuer, the Notes Trustee, the Paying Agent, the Registrar or the Transfer Agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in Global Notes or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests. The Issuer also expects that payments by participants to owners of beneficial interests in a Global Note held through the participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for the customers. The payments will be the responsibility of the participants.

8. Prescription

General

- (a) After the date on which a Note becomes void in its entirety, no claim may be made in respect of it.

Principal

- (b) Claims for payment of principal or Additional Amounts, if any, in respect of Notes shall become void unless the relevant Note(s) are presented or surrendered for payment within ten years of the Relevant Date. Any funds deposited with the Notes Trustee or the Paying Agent for the payment of principal remaining unclaimed for ten years after such principal has become due and payable shall be paid to the Issuer pursuant to the Trust Deed; and the Noteholder shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts and all liability of the Notes Trustee and the Paying Agent with respect to such trust funds shall thereupon cease.

As used herein, “**Relevant Date**” means whichever is the later of (i) the date on which such payment first becomes due and (ii) if the full amount payable has not been received by the Paying Agent or the Notes Trustee on or prior to such due date, the date on which, the full amount plus any accrued interest having been so received, notice to that effect shall have been given to the Noteholders in accordance with Condition 19 (*Notices and Information*).

Interest

- (c) Claims for interest in respect of Notes shall become void unless the relevant Note(s) is presented or surrendered for payment within five years of the Relevant Date. Any funds deposited with the Notes Trustee or the Paying Agent for the payment of interest remaining unclaimed for five years after such principal or interest has become due and payable shall be paid to the Issuer pursuant to the Trust Deed; and the Noteholder shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts and all liability of the Notes Trustee and the Paying Agent with respect to such trust funds shall thereupon cease.

9. Taxation

Gross Up for Deduction or Withholding

- (a) Subject to the proviso below, all payments of principal, premium, if any, and interest in respect of the Notes shall be made free and clear of, and without withholding or deduction for, or on account of, taxes unless such withholding or deduction is required by law or by the official interpretation or administration thereof. If there is any deduction or withholding for, or on account of, any taxes imposed or levied by or on behalf of:
 - (i) the government of the Netherlands or any political subdivision or governmental authority thereof or therein having power to tax;
 - (ii) any jurisdiction from or through which payment on the Notes is made, or any political subdivision or governmental authority thereof or therein having the power to tax; or
 - (iii) any other jurisdiction in which a Payor (as defined below) is organized or otherwise considered to be a resident for tax purposes, or any political subdivision or governmental authority thereof or therein having the power to tax (each of clause (i), (ii) and (iii), a “**Relevant Taxing Jurisdiction**”),

the Issuer or any successor thereto (a “**Payor**”) shall pay such additional amounts (the “**Additional Amounts**”) as will result in the receipt by the Noteholders of such amounts as would have been received by them if no such withholding or deduction had been required but only to the extent and only at such time as the Issuer receives an equivalent amount from VFZG under the Expenses Agreement. To the extent that the Issuer receives a lesser amount from VFZG, the Issuer will account to each Noteholder for an additional amount equivalent to a pro rata proportion of such amount (if any) as is actually received (after deduction or withholding of such taxes or duties as may be required to be made by the Issuer by law in respect of the Notes) by, or for the account of, the Issuer pursuant to the Expenses Agreement on the date of the payment of such amount to the Issuer, *provided that* no such Additional Amount will be payable in respect of:

- (i) any taxes that would not have been so imposed but for the existence of any present or former connection between the relevant Noteholder or beneficial owner and the Relevant Taxing Jurisdiction imposing such taxes (other than the mere ownership or holding of such Note or enforcement of rights thereunder or under the Trust Deed or the receipt of payments in respect thereof);
- (ii) any taxes that would not have been so imposed if the Noteholder had made a declaration of non-residence or any other claim or filing for exemption to which it is entitled (provided that (i) such declaration of non-residence or other claim or filing for exemption is required by the applicable law of the Relevant Taxing Jurisdiction as a precondition to exemption from the requirement to deduct or withhold all or a part of any such taxes and (ii) at least 30 days prior to the first payment date with respect to which such declaration of non-residence or other claim or filing for exemption is required under the applicable law of the Relevant Taxing Jurisdiction, the relevant holder at that time has been notified (in accordance with the procedures set forth in the Trust Deed) by the Payor or any other person through whom payment may be made that a declaration of non-residence or other claim or filing for exemption is required to be made, but only to the extent the holder is legally entitled to provide such declaration, claim or filing);
- (iii) any Note presented for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Noteholder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented during such 30-day period);
- (iv) any taxes that are payable otherwise than by withholding from a payment of the principal of, premium, if any, or interest on the Notes;
- (v) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;
- (vi) all United States backup withholding;
- (vii) any withholding or deduction imposed pursuant to (i) Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (as amended), as of the Issue Date (or any amended or successor version that is substantively comparable and not materially more onerous to comply with) and any current or future regulations or official interpretations thereof, (ii) any treaty, law, regulation or other official guidance enacted in any other jurisdiction, or relating to an intergovernmental agreement between the United States and any other jurisdiction, which (in either case) facilitates the implementation of (i) above, or (iii) any agreement pursuant to the implementation of (i) or (ii) above with the U.S. Internal Revenue Service, the U.S. government or any governmental or taxation authority in any other jurisdiction;
- (viii) any taxes that are suffered or incurred for or levied pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*) as published in the Official Gazette (*Staatsblad*) Stb. 2019, 513 of 27 December 2019; or
- (ix) any combination of items (i) through (vii) above.

Such Additional Amounts will also not be payable where, had the beneficial owner of the Note been the holder, it would not have been entitled to payment of Additional Amounts by reason of any of clauses (i) to (ix) inclusive above.

- (b) The Payor will (i) make any required withholding or deduction and (ii) remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable law. The Payor will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any taxes so

deducted or withheld from each Relevant Taxing Jurisdiction imposing such taxes and will provide such certified copies (or, if certified copies are not available despite reasonable efforts of the Payor, other evidence of payment reasonably satisfactory to the Notes Trustee) to each Noteholder. The Payor will attach to each certified copy (or other evidence) a certificate stating (a) that the amount of withholding taxes evidenced by the certified copy was paid in connection with payments in respect of the principal amount of Notes then outstanding and (b) the amount of such withholding taxes paid per €1,000 principal amount of the Notes, as the case may be. Copies of such documentation will be available for inspection during ordinary business hours at the office of the Paying Agent by the Noteholders upon request.

- (c) At least 30 days prior to each date on which any payment under or with respect to the Notes is due and payable (unless such obligation to pay Additional Amounts arises on or after the 30th day prior to such date, in which case it shall be promptly thereafter), if the Payor will be obligated to pay Additional Amounts with respect to such payment, the Payor will deliver to the Notes Trustee an Officer's Certificate (upon which the Notes Trustee shall be entitled to absolutely rely without further enquiry) stating the fact that such Additional Amounts will be payable, the amounts so payable and will set forth such other information necessary to enable the Paying Agent to pay such Additional Amounts to Noteholders on the payment date. Each such Officer's Certificate shall be relied upon until receipt of a further Officer's Certificate addressing such matters. The Notes Trustee shall be entitled to rely absolutely and without further enquiry on each such Officer's Certificate as conclusive proof that such payments are necessary.
- (d) Wherever mentioned in the Trust Deed, the Notes or the Conditions, in any context: (i) the payment of principal, (ii) purchase prices in connection with a purchase of Notes, (iii) interest, or (iv) any other amount payable on or with respect to the Notes, such reference shall be deemed to include payment of Additional Amounts as described under this heading to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.
- (e) The Payor will pay any present or future stamp, court or documentary taxes or any other excise or property taxes, charges or similar levies (including interest and penalties to the extent resulting from a failure by the Issuer to timely pay amounts due) which arise in any jurisdiction from the execution, delivery or registration of any Notes or any other document or instrument referred to therein (other than a transfer of the Notes), or the receipt of any payments with respect to the Notes, excluding any such taxes, charges or similar levies imposed by any jurisdiction that is not a Relevant Taxing Jurisdiction or any jurisdiction in which a Paying Agent is located, other than those resulting from, or required to be paid in connection with, the enforcement of the Notes, the Notes Collateral or any other such document or instrument following the delivery of an Enforcement Notice with respect to the Notes.
- (f) The foregoing obligations will survive any termination, defeasance or discharge of the Trust Deed and the Notes and will apply *mutatis mutandis* to any jurisdiction in which any successor to a Payor is organized or resident for tax purposes or any political subdivision or taxing authority or agency thereof or therein.

Tax Characterisation

- (g) The Issuer intends to treat, and the Trust Deed will provide that the Issuer and the Notes Trustee agree and each Noteholder and beneficial owner of Notes, by accepting a Note, agrees, to the extent permitted by law, to treat the Notes as debt instruments of the Issuer for U.S. federal, state and local income and franchise tax purposes. The Trust Deed will provide that each Noteholder, by accepting a Note, agrees to report all income (or loss) in accordance with such treatment and to take no action inconsistent with such treatment unless otherwise required by a law or relevant taxing authority.

(b) The occurrence of any of the following events shall be an “**Issuer Event of Default**”:

- (viii) the occurrence of a VFZ Event of Default that is continuing.

For so long as any Issuer Event of Default has occurred and is continuing, no further purchases of VFZ Accounts Receivable shall be made by or for the account of the Issuer. In addition, pursuant to Clause 4.2 of the New VFZ Facilities Agreement, either a Drawstop Event or a Notes Acceleration Event (both defined in the New VFZ Facilities Agreement) would result in New VFZ Facilities Borrower no longer satisfying the Conditions precedent to further utilisations of the facilities made available thereunder.

 - (ii) the seventh day after notice has been given to the Noteholders in accordance with Condition 19 (*Notices and Information*) that the full amount (together with accrued interest) has been received by the Paying Agent or the Notes Trustee; *provided* that upon the occurrence of an Issuer Event of Default described in clause (v) or (vi) of the definition thereof, the Note Acceleration Notice shall be deemed to have been given and all the Notes shall become immediately due and payable.

Any such entity shall be a newly formed single purpose company which, among other things, undertakes to be bound by the Trust Deed, the Notes and the other Transaction Documents.

16. Notes Trustee and Security Trustee

Actions Binding

- (a) Each of the Notes Trustee and the Security Trustee shall (except as expressly provided otherwise in the Trust Deed or the other Transaction Documents) have absolute discretion as to whether and how it exercises or performs each of its trusts, powers, authorities, duties, discretions and obligations under or in connection with the Transaction Documents or conferred on it by operation of law and its decision as to whether and how to exercise or perform those trusts, powers, authorities, duties, discretions and obligations and any action taken or omitted in consequence shall, as between itself and the Noteholders be conclusive and binding on the Noteholders.

 - (iii) entitling the Notes Trustee or, as applicable, the Security Trustee to indemnification or providing that it is not obliged to take any steps, proceedings or other action at the request or direction of any person unless it has been indemnified and/or secured to its satisfaction.

Notes Trustee, Security Trustee and Issuer Security

- (c) Neither the Notes Trustee nor the Security Trustee shall be responsible for matters relating to the Issuer Security or the Notes Collateral including:

Common Code:

ISIN:

- (e) A beneficial interest in a Regulation S Global Note may be transferred to a person who takes delivery in the form of an interest in the corresponding global notes representing the Rule 144A Global Notes only upon, in accordance with the applicable procedures of the Clearing Systems, receipt by the Transfer Agent of (i) a written certification from the transferor in the form required by the Trust Deed to the effect that such transfer is being made to a person whom the transferor reasonably believes is both a QIB and a Qualified Purchaser (or a transferee thereof that is identified in Rules 3c-5 or 3c-6 under the Investment Company Act) in a transaction meeting the requirements of Rule 144A and Section 3(c)(7) under the Investment Company Act, respectively, and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (ii) a written certification from the transferee in the form required by the Trust Deed to the effect, among other things, that such transferee is both (x) a QIB and (y) a Qualified Purchaser (or a transferee thereof that is identified in Rules 3c-5 or 3c-6 under the Investment Company Act). Beneficial interests in a Rule 144A Global Note may be transferred to a person who takes delivery in the form of an interest in a Regulation S Global Note only upon receipt by the Transfer Agent of a written certification from the transferor in the form required by the Trust Deed to the effect that such transfer is being made in accordance with Regulation S and a written certification from the transferee in the form required by the Trust Deed to the effect, *inter alia*, that such transferee is a non-U.S. person purchasing such beneficial interest in such Regulation S Global Note in an offshore transaction pursuant to Regulation S. Any beneficial interest in one of the Global Notes that is transferred to a person who takes delivery in the form of an interest in another Global Note will, upon transfer, cease to be an interest in such Global Note, and become an interest in such other Global Note, and accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Notes for as long as it remains such an interest.
- (f) No service charge will be made for any registration of transfer or exchange of Notes but the Issuer, the Registrar or the Transfer Agent may require payment of a sum sufficient to cover any transfer, tax or other governmental charge payable in connection therewith. The Registrar or the Transfer Agent will be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

- (g) The registered owner of the relevant Global Note will be the only person entitled to receive payments in respect of the Notes represented thereby, and the Issuer will be discharged by payment to the registered owner of such Global Note or in respect of each amount so paid. No person other than the registered owner of the relevant Global Note will have any claim against the Issuer in respect of any payment due on that Global Note. Account holders or participants in Euroclear and/or Clearstream shall have no rights under the Trust Deed with respect to Global Notes held on their behalf by Euroclear and/or Clearstream, and Euroclear and/or Clearstream may be treated by the Issuer, the Notes Trustee and any agent of the Issuer or the Notes Trustee as the holder of Global Notes for all purposes whatsoever.
- (h) Global Notes will be exchangeable by the Issuer for Definitive Notes if: (i) Euroclear and/or Clearstream notifies the Issuer that it is unwilling or unable to continue to act as depository for the Global Notes and a successor depository is not appointed by the Issuer within 120 days after receiving such notice; (ii) the Issuer, at its option, notifies the Notes Trustee in writing that it elects to exchange in whole, but not in part, the Global Note for Definitive Notes; (iii) Euroclear and/or Clearstream so request following an Issuer Event of Default which is continuing; or (iv) the holder of a beneficial interest in a Global Note requests such exchange in writing delivered through Euroclear and/or Clearstream or to the Issuer following an Issuer Event of Default which is continuing.

Upon the occurrence of any of the preceding events in clauses (i) through (iv) above, the Issuer shall issue or cause to be issued Definitive Notes in such name or names and issued in any approved denominations as Euroclear or Clearstream shall instruct the Issuer based on the instructions received by Euroclear or Clearstream from the holders of beneficial interests in such Global Notes.

In the event that Definitive Notes are not so issued by the Issuer to such beneficial owners of interests in Global Notes, the Issuer expressly acknowledges that such beneficial owners shall be entitled to pursue any remedy that the holders of a Global Note would be entitled to pursue in accordance with the Trust Deed (but only to the extent of such beneficial owner's interest in the Global Note) as if Definitive Notes had been issued; provided, that the Notes Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners and/or other forms of reasonable evidence of such ownership. In the event that Definitive Notes are issued in exchange for Global Notes as described above, the applicable Global Note will be surrendered to the Registrar by Euroclear and/or Clearstream, as applicable, and the Issuer will execute and the Registrar will authenticate and deliver an equal aggregate outstanding principal amount of Definitive Notes.

BOOK-ENTRY CLEARANCE PROCEDURES

The information set out below has been obtained from sources that the Issuer believes to be reliable, but prospective investors are advised to make their own enquiries as to such procedures. In particular, such information is subject to any change in or interpretation of the rules, regulations and procedures of Euroclear or Clearstream (together, the “**Clearing Systems**”) currently in effect and investors wishing to use the facilities of any of the Clearing Systems are therefore advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuer, the Notes Trustee, the Obligors, the Initial Purchasers or any Agent party to the Agency and Account Bank Agreement (or any affiliate of any of the above, or any person by whom any of the above is controlled for the purposes of the Securities Act), will have any responsibility for the performance by the Clearing Systems or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations or for the sufficiency for any purpose of the arrangements described below.

Euroclear and Clearstream

Custodial and depository links have been established between Euroclear and Clearstream to facilitate the initial issue of the Notes and cross-market transfers of the Notes associated with secondary market trading (see “*Settlement and Transfer of Notes*” below). The Issuer provides the following summary of those operations and procedures solely for the convenience of investors. The operations and procedures of each settlement system are controlled by that settlement system and may be changed at any time. Neither the Issuer nor the Initial Purchasers are responsible for those operations or procedures.

Euroclear and Clearstream each hold securities for their customers and facilitate the clearance and settlement of securities transactions through electronic book-entry transfer between their respective accountholders. Indirect access to Euroclear and/or Clearstream is available to other institutions which clear through or maintain a custodial relationship with an accountholder of either system. Euroclear and Clearstream provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream have established an electronic bridge between their two systems across which their respective customers may settle trades with each other. Their customers are worldwide financial institutions including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Investors may hold their interests in such Global Notes directly through Euroclear and/or Clearstream if they are accountholders (“**Direct Participants**”) or indirectly (“**Indirect Participants**”, and together with Direct Participants, “**Participants**”) through organizations which are accountholders therein.

Book-Entry Ownership

Euroclear and Clearstream

The Regulation S Global Note and the Rule 144A Global Note will each have an ISIN and a Common Code and will be registered in the name of, and deposited with, a common depository on behalf of Euroclear and/or Clearstream.

Relationship of Participants with Clearing Systems

Each of the persons shown in the records of Euroclear and/or Clearstream as a Noteholder represented by a Global Note must look solely to Euroclear and/or Clearstream (as the case may be) for his share of each payment made by the Issuer to the holder of such Global Note and in relation to all other rights arising under the Global Note, subject to and in accordance with the respective rules and procedures of Euroclear and/or Clearstream. The Issuer expects that, upon receipt of any payment in respect of Notes represented by a Global Note, the common depository by whom such Note is held, or nominee in whose name it is registered, will immediately credit the relevant Participants’ or accountholders’ accounts in the relevant Clearing System with payments in amounts proportionate to their respective beneficial interests in the principal amount of the relevant Global Note as shown on the records of the relevant Clearing System or its nominee. The Issuer also expects that payments by Direct Participants in any Clearing System to owners of beneficial interests in any Global Note held through such Direct Participants in any Clearing System will be governed by standing instructions and customary practices. Save as aforesaid, such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note and the obligations of the Issuer will be discharged by

payment to the registered holder, as the case may be, of such Global Note in respect of each amount so paid. None of the Issuer, the Notes Trustee or any Agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of ownership interests in any Global Note or for maintaining, supervising or reviewing any records relating to such ownership interests.

Settlement and Transfer of Notes

Subject to the rules and procedures of each applicable Clearing System, purchases of Notes held within a Clearing System must be made by or through Direct Participants, which will receive a credit for such Notes on the Clearing System's records. The ownership interest of each actual purchaser of each such Note (the "**Beneficial Owner**") will in turn be recorded on the Direct Participant and Indirect Participant's records. Beneficial Owners will not receive written confirmation from any Clearing System of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which such Beneficial Owner entered into the transaction. Transfers of ownership interests in Notes held within the Clearing System will be effected by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in such Notes, unless and until interests in any Global Note held within a Clearing System are exchanged for Definitive Notes.

No Clearing System has knowledge of the actual Beneficial Owners of the Notes held within such Clearing System and their records will reflect only the identity of the Direct Participants to whose accounts such Notes are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers. Conveyance of notices and other communications by the Clearing Systems to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Trading between Euroclear and/or Clearstream Participants

Secondary market sales of book-entry interests in the Notes held through Euroclear and/or Clearstream to purchasers of book-entry interests in the Notes held through Euroclear and/or Clearstream will be conducted in accordance with the normal rules and operating procedures of Euroclear and/or Clearstream and will be settled using the procedures applicable to conventional Eurobonds.

Redemption of Global Notes

In the event any Global Note, or any portion thereof, is redeemed, Euroclear and/or Clearstream, as applicable, will distribute the amount received by it in respect of the Global Note so redeemed to the Beneficial Owner of book-entry interests in such Global Note, subject to any applicable withholding taxes. The redemption price payable in connection with the redemption of such book-entry interests will be equal to the amount received by Euroclear and/or Clearstream, as applicable, in connection with the redemption of such Global Note (or any portion thereof), subject to any applicable withholding taxes. The Issuer understands that under existing practices of Euroclear and Clearstream, if fewer than all of the Notes are to be redeemed at any time, Euroclear and/or Clearstream will credit their respective participants' accounts on a proportionate basis (with adjustments to prevent fractions) or by lot or on such other basis as they deem fair and appropriate; provided, however, that no book-entry interest of less than €100,000 in principal amount at maturity, or less, may be redeemed in part.

Payments on Global Notes

Payments of any amounts owing in respect of the Global Notes (including principal, premium, interest, additional interest and additional amounts) will be made by the Issuer to the Paying Agent. The Paying Agent will, in turn, make such payments to Euroclear and Clearstream, which will distribute such payments to participants in accordance with their respective procedures.

Under the terms of the Trust Deed, the Issuer, the Notes Trustee the Registrar, the Transfer Agent and the Paying Agent will treat the registered holder of the Global Notes (for example Euroclear or Clearstream) as the owner thereof for the purpose of receiving payments and for all other purposes. Consequently, none of the Issuer, the Notes Trustee, the Registrar, the Transfer Agent nor the Paying Agents or any of their respective agents has or will have any responsibility or liability for:

- any aspects of the records of Euroclear, Clearstream or any participant or indirect participant relating to or payments made on account of a book-entry interest, for any such payments made by Euroclear or Clearstream, or for maintaining, supervising or reviewing the records of Euroclear or Clearstream, or payments made on account of, a book-entry interest t, or
- payments made by Euroclear or Clearstream, or for maintaining, supervising or reviewing the records of Euroclear or Clearstream or payments made on account of a book-entry interest, or
- Euroclear or Clearstream; or
- the records of the common depositary or the custodian.

Payments made by participants to owners of book-entry interest held through participants are the responsibility of such participants, as is now the case with securities held for the accounts of subscribers registered in “street name”.

Currency and Payment for the Global Notes

The principal of, premium, if any, and interest on, and all other amounts payable in respect of the Global Notes will be paid to holders of interest in such Notes through Euroclear and/or Clearstream in euro.

Action by Owners of Book-Entry Interests

Euroclear and Clearstream have advised the Issuer that they will take any action permitted to be taken by a Noteholder only at the direction of one or more participants to whose account book-entry interests in the Global Notes are credited and only in respect of such portion of the aggregate principal amount of the Notes as to which such participant or participants has or have given such direction. Euroclear and Clearstream will not exercise any discretion in the granting of consents, waivers or the taking of any other action in respect of the Global Notes. However, if there is an Issuer Event of Default under the Notes, each of Euroclear and Clearstream reserves the right to exchange the Global Notes for Definitive Notes in certificated form, and to distribute such Definitive Notes to their respective participants.

TAXATION

THE NETHERLANDS

This summary solely addresses the principal Dutch tax consequences of the acquisition, ownership and disposal of Notes and does not purport to describe every aspect of taxation that may be relevant to a particular Noteholder. Tax matters are complex, and the tax consequences of the issuance of the Notes to a particular holder of Notes will depend in part on such holder's circumstances. Accordingly, a holder is urged to consult their own tax advisor for a full understanding of the tax consequences of the issuance of the Notes to them, including the applicability and effect of Dutch tax laws.

Where in this summary English terms and expressions are used to refer to Dutch concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Dutch concepts under Dutch tax law. Where in this summary the terms "the Netherlands" and "Dutch" are used, these refer solely to the European part of the Kingdom of the Netherlands. This summary assumes that the Issuer is organized, and that its business will be conducted, in the manner outlined in this Offering Circular. A change to such organizational structure or to the manner in which the Issuer conducts its business may invalidate the contents of this summary, which will not be updated to reflect any such change.

This summary is based on the tax law of the Netherlands (unpublished case law not included) as it stands at the date of this Offering Circular. The tax law upon which this summary is based, is subject to changes, possibly with retroactive effect. Any such change may invalidate the contents of this summary, which will not be updated to reflect such change.

The summary in this "the Netherlands" taxation paragraph does not address the Dutch tax consequences for a holder of Notes who:

- (i) is a person who may be deemed an owner of Notes for Dutch tax purposes pursuant to specific statutory attribution rules in Dutch tax law;
- (ii) is, although in principle subject to Dutch corporate income tax, in whole or in part, specifically exempt from that tax in connection with income from Notes;
- (iii) is an investment institution as defined in the Dutch Corporation Tax Act 1969 and other entities that are exempt from Dutch corporate income tax;
- (iv) owns Notes in connection with a membership of a management board or a supervisory board, an employment relationship, a deemed employment relationship or management role;
- (v) has a substantial interest in the Issuer or a deemed substantial interest in the Issuer for Dutch tax purposes. Generally, a person holds a substantial interest if (a) such person—either alone or, in the case of an individual, together with his partner or any of his relatives by blood or by marriage in the direct line (including foster-children) or of those of his partner for Dutch tax purposes—owns or is deemed to own, directly or indirectly, 5% or more of the shares or of any class of shares of the Issuer, or rights to acquire, directly or indirectly, such an interest in the shares of the Issuer or profit participating certificates relating to 5% or more of the annual profits or to 5% or more of the liquidation proceeds of the Issuer, or (b) such person's shares, rights to acquire shares or profit participating certificates in the Issuer are held by him following the application of a non-recognition provision; or
- (vi) is for Dutch tax purposes taxable as a corporate entity and resident of Aruba, Curaçao or Sint Maarten.

Withholding tax

All payments under the Notes may be made free from withholding or deduction of or for any taxes of whatever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority of or in the Netherlands, except that as of 1 January 2021, Dutch withholding tax may apply with respect to payments of interest made or deemed to be made by the Issuer, within the meaning of the Dutch Withholding Tax Act 2021, if the interest payments are made or deemed to be made to a related party, which (i) is resident in a low-tax or non-cooperative jurisdiction as specifically listed in an annually updated Dutch regulation, (ii) has a permanent establishment in any such jurisdiction to which the interest is attributable, (iii) is neither resident in the Netherlands nor in a low-tax or non-cooperative jurisdiction, and is entitled to the interest with the main purpose or one of the main purposes to avoid withholding tax of another person, (iv) is a hybrid entity, or (v) is not resident in any jurisdiction.

Individuals deriving benefits from miscellaneous activities

Any benefits derived or deemed to be derived from or in connection with Notes that constitute benefits from miscellaneous activities by an individual are generally subject to Dutch income tax at progressive rates in 2020 up to 49.5% (2020 rate).

An individual may, *inter alia*, derive or be deemed to derive benefits from or in connection with Notes that are taxable as benefits from miscellaneous activities if his investment activities go beyond regular active portfolio management.

Other individuals

If a holder of Notes is an individual whose situation has not been discussed before in this section “Taxation—The Netherlands—Taxes on income and capital gains—Resident holders of Notes”, the value of their Notes forms part of the yield basis for purposes of tax on benefits from savings and investments. A deemed benefit, which is determined on the basis of progressive rates in 2020 starting from 1.79% up to 5.28% per annum of this yield basis, is taxed in 2020 at the rate of 30% (2020 rate) insofar as the individual’s yield basis exceeds a statutory threshold (*heffingvrij vermogen*). Actual benefits derived from or in connection with their Notes are not subject to Dutch income tax.

Corporate entities

Any benefits derived or deemed to be derived from or in connection with Notes that are held by a corporate entity, or an entity, including an association, a partnership and a mutual fund, taxable as a corporate entity, are generally subject to Dutch corporate income tax.

A holder of Notes will not be deemed to be resident in the Netherlands for Dutch tax purposes by reason only of the execution and/or enforcement of the documents relating to the issue of Notes or the performance by the Issuer of its obligations under such documents or under the Notes.

Non-resident holders of Notes

Individuals

If a holder of Notes is an individual who is neither resident nor deemed to be resident in the Netherlands for purposes of Dutch income tax, they will not be subject to Dutch income tax in respect of any benefits derived or deemed to be derived from or in connection with Notes, except if:

- (i) they derive profits from an enterprise, whether as an entrepreneur or pursuant to a co-entitlement to the net value of such enterprise, other than as a shareholder, and such enterprise is carried on, in whole or in part, through a permanent establishment or a permanent representative in the Netherlands, and their Notes are attributable to such permanent establishment or permanent representative; or
- (ii) they derive benefits or are deemed to derive benefits from or in connection with Notes that are taxable as benefits from miscellaneous activities performed in the Netherlands.

Corporate entities

If a holder of Notes is a corporate entity, or an entity, including an association, a partnership and a mutual fund, taxable as a corporate entity, which is neither resident nor deemed to be resident in the Netherlands for purposes of Dutch corporate income tax, it will not be subject to Dutch corporate income tax in respect of any benefits derived or deemed to be derived from or in connection with Notes, except if:

- (i) it derives profits from an enterprise directly which is carried on, in whole or in part, through a permanent establishment or a permanent representative in the Netherlands, and to which permanent establishment or permanent representative its Notes are attributable; or
- (ii) it derives profits pursuant to a co-entitlement to the net value of an enterprise which is managed in the Netherlands, other than as a holder of securities, and to which enterprise its Notes are attributable.

General

If a holder of Notes is neither resident nor deemed to be resident in the Netherlands, such holder will for Dutch tax purposes not carry on or be deemed to carry on an enterprise, in whole or in part, through a permanent establishment or a permanent representative in the Netherlands by reason only of the execution and/or enforcement of the documents relating to the issue of Notes or the performance by the Issuer of its obligations under such documents or under the Notes.

Gift and inheritance taxes

No Dutch gift tax or Dutch inheritance tax will arise with respect to an acquisition or deemed acquisition of Notes by way of gift by, or upon the death of, a holder of Notes who is neither resident nor deemed to be resident in the Netherlands for purposes of Dutch gift tax or Dutch inheritance tax except if, in the event of a gift whilst not being a resident nor being a deemed resident in the Netherlands for purposes of Dutch gift tax or Dutch inheritance tax, the holder of Notes becomes a resident or a deemed resident in the Netherlands and dies within 180 days after the date of the gift.

For purposes of Dutch gift tax and Dutch inheritance tax, a gift of Notes made under a condition precedent is deemed to be made at the time the condition precedent is satisfied.

Registration taxes and duties

No Dutch registration tax, transfer tax, stamp duty or any other similar documentary tax or duty, other than court fees, is payable in the Netherlands in respect of or in connection with the execution and/or enforcement (including by legal proceedings and including the enforcement of any foreign judgment in the courts of the Netherlands) of the documents relating to the issue of Notes, the performance by the Issuer of its obligations under such documents or under Notes, or the transfer of Notes.

Information Exchange Regimes

On 9 December 2014, the Council of the European Union adopted a Directive (EC Council Directive 2014/107/EU amending EU Council Directive 2011/16/EU) which effectively implemented the OECD's common reporting standard on automatic exchange of financial account information in tax matters (the "CRS"). EU member states were required to implement this Directive in respect of taxable periods from 1 January 2016 and exchange information pursuant to such Directive no later than 30 September 2017 (subject to deferral under transitional rules in the case of Austria). The CRS is generally broader than the European Union Council Directive 2003/48/EC on the taxation of savings income (the "EU Savings Directive"), although it does not impose withholding taxes.

The Netherlands has implemented the CRS into Dutch law. To comply with its obligations under the CRS (or similar information sharing arrangements), the Issuer may require additional information and documentation from Noteholders. The Issuer may disclose the information, certifications or other documentation that they receive from or in relation to Noteholders to the Dutch tax authorities who may in turn exchange this information with tax authorities in other territories. Each prospective investor should consult their own tax advisor on the requirements.

On 10 November 2015, the Council of the European Union adopted EU Council Directive 2015/2060/EU repealing the EU Savings Directive with effect from 1 January 2016 (or 1 January 2017 in the case of Austria), subject to ongoing requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates. The repeal of the EU Savings Directive is intended to prevent overlap between the EU Savings Directive and EC Council Directive 2014/107/EU.

CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a description of certain U.S. federal income tax considerations relevant to the acquisition, ownership, and disposition of the Notes by a U.S. Holder (as defined below), except for the discussion under “—*FATCA*” below. This description only applies to Notes held as capital assets (generally, property held for investment) and does not address, except as set forth below, aspects of U.S. federal income taxation that may be applicable to holders that are subject to special tax rules, such as:

- banks or other financial institutions;
- insurance companies;
- real estate investment trusts, individual retirement accounts or other tax deferred accounts;
- regulated investment companies;
- grantor trusts;
- tax-exempt organizations;
- persons that will own the Notes through partnerships or other pass-through entities;
- dealers or traders in securities or currencies;
- U.S. Holders that have a functional currency other than the U.S. dollar;
- certain former citizens and long-term residents of the United States;
- U.S. Holders that use a mark-to-market method of accounting; or
- U.S. Holders that will hold a Note as part of a position in a straddle or as part of a hedging, conversion or integrated transaction for U.S. federal income tax purposes.

Moreover, this description does not address the U.S. federal estate and gift tax or alternative minimum tax consequences of the acquisition, ownership, and disposition of the Notes and does not address the 3.8% Medicare tax on net investment income that can also apply to certain U.S. Holders’ capital gains and interest in respect of the Notes or rules requiring persons that use the accrual method of accounting to include certain amounts in income no later than the time such amounts are reflected on certain financial statements. In addition, this discussion is limited to persons who purchase Notes for cash pursuant to this offering at the offering price indicated on the cover page hereof. Each prospective purchaser should consult its own tax advisor with respect to the U.S. federal, state, local and non-U.S. tax consequences of acquiring, holding and disposing of the Notes.

This description is based on the U.S. Internal Revenue Code of 1986 (as amended) (the “**Code**”), U.S. Treasury Regulations promulgated thereunder (“**Treasury Regulations**”), administrative pronouncements and judicial decisions, each as available and in effect on the date hereof. All of the foregoing are subject to change (possibly with retroactive effect) or differing interpretations, which could affect the tax considerations described herein. No opinion of counsel or ruling from the Internal Revenue Service (“**IRS**”) has been or will be given with respect to any of the considerations discussed herein. No assurances can be given that the IRS would not assert, or that a court would not sustain, a position different from any of the tax considerations discussed below.

For purposes of this discussion, a U.S. Holder (“**U.S. Holder**”) is a beneficial owner of the Notes who for U.S. federal income tax purposes is:

- a citizen or individual resident of the United States;
- a corporation (or any other entity treated as a corporation for U.S. federal income tax purposes) organized in or under the laws of the United States or any State thereof, including the District of Columbia;
- an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust (1) that has validly elected to be treated as a U.S. person for U.S. federal income tax purposes or (2)(a) the administration over which a U.S. court can exercise primary supervision and (b) all of the substantial decisions of which one or more U.S. persons have the authority to control.

If an entity or arrangement treated as a partnership for U.S. federal income tax purposes holds the Notes, the tax treatment of the partnership and a partner in such partnership generally will depend on the status of the partner and the activities of the partnership. Such partner or partnership should consult its own tax advisor as to its tax consequences.

Persons considering the purchase, ownership or disposition of Notes should consult their own tax advisors concerning the U.S. federal income tax considerations related to their particular situations as well as any considerations arising under the laws of any other taxing jurisdiction.

Treatment of the Notes as Debt

The Issuer expects the Notes to be treated as debt and not as equity for U.S. federal income tax purposes; however no assurances can be given that the Issuer's position will not be successfully challenged by the IRS. If the Notes are treated as equity in the Issuer for U.S. federal income tax purposes, U.S. Holders would likely be subject to adverse tax consequences, including those under the passive foreign investment company ("PFIC") rules pursuant to which (i) all or a portion of any gain on disposition of the Notes would be treated as ordinary income rather than capital gain, (ii) a deferred interest charge may apply to such gain and on certain distributions, which would include certain payments of stated interest, on the Notes and (iii) a U.S. Holder would be required to comply with certain reporting requirements.

U.S. Holders are urged to consult their own tax advisors regarding the application of these rules to their particular situations. The discussion below assumes that the Notes are treated as indebtedness for U.S. federal income tax purposes, except as otherwise described.

Redemptions and Additional Amounts

In certain circumstances, the Issuer may be obligated to make payments in excess of stated interest or principal of the Notes, referred to herein as Additional Amounts (as defined in Condition 9 ("*Taxation*"); see Condition 9 ("*Taxation*")), or redeem the Notes in advance of their expected maturity (see Condition 6 ("*Redemption, Purchase and Cancellation; Approved Exchange Offer*")). The Issuer believes, and intends to take the position if required, that the Notes should not be treated as contingent payment debt instruments because of the possibility of such payments or redemptions. This position is based in part on assumptions regarding the likelihood, as of the date of issuance of the Notes, of such payments or redemptions. Assuming such position is respected, any amounts paid to a U.S. Holder pursuant to any repurchase or redemption would be taxable as described below in "*—Sale, Exchange, Retirement or Other Taxable Disposition*" and any payments of Additional Amounts should be taxable as additional ordinary income when received or accrued, in accordance with such holder's method of accounting for U.S. federal income tax purposes. The IRS may, however, take a position contrary to the position described above, which could affect the timing and character of a U.S. Holder's income with respect to the Notes, or have other adverse tax consequences. A U.S. Holder that desires to take the position that the Notes are subject to the contingent payment debt instrument rules should consult with its tax advisor, including regarding the manner in which to disclose such position as required by applicable U.S. Treasury Regulations; the IRS may disagree with such holder's contrary position. U.S. Holders should consult their tax advisors regarding the potential application to the Notes of the contingent payment debt instrument rules and the consequences thereof. This discussion assumes that the Notes will not be treated as contingent payment debt instruments.

Payments and Accruals of Stated Interest

Stated interest paid on the Notes generally will be treated as "qualified stated interest". Payments of "qualified stated interest" on the Notes (including any Additional Amounts and without reduction for any taxes withheld) generally will be taxable to a U.S. Holder as ordinary interest income at the time it is received or accrued, depending on the U.S. Holder's method of accounting for U.S. federal income tax purposes, as detailed below. The term "qualified stated interest" generally means stated interest that is unconditionally payable in cash or property (other than debt instruments of an issuer), or that is treated as constructively received, at least annually at a single fixed rate ("**qualified stated interest**").

Stated interest paid in euros will be included in a U.S. Holder's gross income in an amount equal to the U.S. dollar value of the euros, including the amount of any withholding tax thereon, regardless of whether the euros are converted into U.S. dollars. Generally, a U.S. Holder that uses the cash method of tax accounting will determine such U.S. dollar value using the spot rate of exchange on the date of receipt. A cash method U.S. Holder generally will not realize foreign currency gain or loss on the receipt of the interest payment but may have foreign currency gain or loss attributable to the actual disposition of the euros received. Generally, a U.S. Holder that uses the cash method of tax accounting will determine the U.S. dollar value of accrued interest income using the average rate of exchange for the accrual period (or, with respect to an accrual period that spans two taxable years, at the average rate for the partial period within each taxable year).

Alternatively, an accrual basis U.S. Holder may make an election (which must be applied consistently to all debt instruments from year to year and cannot be changed without the consent of the IRS) to translate accrued interest income at the spot rate of exchange on the last day of the accrual period (or the last day of the portion of the accrual period within each taxable year in the case of a partial accrual period) or the spot rate on the date of receipt, if that date is within five business days of the last day of the accrual period. A U.S. Holder that uses the accrual method of accounting for tax purposes will recognize foreign currency gain or loss in an amount equal to any difference between the U.S. dollar value of the euros interest payment (determined on the basis of the spot rate on the date the interest payment is received) in respect of the accrual period and the U.S. dollar value of the interest income that has accrued during the accrual period (as determined above) regardless of whether the payment is converted to U.S. dollars. This foreign currency gain or loss will be ordinary income or loss and generally will not be treated as an adjustment to interest income or expense. Foreign currency gain or loss generally will be U.S. source provided that the residence of a taxpayer is considered to be the United States for purposes of the rules regarding foreign currency gain or loss.

Interest including original issue discount (“OID”), if any, included in a U.S. Holder’s gross income with respect to the Notes will be treated as foreign source income for U.S. federal income tax purposes. The limitation on non-U.S. taxes eligible for the U.S. foreign tax credit is calculated separately with respect to specific “baskets” of income. For this purpose, interest generally should constitute “passive category income”. Any non-U.S. withholding tax paid by a U.S. Holder at the rate applicable to the U.S. Holder may be eligible for foreign tax credits (or deduction in lieu of such credits) for U.S. federal income tax purposes, subject to applicable limitations. U.S. Holders should consult their own tax advisors regarding the availability of foreign tax credits.

Original Issue Discount

A Note may be treated as issued with OID for U.S. federal income tax purposes if its “stated redemption price at maturity” exceeds its issue price by the “OID de minimis amount” or more. The “OID de minimis amount” equals 1/4 of 1% of the debt instrument’s “stated redemption price at maturity” multiplied by the number of complete years from its issue date to its maturity. The “stated redemption price at maturity” of a Note is the sum of all payments required to be made on the Note other than qualified stated interest payments.

If a Note is issued with OID, a U.S. Holder generally will be required to include OID in income before the receipt of the associated cash payment, regardless of such U.S. Holder’s accounting method for tax purposes. The amount of OID a U.S. Holder should include in income is the sum of the “daily portions” of the OID for the Note for each day during the taxable year (or portion of the taxable year) in which the Note is held by such U.S. Holder. The daily portion is determined by allocating a pro rata portion of the OID for each day of the accrual period. An accrual period may be of any length and the accrual periods may vary in length over the term of the Note, provided that each accrual period is no longer than one year and each scheduled payment of principal or interest occurs either on the first day of an accrual period or on the final day of an accrual period. The amount of OID allocable to an accrual period is equal to the difference between (1) the product of the “adjusted issue price” of the Note at the beginning of the accrual period and its yield to maturity (computed generally on a constant yield method and compounded at the end of each accrual period, taking into account the length of the particular accrual period) and (2) the amount of any qualified stated interest allocable to the accrual period. The “adjusted issue price” of a Note at the beginning of any accrual period is the sum of the issue price of the Note plus the amount of OID allocable to all prior accrual periods reduced by any payments received on the Note that were not qualified stated interest.

Under these rules, a U.S. Holder generally will have to include in income increasingly greater amounts of OID in successive accrual periods. OID allocable to a final accrual period is the difference between the amount payable at maturity (other than a payment of qualified stated interest) and the “adjusted issue price” at the beginning of the final accrual period. Under the Treasury Regulations, a Noteholder with OID may elect to include in gross income all interest that accrues on the Note using the constant yield method. Once made with respect to the Note, the election cannot be revoked without the consent of the IRS. A U.S. Holder considering an election under these rules should consult its own tax advisor.

U.S. Holders may obtain information regarding the amount of OID, if any, the issue price, the issue date and yield to maturity by contacting the Managing Director of the Issuer at Herikerbergweg 238, Luna Arena, 1101CM Amsterdam, The Netherlands, +31 (0) 20 575 5600 or ams.secretary.sfs@tmfgroup.com.

Any OID on a Note generally will be determined for any accrual period in euros and then translated into U.S. dollars in the same manner as stated interest accrued by an accrual basis U.S. Holder. Upon receipt of an

amount attributable to OID (whether in connection with a sale or disposition of such a Note or otherwise), a U.S. Holder generally will recognize foreign currency gain or loss in an amount determined in the same manner as stated interest received by an accrual basis U.S. Holder, as described above. U.S. Holders are urged to consult their own tax advisors regarding the interplay between the application of the OID and foreign currency exchange gain or loss rules. For these purposes, all receipts on a Note will be viewed first, as payments of stated interest payable on the Note; second, as receipts of previously accrued OID (to the extent thereof), with payments considered made for the earlier accrual periods first; and, third, as receipts of principal.

The rules regarding OID are complex. U.S. Holders are urged to consult their own tax advisors regarding the application of these rules to their particular situations.

Sale, Exchange, Retirement or Other Taxable Disposition

A U.S. Holder generally will recognize gain or loss on the sale, exchange, retirement or other taxable disposition of a Note equal to the difference, if any, between the amount realized on such sale, exchange, retirement or other taxable disposition (other than any amount received in respect of accrued and unpaid interest which will be subject to tax in the manner described above in “—*Payments and Accruals of Stated Interest*” to the extent not previously included in income), and the U.S. Holder’s adjusted tax basis in such Note.

A U.S. Holder’s adjusted tax basis in a Note generally will be its U.S. dollar cost increased by the amount of any OID previously included in income and decreased by payments other than qualified stated interest made with respect to the Note. If a U.S. Holder purchases a Note with euros, the U.S. dollar cost of the Note generally will be the U.S. dollar value of the purchase price on the date of purchase calculated at the spot rate of exchange on that date. The amount realized upon the disposition of a Note generally will be the U.S. dollar value of the amount received on the date of the disposition calculated at the spot rate of exchange on that date. However, if the Note is traded on an established securities market, a cash basis U.S. Holder (and, if it so elects, an accrual basis U.S. Holder) should determine the U.S. dollar value of the cost of or amount received on the Note, as applicable, by translating the amount paid or received at the spot rate of exchange on the settlement date of the purchase or disposition, as applicable. The election available to accrual basis U.S. Holders in respect of the purchase and disposition of Notes traded on an established securities market must be applied consistently to all debt instruments from year to year and cannot be changed without the consent of the IRS.

Subject to the foreign currency rules discussed below, any gain or loss recognized on the sale, exchange, retirement, or other taxable disposition of a Note generally will be U.S. source capital gain or loss. Gain or loss will be long-term capital gain or loss if the U.S. Holder has held the Note for more than one year. A non-corporate U.S. Holder’s long-term capital gain is currently taxed at preferential rates. The ability of a U.S. Holder to offset capital losses against ordinary income is limited.

Gain or loss recognized by a U.S. Holder on the sale, exchange, retirement or other taxable disposition of a Note generally will be treated as ordinary income or loss to the extent that the gain or loss is attributable to changes in foreign currency exchange rates during the period in which the U.S. Holder held such Note. Such foreign currency gain or loss will equal the difference between (i) the U.S. dollar value of the U.S. Holder’s euro purchase price for the Note calculated at the spot rate of exchange on the date of the sale, exchange, retirement or other taxable disposition and (ii) the U.S. dollar value of the U.S. Holder’s euros price for the Note calculated at the spot rate of exchange on the date of purchase of the Note. The realization of any foreign currency gain or loss, including foreign currency gain or loss with respect to amounts attributable to accrued and unpaid stated interest and any OID, will be limited to the amount of overall gain or loss realized on the disposition of a Note.

Exchange of Amounts in Other than U.S. Dollars

If a U.S. Holder receives euros as interest on a Note or on the sale, exchange, retirement or other taxable disposition of a Note, such U.S. Holder’s tax basis in the euros will equal the U.S. dollar value when the euros are received. If a U.S. Holder purchased a Note with previously owned non-U.S. currency, gain or loss on such currency will be recognized in an amount equal to the difference, if any, between the U.S. Holder’s tax basis in such currency and the spot rate on the date of purchase of the Note. Any such gain or loss generally will be treated as ordinary income or loss from sources within the United States provided that the residence of the U.S. Holder is considered to be the United States for purposes of the rule governing foreign currency transactions.

Reportable Transaction Reporting

Under the Treasury Regulations, U.S. Holders that participate in “reportable transactions” (as defined in the Treasury Regulations) must attach to their U.S. federal income tax returns a disclosure statement on IRS Form 8886. Under the relevant rules, a U.S. Holder may be required to treat a foreign currency exchange loss from the Notes as a reportable transaction if this loss exceeds the relevant threshold in the Treasury Regulations. U.S. Holders should consult their own tax advisors as to the possible obligation to file IRS Form 8886 with respect to the ownership or disposition of the Notes, or any related transaction, including without limitation, the disposition of any non-U.S. currency received as interest or as proceeds from the sale, exchange, retirement or other taxable disposition of the Notes.

Further Notes

The Issuer may issue Further Notes as defined in Condition 20 (“*Issue of Further Notes*”). These Further Notes, even if they are treated for non-tax purposes as part of the same series as the original Notes, in some cases may not be fungible with the original Notes for U.S. federal income tax purposes, which may affect the market value of the original Notes even if the Further Notes are not otherwise distinguishable from the original Notes.

Reporting and Backup Withholding

Backup withholding and information reporting requirements may apply to certain payments of principal of, and interest and accruals of OID, if any, on a Note and to proceeds of the sale, exchange, retirement or other taxable disposition of a Note, to certain U.S. Holders. The payor will be required to backup withhold tax on payments made within the United States, or by a U.S. payor or U.S. middleman or certain of their affiliates, on a Note to, or from gross proceeds of the sale or disposition of a Note paid to, a U.S. Holder if the U.S. Holder fails to furnish its correct taxpayer identification number or otherwise fails to comply with, or establish an exemption from, the backup withholding requirements.

Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against a U.S. Holder’s U.S. federal income tax liability. A U.S. Holder may obtain a refund of any excess amounts withheld under the backup withholding rules by filing the appropriate claim for a refund with the IRS and furnishing any required information in a timely manner.

Certain U.S. Holders are required to report information relating to an interest in the Notes, subject to certain exceptions (including an exception for Notes held in custodial accounts maintained by certain financial institutions). U.S. Holders are urged to consult their own tax advisors regarding the effect, if any, of this requirement on their ownership and disposition of the Notes.

FATCA

FATCA generally imposes withholding at a rate of 30% on payments of interest made to any foreign entity on debt obligations generating U.S. source interest or certain other debt obligations generating non-U.S. source interest including “foreign passthru payments” made by a foreign financial institution, unless the foreign financial institution complies with certain reporting rules under FATCA or otherwise qualifies for an exemption. Currently, the term “foreign passthru payment” is not defined and it is unclear whether or to what extent payments on the Note would be considered foreign passthru payments, assuming the issuer would be considered a foreign financial institution. If and when such regulations are issued, the Notes will be grandfathered and FATCA withholding should not apply to the Notes to the extent otherwise applicable. If, however, the Notes are modified more than six months after the date final regulations defining a foreign passthru payment are published FATCA withholding may apply (effective beginning two years from such date of publication), and holders and beneficial owners of the Notes will not be entitled to receive any Additional Amounts to compensate them for any such withholding. In addition, if Further Notes are issued after the expiration of the grandfathering period and have the same ISIN or CUSIP as the Notes issued hereby, then withholding agents may treat all notes bearing the same ISIN or CUSIP, including any Notes issued hereby, as subject to withholding under FATCA. Holders should consult their tax advisors regarding the availability of a refund in such circumstances. The intergovernmental agreement between Ireland and the United States modifies the requirements in this paragraph and an intergovernmental agreement between the United States and a foreign country where a holder or intermediary is located may further modify such requirements. Prospective holders should consult their tax advisors regarding the possible implications of this legislation on their investment in the Notes.

THE DISCUSSION ABOVE IS A GENERAL SUMMARY. IT DOES NOT COVER ALL TAX MATTERS THAT MAY BE OF IMPORTANCE TO A PARTICULAR PURCHASER. EACH PROSPECTIVE PURCHASER IS URGED TO CONSULT ITS OWN TAX ADVISOR ABOUT THE TAX CONSEQUENCES TO IT OF AN INVESTMENT IN THE NOTES IN LIGHT OF THE PURCHASER'S OWN CIRCUMSTANCES.

CERTAIN ERISA CONSIDERATIONS

The Notes are not eligible for purchase by or using the assets of a Benefit Plan Investor or any other employee benefit plan (within the meaning of Section 3(3) of ERISA) which is subject to Similar Laws.

Under ERISA and a regulation issued by the U.S. Department of Labor at 29 C.F.R. Section 2510.3-101, as modified by Section 3(42) of ERISA (the “**Plan Asset Regulation**”), the assets of an entity that is neither a publicly-offered security nor a security issued by an investment company registered under the Investment Company Act will be deemed to constitute “plan assets” for the purposes of ERISA and the Code if a Benefit Plan Investor acquires an “equity interest” in the entity and none of the exceptions contained in the Plan Asset Regulation is applicable. An equity interest is defined under the Plan Asset Regulation as an interest other than an instrument which is treated as indebtedness under applicable local law and which has no substantial equity features. Under the exceptions in the Plan Asset Regulation, an entity will not be deemed to hold plan assets if (i) participation in the entity by Benefit Plan Investors is not “significant” (e.g. Benefit Plan Investors hold less than 25% of each class of equity interest in the entity), or (ii) the entity is an operating company, including a “venture capital operating company” or “real estate operating company”.

Although there is little guidance on the subject, at the time of their issuance, the Notes may be treated as equity interests of the Issuer for purposes of the Plan Asset Regulation. The Notes are not a publicly-offered security and the Issuer is not an investment company registered under the Investment Company Act. Furthermore, it is not expected that the Issuer will be an operating company for purposes of the Plan Asset Regulations, and the Issuer will not be able to monitor the level of Benefit Plan Investor participation in the Notes in order to maintain such participation below the 25% threshold. Therefore, there can be no guarantee that the assets of the Issuer will not be deemed to include plan assets if the Notes were to be treated as equity interests of the Issuer. Certain transactions involving the Issuer might be deemed to constitute prohibited transactions under Section 406 of ERISA or Section 4975 of the Code or Similar Laws if the assets of the Issuer are deemed to include plan assets under ERISA, the Code, or such Similar Laws. As a result, the Notes will not be made available for purchase by Benefit Plan Investors or employee benefit plans (within the meaning of Section 3(3) of ERISA) subject to Similar Laws, and any purchase of a Note by such a Benefit Plan Investor or employee benefit plan will be null and void.

Each acquirer and each transferee of a Note or any interest therein will be deemed to have represented, warranted and agreed at the time of its acquisition and throughout the period that it holds such Note or any interest therein that it is not, and is not acting on behalf of (and for so long as such acquirer or transferee holds such Notes or any interest therein will not be, and will not be acting on behalf of) a Benefit Plan Investor or an employee benefit plan which is subject to Similar Laws, and no part of the assets used by it to acquire or hold any Note or any interest therein constitutes the assets of any Benefit Plan Investor or any such employee benefit plan.

Legal Investment Considerations

If your investment activities are subject to regulation by federal, state or local law or governmental authorities you should review the applicable laws and/or rules, policies and guidelines adopted from time to time by such authorities before purchasing any Notes. No representation is made as to the proper characterisation of the Notes for legal investment or other purposes or as to the ability of particular investors to purchase any Notes under applicable law or other legal investment restrictions. Accordingly, if your investment activities are subject to such laws and/or regulations, regulatory capital requirements or review by regulatory authorities you should consult your own legal advisers in determining whether and to what extent the Notes constitute a legal investment or are subject to investment, capital or other restrictions.

None of the Issuer, the Initial Purchasers, VMIH, Virgin Media, Liberty Global plc or any person who controls them or any director, officer, employee or agent of any of theirs or affiliate of any such person make any representation as to the proper characterisation of the Notes for legal investment or other purposes, as to the ability of particular investors to purchase the Notes for legal investment or other purposes or as to the ability of particular investors to purchase the Notes under applicable investment restrictions. All institutions whose activities are subject to legal investment laws and regulations, regulatory capital requirements or review by regulatory authorities should consult their own legal advisers in determining whether and to what extent the Notes are subject to investment, capital or other restrictions. Without limiting the generality of the foregoing, none of the Issuer, the Initial Purchasers, VMIH, Virgin Media, Liberty Global plc or any person who controls them or any director, officer, employee or agent of any of theirs or affiliate of any such person makes any

representation as to the characterisation of the Notes as a U.S.-domestic or foreign (non-U.S.) investment under any state insurance code or related regulations, and they are not aware of any published precedent that addresses such characterisation. The uncertainties described above (and any unfavourable future determinations concerning legal investment or financial institution regulatory characteristics of the Notes) may affect the liquidity of the Notes.

PLAN OF DISTRIBUTION

The Subscription Agreement dated as of _____ 2020 will be entered into between the Issuer, VodafoneZiggo and the Initial Purchasers in respect of the Notes. Upon the terms and subject to the Conditions contained in the Subscription Agreement, the Issuer has agreed to sell to each Initial Purchaser, and each Initial Purchaser has severally agreed to purchase from the Issuer the principal amount of Notes set forth therein.

The obligations of the Initial Purchasers to purchase the Notes under the Subscription Agreement are several and not joint, are subject to approval of certain legal matters by counsel and to certain conditions precedent and the Initial Purchasers are entitled in certain circumstances to be released and discharged from their obligations under the Subscription Agreement prior to the closing of the issuance of the Notes. In the Subscription Agreement, VodafoneZiggo and the Issuer, jointly and severally, each agree to indemnify each of the Initial Purchasers against certain liabilities under the Securities Act, the Exchange Act or otherwise, or to contribute to payments each Initial Purchaser may be required to make in respect thereof.

Selling Restrictions

European Economic Area

Prohibition of Offers to EEA or U.K. Retail Investors

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA or the U.K. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (the “**IDD**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or the U.K. has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or the U.K. may be unlawful under the PRIIPs Regulation. This Offering Circular has been prepared on the basis that any offer of Notes in any Member State of the EEA or the U.K. will be made pursuant to an exemption under the Prospectus Regulation from the requirement to publish a prospectus for offers of Notes. This Offering Circular is not a prospectus for the purposes of the Prospectus Regulation. References to Regulations or Directives include, in relation to the U.K., those Regulations or Directives as they form part of U.K. domestic law by virtue of the European Union (Withdrawal) Act 2018 or that have been implemented in U.K. domestic law, as appropriate.

Professional Investors and ECPS Only Target Market

Solely for the purposes of the product approval process of each manufacturer, the target market assessment in respect of the Notes described in this Offering Circular has led to the conclusion that: (i) the target market for such Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of such Notes to eligible counterparties and professional clients are appropriate. The target market and distribution channel(s) may vary in relation to sales outside the EEA and the U.K. in light of local regulatory regimes in force in the relevant jurisdiction. Any person subsequently offering, selling or recommending such Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of such Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

United States of America

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) or the state securities laws of any state of the United States of America and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in transactions pursuant to an exemption from, or not subject to, the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S.

No action has been taken or is being contemplated by the Issuer that would permit a public offering of the Notes or possession or distribution of this Offering Circular or any amendment thereof, or supplement thereto or any other offering material relating to the Notes in any jurisdiction where, or in any other circumstances in which, action for those purposes is required. No offers, sales or deliveries of any Notes, or distribution of this Offering Circular or any other offering material relating to the Notes, may be made in or from any jurisdiction

except in circumstances that will result in compliance with any applicable laws and regulations and will not impose any obligations on the Issuer or the Initial Purchasers. Because of the restrictions contained in the front of this Offering Circular, you are advised to consult legal counsel prior to making any offer, resale, pledge or transfer of the Notes.

Each of the Initial Purchasers agrees that it or one or more of its affiliates will sell or arrange for the sale (as applicable) of Notes only to or with, in each case, (a) purchasers it reasonably believes to be both (x) Qualified Institutional Buyers and (y) Qualified Purchasers and (b) non-U.S. persons in offshore transactions pursuant to Regulation S. Resales of the Notes in reliance on Rule 144A or otherwise in a transaction exempt from the registration requirements under the Securities Act, as the case may be, are restricted as described under “*Transfer Restrictions*”. Beneficial interests in a Regulation S Global Note may not be held by a U.S. person at any time, and resales of the Notes offered in offshore transactions to non-U.S. persons in reliance on Regulation S may be effected only in accordance with the transfer restrictions described herein. As used in this paragraph, the terms “United States” and “U.S.” have the meanings given to them by Regulation S.

United Kingdom

Each of the Initial Purchasers has represented and agreed that:

- (a) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the “FSMA”)) received by it in connection with the issue or sale of the Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom.

Miscellaneous

This document does not constitute, and may not be used for the purpose of, an offer or solicitation in or from any jurisdiction where such an offer or solicitation is not authorized.

Attention is drawn to the information set out on the inside front cover of this document in respect of restrictions on offers and sales of the Notes and on distribution of documents.

You should be aware that the laws and practices of certain countries require investors to pay stamp taxes and other charges in connection with the purchases of securities.

We expect that delivery of the Notes will be made against payment on the Notes on or about the date specified on the cover page of this Offering Circular, which will be _____ business days (as such term is used for purposes of Rule 15c6-1 of the U.S. Exchange Act) following the date of pricing of the Notes (this settlement cycle is being referred to as “T+_____”). Under Rule 15c6-1 of the U.S. Exchange Act, trades in the secondary market generally are required to settle in two business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes on the date of this Offering Circular or the next _____ business days will be required to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to make such trades should consult their own advisors.

The Notes are a new issue of securities for which there is currently no market. The Issuer will apply to list the Notes on the Official List of Euronext Dublin and for the admission for trading on the Global Exchange Market thereof as soon as practicable after the Issue Date thereof, but it cannot assure you that the Notes will become or remain listed. If the Issuer can no longer maintain the listing on the Official List of Euronext Dublin or it becomes unduly burdensome to make or maintain such listing (for the avoidance of doubt, the preparation of financial statements in accordance with the International Financial Reporting Standards or any accounting standard other than U.S. GAAP and any other standard pursuant to which VodafoneZiggo prepares its financial statements shall constitute such undue burden), the Issuer may cease to make or maintain such listing on the Official List of Euronext Dublin, *provided* that the Issuer will use all reasonable efforts to obtain and maintain the listing of the Notes on another stock exchange (which may be a stock exchange that is not regulated by the European Union), although there can be no assurance that the Issuer will be able to do so. Notwithstanding the foregoing, the Issuer may, at its sole option at any time, without the consent of the Noteholders or the Notes

Trustee, delist the Notes from any stock exchange, for the purposes of moving the listing of the Notes to The International Stock Exchange. The Initial Purchasers are not under an obligation to make a market in the Notes and any market making activity, if commenced, may be discontinued at any time. In addition, such market making activities will be subject to the limits imposed by the Securities Act and the U.S. Exchange Act. Accordingly, there can be no assurance that a secondary market for the Notes will develop, or if one does develop, that it will continue. Accordingly, no assurance can be given as to the liquidity of or trading market for the Notes. If an active trading market for the Notes does not develop, the market price and liquidity of the Notes may be adversely affected. If the Notes are traded, they may trade at a discount from their initial offering price, depending on prevailing interest rates, the market for similar securities, our operating performance and financial condition, general economic conditions and other factors.

No action has been taken or is being contemplated by the Issuer that would permit a public offering of the Notes or possession or distribution of this Offering Circular or any amendment thereof, or supplement thereto or any other offering material relating to the Notes in any jurisdiction (other than Ireland) where, or in any other circumstances in which, action for those purposes is required. No offers, sales or deliveries of any Notes, or distribution of this Offering Circular or any other offering material relating to the Notes, may be made in or from any jurisdiction except in circumstances that will result in compliance with any applicable laws and regulations and will not impose any obligations on the Issuer or the Initial Purchasers. Because of the restrictions contained in the front of this Offering Circular, you are advised to consult legal counsel prior to making any offer, resale, pledge or transfer of the Notes.

The Notes are offered when, as and if issued, subject to prior sale or withdrawal, cancellation or modification of the offer without notice and subject to approval of certain legal matters by counsel and certain other conditions.

Persons into whose hands this Offering Circular comes are required by the Issuer and the Initial Purchasers to comply with all applicable laws and regulations in each country or jurisdiction in which they purchase, offer, sell or deliver Notes or have in their possession, distribute or publish this Offering Circular or any other offering material relating to the Notes, in all cases at their own expense.

In connection with the offering of the Notes, the Stabilizing Manager may engage in overallotment, stabilizing transactions and syndicate covering transactions. Overallotment involves sales in excess of the offering size, which creates a syndicate short position. Stabilizing transactions involve bids to purchase the Notes in the open market for the purpose of pegging, fixing or maintaining the price of the Notes. Syndicate covering transactions involve purchases of the Notes in the open market after the distribution has been completed in order to cover short positions. Stabilizing transactions and syndicate covering transactions may cause the price of the Notes to be higher than it would otherwise be in the absence of those transactions. If the Stabilizing Manager engages in stabilizing or syndicate covering transactions, it may discontinue them at any time.

The Initial Purchasers and their respective affiliates are full service financial institutions engaged in various activities, including securities trading, commercial and investment banking, hedging, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. Certain of the Initial Purchasers and/or their respective affiliates have, from time to time, performed, and may in the future perform, various consulting, financial advisory, investment banking, commercial lending and capital markets services for VodafoneZiggo and Liberty Global, for which they received or will receive customary fees and expenses. Certain of the Initial Purchasers and/or their respective affiliates have arranged and made loans to subsidiaries of Liberty Global or VodafoneZiggo in the past. Certain of the Initial Purchasers and/or their respective affiliates that have a lending relationship with, and/or own outstanding debt securities of, VodafoneZiggo and/or its affiliates have hedged, and are likely to hedge in the future, their credit exposure to VodafoneZiggo and/or its affiliates consistent with their risk management policies. Typically, the Initial Purchasers and their respective affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in our securities, including potentially the Notes. Any such credit default swaps or short positions could adversely affect future trading prices of the Notes. In addition, certain of the Initial Purchasers and/or their respective affiliates provide VodafoneZiggo and/or its affiliates, from time to time, with hedging services, and may act as counterparties to certain hedging agreements entered into by VodafoneZiggo and/or its affiliates and such parties will receive customary fees and commissions for their services in such capacities.

In the ordinary course of their various business activities, the Initial Purchasers and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers and such investment and securities activities may involve securities and/or instruments of the Issuer. The Initial Purchasers and their respective affiliates may also make investment recommendations and/or publish

or express independent research views in respect of such securities or instruments and may at any time hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Certain Initial Purchasers are lenders under facilities of the Existing Credit Facility, and certain of the Initial Purchasers and/or affiliates are parties to certain hedging arrangements with VodafoneZiggo and/or its subsidiaries. In addition, certain of the Initial Purchasers and/or their affiliates are party to certain hedging arrangements and may be counterparties to certain cross-currency swap contracts that we may enter into with respect to the Notes.

The overall exposure of certain Initial Purchasers to the VodafoneZiggo group could be indirectly reduced as a result of the Excess Cash Loans under the Excess Cash Facility.

Certain Initial Purchasers are not broker-dealers registered with the SEC and, therefore, may not make sales of any Notes in the United States or to U.S. persons, except in compliance with applicable U.S. laws and regulations. To the extent that such Initial Purchasers intend to effect sales of the Notes in the United States, they will do so only through one or more U.S. registered broker-dealers or otherwise as permitted by applicable U.S. law.

TRANSFER RESTRICTIONS

Because of the following restrictions, you are advised to consult legal counsel prior to making any offer, resale, or transfer of the Notes.

- (a) The Notes have not been registered under the Securities Act or any state securities or “Blue Sky” laws or the securities laws of any other jurisdiction and, accordingly, may not be reoffered, resold, pledged or otherwise transferred except in accordance with the restrictions described herein and set forth in the Trust Deed.
- (b) Without limiting the foregoing, by holding a Note, you will acknowledge and agree, among other things, that you understand that the Issuer is not registered as an investment company under the Investment Company Act and that, in connection with any subsequent resale or transfer of the Notes that are made in reliance on Rule 144A, the Issuer will not be registered as an investment company under the Investment Company Act, in reliance upon the exception contained in Section 3(c)(7) of the Investment Company Act for companies (a) whose outstanding securities offered within the U.S. are beneficially owned by U.S. residents that are “qualified purchasers” or “knowledgeable employees” with respect to the Issuer at the time of acquisition of such securities and certain transferees thereof identified in Rules 3c-5 or 3c-6 under the Investment Company Act and (b) which do not make, or propose to make, a public offering of their securities in the United States. Section 2(a)(51) of the Investment Company Act defines the term “qualified purchaser” and the U.S. Securities and Exchange Commission (the “SEC”) has designated several additional classes of qualified purchasers, including companies beneficially owned exclusively by one or more “qualified purchasers”. Each of the following would fall within the definition of “qualified purchaser”:
 - (i) a natural person who owns not less than \$5,000,000 in “investments”. as such term has been defined in (and as the value of such investments are calculated pursuant to) the relevant rules promulgated by the SEC as of the date hereof;
 - (ii) a company that owns not less than \$5,000,000 in “investments” and that is owned directly or indirectly by or for two or more natural persons who are related as siblings or spouse (including former spouses), or direct lineal descendants by birth or adoption, spouses of such persons, the estates of such persons, or foundations, charitable organizations, or trusts established by or for the benefit of such persons;
 - (iii) a trust that is not covered by clause (ii) and that was not formed for the specific purpose of acquiring the securities offered, as to which the trustee or other person authorized to make decisions with respect to the trust, and each settlor or other person who contributed assets to the trust, is a person described in clause (i), (ii) or (iv); or
 - (iv) a person, acting for its own account or the accounts of other qualified purchasers, who in the aggregate owns and invests on a discretionary basis, not less than \$25,000,000 in “investments”;

provided that, in the case of an entity that would be an investment company but for the exclusions from the Investment Company Act provided by Section 3(c)(1) or Section 3(c)(7) thereof (“excepted investment company”), (i) all of the beneficial owners of its outstanding securities (other than short-term paper) that acquired such securities on or before 30 April 1996 (“pre-amendment beneficial owners”) and (ii) all of the pre-amendment beneficial owners of the outstanding securities (other than short-term paper) of an excepted investment company that directly or indirectly own any of its outstanding securities, must have consented to its treatment as a “qualified purchaser”.

Global Notes

If you are either an initial purchaser or a transferee of Notes represented by an interest in a Global Note you will be deemed to have represented and agreed as follows (except as may be expressly agreed in writing between you and the Issuer, if you are an initial purchaser):

- (a) In connection with the purchase of such Notes: (A) none of (i) the Issuer, the Initial Purchasers, VodafoneZiggo, VodafoneZiggo Group Holding B.V., Liberty Global Europe Holding II B.V., Liberty Global, Vodafone, Vodafone International or any person who controls them or any director, officer, employee or agent of any of theirs or affiliate of any such person, or (ii) the Notes Trustee, the Security Trustee, the Transfer Agent, any other Agent or any other party to the transaction contemplated by this Offering Circular or any of their respective affiliates, is acting as a fiduciary or financial or investment adviser for such beneficial owner; (B) such beneficial owner is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of (i) the Issuer, the Initial Purchasers, VodafoneZiggo, VodafoneZiggo Group Holding B.V., Liberty Global Europe Holding II B.V., Liberty Global, Vodafone, Vodafone International or any person who

controls them or any director, officer, employee or agent of any of theirs or affiliate of any such person, or (ii) the Notes Trustee, the Security Trustee, the Transfer Agent, any other Agent or any other party to the transaction contemplated by this Offering Circular or any of their respective affiliates, other than any statements in this Offering Circular, and such beneficial owner has read and understands this Offering Circular; (C) such beneficial owner has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisers to the extent it has deemed necessary and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the Trust Deed) based upon its own judgment and upon any advice from such advisers as it has deemed necessary and not upon any view expressed by (i) the Issuer, the Initial Purchasers, VodafoneZiggo, VodafoneZiggo Group Holding B.V., Liberty Global Europe Holding II B.V., Liberty Global, Vodafone, Vodafone International or any person who controls them or any director, officer, employee or agent of any of theirs or affiliate of any such person, or (ii) the Notes Trustee, the Security Trustee, the Transfer Agent, any other Agent or any other party to the transaction contemplated by this Offering Circular or any of their respective affiliates; (D) such beneficial owner is either (1) (in the case of a beneficial owner of an interest in a Rule 144A Global Note) both (a) a “qualified institutional buyer” (as defined under Rule 144A under the Securities Act) that is not a broker-dealer which owns and invests on a discretionary basis less than \$25,000,000 in securities of issuers that are not affiliated persons of the dealer and is not a plan referred to in paragraph (a)(1)(i)(d) or (a)(1)(i)(e) of Rule 144A under the Securities Act or a trust fund referred to in paragraph (a)(1)(i)(f) of Rule 144A under the Securities Act that holds the assets of such a plan, if investment decisions with respect to the plan are made by beneficiaries of the plan and (b) a “qualified purchaser” as defined in Section 2(a)(51) of, and Rules 2a51-1, 2a51-2 and 2a51-3 under, the Investment Company Act, or (2) not a “U.S. person” (as defined in Regulation S) and is acquiring the Notes in an offshore transaction (as defined in Regulation S) in reliance on the exemption from registration provided by Regulation S; (E) such beneficial owner is acquiring its interest in such Notes for its own account; (F) such beneficial owner was not formed for the purpose of investing in such Notes; (G) such beneficial owner understands that the Issuer may receive a list of participants holding interests in the Notes from one or more book-entry depositories; (H) such beneficial owner will hold and transfer at least the minimum denomination of such Notes; (I) such beneficial owner will provide notice of the relevant transfer restrictions to subsequent transferees; and (J) such beneficial owner, it is not acquiring any Note as part of a plan to reduce, avoid or evade U.S. federal income tax.

- (b) Each acquirer and each transferee of a Note or any interest therein will be deemed to have represented, warranted and agreed at the time of its acquisition and throughout the period that it holds such Note or any interest therein that it is not, and is not acting on behalf of (and for so long as such acquirer or transferee holds such Notes or any interest therein will not be, and will not be acting on behalf of) a Benefit Plan Investor or an employee benefit plan (as defined in Section 3(3) of ERISA) which is subject to any Similar Laws, and no part of the assets to be used by such acquirer or transferee to acquire or hold such Notes or any interest therein constitutes the assets of any Benefit Plan Investor or any such employee benefit plan.
- (c) Such beneficial owner understands that such Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Notes have not been and will not be registered under the Securities Act, and, if in the future such beneficial owner decides to offer, resell, pledge or otherwise transfer such Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of the Trust Deed and the legend on such Notes. Such beneficial owner acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state securities laws for resale of such Notes. Such beneficial owner understands that the Issuer has not been registered, and will not register, under the Investment Company Act, and, that the Issuer intends to comply with the exception under Section 3(c)(7) of the Investment Company Act in order to avoid the adverse consequences of failing to register as an “investment company”. Such beneficial owner understands that any transferee will be a Qualified Institutional Buyer that is also a Qualified Purchaser or a non-U.S. person.
- (d) Such beneficial owner is aware that, except as otherwise provided in the Trust Deed, any Notes being sold to it in reliance on Regulation S will be represented by one or more Regulation S Global Notes and that in each case beneficial interests therein may be held only through a common depository for the respective accounts of Euroclear and/or Clearstream.
- (e) Such beneficial owner will provide notice to each person to whom it proposes to transfer any interest in the Notes of the transfer restrictions and representations set forth in the Trust Deed.

- (f) Each purchaser of the Notes understands that the Issuer will likely be a “covered fund” as defined in the Volcker Rule. The definition of “covered fund” in the Volcker Rule includes, in part, any issuer that would be an “investment company” under the Investment Company Act, but for the exclusions provided under Section 3(c)(1) or 3(c)(7) thereunder. Because the Issuer will rely on Section 3(c)(7) of the Investment Company Act, it will likely be considered a “covered fund” for purposes of the Volcker Rule, unless it fits within an applicable exclusion from the definition of “covered fund”. Accordingly, in the event the Issuer is considered a “covered fund”, “banking entities” (as defined under the Volcker Rule) that are subject to the Volcker Rule may be prohibited from, among other things, acquiring or retaining an “ownership interest” in the Issuer, unless such “banking entity” is able to rely on an applicable exclusion exemption under the Volcker Rule. “Ownership interest” is defined under the Volcker Rule as “any equity, partnership or other similar interest”. The phrase “other similar interest” is further defined under the Volcker Rule to as an interest that: (a) has the right to participate in the selection or removal of a general partner, managing member, member of the board of directors or trustees, investment manager, investment advisor, or commodity trading advisor of the covered fund (excluding the rights of a creditor to exercise remedies upon the occurrence of an event of default or an acceleration event and to participate in the removal of an investment manager for “cause” (as defined therein) or participate in the selection of a replacement manager upon an investment manager’s resignation or removal); (b) has the right under the terms of the interest to receive a share of the income, gains or profits of the covered fund; (c) has the right to receive the underlying assets of the covered fund after all other interests have been redeemed and/or paid in full (excluding the rights of a creditor to exercise remedies upon the occurrence of an event of default or an acceleration event); (d) has the right to receive all or a portion of excess spread (the positive difference, if any, between the aggregate interest payments received from the underlying assets of the covered fund and the aggregate interest paid to the holders of other outstanding interests); (e) provides under the terms of the interest that the amounts payable by the covered fund with respect to the interest could be reduced based on losses arising from the underlying assets of the covered fund, such as allocation of losses, write-downs or charge-offs of the outstanding principal balance, or reductions in the amount of interest due and payable on the interest; (f) receives income on a pass-through basis from the covered fund, or has a rate of return that is determined by reference to the performance of the underlying assets of the covered fund; or (g) any synthetic right to have, receive, or be allocated any of the rights in (a) through (f) above. The Volcker Rule excludes from the definition of “ownership interest” any “senior loan or senior debt interest” that has the following characteristics: (1) under the terms of the interest the holders of such interest do not have the right to receive a share of the income, gains, or profits of the covered fund, but are entitled to receive only: (i) interest at a stated interest rate, as well as commitment fees or other fees, which are not determined by reference to the performance of the underlying assets of the covered fund; and (ii) repayment of a fixed principal amount, on or before a maturity date, in a contractually determined manner (which may include prepayment premiums intended solely to reflect, and compensate holders of the interest for, forgone income resulting from an early prepayment); (2) the entitlement to payments under the terms of the interest are absolute and could not be reduced based on losses arising from the underlying assets of the covered fund, such as allocation of losses, write-downs or charge-offs of the outstanding principal balance, or reductions in the amount of interest due and payable on the interest; and (3) the holders of the interest are not entitled to receive the underlying assets of the covered fund after all other interests have been redeemed or paid in full (excluding the rights of a creditor to exercise remedies upon the occurrence of an event of default or an acceleration event).
- (g) Each purchaser of the Notes also confirms that it is not a retail investor in the EEA or the U.K. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the IDD, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by the PRIIPs Regulation for offering or selling the securities or otherwise making them available to retail investors in the EEA or the U.K. has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or the U.K. may be unlawful under the PRIIPs Regulation.

Non-Permitted Holder

If any U.S. person that is not both a Qualified Institutional Buyer and a Qualified Purchaser becomes the holder or beneficial owner of an interest in any Note (any such person a “**Non-Permitted Holder**”), the Issuer shall, promptly after discovery that such person is a Non-Permitted Holder, send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer its Notes,

the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. Each Noteholder, as applicable, the Non-Permitted Holder and each other person in the chain of title from the holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer and the Transfer Agent to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

Change of Control

Dutch company law combined with the holding structure of the Issuer, covenants made by the Issuer in the Transaction Documents and the role of the Security Trustee are together intended to prevent any abuse of control of the Issuer. As far as the Issuer is aware, there are currently no arrangements in place which may at a subsequent date result in a change of control of the issuer.

Enforceability of Judgments

The Issuer is a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of the Netherlands. None of the Directors and officers of the Issuer are residents of the United States, and all or a substantial portion of the assets of the Issuer and such persons may be located outside of the United States at any time. As a result, it may not be possible for investors to effect service of process within the United States upon the Issuer or such persons or to enforce against any of them in the United States courts judgments obtained in United States courts (or any non-Dutch courts), including judgments predicated upon civil liability provisions of the securities laws of the United States or any State or territory within the United States.

The Netherlands does not currently have a treaty with the United States providing for reciprocal recognition and enforcement of judgments (other than arbitration awards) in civil and commercial matters. Therefore, a final judgment for the payment of money rendered by any court in any federal or state court in the United States based on civil liability, whether or not predicated solely upon U.S. federal securities laws, would not automatically be recognized or enforceable in the Netherlands. In order to obtain a judgment which is enforceable in the

Netherlands, the claim must be relitigated before a competent Dutch court. A final judgment by a U.S. court, however, may under current practice be given binding effect, if and to the extent that the Dutch court finds that (i) the jurisdiction of the U.S. court has been based on grounds that are internationally acceptable, (ii) the judgment by the U.S. court was rendered in legal proceedings that comply with the standards of the proper administration of justice that includes sufficient safeguards (*behoorlijke rechtspleging*), (iii) the judgment by the U.S. court is not incompatible with a decision rendered between the same parties by a Dutch court, or with a previous decision rendered between the same parties by a foreign court in a dispute that concerns the same subject and is based on the same cause, provided that the previous decision qualifies for acknowledgement in the Netherlands and (iv) the final judgment does not contravene public policy (*openbare orde*) of the Netherlands.

Subject to the foregoing and provided that service of process occurs in accordance with applicable treaties, investors may be able to enforce in the Netherlands, judgments in civil and commercial matters obtained from U.S. federal or state courts. Moreover, a Dutch court may reduce the amount of damages granted by a U.S. court and recognize damages only to the extent that they are necessary to compensate actual losses or damages.

Dutch civil procedure differs substantially from U.S. civil procedure in a number of respects. Insofar as the production of evidence is concerned, U.S. law and the laws of several other jurisdictions based on common law provide for pre-trial discovery, a process by which parties to the proceedings may prior to trial compel the production of documents by adverse or third parties and the deposition of witnesses. Evidence obtained in this manner may be decisive in the outcome of any proceeding. No such pre-trial discovery process exists under Dutch law.

Enforcement and recognition of judgments of U.S. courts in the Netherlands are governed by the provisions of the Dutch Civil Procedure Code (*Wetboek van Burgerlijke Rechtsvordering*).

Foreign Language

The language of the Offering Circular is English. Certain legislative references and technical terms have been cited in their original language in order that the correct meaning may be ascribed to them under applicable law.

12.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.
- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Administrator (on behalf of the Lender) accordingly.
- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (e) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Administrator (on behalf of the relevant Finance Party) evidence reasonably satisfactory to the Administrator (on behalf of the relevant Finance Party) that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

If a FATCA Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any FATCA Deduction) leaves an amount equal to the payment which would have been due if no FATCA Deduction had been required.

12.3 Lender Tax Status

- (a) Notwithstanding any other provision of this Clause 12 (*Tax Gross-up and Indemnities*):
 - (i) if the Lender is entitled to an exemption from or reduction of withholding tax with respect to payments made by the Borrower under any Finance Document, the Lender shall deliver to the

Borrower and the Administrator, at the time or times reasonably requested by the Borrower or the Administrator (and promptly after the occurrence of a change in the Lender's circumstance requiring a change in the most recent documentation previously delivered), such properly completed and executed documentation reasonably requested by the Borrower or the Administrator as will permit such payments to be made without withholding or at a reduced rate of withholding; and

- (ii) if reasonably requested by the Borrower or the Administrator, the Lender shall deliver such other documentation prescribed by an applicable requirement of law or reasonably requested by the Borrower or the Administrator as will enable the Borrower or the Administrator to determine whether or not the Lender is subject to withholding or information reporting requirements. In the event that the Lender fails to comply with the foregoing requirement, the Borrower shall be permitted to withhold and retain an amount in respect of the applicable withholding tax estimated in good faith by the Borrower to be required to be withheld in respect of interest payable to the Lender. The Borrower is not required to make a Tax Payment to the Lender under this Agreement to the extent such Taxes are attributable to a failure by the Lender to provide the documentation required to be delivered pursuant to paragraph (i) of this Clause 12.3(a).
- (b) The Lender shall confirm whether it is a FATCA Exempt Party and shall provide any documentation, forms and other information relating to its status under FATCA reasonably requested by the Administrator or the Borrower sufficient for the Administrator or the Borrower to comply with their obligations under FATCA and to determine whether the Lender has complied with such applicable reporting requirements.

12.4 Tax indemnity

- (a) Subject to paragraph (b) below, the Borrower shall (within ten Business Days of demand by the Administrator (on behalf of the Lender or itself)) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party reasonably determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party. The Protected Party shall within five Business Days' of request by the Borrower provide to the Borrower reasonable written details explaining the loss, liability or cost and the calculation of the amount claimed by the Protected Party.
- (b) Paragraph (a) above shall not apply with respect to any Tax assessed on the Lender:
 - (i) under the law of the jurisdiction in which the Lender is incorporated or, if different, the jurisdiction (or jurisdictions) in which the Lender is treated as resident for tax purposes; or
 - (ii) under the law of the jurisdiction in which the Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,if that Tax is imposed on or calculated by reference to the net income or net profits received or receivable (but not any sum deemed to be received or receivable) by the Lender.
- (c) A Protected Party making, or intending to make a claim pursuant to paragraph (a) above shall promptly notify the Administrator (on behalf of the Lender) of the event which will give, or has given, rise to the claim, including details of the nature of the Tax due or paid by that Protected Party, following which the Administrator (on behalf of the Lender) shall promptly provide such information to the Borrower.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 12.4, notify the Administrator (on behalf of the Lender).

12.5 Tax Credit

- (a) If the Borrower makes a Tax Payment and the relevant Finance Party determines that:
 - (i) a Tax Credit is attributable to that Tax Payment; and
 - (ii) that Finance Party has obtained, utilised and retained that Tax Credit,the Finance Party shall pay an amount to the Borrower which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been made by the Borrower.
- (b) No provision of this Agreement shall:
 - (i) interfere with the right of any Finance Party to arrange its tax or any other affairs in whatever manner it thinks fit or oblige any Finance Party to claim any credit, relief, remission or repayment

in respect of any payment of Tax in priority to any other credit, relief, remission or repayment available to it, except that the Finance Party's sole reason (acting in good faith) for not claiming or for deferring such credit, relief, remission or repayment shall not be its obligation to make a payment under this Clause 12.5; or

- (ii) oblige any Finance Party to disclose any information relating to its Tax or other affairs or any computations in respect thereof.

12.6 Value added tax

- (a) All consideration expressed to be payable under a Finance Document by any Party to a Finance Party shall be deemed to be exclusive of any VAT and no Party shall exercise any potential option for waiving a VAT exemption. Subject to paragraph (b), if VAT is chargeable on any supply made by a Finance Party to any Party in connection with a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying the consideration) an amount equal to the amount of the VAT, unless the VAT charge is caused by the Finance Party's option to waive a VAT exemption, and in either case concurrently against the issue of an appropriate invoice.
- (b) If VAT is or becomes chargeable on any supply made by any Finance Party (the **VAT Supplier**) to any other Finance Party (the **Recipient**) in connection with a Finance Document, and any Party other than the Recipient (the **Subject Party**) is required by the terms of any Finance Document to pay an amount equal to the consideration for such supply to the VAT Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration), (i) if the VAT Supplier is required to account to the relevant tax authority for the VAT, the Subject Party must also pay to the VAT Supplier and, (ii) if the Recipient is required to account to the relevant tax authority for the VAT the Subject Party must pay to the Recipient, (in addition to and at the same time as paying such amount) an amount equal to the amount of such VAT. Where paragraph (i) applies, the Recipient must promptly pay to the Subject Party an amount equal to any credit or repayment obtained by the Recipient from the relevant tax authority which the Recipient reasonably determines is in respect of the VAT chargeable on that supply. Where paragraph (ii) applies, the Subject Party must only pay to the Recipient an amount equal to the amount of such VAT to the extent that the Recipient reasonably determines that it is not entitled to a credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse a Finance Party for any costs or expenses, that Party shall also at the same time pay and indemnify the Finance Party for the full amount of such costs and expenses including such costs that represent VAT incurred by the Finance Party in respect of the costs or expenses to the extent that the Finance Party reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of the VAT.
- (d) Any reference in this Clause 12.6 to any Party shall, at any time when such Party is treated as a member of a group including but not limited to any fiscal unities for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term "representative member" to have the same meaning as in the relevant legislation of any jurisdiction having implemented Council Directive 2006/112/EC on the common system of value added tax).
- (e) If VAT is chargeable on any supply made by a Finance Party to any Party under a Finance Document and if reasonably requested by such Finance Party, that Party must give the Finance Party details of its VAT registration number and any other information as is reasonably requested in connection with the Finance Party's reporting requirements for the supply and at such time that the Finance Party may reasonably request it.
- (f) Where the Borrower is required to make a payment under paragraph (b) above, such amount shall not become due until the Borrower has received a formal invoice detailing the amount to be paid.

13. MITIGATION BY THE LENDER

13.1 Mitigation

- (a) The Lender shall, in consultation with the Borrower, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to, any of Clause 7.1 (*Illegality*) or Clause 12 (*Tax Gross up and Indemnities*).
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

13.2 Limitation of liability

- (a) The Borrower shall indemnify the Lender for all costs and expenses reasonably incurred by the Lender as a result of steps taken by it under Clause 13.1 (*Mitigation*).
- (b) The Lender is not obliged to take any steps under Clause 13.1 (*Mitigation*) if, in the opinion of the Lender (acting reasonably), to do so might be prejudicial to it.

14. GUARANTEE AND INDEMNITY

14.1 Guarantee and Indemnity

With effect from the date of this Agreement or if later, the date on which it accedes to this Agreement in such capacity, each Guarantor irrevocably and unconditionally jointly and severally:

- (a) guarantees to the Lender punctual performance by each Obligor of its payment obligations under the Finance Documents;
- (b) undertakes with the Lender that whenever an Obligor does not pay any amount when due under or in connection with any Finance Document, that Guarantor shall promptly on demand of the Administrator (on behalf of the Lender) pay that amount as if it were the principal obligor provided that before any such demand if made on a Guarantor, demand for payment of the relevant amount shall first have been made on the Borrower; and
- (c) indemnifies the Lender immediately on demand against any cost, loss or liability suffered by the Lender if any obligation of an Obligor guaranteed by it is or becomes unenforceable, invalid or illegal. The amount of the cost, loss or liability shall be equal to the amount which the Lender would otherwise have been entitled to recover.

Any demand issued to a Guarantor under this Clause 14.1 shall be copied to the Borrower at the same time as it is issued to the relevant Guarantor, provided that failure to do so shall not affect the validity or effectiveness of the demand or the obligations of the Guarantor under this Clause 14 (*Guarantee and Indemnity*).

14.2 Continuing Guarantee

Each guarantee pursuant to this Clause 14 (*Guarantee and Indemnity*) is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

14.3 Reinstatement

If any payment by an Obligor or any discharge given by the Lender (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of each Obligor shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) the Lender shall be entitled to recover the value or amount of that security or payment from each Obligor, as if the payment, discharge, avoidance or reduction had not occurred.

14.4 Waiver of defences

The obligations of each Guarantor under this Clause 14 will not be affected by an act, omission, matter or thing which, but for this Clause 14 would reduce, release or prejudice any of its obligations under this Clause 14 (without limitation and whether or not known to it or the Lender) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

14.5 Immediate recourse

Each Guarantor waives any right it may have of first requiring the Lender (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 14 provided that no demand for any payment may be made on a Guarantor unless such demand has first been made on the Borrower. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

14.6 Appropriations

Until all amounts then due and payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, the Lender (or the Administrator or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by the Lender (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 14 provided that the Lender (or the Administrator or any trustee or agent on its behalf) shall promptly upon receiving moneys sufficient to discharge all amounts then due and payable by the Obligors under the Finance Documents, apply such moneys to so discharge such amounts.

14.7 Deferral of Guarantors' rights

Until all amounts which may be or become payable by the Borrower under or in connection with the Finance Documents have been irrevocably paid in full and unless the Administrator (on behalf of the Lender) otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 14:

- (a) to claim by way of contribution or indemnity in relation to any of the obligations of the Borrower under any of the Finance Documents;
- (b) to claim or prove as a creditor of the Borrower or any other person or its estate in competition with the Lender of any of them;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Lender under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Lender;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under this Clause 14); and/or
- (e) to exercise any right of set-off against any Obligor.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Lender by the Obligors under or in connection with the Finance Documents to be repaid in

full on trust for the Lender and shall promptly pay or transfer the same to the Administrator (on behalf of the Lender) or as the Administrator (on behalf of the Lender) may direct for application in accordance with Clause 19 (*Payment Mechanics*).

14.8 Release of Guarantors' right of contribution

If any Guarantor (a **Retiring Guarantor**) ceases to be a Guarantor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Retiring Guarantor or resigns in accordance with Clause 18.5 (*Resignation of a Guarantor*) then on the date such Retiring Guarantor ceases to be a Guarantor:

- (a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and
- (b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Lender under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

14.9 Release of VodafoneZiggo Group B.V. Guarantee

Notwithstanding paragraph (a) to (c) of Clause 18.5 (*Resignation of a Guarantor*), if VodafoneZiggo Group B.V. ceases to be the indirect Parent (as defined in Schedule 7 (*Additional Definitions*)) of the Borrower and VZ Financing II B.V., then on such date:

- (a) VodafoneZiggo Group B.V. shall be automatically released and discharged from the guarantees granted by it under this Clause 14;
- (b) VodafoneZiggo Group B.V. shall be automatically released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and
- (c) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Lender under any Finance Document.

14.10 Additional security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by the Lender.

14.11 Guarantor Intent

- (19) [Reserved];
- (20) Indebtedness Incurred constituting reimbursement obligations with respect to letters of credit issued and bank guarantees in the ordinary course of business provided to lessors of real property or otherwise in connection with the leasing of real property and letters of credit in connection with the maintenance of, or pursuant to the requirements of, environmental or other permits or licenses in respect of any government requirement, or other Indebtedness with respect to reimbursement type obligations regarding the foregoing; *provided, however*, that upon the drawing of such letters of credit or the Incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or Incurrence; and

(d) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this covenant:

- (1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.09(a) and Section 4.09(b), the Company, in its sole discretion, will classify such item of Indebtedness on the date of its Incurrence and only be required to include the amount and type of such Indebtedness in one of such clauses of Section 4.09(a) or in Section 4.09(b) and will be permitted on the date of such Incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.09(a) or in Section 4.09(b), and, from time to time, may reclassify all or a portion of such Indebtedness, in any manner that complies with this Section 4.09;
- (2) guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included;
- (3) if obligations in respect of letters of credit are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Section 4.09(b)(1), 4.09(b)(15), 4.09(b)(16), 4.09(b)(18), 4.09(b)(21) and the letters of credit relate to other Indebtedness, then such other Indebtedness shall not be included;

- (6) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP;
- (7) in the event that the Company, VZ Financing II, an Affiliate Covenant Party or a Restricted Subsidiary enters into or increases commitments under a revolving credit facility, enters into any commitment to Incur or issue Indebtedness or commits to Incur any Lien pursuant to clause (37) of the definition of “Permitted Liens”, the Incurrence or issuance thereof for all purposes under this Section 4.09, including without limitation for purposes of calculating the Consolidated Net Leverage Ratio or usage of clauses (1) through (21) under Section 4.09(b) (if any) for borrowings and re-borrowings thereunder (and including issuance and creation of letters of credit and bankers’ acceptances thereunder) will, at the Company’s option, either (a) be determined on the date of such revolving credit facility or such entry into or increase in commitments (assuming that the full amount thereof has been borrowed as of such date) or other Indebtedness, and, if such Consolidated Net Leverage Ratio test or other provision of this Section 4.09 is satisfied with respect thereto at such time, any borrowing or re-borrowing thereunder (and the issuance and creation of letters of credit and bankers’ acceptances thereunder) will be permitted under this covenant irrespective of the Consolidated Net Leverage Ratio test or other provision of this this Section 4.09 at the time of any borrowing or re-borrowing (or issuance or creation of letters of credit or bankers’ acceptances thereunder) (the committed amount permitted to be borrowed or re-borrowed (and the issuance and creation of letters of credit and bankers’ acceptances) on a date pursuant to the operation of this sub-clause (a) shall be the **“Reserved Indebtedness Amount”** as of such date for purposes of the Consolidated Net Leverage Ratio and, to the extent of the usage of clauses (1) through (21) under Section 4.09(b) (if any), shall be deemed to be Incurred and outstanding under such clauses) or (b) be determined on the date such amount is borrowed pursuant to any such facility or increased commitment, and in the case of subclause (a) of this Section 4.09(d)(7), the Company may revoke any such determination at any time and from time to time; and
- (8) with respect to Indebtedness Incurred under a Credit Facility, re-borrowings of amounts previously repaid pursuant to “cash sweep” or “clean down” provisions or any similar provisions under a Credit Facility that provide that Indebtedness is deemed to be repaid periodically shall

only be deemed for the purposes of this covenant to have been Incurred on the date such Indebtedness was first Incurred and not on the date of any subsequent re-borrowing thereof.

- (e) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional Indebtedness, Preferred Stock or Disqualified Stock and increases in the amount of Indebtedness due to a change in accounting principles will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.09. The amount of any Indebtedness outstanding as of any date shall be (i) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (ii) the principal amount or liquidation preference thereof, together with any interest thereon that is more than 30 days past due, in the case of any other Indebtedness.
- (f) If at any time an Unrestricted Subsidiary becomes an Affiliate Covenant Party or a Restricted Subsidiary, any Indebtedness of such Unrestricted Subsidiary shall be deemed to be Incurred by an Affiliate Covenant Party or a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.09, the Issuer shall be in Default of this Section 4.09).
- (g) For purposes of determining compliance with any euro-denominated restriction on the Incurrence of Indebtedness, the Euro Equivalent principal amount of Indebtedness denominated in a foreign currency shall be (1) calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or first committed or first Incurred (whichever yields the lower Euro Equivalent), in the case of revolving credit Indebtedness; provided that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable euro-dominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such euro-dominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; and (2) if and for so long as any such Indebtedness is subject to an agreement intended to protect against fluctuations in currency exchange rates with respect to the currency in which such Indebtedness is denominated covering principal and interest on such Indebtedness, the swapped rate of such Indebtedness as of the date of the applicable swap. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company, VZ Financing II, an Affiliate Covenant Party and the Restricted Subsidiaries may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.
- (h) The Company, VZ Financing II and any Affiliate Covenant Party will not Incur, and will not permit any Guarantor to Incur, any Indebtedness that is contractually subordinated in right of payment to any other Indebtedness of the Company, VZ Financing II, any Affiliate Covenant Party or any Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Facilities and, if applicable, the guarantee of the Facilities by the person Incurring such Indebtedness, on substantially identical terms (as conclusively determined in good faith by the Board of Directors or senior management of the Company, VZ Financing II or the Affiliate Covenant Party); *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company, VZ Financing II, any Affiliate Covenant Party, any Guarantor or any other Restricted Subsidiary solely by virtue of being unsecured or secured on a junior Lien basis or by virtue of not being guaranteed or by virtue of the application of waterfall or other payment ordering provisions affecting different tranches of Indebtedness.
- (i) For purposes of determining compliance with (1) Section 4.09(a) and (2) any other provision of the Finance Documents which requires the calculation of any financial ratio or test, including the Consolidated Net Leverage Ratio, the Euro Equivalent principal amount of Indebtedness denominated in a foreign currency (if such Indebtedness has not been swapped into euros, or if such Indebtedness has been swapped into a currency other than euros) shall be calculated by the Company using the same weighted average exchange rates for the relevant period used in the consolidated financial statements of the Reporting Entity for calculating the Euro Equivalent of Consolidated EBITDA denominated in the same currency as the currency in which such Indebtedness is denominated or into which it has been swapped.

Section 4.10 Limitation on Sales of Assets and Subsidiary Stock

- (a) The Company, VZ Financing II and an Affiliate Covenant Party will not, and will not permit any of the Restricted Subsidiaries to, make any Asset Disposition unless:
- (1) the Company, VZ Financing II, an Affiliate Covenant Party or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as conclusively determined in good faith by the Board of Directors or senior management of the Company, VZ Financing II or an Affiliate Covenant Party (including as to the value of all non-cash consideration), of the shares and assets subject to such Asset Disposition;
 - (2) unless the Asset Disposition is a Permitted Asset Swap, at least 75% of the consideration from such Asset Disposition (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than Indebtedness) received by the Company, VZ Financing II, an Affiliate Covenant Party or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; and
 - (3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company, VZ Financing II, an Affiliate Covenant Party or such Restricted Subsidiary, as the case may be:
 - (A) to the extent the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary, as the case may be, elects (or is required by the terms of any Indebtedness), to prepay, repay or purchase Senior Indebtedness of the Company (including the Facilities), VZ Financing II, an Affiliate Covenant Party or any Guarantor, or Indebtedness of a Restricted Subsidiary that is not an Obligor (in each case other than Indebtedness owed to the Company, VZ Financing II, an Affiliate Covenant Party or an Affiliate of the Company) within 365 days from the later of the date of such Asset Disposition or the receipt of such Net Available Cash; *provided, however*, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this clause (A), the Company, VZ Financing II, an Affiliate Covenant Party or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (if any) (except in the case of any revolving Indebtedness) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased; or
 - (B) to the extent the Company, VZ Financing II, an Affiliate Covenant Party or such Restricted Subsidiary elects to invest in or commit to invest in Additional Assets within 365 days from the later of the date of such Asset Disposition or the receipt of such Net Available Cash; *provided, however*, that any such reinvestment in Additional Assets made pursuant to a definitive agreement or a commitment approved by the Board of Directors or senior management of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 6 months of such 365th day;

provided that pending the final application of any such Net Available Cash in accordance with clause (A) or clause (B) of this Section 4.10(a)(3), the Company, VZ Financing II, an Affiliate Covenant Party and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Agreement.
- (b) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied as provided in Section 4.10(a)(3) will be deemed to constitute “**Excess Proceeds**”. Notwithstanding Section 4.10(a), to the extent that the Company, VZ Financing II, an Affiliate Covenant Party or the Restricted Subsidiaries comply with the requirements of the Existing Senior Secured Notes Indentures (or any similar terms in an instrument or agreement governing Senior Indebtedness) with respect to the requirement to make an Asset Disposition Offer (as defined in the Existing Senior Secured Notes Indentures) with Excess Proceeds, then the Company, VZ Financing II, any Affiliate Covenant Party and the Restricted Subsidiaries shall be deemed to be in compliance with this Section 4.10.
- (c) For the purposes of this Section 4.10, the following will be deemed to be cash:
- (1) the assumption by the transferee (or extinguishment of debt or liabilities in connection with the transactions relating to such Asset Dispositions) of Indebtedness and any other liabilities (as recorded on the balance sheet of the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary or in the footnotes thereto, or if Incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on such balance sheet or in the footnotes thereof if

such Incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined conclusively in good faith by the Company, VZ Financing II, an Affiliate Covenant Party) (other than Subordinated Obligations of the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary that is Guarantor) of the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition (in which case the Company will, without further action, be deemed to have applied such deemed cash to Indebtedness in accordance with Section 4.10(a)(3)(A));

- (2) securities, notes or other obligations received by the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary from the transferee that are convertible by the Company, VZ Financing II, an Affiliate Covenant Party or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;
- (3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company, VZ Financing II, an Affiliate Covenant Party and each other Restricted Subsidiary are released from any guarantee of payment of the principal amount of such Indebtedness in connection with such Asset Disposition;
- (4) consideration consisting of Indebtedness of the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary;
- (5) any Designated Non-Cash Consideration received by the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value not to exceed 25.0% of the consideration from such Asset Disposition (excluding any consideration received from such Asset Disposition in accordance with clauses (1) to (4) of this Section 4.10(f)) (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received or, at the option of the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary, at the time of contractually agreeing to such Asset Disposition, and without giving effect to subsequent changes in value);

Section 4.12 Limitation on Liens

- (a) The Company, VZ Financing II and an Affiliate Covenant Party will not, and will not cause or permit any of the Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind securing Indebtedness upon any of their respective property or assets (including Capital Stock of Restricted Subsidiaries), whether owned on the Signing Date or acquired after that date, except (1) in the case of any property or asset that does not constitute Collateral, (x) Permitted Liens and (y) that the Company, VZ Financing II, an Affiliate Covenant Party or a Restricted Subsidiary may create, incur, or suffer to exist, a Lien upon any property or asset that does not constitute Collateral (such Lien, the “**Initial Lien**”) if, contemporaneously with the Incurrence of such Initial Lien, effective provision is made to secure the Indebtedness due under this Agreement or, in respect of Liens on an Affiliate Covenant Party's property or asset that does not constitute Collateral, such Affiliate Covenant Party's Guarantee, equally and ratably with (or prior to, in the case of Liens with respect to Subordinated Obligations of the Company, VZ Financing II, an Affiliate Covenant Party or a Restricted Subsidiary, as the case may be) the Indebtedness secured by such Initial Lien for so long as such Indebtedness is so secured.
- (b) Any Lien created pursuant to the proviso described in Section 4.12(a)(1) of the preceding paragraph in favour of the Facilities will be automatically and unconditionally released and discharged upon (1) the release and discharge of the Initial Lien to which it relates or (2) any sale, exchange or transfer to any Person other than the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary of the property or assets secured by such Initial Lien or (3) the full and final payment of all amounts payable by the Borrower under the Finance Documents.
- (c) For purposes of determining compliance with this Section 4.12, (i) a Lien need not be Incurred solely by reference to one category of Permitted Liens or Permitted Collateral Liens, as applicable, but may be Incurred under any combination of such categories (including in part under one such category and in part under any other such category) and (ii) in the event that a Lien (or any portion thereof) meets the criteria of one or more of such categories of Permitted Liens or Permitted Collateral Liens, as applicable, the Company, VZ Financing II or an Affiliate Covenant Party shall, in its sole discretion, divide, classify or may subsequently reclassify at any time such Lien (or any portion thereof) in any manner that complies with this Section 4.12 and the definition of “Permitted Liens” or “Permitted Collateral Liens”, as applicable.
- (e) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion of original issue discount or liquidation preference, any fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection therewith and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.25 Suspension of Covenants on Achievement of Investment Grade Status

If, during any period after the Signing Date, the Facilities or the corporate rating of the VodafoneZiggo Group have achieved and continue to maintain Investment Grade Status and no Event of Default has occurred and is continuing (such period hereinafter referred to as an “**Investment Grade Status Period**”), then the Company, VZ Financing II, or an Affiliate Covenant Party will notify the Administrator of this fact and beginning on the date such status was achieved, the covenants in this Agreement described under Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11 and Section 5.01(a)(3) and any related default provisions of this Agreement will be suspended and will not, during such Investment Grade Status Period, be applicable to the Company, VZ Financing II, an Affiliate Covenant Party and the Restricted Subsidiaries (or, with respect to Clause 14.1 (*Change of Control*), the Company, VZ Financing II, and an Affiliate Covenant Party). No action taken during an Investment Grade Status Period or prior to an Investment Grade Status Period in compliance with the covenants then applicable will require reversal or constitute a Default under this Agreement in the event that suspended covenants are subsequently reinstated or suspended, as the case may be. An Investment Grade Status Period will terminate immediately upon the failure of the Facilities or the corporate rating of the VodafoneZiggo Group, as the case may be, to maintain Investment Grade Status (the “**Reinstatement Date**”). The Company, VZ Financing II, an Affiliate Covenant Party will promptly notify the Administrator in writing of any failure of the Facilities to maintain Investment Grade Status and the Reinstatement Date.

Section 4.26 Limited Condition Transaction

- (a) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Agreement which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Company, VZ Financing II or an Affiliate Covenant Party, be deemed satisfied, so long as no Default or Event of Default, as applicable, exists on the date the definitive agreement (or other relevant definitive documentation) for such Limited Condition Transaction is entered into. For the avoidance of doubt, if the Company, VZ Financing II or an Affiliate Covenant Party has exercised its option under the first sentence of this Section 4.26(a), and any Default or Event of Default occurs following the date such definitive agreement for a Limited Condition Transaction is entered into and prior to the consummation of such Limited Condition Transaction, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted hereunder.
- (b) In connection with any action being taken in connection with a Limited Condition Transaction for purposes of:
 - (1) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated Net Leverage Ratio; or
 - (2) testing baskets set forth in this Agreement (including baskets measured as a percentage or multiple, as applicable, of Total Assets or Pro forma EBITDA);

in each case, at the option of the Company, VZ Financing II or an Affiliate Covenant Party (the Company’s, VZ Financing II’s or an Affiliate Covenant Party’s election to exercise such option in connection with any Limited

Condition Transaction, an “LCT Election”), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreement (or other relevant definitive documentation) for such Limited Condition Transaction is entered into (the “LCT Test Date”); provided, however, that the Company, VZ Financing II or an Affiliate Covenant Party shall be entitled to subsequently elect, in its sole discretion, the date of consummation of such Limited Condition Transaction instead of the LCT Test Date as the applicable date of determination, and if, after giving *pro forma* effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof), as are appropriate and consistent with the *pro forma* adjustment provisions set forth in the definition of “Pro forma EBITDA” and “Consolidated Net Leverage Ratio”, the Company, VZ Financing II, an Affiliate Covenant Party or any Restricted Subsidiary could have taken such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with.

- (c) If the Company, VZ Financing II or an Affiliate Covenant Party has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Pro forma EBITDA or Total Assets, of the Company, VZ Financing II, an Affiliate Covenant Party and the Restricted Subsidiaries or the Person or assets subject to the Limited Condition Transaction (as at each reference to the “Company”, “VZ Financing II”, or “Affiliate Covenant Party”, as applicable), in such definition was to such Person or assets) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Company, VZ Financing II or an Affiliate Covenant Party has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, test or basket availability under the Indenture (including with respect to the Incurrence of Indebtedness or Liens, or the making of Asset Dispositions, acquisitions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Company, VZ Financing II, an Affiliate Covenant Party, or any Restricted Subsidiary or the designation of an Unrestricted Subsidiary) on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be calculated on a *pro forma* basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Section 5.01 Merger and Consolidation

- (a) The Borrower will not consolidate with, or merge with or into, or convey, transfer or lease all or substantially all of its assets to, any Person, unless:
- (1) the resulting, surviving or transferee Person (the “Successor Company”) will be a corporation, partnership, trust or limited liability company organized and existing under the laws of any member of the state of the European Union that is a member of the European Union on the Signing Date, Bermuda, the Cayman Islands, or the United States of America, any State of the United States or the District of Columbia and the Successor Company (if not the Borrower) will expressly assume, by executing and delivering an accession agreement to this Agreement, to the Administrator (acting on behalf of the Lender), in form satisfactory to the Administrator (acting on behalf of the Lender) acting reasonably, all the obligations of the Borrower under the Finance Documents to which it is a party;
 - (2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;
 - (3) either (A) immediately after giving effect to such transaction, the Company, VZ Financing II and an Affiliate Covenant Party, or such Successor Company, would be able to Incur at least an additional €1.00 of Indebtedness pursuant to Section 4.09(a) or (B) the Consolidated Net Leverage Ratio of the Company, VZ Financing II and any Affiliate Covenant Party, or such Successor Company, would be no greater than that of the Company, VZ Financing II and any Affiliate Covenant Party immediately prior to giving effect to such transaction; and
 - (4) the Company shall have delivered to the Administrator (acting on behalf of the Lender) an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer complies with this Agreement; *provided* that in giving such opinion, such counsel may rely on an

Officers' Certificate as to compliance with Section 5.01(a)(2) and Section 5.01(a)(3) above and as to any matters of fact.

- (b) A Guarantor will not consolidate with, or merge with or into, or convey, transfer or lease all or substantially all of its assets to, any Person, other than the Company, VZ Financing II, any Affiliate Covenant Party or another Guarantor (other than in connection with a transaction that does not constitute an Asset Disposition or a transaction that is permitted under Section 4.10), unless:
 - (1) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and
 - (2) either:
 - (A) the Successor Company assumes all the obligations of that Guarantor under the Finance Documents to which such Guarantor is a party pursuant to agreements reasonably satisfactory to the Administrator (acting on behalf of the Lender); or
 - (B) the Net Cash Proceeds of such transaction are applied in accordance with the applicable provisions of this Agreement.
- (c) For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, one or more Subsidiaries of VZ Financing II, or one or more Subsidiaries of any Affiliate Covenant Party (as applicable), which properties and assets, if held by the Company, VZ Financing II, or an Affiliate Covenant Party (as applicable) instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company, VZ Financing II, or an Affiliate Covenant Party (as applicable) on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company, VZ Financing II, or an Affiliate Covenant Party (as applicable).
- (d) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Borrower or the relevant Guarantor, as the case may be, under the Finance Documents, and upon such substitution, the predecessor to the Successor Company will be released from its obligations under the Finance Documents, but, in the case of a lease of all or substantially all its assets, the predecessor to the Successor Company will not be released from the obligation to pay the principal of and interest on the Facilities.
- (e) The provisions set forth in this Section 5.01 shall not restrict (and shall not apply to): (i) any Restricted Subsidiary that is not a Guarantor from consolidating with, merging or liquidating into or transferring all or substantially all of its properties and assets to the Company, VZ Financing II or an Affiliate Covenant Party, a Guarantor or any other Restricted Subsidiary that is not a Guarantor, (ii) any Guarantor from merging or liquidating or transferring all or part of its properties and assets to the Company, VZ Financing II or an Affiliate Covenant Party or another Guarantor, (iii) any consolidation or merger of the Company into any Guarantor; provided that, for the purpose of this clause (iii), if the Company is not the surviving entity of such merger or consolidation, the relevant Guarantor will assume the obligations of the Company under this Agreement and the Finance Documents and Section 5.01(b)(1) and Section 5.01(b)(2) shall apply to such transaction; (iv) any consolidation, merger or transfer of assets effected as part of the Post-Closing Reorganizations and/or a Permitted Tax Reorganization; (e) any Solvent Liquidation; and (f) the Borrower or any Guarantor consolidating into or merging or combining with an Affiliate incorporated or organized for the purpose of changing the legal domicile of such entity, reincorporating such entity in another jurisdiction, or changing the legal form of such entity, provided that, for the purposes of this clause (iv), Section 5.01(a)(1), Section 5.01(a)(2), Section 5.04(a)(4), Section 5.01(b)(1) and Section 5.01(b)(2) shall apply to any such transaction.

SCHEDULE 6 EVENTS OF DEFAULT

Unless otherwise specified herein, (i) references in this Schedule 6 (*Events of Default*) to sections of Section 4 or Section 5 are to those sections of Schedule 5 (*Covenants*) and (ii) defined terms used in this Schedule 6 (*Events of Default*) shall bear the meanings given to them in Schedule 7 (*Additional Definitions*) or as otherwise given to them in Clause 1.1 (*Definitions*) of this Agreement. The provisions of this Schedule are to be interpreted in accordance with New York law (without prejudice to the fact that the Finance Documents are to be governed by English law).

Section 6.01 *Events of Default*

(a) Each of the following is an “Event of Default”:

- (1) default in any payment of interest on any Loan when due, which has continued for 30 days;
- (2) default in the payment of principal of or premium, if any, on any Loan when due at its Termination Date, upon mandatory prepayment, or otherwise;
- (3) failure by any Obligor to comply for 60 days after notice specified in this Agreement with its other agreements contained in the Finance Documents; *provided, however*, that the Company, VZ Financing II or an Affiliate Covenant Party shall have 90 days after receipt of such notice to remedy, or receive a waiver for, any failure to comply with the obligations to file annual, quarterly and current reports in accordance with Section 4.03 so long as the Company, VZ Financing II or an Affiliate Covenant Party is, as applicable, attempting to cure such failure as promptly as reasonably practicable;
- (4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company, VZ Financing II, an Affiliate Covenant Party or any of the Restricted Subsidiaries (or the payment of which is guaranteed by the Company, VZ Financing II, an Affiliate Covenant Party or any of the Restricted Subsidiaries), other than Indebtedness owed to the Company, VZ Financing II, an Affiliate Covenant Party or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists, or is created after the Signing Date, which default:
 - (A) is caused by a failure to pay principal of such Indebtedness at its Stated Maturity after giving effect to any applicable grace period provided in such Indebtedness (“payment default”); or
 - (B) results in the acceleration of such Indebtedness prior to its maturity (the “**cross acceleration provision**”);

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates €100.0 million or more and is not covered by a letter of credit, bank guarantee, indemnity or other documentary credit under an existing facility;

- (5) (A) a proceeding is commenced seeking a decree or order for (i) relief in respect of the Company, VZ Financing II, any Affiliate Covenant Party, a Significant Subsidiary, or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered pursuant to Section 4.03), would constitute a Significant Subsidiary, in an involuntary case under any applicable Bankruptcy Law, (ii) appointment of a receiver, liquidator, assignee, custodian, trustee, examiner, administrator, sequestrator or similar official of the Company, VZ Financing II, any Affiliate Covenant Party, a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered pursuant to Section 4.03), would constitute a Significant Subsidiary, or for all or substantially all of the property and assets of the Company, VZ Financing II, any Affiliate Covenant Party, a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered pursuant to Section 4.03), would constitute a Significant Subsidiary, or (iii) the winding up or liquidation of the affairs of the Company, VZ Financing II, any Affiliate Covenant Party, a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered pursuant to Section 4.03), would constitute a Significant Subsidiary (other than a solvent winding up or liquidation in connection with a transfer of assets among the Company, VZ Financing II, any Affiliate Covenant Party and the Restricted Subsidiaries) and, in each case, such proceeding shall remain unstayed and in effect for a period of 30 consecutive days; or (B) other than in relation to a solvent winding up or liquidation in connection with a transfer of assets among the

Company, VZ Financing II, any Affiliate Covenant Party and the Restricted Subsidiaries, the Company, any Permitted Affiliate Parent, a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered pursuant to Section 4.03), would constitute a Significant Subsidiary (i) commences a voluntary case (including taking any action for the purpose of winding up) under any applicable Bankruptcy Law, or consents to the entry of an order for relief in an involuntary case under any such law, (ii) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, examiner, administrator, sequestrator or similar official of the Company, VZ Financing II, any Affiliate Covenant Party, a Significant Subsidiary, or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered pursuant to Section 4.03), would constitute a Significant Subsidiary, or for all or substantially all of the property and assets of the Company, VZ Financing II, any Affiliate Covenant Party, a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements delivered pursuant to Section 4.03), would constitute a Significant Subsidiary, or (iii) effects any general assignment for the benefit of creditors;

- (6) failure by the Company, VZ Financing II, any Affiliate Covenant Party or any Significant Subsidiary to pay final judgments aggregating in excess of €100.0 million (net of any amounts that a solvent insurance company has acknowledged liability for), which judgments are not paid, discharged or stayed for a period of 60 days (the “**judgment default provision**”); or
- (7) any guarantee of the Finance Documents (pursuant to Clause 14 of this Agreement) of a Significant Subsidiary ceases to be in full force and effect (except in accordance with the terms of this Agreement) or is declared invalid or unenforceable in a judicial proceeding and such Default continues for 30 days after notice specified in this Agreement.

However, a default under Section 6.01(a)(3) or Section 6.01(7) will not constitute an Event of Default until the Administrator (acting on behalf of the Lender) notifies the Company of the default and the Company does not cure such default within the time specified in Section 6.01(a)(3) or Section 6.01(7) after receipt of such notice.

If a Default occurs and is continuing and is actually known to the Administrator (acting on behalf of the Lender), the Administrator (acting on behalf of the Lender) must give notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal of, premium, if any, or interest, if any, on any Loan, the Administrator (acting on behalf of the Lender) may withhold notice if and so long as the Administrator (acting on behalf of the Lender) in good faith determines that withholding notice is in the interests of the Lender. Any notice of default or Event of Default, notice of acceleration or instruction to the Administrator to provide a notice of default or Event of Default or notice of acceleration, or to take any other action with respect to an alleged default or Event of Default, may not be given with respect to any action taken, and reported publicly or to the Lender, more than two years prior to such notice or instruction.

With respect to any Default or Event of Default, the words “exists”, “is continuing” or similar expressions with respect thereto shall mean that the Default or Event of Default has occurred and has not yet been cured or waived. If any Default or Event of Default occurs due to (a) the failure by any person to take any action by a specified time, such Default or Event of Default shall be deemed to have been cured at the time, if any, that the applicable person takes such action or (b) the taking of any action by any person that is not then permitted by the terms of this Agreement or any other Finance Document, such Default or Event of Default shall be deemed to be cured on the earlier to occur of (i) the date on which such action would be permitted at such time to be taken under this Agreement and the other Finance Documents and (ii) the date on which such action is unwound or otherwise modified to the extent necessary for such revised action to be permitted at such time by this Agreement and the other Finance Documents. If any Default or Event of Default occurs that is subsequently cured (a “**Cured Default**”), any other subsequent Default or Event of Default resulting from the taking or omitting to take any action by any person, which subsequent Default or Event of Default would not have arisen had the Cured Default not occurred, shall be deemed to be cured automatically upon, and simultaneously with, the cure of the Cured Default. Notwithstanding anything to the contrary in this paragraph, a Default or Event of Default (the “**Initial Default**”) may not be cured pursuant to this paragraph, in the case of an Initial Default described in clause (b) of the second sentence of this paragraph, if an Officer of the Company, VZ Financing II, any Affiliate Covenant Party had Knowledge at the time of taking any such action that such Initial Default had occurred and was continuing.

For purposes of the paragraph above, “**Knowledge**” shall mean, with respect to an Officer of the Company, VZ Financing II or any Affiliate Covenant Party, (i) the actual knowledge of such individual or (ii) the

knowledge that such individual would have obtained if such individual had acted in good faith to discharge his or her duties with the same level of diligence and care as would reasonably be expected from an officer in a substantially similar position.

Notwithstanding anything to the contrary herein, (i) if a Default occurs for a failure to deliver a required certificate in connection with an Initial Default then at the time such Initial Default is cured, such Default for a failure to report or deliver a required certificate in connection with the Initial Default will also be cured without any further action and (ii) any Default or Event of Default for the failure to comply with the time periods under Section 4.03, or otherwise to deliver any notice or certificate pursuant to any other provision of this Agreement shall be deemed to be cured upon the delivery of any such report required by such covenant or notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in the Agreement.

SCHEDULE 7 ADDITIONAL DEFINITIONS

From: [●], as Lender
Dated: [●]

[●] facilities agreement originally dated [●] December 2020 between, among others, VZ Financing I B.V. (as Borrower), VodafoneZiggo Group B.V and VZ Financing II B.V. (as Original Guarantors), and VZ Vendor Financing II B.V. (as Lender) (the Facilities Agreement)

1. We refer to the Facilities Agreement and the final offering circular dated [●] (the “**Offering Circular**”), related to the Lender’s offer and sale of €[●] million of its [●] (the “**New Notes**”). This agreement (this “**Agreement**”) shall take effect as an Increase Confirmation for the purpose of the Facilities Agreement. Terms defined in the Facilities Agreement have the same meaning in this Agreement unless given a different meaning in this Agreement.
2. We refer to Clause 2.4 (*Increase*) of the Facilities Agreement.
3. The Lender agrees to assume and will assume all of the obligations corresponding to the Commitments specified in Schedule A (*Relevant Commitments/rights and obligations to be assumed by the Lender*) (the “**Relevant Commitments**”).
4. The proposed date on which the increase in relation to the Lender and the Relevant Commitments is to take effect (the “**Increase Date**”) is the date of this Agreement.
5.
 - 5.1 The Lender will only be obliged to comply with Clause 6 below if the Administrator (on behalf of the Lender) has received (or waived receipt of) all of the documents and other evidence listed in Schedule B (*Conditions Precedent to Signing this Agreement*) in a form that appears in the opinion of the Administrator (on behalf of the Lender) acting reasonably to comply with the requirements therein. The Administrator (on behalf of the Lender) shall notify the Borrower promptly upon being so satisfied.
 - 5.2 Other than to the extent that the Lender notifies the Administrator in writing to the contrary before the Administrator gives the notification described in Clause 5.1 above, the Lender authorises (but does not require) the Administrator to give that notification. The Administrator shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.
 - 5.3 Furthermore, the Lender will only be obliged to comply with Clause 6 below if on the proposed Utilisation Date (i) no Drawstop Event has occurred and is continuing and (ii) no Notes Acceleration Event has occurred.
6. Subject to Clause 5 above, the Lender shall lend and the Borrower shall borrow by 4 p.m. on the Increase Date:
 - 6.1 in respect of the Interest Facility, an amount in Euros equal to the increase in the Interest Facility Commitment specified in Schedule A (*Relevant Commitments/rights and obligations to be assumed by the Lender*);
 - 6.2 in respect of the Excess Cash Facility and subject to Clause 8 below, €[●] (the “**New Notes Excess Cash Facility Amount**”); and
 - 6.3 in respect of the Issue Date Facility and pursuant to Clause 5.2(c) of the Facilities Agreement, an amount in Euros equal to the increase in the Issue Date Facility Commitment specified in Schedule A (*Relevant Commitments/rights and obligations to be assumed by the Lender*) (which all the Parties agree and acknowledge shall be made available on a cashless basis in accordance with the terms of the Issue Date Arrangements Agreement (as defined in the Offering Circular)).
7. Each Guarantor, by its execution of this Agreement, accepts this agreement, acknowledges and agrees to the increase in the Total Commitments pursuant to this Agreement and confirms that its obligations under the Facilities Agreement as a Guarantor, including, without limitation, pursuant to Clause 14 (*Guarantee and Indemnity*) of the Facilities Agreement, shall continue unaffected in full force and effect on the terms of the Facilities Agreement, except that those obligations shall extend to the Total Commitments as increased by

the addition of the new Commitments of the Lender pursuant to this Agreement and shall be owed to the Lender, notwithstanding the imposition of any amended, additional or more onerous obligations and, in each case, subject to any limitations set out in Clause 14.12 (*Guarantee Limitations*) of the Facilities Agreement applicable to that Guarantor.

8. [The Borrower shall pay to the Lender on the date hereof a fee (representing (among other things) the aggregate fee payable to the initial purchasers (the “**Initial Purchasers**”) party to the subscription agreement dated [●] entered into in connection with the issuance of the New Notes) (the “**New Notes Upfront Fee**”). The Lender and the Borrower agree that the Borrower’s obligation to pay the New Notes Upfront Fee to the Lender shall be set off against the Lender’s obligation to lend the New Notes Excess Cash Facility Amount in accordance with Clause 6.2 of this Agreement.]
9. The Lender hereby gives notice, and each of the Borrower, the Guarantors and the Administrator hereby acknowledges that they have received notice, of the security granted by the Lender in favour of the Security Trustee for the benefit of the Secured Parties (as defined in the Notes Trust Deed) pursuant to Clause 5.1 (*Charge and Assignment*) of the Notes Trust Deed.
10. This Agreement may be executed in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.
11. The provisions of Clause 25 (*Lender’s Limitations*) of the Facilities Agreement shall be incorporated into this Agreement *mutatis mutandis* as if set out in full in this Agreement.
12. This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law and each of the parties hereto submits to the exclusive jurisdiction of the English courts.
13. This Agreement has been entered into on the date stated at the beginning of this Agreement.
